A. MANAGEMENT RIGHTS

1. The Board is the locally elected body charged with the final responsibility of establishing policies for the Wynford Local School District in accordance with the laws of the State of Ohio and the terms and conditions of this Agreement. The Superintendent and his staff have the responsibility of carrying out the policies established.

The board shall retain all rights, duties, and authority as are provided for in statute and the provisions of the contract between the Board and the Association. These shall include to the right to do the following as set forth on Sections 4117.08 (C) of the Ohio revised code:

- (1) Determine matters of inherent managerial policy which include, but are not limited to areas of discretion or policy such as the functions and programs of the public employer, standards of services, it's overall budget, utilization of technology, and organizational structure;
- (2) Direct, supervise, evaluate, or hire employees;
- (3) Maintain and improve the efficiency and effectiveness of governmental operations;
- (4) Determine the overall methods, process, means, or personnel by which governmental operatives are to be conducted.
- (5) Suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote, or retain employees;

- (7) Determine the overall mission of the employer as a unit of government;
- (8) Effectively manage the work force;
- (9) Take actions to carry out the mission of the public employer as a governmental unit.

B. PRINCIPLES

1. Objective: Attainment of objectives for the educational program of the Wynford Local School District requires mutual understanding and cooperation among the Board, the Superintendent, and Association. Therefore, free and open exchange of views is desirable and necessary in the negotiations process.
2. Licensed (including certified) Personnel It is recognized that members of the licensed staff require specialized qualifications, and that the success of the educational program in the Wynford Schools depends upon the maximum utilization of the abilities of the licensed personnel. It further recognizes that the professional staff has genuine interest in the welfare of the students and in the effective and efficient operation of the school system.
3. Right to Join or Not to Join: The Board recognizes that licensed personnel have the right to join, or not to join, any organization for their professional or economic improvement. Membership in any organization shall not be required as a condition of employment.
4. Right of Minorities and Individuals: Individuals and minority organizations may present their views and recommendations to the Board at scheduled meetings of the Board.
5. Good Faith: Both parties agree to conduct negotiations in "Good Faith." "Good Faith" requires that the Association and the Board be willing to react to each other's proposals with the intent of reaching agreement. If a proposal is unacceptable to one of the parties, along with either rejecting or offering a counterproposal, the party must give reasons for said action. "Good Faith" does not mean that either negotiation team is given authority to make final commitment for the Board or the Association.

C. RECOGNITION

1. The Board hereby recognizes the Association, an OEA/NEA - Local, as the sole and exclusive bargaining representative, for the purposes of and as defined in Chapter 4117 Ohio Revised Code, for all professional, licensed and certificated (teachers), non-supervisory personnel (as certified by the State Employment Relations Board) both full and including by way of illustration only but not limited, classroom teachers (K-12, adult, special, vocational, guidance counselors, librarians, media and program specialists, school social workers, school nurses, coordinators, department heads, visiting teachers, advising or critic teachers). The Association recognizes that the Superintendent, Assistant Superintendent, Principals, and other Administrative personnel as defined in Chapter 4117 Ohio Revised Code are excluded from the bargaining unit. The Board recognizes that the Association representation will

include any newly created position unless employment into the position is governed by Section 3319.02 of the Ohio Revised Code.

2. Duration of Recognition: Such recognition shall continue until such time that the Association is replaced by another employee organization in accordance with the provisions of 4117. For the duration of this recognition the Board agrees not to bargain with any other organization of teachers.
3. Any questions or disagreements with regard to the inclusions or exclusions of individuals of the bargaining unit shall be submitted to the State Employment Relations Board for determination. Such submission to SERB shall be preceded by an effort on the part of the Association and the Board to clearly identify and resolve the problem in accordance with the provisions of ORC 4117.

D. SCOPE OF BARGAINING

The scope of bargaining shall be in accordance with ORC 4117.

E. REPRESENTATION

The Board, or designated representative(s) of the Board, will meet with representatives designated by the Association for the purpose of discussion and reaching mutually satisfactory agreements. All negotiations shall be conducted exclusively between said teams. Representation at negotiation meetings shall be limited to five active representatives of the WEA and the Board of Education, freely chose by each party. (unless agreed on by both sides.)

The negotiation teams may call upon professional and lay consultants (other than the designated team members) to assist in all negotiations. Such consultant(s) shall be entitled to attend bargaining session(s) and shall be allowed to speak with regard to their area(s) of expertise. The expense of such consultants shall be borne by the party requesting them.

F. INITIATION OF NEGOTIATIONS AND TIMELINE FOR THE BARGAINING PROCESS

1. Either the Board or the Association may cause negotiations for a successor agreement to commence by giving written notification to the other party that it desires to open negotiations for the purpose of making modification(s) to the existing Collective Bargaining Agreement that will result in a new successor agreement. Such notice by the Association shall be served on the Superintendent of Schools and notice by the Board shall be served on the President of the Association.

The collective bargaining process shall commence no more than one hundred eighty (180) nor less than one hundred twenty (120) days prior to the expiration date of the existing Collective Bargaining Agreement and shall be at a mutually acceptable time within fourteen (14) days of the date that the initiating notice was served.

2. The parties shall continue in full force and effect all the terms and conditions of the existing Collective Bargaining Agreement, without resort to strike or lockout, for a period of sixty (60) days after the party gives notice or until the expiration date of the Collective Bargaining Agreement, whichever occurs later.
3. If the parties are unable to reach agreement within the timelines of F-2 above, the bargaining unit members have the right to strike under Chapter 4117 of the Revised Code provided that the Association has given a ten (10) day prior written notice of an intent to strike to the Board and to SERB, the agreement has expired and the impasse procedure has been exhausted.

G. NEGOTIATIONS PROCEDURES

Meetings

1. At the first scheduled negotiations meeting, the official representatives of the Association and of the Board shall meet for the sole purpose of submitting all subject items to be considered for negotiation. Once submitted, no new items may be introduced for consideration during the course of negotiations without the consent of both teams.
2. Designated representative(s) of the Board shall meet at mutually agreed upon places and times with representatives of the Association for the purpose of effecting a free exchange of facts, opinions, and proposals in an effort to reach mutual understanding and agreement.
3. Negotiation meetings shall be in executive session.
4. Summary records of each negotiations session may be kept by either party. It will be the responsibility of each party to make arrangements for such record keeping as it may deem necessary.
5. Caucuses: During a negotiations session, either team may call caucuses not to exceed thirty (30) minutes each, unless mutually agreed to extend the time limit.
6. News Release: While negotiations are in process and prior to reaching an agreement to be submitted to the Board and the Association, statements to the media may be issued as needed by either party. A copy of any media release shall be furnished to

the other party at the time and by the same method. Progress reports may be made to the represented bodies by either team at the discretion of that team.

7. Information: Upon request by the Association and in compliance with Ohio Revised Code (149.43), the Board shall supply, within a reasonable time when available from the auditor, all public financial information relative to the operation of the district and all public information pertinent to items to be negotiated by the Association. The cost for all materials will be shared by the Association and the Board.

8. Impasse:

a. In the event the agreement is not reached prior to two weeks before the expiration date of this Agreement (or at any later time), either party shall have the right to declare impasse and request that an impartial mediator be appointed. Request the Assistance of a mediator from the Federal Mediation and conciliation Service (FMCS) shall be requested, and such request shall be deemed a joint request. In the event that the services of a mediator are called upon, the mediation process shall last for a minimum of seven days (7) or until the expiration date of contract, whichever is greater. Once this period of mediation has expired, the parties will have reached ultimate impasse.

b. This alternative dispute settlement procedure shall replace ORC 4117.14 (c) (2) through 4117 (D) (1).

H. AGREEMENT

Final agreement reached through negotiations shall be reduced to writing, signed by the spokesperson of each party as a tentative total agreement, and submitted by the Association to the membership for ratification. Upon ratification by the Association, the agreement shall be submitted to the Board as a total agreement, for adoption or rejection. The Board must make said adoption or rejection within ten (10) calendar days of the date of notification of the Association ratification or at the next regularly scheduled meeting or whichever occurs later.

If the agreement is ratified by the Association and adopted by the Board, it shall be noted in the minutes of the Board and shall become a part of the contract between the Board and the Association. Said contract shall be signed by a representative(s) of each party.

I. AMENDMENT PROCEDURE

This Contract may be amended or provision(s) altered only by the mutual consent of the Board and the Association. Such amendment and/or altering may be 1) at the request of either the Board or the Association or 2) as may be required by ORC 4117. In any case,

the finalization of such amendment(s) or altering shall be in accordance with the provisions of Article I, part H.

J. NO REPRISAL

No reprisals of any kind shall be taken by the Board and its representatives or the Association and its representatives against any member for participating in any part of the negotiation process, including preparation and research of proposals and/or membership on the negotiating team.

K. RE-OPENING OF NEGOTIATIONS

This Contract may be re-opened for negotiations upon mutual consent of the Board and the Association. In any case in which alterations are made to the original agreement, the finalization of such alterations shall be made in accordance with the provisions of Article I, part H.

ARTICLE II - GRIEVANCE PROCEDURE

A. DEFINITION

1. A grievance is a claim of a violation, misinterpretation, or a misapplication of the terms and conditions of this contract.
2. A "grievant" is the teacher(s) or the Association making the claim.
3. A "party in interest" is the grievant(s), the Association, the Administrator(s), the Board and/or any individual(s) or groups of individuals against whom action might be taken in order to resolve the claim.
4. A day shall be defined as a "calendar day."
5. "Appropriate supervisor", for purposes of the grievance procedure, shall mean the lowest level administrator having the authority to resolve the grievance.

B. PURPOSE AND OBJECTIVES

1. The primary purpose of this procedure shall be to obtain, at the lowest administrative level and in the shortest period of time, equitable solutions to grievances that may arise from time to time. Both the Board and the Association agree that grievance proceedings shall be handled in a confidential manner.
2. Nothing contained herein will be construed as limiting the right of any teacher

having a grievance to proceed independently with this grievance procedure. Any adjustment to such grievances shall not be inconsistent with the terms of this Agreement. The Association shall have the right to 1) have representation of its choice at all levels of the procedure, 2) to receive notice (date, time, and place) of all hearings, and 3) to receive a copy of all awards from each level of the procedure.

C. PROCEDURE

1. Since it is important that grievances be processed as rapidly as possible, the timetable specified at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. Grievances must be initiated at the appropriate level of the grievance procedure within ninety (90) days after the aggrieved knew or should have known of the grievance situation or the grievance shall be waived.
3. In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable. Grievance situations that occur during the summer break will, if agreeable to both parties, be processed after the start of the next school year, and the filing timeline will start on the first school day of such school year.
4. Level One: Before submission of a written grievance, the individual(s) shall first discuss such grievance with his appropriate supervisor. If such grievance is not initiated in accordance with the provisions of this section, said grievance shall no longer exist.
5. Level Two: If informal discussion does not resolve the grievance to the satisfaction of the teacher and the Association, the grievant(s) shall have the right to lodge a written grievance with appropriate supervisor. If said grievance is not submitted within ten (10) calendar days following completion of Level One, said grievance shall be waived.

Written grievance shall be on the grievance form (see Appendix A) and shall contain a statement of facts upon which the grievance is based and a reference to the specific provision(s) of the agreement alleged to have been violated, misinterpreted, or misapplied shall be included.

The grievant(s) shall have the right to a hearing with the appropriate supervisor. The hearing is to be conducted within seven (7) calendar days after receipt of the appeal.

The grievant(s) and the Association shall be advised in writing of the time, place, and date of the hearing and shall have the right to representation at such meeting.

The appropriate supervisor shall take action on the written grievance within seven (7) calendar days after conclusion of the hearing. Action taken and reasons for the action shall be reduced to writing and copies sent to the grievant(s), Superintendent, and the Association.

6. Level Three: If action taken by the appropriate supervisor does not resolve the grievance to the satisfaction of the grievant(s) and the Association, or if no response is received after submission of the grievance to the appropriate supervisor, the grievant(s) may appeal in writing to the Superintendent. Failure to file appeal within seven (7) calendar days from date of receipt of written disposition shall be deemed a waiver of right to appeal.

The Superintendent shall convene a hearing within seven (7) days and shall take action on the appeal of grievance within seven (7) calendar days after conclusion of hearing. The grievant(s) shall have the right to be represented at the hearing by counsel, and/or representative of the Association. The Superintendent shall also have the right to legal representation at such meeting. Action taken and reasons for the action shall be reduced to writing and copies forwarded to the teacher, appropriate supervisor, and the Association.

7. Level Four: If action taken by the Superintendent does not resolve the grievance to the satisfaction of the grievant(s) and the Association or if no response is received after submission of the grievance to Superintendent, the grievant(s) may appeal in writing to the Board. Failure to file appeal within seven (7) calendar days from date of receipt of written disposition shall be deemed a waiver of right to appeal.

The Board shall convene a hearing within seven (7) days and shall take action on the appeal of grievance within seven (7) calendar days after conclusion of hearing. Grievant(s) shall have the right to be represented at the hearing by counsel, and/or representative of the Association. The Board shall also have the right to legal representation at such meeting.

Action taken and reasons for the action shall be reduced to writing and copies forwarded to the grievant(s), appropriate supervisor, Superintendent, and the Association.

8. Level Five - Arbitration: If the grievant is not satisfied with the disposition of the grievance by the Board at Level Four and the Association Executive Committee has investigated the grievance situation and has determined that the grievance has merit, the

Association may request a hearing before an arbitrator by completing Grievance Report form, Level Five. The grievant's request for arbitration shall be made within twenty (20) calendar days following the receipt of the disposition of the grievance in Level Four. The request for arbitration shall be hand delivered or by certified mail, with return receipt requested, to the treasurer of the Board. Within ten (10) calendar days following receipt of the grievant's request for arbitration by the treasurer, the Board or its designated representative and the Association representative shall mutually petition the American Arbitration Association to provide an arbitrator in accordance with its voluntary rules. Once the arbitrator has been selected he/she shall conduct a hearing on the grievance in accordance with rules and regulations of the American Arbitration Association. The arbitrator shall limit his/her decision to the application cited in the grievance. Post hearing briefs will be permitted in lieu of a closing statement by either party. The arbitrator will render a decision within thirty (30) calendar days and such decision will be binding on the parties. The cost of the arbitrator will be shared equally by the Board and the Association.

D. RIGHTS OF THE TEACHER TO REPRESENTATION

No reprisal nor discriminatory action of any kind shall be taken by the Board or by any member of the administration against any party of interest, any Association representative, any member of the Association Executive Committee, or any other participant in the grievance procedure by reason of such participation. Nor shall any reprisal or discriminatory action of any kind be taken by the Association or any of its representatives against the Board or any member of the administration.

Any party of interest or the aggrieved may be represented at any or all stages of the grievance procedure by a person of his/her own choosing from the bargaining unit, the Association, a representative of the Association, or of the legal profession; however, no teacher's organization other than the Association shall represent the grievant. When a teacher chooses to be represented by other than a representative of the Association, he/she shall so indicate by signing a "Waiver of Representation Rights" form which shall be filed with the Treasurer of the Board and the President of the Association. This form is found in Appendix B.

In all cases, the Association President shall receive notification of date, time, and place of hearings, and the Association shall be entitled to representation at such hearing in accordance with ORC 4117. Such representation shall be determined solely by the Association. The adjustment of a grievance(s) shall not, under any circumstances, be inconsistent with the terms and conditions of this Contract except as mutually agreed by the Board and the Association by way of settlement or MOU.

E. MISCELLANEOUS

Decisions rendered at all levels of the grievance procedure shall be in writing setting forth the decisions and the reasons. This material shall be promptly transmitted to all parties of interest and to the Association President.

ARTICLE III - LEAVE PROVISIONS

A. PERSONAL LEAVE

1. Employees shall be granted three (3) personal days.
2. Personal leave shall be unrestricted.
3. If an employee plans to take a day without pay (dock day), the employee must obtain approval from the Board or the Board's designee (Superintendent).
4. When feasible, notice of intent to use personal leave shall be filed at least forty-eight (48) hours prior to the intended date of use. In emergency situations, the request shall be completed upon return of the employee. When the request is submitted prior to use, the administrator will provide appropriate approval in a timely manner.
5. All requests for personal leave will be processed through Employee Kiosk.
6. The request submitted will be reviewed by the Superintendent and marked approved or rejected. In the latter case, the reason for the rejection shall be stated. In case of an emergency, the entire transaction may be conducted by telephone or in person.
7. Personal leave shall not be charged for days on which school is not in session due to calamity, disease epidemic, hazardous weather conditions, damage to school buildings, or other temporary circumstances due to utility failure rendering the school building unfit for school use.
8. All members of the bargaining unit shall have the option of receiving a bonus payment for the individual's unused personal leave equal to the Board of Education approved daily salary rate for a substitute teacher for each day of unused personal leave in a school year, having the unused personal leave converted to sick leave, or requesting up to two (2) unused personal leave days be carried over to the subsequent year.

An employee desiring the unused personal days to be converted to sick leave or up to two (2) unused personal days to be carried over to the subsequent year must

notify the Treasurer by June 15. Otherwise a bonus payment shall be included in the second paycheck in July following the school year in which personal leave was not used. Employees may accumulate a maximum of five (5) personal days. Employees may be compensated for a maximum of three (3) unused days in a given year. Unused personal leave can be converted to sick leave.

B. PROFESSIONAL LEAVE

Three (3) days' professional leave.

1. Any certificated/licensed employee requesting to attend a conference, convention, or workshop, or to observe other teachers within or outside the school district, may be absent for such purpose with or without the loss of pay, upon the recommendation of the principal and final approval of the Superintendent.
2. Such attendance must be in the best interest of the schools and within the employee's area or subject of school assignment.
3. Written approval or the reasons for denial must be returned to the employee prior to the date of leave unless the request is made 48 hours or less prior to date of leave. In the latter case approval or denial may be transacted by telephone or in person.
4. If the professional meeting is requested by the Superintendent of any employee, the Board shall pay, in addition to the teacher's salary, registration fees, and transportation at the IRS rate in accordance with Article VIII, Section B. 6. If the overnight stay is approved, the employee will be reimbursed up to \$95.00 per night. Requisitions must be submitted to the building principal for the registration fees, mileage, reimbursement and/or overnight stay. Upon approval of the purchase orders by the Superintendent, registration may be made. Registration fees will be paid by the Board directly to the vendor. Mileage and hotel expenses will be reimbursed to the employee following submission of itemized statements with all original receipts attached to the Treasurer's office.
5. Upon request, teachers shall submit a written report to their immediate supervisor who will distribute it to interested parties.
6. Normally not more than three (3) staff members shall be permitted to attend any one conference or meeting, with or without pay, at any time.

C. ASSOCIATION LEAVE

1. Association officers and/or delegates who request leave to attend meetings of State Representative Assemblies, other State Association meetings, or other Association

business will be granted up to three (3) association leave days, with pay, in a school year. No more than two (2) Association members will be approved to attend the same meeting. The Board shall not pay the expenses of Association members, except for providing the substitute(s) necessary through the Employee Kiosk to fill the vacancies.

D. SICK LEAVE

1. Any full-time employee who is employed by the Board shall be entitled to fifteen (15) days of sick leave with pay per school year, for each year under contract, and will be accredited at the rate of one and one-fourth (1 1/4) days per month. Employees working less than full time shall accrue sick leave on a prorated basis as prescribed by law. Unused sick leave shall accrue without limit. Employees shall be notified by the Treasurer of the Board of the total accumulated days of sick leave.
2. New teachers and current teachers who have exhausted their accumulated sick leave shall be credited with sick leave in accordance with ORC 3319.141, not more than five (5) days annually. Such credited leave will be deducted from the final pay of an employee, at his/her per diem rate if the employee leaves the employment of the Board before earning sufficient sick leave to repay the advance. The Board will continue to pay the school provided insurance premiums of any teacher who has exhausted his/her sick leave accumulation and the five (5) days advance and who remains on active contract status with the district.
3. Teachers may use sick leave for absence due to illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees, and to illness, injury, or death in the teacher's immediate family.

Regarding illness or injury, the teacher's immediate family shall include: spouse, children, parents, sibling, or anyone who has clearly held same relationship to the employee. Regarding death, the teacher's immediate family shall include: spouse, children, father, mother, brother, sister, in-laws, aunts, uncles, nieces, nephews, grandparents, grandchildren, or other persons who have assumed similar positions, regardless of residence.

4. The previously accumulated sick leave of a teacher new to the Wynford Local School District who has been separated from public service shall be placed to his/her credit upon his/her employment with the Board, provided that such employment takes place within ten years of the date of the last termination from public service. A teacher who transfers from another school district, or other public agency to the Wynford School District shall be credited with the unused balance of his/her accumulated sick leave up to the maximum of the sick leave accumulation permitted by the Board.

5. Notification of a teacher's intent to use sick leave shall be communicated by telephone or text to the appropriate administrator and, on return to school, said sick leave shall be processed through Employee Kiosk.
6. Sick leave shall not be charged for days on which schools are not in session due to calamity, disease, epidemic, hazardous weather conditions, damage to school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use.
7. Sick Leave Transfer: In the event that the Association President and Superintendent agree that a bargaining unit member who has a serious illness or injury needs additional sick leave, bargaining unit members can directly contribute unused, accumulated sick leave to the ill or injured member. However, the maximum sick leave contributed to the employee from all the other employees shall not exceed sixty (60) days and will be deducted from the contributing employees' accumulated sick leave. Sick leave that has been donated to a bargaining unit member will be deleted from that bargaining unit member's accumulated sick leave at the conclusion of the school year in which the donations were made. In the event that a bargaining member retires before the end of the school year, donated days may not be used in the calculation of severance payments. Application of this provision shall be on a case-by-case basis by the committee; bargaining unit members are limited to one (1) approved request per fiscal year.
8. Adoption Leave/Foster Care: Sick leave may be used for the adoption or foster placement of a child.

E. MATERNITY/PATERNITY LEAVE

1. Leave Privileges: In addition to the provisions of sick leave provided in Section C, a teacher who is pregnant, shall, upon request, be granted a leave of absence without pay for maternity/paternity reasons. Such leave shall begin at a time between the onset of pregnancy and the delivery of the child, and to continue up to one (1) year. This leave period may be extended upon application for such extension.

If the teacher so elects, maternity/paternity leave may begin when the sick leave expires or is terminated, if applicable.

2. Application for Maternity/Paternity Leave

Notice of leave for the purpose of maternity/paternity leave shall state in writing:

- a. expected date of birth
- b. date requested leave is to commence
- c. date teacher expects to return to service.

3. Time Period for Filing Application: Application for maternity/paternity leave should be made ten (10) days, if possible, prior to the requested beginning of maternity/paternity leave or extension of same.
4. Benefits While on Leave: Sick leave shall not accrue during maternity/paternity leave. Teachers on maternity/paternity leave may continue to participate in employee Board paid group benefits provided they furnish the Treasurer with the necessary premium payments in advance of when they are due. Since maternity/paternity leave is without pay, the Board paid group benefits stated herein do not apply to the State Teachers Retirement System.
5. Reinstatement: Upon return from approved maternity/paternity leave, the teacher shall be entitled to reinstatement to a position for which certification/licensure is held. If the said position has been abolished, the returning staff member shall be appointed to a position for which he/she is certified/licensed to teach.

F. LEAVE OF ABSENCE

1. Upon written request, a teacher shall be granted a leave of absence without pay for illness or other disability and may be granted such leave for educational, professional, or other purposes. Such leave shall be for a maximum of one (1) consecutive school year. Upon subsequent request, such leave may be renewed.
2. A written application must be made to the Superintendent on the appropriate Leave of Absence form at least thirty (30) calendar days prior to the effective date of the leave. This requirement shall be waived in cases of emergency.
3. Members of the bargaining unit who take any leave under this section shall be eligible to continue in Board provided insurance plans by paying the regular premiums to the Treasurer prior to the due date. The employee is ineligible for the HSA Board contributions as outlined in Article VIII, D. 1. b. and the insurance opt-out stipend as outlined in Article VIII, D. 7.
4. At the expiration of the approved leave, the teacher shall resume the contract status which he/she held prior to such leave. The returning staff member may be granted his/her position held prior to the leave if the position is still in existence. Code § 3319.111(A) and the procedural requirements set forth in this agreement which conform with and provide specificity to the statutory obligations established by Ohio Rev. Code § 3319.111 and § 3319.112

DEFINITIONS

1. Teachers: District employees covered in the teacher evaluation system required by Ohio Rev. Code § 3319.111 and § 3319.112.
2. Ohio Evaluation System (OhioES): The electronic system used by the District to report aggregate, summative teacher evaluation ratings to the Ohio Department of Education (ODE).
3. Evaluation Cycle: The period from the establishment of a professional growth or improvement plan through the issuance of an evaluation rating, in the year in which an evaluation rating is required by this contract or Ohio Rev. Code.

CALCULATING TEACHER PERFORMANCE

Teacher performance assessments shall be based on the evidence provided by the teacher and credentialed evaluator, on the formal observations of the teacher by the teacher's assigned evaluator, and the walkthroughs that are set forth in this agreement. No misleading, inaccurate, or undocumented information may become part of a teacher's performance assessment. All results and conclusions of performance, assessments shall be documented and supported by evidence collected by the evaluator during documented walkthroughs, formal observations, and pre, post, and summative conferences, informal conversations, and evidence of practice and professionalism.

A teacher may provide evidence to the credentialed evaluator.

Teacher Performance is evaluated during the two cycles of formal observations and the walkthrough(s), observation(s), and other components required by Ohio Rev. Code to be used in the teacher evaluation procedure.

An OTES Certified District Administrator shall be the primary evaluator.

Teachers of an accomplished rating may choose their evaluator.

Teachers of a skilled rating may have input on the selection of their credentialed evaluator for the evaluation cycle.

Prior to the evaluation being placed in the employee's personnel file, a post observation conference shall be conducted. The evidence as described above shall be considered in the post observation conference and changes made to the evaluation, where appropriate. Prior to final submission of information into OhioES a conference will be held at which time the teacher may submit additional evidence prior to May 1st.

After the post conference is held, the teacher shall receive a written copy of the evaluation. Both the teacher and the evaluator shall sign and date the evaluation form. The teacher, by

affixing his/her signature to the form indicates only that he/she has received and read such form and such signature does not indicate that he/she concurs with the evaluation, comments or ratings. The teacher has the right to submit comments or a rebuttal to the evaluation.

The OTES Rubric will be used for Teacher Performance.

The OSCES Rubric will be used for Counselor Performance.

DUE PROCESS

(ORC 3319.11 OTES guidelines)
- B. Any violation of either procedural or substantive due process shall automatically require re-employment of the teacher under appropriate contract which they are otherwise eligible to receive under the collective bargaining agreement.
- C. If an employee believes the evaluator has violated the procedure established in this Article or that the evaluator's judgment or conclusion is arbitrary, capricious, or unreasonable, the employee may file a grievance within the timelines as defined in Article II, of the employee's receipt of the signed and final version of the written evaluation for the particular school year or portion of a school year.

EVALUATION TIMELINE

Each teacher evaluation conducted under this policy shall be conducted by a person: 1) who is eligible to be an evaluator in accordance with ORC 3319.111(D); and 2) who holds a credential established by ODE for being an evaluator. - d. Employees shall accrue one (1) year of seniority for each contractual year worked.
 - e. No employee shall accrue more than one (1) year of seniority in any work year.
2. A tie in seniority shall occur when two (2) or more employees have the same amount of seniority credit as determined by the seniority list.

Ties in seniority shall be broken by the following method to determine the most senior employee:

The employee with the first day worked; then

The employee with the earliest date of employment (date of hire); then

The employee with the earliest date of application; then

By administrative decision with reasons given in writing to the Association President, upon request.

3. For reduction in force purposes only, employees employed under continuing contract shall have greater seniority than employees employed under limited contract.
4. Seniority shall be lost when an employee retires or resigns, is employed in a full-time non-bargaining unit position, or is discharged for cause.
5. The seniority list shall be posted annually, by November 1, of each work year. The Employer shall prepare and post on the designated bulletin board in each building/work site a seniority list indicating, by area of certification, license, or entry-level requirement, the first day worked, the date of Employer resolution to hire, and the contract status (limited or continuing) of each employee. Two (2) copies of said list shall be provided to the Union President on or before January 15 of each year.

ARTICLE V - REDUCTION IN FORCE (RIF)

A. RIF

When by reason of decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, financial reasons, or by reason of suspension of schools or territorial changes affecting the district, the Board may make a reasonable reduction. In making such reduction, the Board shall proceed to suspend contracts in accordance with the recommendation of the Superintendent who shall, within each teaching field affected, give

preference to teachers on continuing contracts and to teachers who have greater seniority. Said reduction shall be in accordance with the provisions of this agreement.

B. NOTIFICATION OF ANTICIPATED RIF

If the Board determines a RIF may occur, the Superintendent shall notify the Association President, in writing, no later than April 15. Any RIF will be implemented prior to the beginning of the subsequent school year. The notification shall include the reason(s) for the RIF, the position(s) to be reduced, eliminated or not filled, the name(s) of the employees to be affected, and the effective date of the RIF.

C. PROCEDURES

1. The number of persons affected by a reduction in force will be kept to a minimum by not employing replacements for employees who die, retire, resign, or take an approved leave of absence.
2. The type of contract is the deciding factor. Continuing contract personnel would be listed in order of seniority followed by limited contract personnel in order of seniority. RIF would begin with the lowest seniority at the limited contract level.
3. To the extent that reductions are not achieved through attrition, the required reductions will be accomplished by suspension of contract. Suspension of contract shall mean that a teacher will be in an inactive status with the district.
4. Seniority shall be determined as defined in Section E of Article IV.
5. Length of continuous service will not be interrupted or affected by an authorized leave of absence.
6. Written notification (registered mail, certified mail or hand delivered in private) shall be given to all teachers whose contracts are to be suspended no later than May 1 prior to the year of implementation.
7. The staff member lowest on the seniority list according to certification/licensure will be subject to the provisions of this policy.
8. A seniority list will be available in each building office. This list will be by certification/licensure. Staff members working in more than one department will be placed in all areas of certification/licensure. In addition the Association President shall receive two (2) copies of the seniority list(s) by January 15 of each year.

9. A teacher may bump another teacher with lower seniority if he/she holds proper certification/licensure at the time of RIF.

D. RECALL

1. A teacher whose name appears on the Reduction in Force list shall be returned to active employment when a vacancy becomes available for which he or she is certified/licensed.
2. Teachers on the Reduction in Force list shall be returned to active employment to fill vacancies for which they are certified/licensed in.
3. In the event a vacancy(ies) becomes available, the Board shall recall the teacher to active employment status by giving written notice to the teacher. Said written notice shall be sent to the teacher's last known address by certified mail. It shall be the responsibility of each teacher to notify the Board of any change in address.
4. If a teacher fails to accept full-time active employment status within ten (10) calendar days from the date said notification was mailed in accordance with the above, said teacher shall forfeit their right to recall.
5. A teacher on the Reduction in Force list shall, upon acceptance of the notification to resume active employment status, return to active employment status and will resume the contract status held at the time of the layoff.
6. A staff member will remain on the recall list for a maximum of two (2) years or until she/he asks to be removed.
7. Laid-off teachers shall be given the right to pay the total group premium for group life, hospitalization, and other group benefits for up to 18 months from the date of the layoff.
8. Sick leave and seniority will be restored effective at the time of RIFing. No sick leave or seniority can be accumulated during the RIFed period except according to state statute.
9. Acceptance or rejection of employment as a short-term substitute (59 days or less) shall not constitute the basis for a Board challenge to a laid-off employee's entitlement to unemployment compensation. However, if the laid-off employee rejects any employment with the Board that would exceed 59 days, the Board may contest the unemployment compensation.

ARTICLE VI - TEACHING CONDITIONS

A. TEACHING ASSIGNMENT

1. The Superintendent has the right to assign consistent with the terms of this contract; however, all teachers shall retain their assignment from the previous year unless an assignment change occurs due to:

Job Posting/Bid
Voluntary Transfer
Involuntary Transfer RIF

Following the resolution meeting(s) any teacher who is being reassigned shall be notified in writing fourteen (14) days prior to the first day of school for students of their assignment which shall indicate the building, subject(s) and grade level(s). It is understood that unexpected retirements, resignations or deaths after the designated date above might not be included in the reassignment meeting due to timing but would be subject to the posting procedure.

Any employee who is reassigned after July 10 shall be exempt from all statutory regulations that dictate that employees are to give notice of retirement prior to a designated date. The Board of Education will accept any resignation offered after a reassignment has been made.

B. POSTING

All licensed and supplemental openings shall be emailed to each teacher and posted conspicuously on the bulletin board in each office near the teachers' mailboxes in every building during the school year. The Board shall not be held liable or accountable for mistakes and/or late deposits due to errors made by any financial institution.

This benefit will be available at no cost to the employee. Employees shall be able to select and change bank(s)/financial institution(s) at their individual options.

2. Advancement on Salary Schedule: Additional hours of college credit or continuing education units earned during a school year will be reflected by appropriate advancement on the salary schedule where such credit is properly certified on the form provided (Appendix L) to the treasurer as follows:

- a. Teachers will be placed on the appropriate column and experience level within fifteen workdays following the submission of appropriate proof of satisfactory completion of credits and/or course work necessary for advancement.
- b. For advancement purposes, when awarding additional hours of college credit or continuing education units, it shall be computed on a semester hour basis - quarter hours earned are to be converted by a factor of two-thirds (2/3).
- c. Hours are to be earned after award of MA and must be (1) related to the individual's teaching field, or (2) for certification/licensure in an education area, (3) to obtain an advanced degree in a field of education, and (4) obtained on the

employee's own time.

- d. The BA+15 column may be achieved by earning undergraduate or graduate hours completed after the awarding of the BA degree.
 - e. The BA/150 column may be achieved by earning graduate or undergraduate hours, completed at any time.
 - f. The Bachelors' column(s) shall refer to any bachelor's degree earned.
 - g. The Masters' column(s) shall refer to any master's degree earned.
 - h. The MA+10 and MA+20 may be achieved by earning graduate hours completed after the awarding of the MA degree.
 - i. All employees hired prior to July 1, 2003 shall not suffer any adverse salary consequences as a result of newly enacted provisions b. through e., inclusive.
3. Teacher's Experience Credit: When employing an experienced teacher, full credit on the salary schedule shall be given for public school teaching experience and/or non-public (chartered) school experience up to ten (10) years. A year of experience shall be defined as one hundred twenty (120) days or more of employment in any one school year. There shall be no granting of experience by this provision for current employees on a retroactive basis. In extenuating circumstances the Superintendent may place a new employee on a step beyond 10 years providing the teacher has accumulated such years in public school and/or non-public teaching. The Superintendent shall notify the WEA president when such action will be taken.
4. STRS Pick-up: The Board agrees to continue to recognize the tax deferred treatment of employees' contribution to the State Teachers Retirement System upon behalf of the employees in the bargaining unit on the following terms and condition:
- a. The amount to be picked-up and paid on behalf of each employee shall be at the current STRS determined percentage of the employee's compensation. The employee's annual compensation shall be reduced for tax purposes only, by an amount equal to the amount picked-up and paid by the Board.
 - b. The pick-up percentage shall apply uniformly to all members of the bargaining unit.
 - c. No employee covered by this provision shall have the option to elect a wage increase or other benefit in lieu of the employer pick-up.

- d. The pick-up shall continue without interruption and shall apply to all compensation including supplemental earnings thereafter.
 - e. This provision shall not result in additional costs to the Board with regard to STRS premium amounts.
5. Severance Pay: Teachers who choose to retire are eligible for severance pay upon evidence of proof that they have retired. The term “retire/retirement” as stated herein shall be the definition developed by the State Teachers Retirement System. The severance pay is based upon the accumulated sick leave remaining to their credit. Each teacher is entitled to one-fourth (1/4) the value of accumulated but unused sick leave. The maximum payment will be for seventy (70) days. This is based upon each teacher’s daily rate at the time of their retirement (regular and supplemental). Payment shall be made on the next pay following retirement.
6. Mileage: Teachers who are required to travel as the result of their teaching assignment shall be compensated at the current IRS rate for mileage as of July 1 for each subsequent fiscal year.
7. Additional Training Reimbursement
- a. The Board shall allocate a maximum of fifty thousand dollars \$50,000 each fiscal year (July 1 to June 30 of the following year) for the training reimbursement program.
 - b. Reimbursement per individual will be limited to \$650.00 per semester hour. No one will be eligible for more than fifteen (15) semester hours in any 12 month period (July 1 – June 30).
 - c. Bargaining unit members are required to take the course prior to requesting training reimbursement. Members of the bargaining unit must make the commitment, receive a grade of "C" or better, and show proof of payment when submitting a request for tuition allowance reimbursement. Proof of payment shall include a registration form detailing the number of hours taken and the cost per hour for the course. Submission for payment reimbursement must be made within thirty (30) days after receipt of the college transcript and must be submitted in the fiscal year the course end date occurs. Summer semester courses shall be considered the first semester of three semesters in a fiscal year. Therefore, if a summer semester course ends in May or June, reimbursement will occur in the subsequent fiscal year for purposes of this agreement.
 - d. All course work must be (a) related to the individual's teaching field, or (b) for certification/licensure in an educational area, (c) to obtain

an advanced degree in a field of education, and (d) obtained on the employee's own time.

- e. Funds shall be paid as follows:
All requests for tuition reimbursement shall be submitted to the Treasurer's office by May 31. If a transcript cannot be provided to the Treasurer's office by May 31 due to the applicable university not having the transcript prepared by that date, the employee must provide explanation of such to the Treasurer in writing, by May 31. Delay in the employee submitting the transcript request to the university shall be an unacceptable reason for not meeting the May 31 deadline.

Step 1 - On a first-come-first serve basis, employees eligible for training reimbursement in accordance with Sections 'b' through 'd' shall be paid 50% of the requested amount within thirty (30) days of submission of all necessary paperwork to the Treasurer's office up to the limit specified in Sections 7-a and 7-b of this article. Reimbursement for less than full-time employees will be determined on a pro-rata basis.

Step 2 - By June of each year, and based on the \$650.00 per semester hour amount, the remainder of the \$50,000 fund shall be divided and distributed to all eligible employees. All remaining funds will be divided on a pro-rata basis not to exceed the amount an employee actually paid for qualified tuition during the fiscal year.

- f. Monies must be reimbursed by the member of the bargaining unit if he/she resigns from Wynford School District prior to completing a year of service after receipt of training reimbursement funds.

- 8. Admission to Extracurricular Activities
Each employee shall receive a pass to all Wynford extracurricular activities that is non-transferable and admits the employee to Wynford sponsored events where admission is charged or a discounted pass will be extended to the employee's family member(s). This discounted pass will be for 50% of the cost of the current year's cost of a season pass.

C. SUPPLEMENTAL POSITIONS

- 1. Supplemental duties shall be defined as those duties which are performed during time in excess of the workday, work week, work year, or in addition to the employee's regular duties. Employees performing supplemental duties shall be issued written, individual, limited contracts that include:
 - a. duration of supplemental contract

- b. title of supplemental position
 - c. amount of supplemental compensation
2. Posting and filling of supplemental positions shall be in accordance with Article VI, Section B, of this Contract.
 3. Acceptance of a supplemental contract shall be voluntary.
 4. Supplemental contracts will be paid in one of three methods:
 - a. one lump sum at the end of the supplemental contract duties,
 - b. divided evenly over the remaining pays of the contract year once the position's duties commence as determined by the Superintendent or by his/her designee, or
 - c. one-half at the middle of the season and one-half at the end of the season.

A season shall be defined as the period lasting from the OHSAA first day of official practice to the team's final officially scheduled contest. Employees may select which payment method desired and shall notify the Board of Education at the time the contract is returned. Compensation for a supplemental contract shall begin with the first regular pay period after the supplemental contract has started, pursuant to the employee's selected payment method. If a supplemental contract is granted after the twenty-six pays have commenced, the compensation will be divided by the remaining pays if that is the method of payment selected.

5. Employees with supplemental contracts will be evaluated.
6. An employee's performance in a supplemental position shall not have an adverse effect on his/her certified teacher position. An employee's supplemental duties are not to interfere with, or be conducted during instructional time, unless approved by the building administrator. Supplemental duties should not detract from or impede the performance of a teacher's instructional responsibilities.
7. Percentages stated in the supplemental contract are to be applied to the base salary of the regular salary schedule.
8. See Supplemental Position pay schedules, Appendices G-1 and G-2.
9. Duties performed as part of a certified employee's position which require an employee to work longer than their normal year as dictated in the contract shall be

defined as extended time, and will be paid at a daily rate of 1/184 of their regular contract salary.

10. The supplemental duties shall be reviewed by a six member committee, when necessary:

3 appointed by the Superintendent
3 appointed by the WEA President

D. BONUS

Signing Bonus: Each teacher new to the District for the 2022/23, 2023/24, or 2024/25 school year and whose educational level falls within the BA category on the salary schedule shall receive a signing bonus of \$2,000.00 payable by the first pay of regular employment. This bonus is contingent upon each recipient remaining an employee of the Wynford Local School District for one year. If the employee does not remain in the Wynford Local School District for one year, then she/he shall pay the signing bonus back in full.

1. National Board Certification Bonus: Each teacher that attains National Board Certification after July 1, 2008 shall receive a one-time payment of \$2,000.00.

E. INSURANCE PROGRAM

1. Comprehensive Health Plan (Hospital/Surgical/Major Med): The Board shall provide, through a carrier or third party administrator licensed by the State of Ohio, comprehensive health insurance coverage using a Health Savings Account Plan ("HSA Plan") which meets or exceeds the coverage that was in effect during the 2008-09 school year. The Board will provide said coverage for each eligible teacher, now or thereafter employed, and his/her eligible dependents with the following stipulations.
 - a. Payments by the Board to the HSA Plan employee accounts will be made in two equal distributions. Every effort will be made to ensure that the bank receives the first Board contribution by the first business banking day after January 1. The second distribution will be made by the first pay in July. Advances will be made with the approval of the Superintendent on an as needed basis upon receipt of proper documentation and may be for up to the maximum amount.
 - b. For full-time employees, the amount deposited in the account shall be \$1,350.00 for each employee enrolled in a single insurance plan and \$2,000.00 for each employee enrolled in a family plan. Full-time bargaining unit members are defined as 7 ½ hours per day. For part-time bargaining unit members, the Board contribution to his/her HSA account shall be prorated

according to the percentage of employment using 7 ½ hours as the denominator.

For employees that begin employment subsequent to January 1, the employee will receive the pro-rata portion of the Board's HSA contribution based on the number of full months the employee is enrolled in the district's HSA Plan.

An employee may contribute to his/her HSA Plan an additional amount equal to the current IRS limits. These additional contributions shall be tax sheltered and may be made in equal bi-weekly deductions through payroll deduction. Elections to make contributions to an employee's HSA account via payroll deduction must be made by the established open enrollment period of the year preceding the calendar year for which the deduction(s) will be made by completing a HSA payroll deduction form provided by the Treasurer's Office. An employee may change his/her deduction election amount in June of the plan year for deductions in July through December by submitting a HSA payroll deduction form to the Treasurer's Office by June 15.

- c. Those employees who opt out of the Wynford Insurance program as per this negotiated agreement shall receive a payment of \$1,650.00 as outlined in Article VIII. E. 6.
- d. Full-time employees employed for the 2008-2009 school year and prior will not pay a monthly contribution for medical/prescription coverage. New employees hired for the 2009-2010 school year and subsequent school years will contribute 10% of the medical/prescription premium through payroll deduction. In addition, regardless of the hire date, less than full-time employees will pay insurance premiums on a prorated basis using the number of hours of employment divided by 7 ½ hours.
- e. Each employee will agree to a per policy in-network deductible. An employee may choose a physician or hospital out-of-network, which will require a 70/30 co-insurance.

	<u>Single</u>	<u>Family</u>
In-network	\$2,325	\$4,500
Out-of-network	\$3,325	\$6,500

- f. An eligible employee enrolled in Medicare may participate in the health insurance plan as outlined in this section. However, (s)he cannot contribute to a tax-sheltered HSA bank account. Therefore, the Board contribution will be paid directly to the enrolled employee in two equal distributions in the first pay in January and in the first pay in July. The Board contributions will be included in

the employee's W-2 as taxable income.

- g. The current negotiated agreement will be reopened for health insurance renegotiation if one or more of the following situations occur during the time period covered by this agreement:
 - 1) The Board is notified that self-employed dependents cannot be covered under stop loss insurance or by doing so causes a significant increase in the Board's medical and prescription stop loss premiums.
 - 2) The Board identifies a health insurance plan that improves the financial condition of the district.

SPECIFICATIONS: - see APPENDIX H.

2. Dental Insurance

- a. The Board shall purchase, through a carrier licensed by the State of Ohio, dental insurance coverage which meets or exceeds the coverage that was in effect during the 1984-85 school year for each teacher, now or hereinafter employed, and his/her eligible dependents. The full cost of this coverage and any increases thereof shall be paid by the Board.
- b. At the employee's option, the Board shall provide additional coverage as follows:
 - Increase lifetime maximum orthodontic services per person to \$2,000.00.
 - Increase percentage of payment of reasonable and customary charges for Complex services to 70% and Orthodontic services to 60%.
 - If this option is elected by an employee, the Board will pay five dollars (\$5.00) per month towards the additional cost of said improved dental insurance. Any additional premiums will, through payroll deduction, be purchased by the employee. The employee may choose to take a single policy, a family policy, or no policy.

Copies of contracts subsequently entered into by the Board shall be provided to the Association within one (1) week after they are received by the Board.

Upon annual written application to the Treasurer during the established open enrollment period of the year preceding the election, any bargaining unit member who is enrolled in single or family coverage effective April 1, 1994, may elect to drop either single or family medical and prescription coverage and will be eligible for a \$1,650.00 stipend. Any bargaining unit

members whose spouse has Board paid medical coverage under the Wynford Insurance Plan shall not be eligible for the stipend. New bargaining unit members who are hired and whose contracts are effective after June 30, 1994, shall be eligible for the stipend.

The bargaining unit member shall be paid the stipend in December at the end of the plan year.

If they are not covered by any other medical and prescription insurance plan, bargaining unit members will be able to re-enroll in the Wynford Insurance Plan during the plan year. The re-enrollment must be for a qualifying event recognized by IRS and consistent with the terms of the insurance carrier's contract. No pre-existing clause will be applied. The bargaining unit member will not be eligible in whole or in part for the stipend.

7. The Board will offer all bargaining unit members a Section 125 Plan that will only shelter the employees' contribution to their insurance premiums.

Additional 125 Plan shelters will be offered if there are no additional costs to the Board.

A stipend of \$1,650.00 per year will be paid to each employee whose spouse is forced off of the Wynford insurance plan as of January 1 of each year as a result of this provision. All Wynford employees that are enrolled in the Wynford Health Plan must sign an affidavit that documents his/her marital and spousal employment statuses. The affidavit will also serve as a certification of the spouse's ineligibility for full-time based health insurance coverage at his/her place of

employment, if applicable. See Appendix K. This document must be submitted to the Treasurer's Office by the established open enrollment period.

F. FREE DEPENDENT TUITION

1. The Board shall maintain a policy of free dependent tuition.

If, during the term of this Agreement, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which would invalidate any provision of this Agreement, the parties will meet to negotiate any necessary change in the agreement relative to the affected provision within sixty (60) days by demand of either party.

If, during the term of this Agreement, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal or a state agency pursuant thereto, which requires the Board of Education to develop policies that affect the term(s), condition(s) of employment, or working condition(s), then the parties will meet to negotiate the additional term, condition of employment or working condition within sixty (60) days by demand of either party.

ARTICLE X - LIABILITY PROTECTION

The Wynford Education Association and the Wynford Local Board of Education in an effort to deal with liabilities placed on the Board of Education by Ohio Revised Code 3313.203 (sovereign immunity) agree to the following stipulations:

- A. The Board of Education shall provide for the defense of a member of the bargaining unit in any civil action or proceedings in any state or federal court arising out of an alleged act or omission in connection with a governmental or proprietary function which occurs or is alleged to have occurred while the employee was acting in good faith and not manifestly outside the scope of his employment or duty. The duty to provide for an employee's defense required by this section shall not arise when the civil action or proceeding is brought by or on behalf of the Wynford Local Board of Education.
- B. The Wynford Local Board of Education shall indemnify and hold harmless all members of the bargaining unit in the amount of any judgment, other than punitive damages, obtained against any such employees in any state court, federal court, or as a result of a law of a foreign jurisdiction, provided that the act or omission connected with either a governmental or proprietary function from which such judgment arose occurred while the employee was acting in good faith within the scope of his employment of duty. This duty to indemnify and

hold harmless or pay prescribed by this subdivision shall not arise if the injury or damage resulted from the employee acting or failing to act with malice of purpose, in bad faith, or in a wanton and reckless manner, and/or if a statute specifically imposes liability.

- C. The Board of Education further agrees not to enter into any consent judgment or settlement of claim on behalf of the employee unless the member of the bargaining unit has given express written consent to the same. Nothing herein shall be construed as limiting the Board's authority as a party defendant to settle, compromise, and dismiss claims filed against the Board of Education.
- D. The Board of Education further agrees that should there be any claim or liability or damages against any member of the bargaining unit pursuant to Ohio Revised Code 3313.203 that said employee shall have the right to employ co-counsel, at the employee's cost, in any and all actions to defend his or her interests.
- E. The Board further agrees that any member of the bargaining unit shall have the right to be represented by an attorney of his or her choice and expense at any meeting between Board attorney, the insurance company representatives, the attorney representing the insurance company and/or the Board of Education, any deposition relevant to the claim of liability or damages, any meeting between the Board of Education and the person claiming any alleged act or omission in connection with any liability suit.
- F. The Board further agrees that unless discovered and proven by independent inquiry none of the materials provided in confidence to the Board's attorney or investigator in an attempt to indemnify the Board, excluding incident reports developed by the administration or an admitted crime, relevant to any claim or damages, or allegation or admission of wrong doing will be placed in the employee's personnel file and further that no records of relevancy to any employee's alleged culpability in any liability claim may be made part of any employee personnel records or utilized in any way that will adversely impact on the employee's wages, hours, or terms and conditions of employment at the time the complaint is filed or at some future date after the complaint has been filed.
- G. The Board further agrees that there will be no media release, except that information which would be available to any person attending a public board meeting, regarding any liability suit which involves the alleged act or omission of a member of the bargaining unit and that any publicity or media release will require the express written concurrence of the member of the bargaining unit involved.
- H. Following notification of an incident, the Board of Education agrees to provide any member of the bargaining unit with a minimum of three (3) hours to secure professional advice before he or she is required to file a written accident report or to give an oral account to the Employer or anyone else of the incident that could result in a claim of liability.

The Board further agrees that the employee shall have the right to representation of his/her choice at any meeting involving any such complaint or incident that could result in a claim of liability.

- I. The Board of Education should provide adequate release time for any employee who is required to attend any deposition, any pre-trial hearing, and any or all state and federal court hearings involving any and/or all claims of liability. The Board of Education agrees that such release time will not result in the employee's loss of wages or deduction from any Board approved leave.
- J. The Wynford Education Association will encourage all members of the bargaining unit to cooperate with the Board of Education in any defense to all claims of liability.
- K. The Wynford Local Board of Education will purchase liability coverage.
