- 1.0101 The North College Hill City School District Board of Education, hereinafter referred to as the "Board", recognizes the North College Hill Education Association, an affiliate with the Ohio Education Association and the National Education Association, hereinafter referred to as the "Association", as the exclusive and sole bargaining unit as defined herein.
- 1.0102 The Board agrees to negotiate with and recognizes the Association as the sole and exclusive bargaining agent for the certificated staff as defined herein, having the right to represent exclusively the members of the bargaining unit and the right to unchallenged and exclusive representation for the duration of this Contract.
- 1.0103 The Association has the full rights and privileges of exclusive representation as defined in Chapter 4117 of the Ohio Revised Code.

1.02 BOARD RECOGNITION

- 1.0201 The Association recognizes the Board as the locally elected body charged with the establishment of policy of public education in the District and as the employer of all personnel of this District under state law.
- 1.0202 The Association further recognizes that the Board has the sole responsibility for the management and control of all the public schools of whatever name or character in the District and is specifically delegated with the responsibility of making the rules and regulations by which the District will be governed as provided by Sections 3313.20 and 3313.47 and Chapter 4117 of the Ohio Revised Code, except as modified by this Contract.

1.03 DEFINITIONS

- 1.0301 Bargaining Unit:
The bargaining unit covered by this Contract is defined as all certificated/licensed personnel employed by the Board whether on leave, on per diem basis, employed, or to be employed, excluding the Superintendent of Schools, all Assistant Superintendents, administrative assistants, principals and assistant principals, supervisors, and all others for whom certification/license in supervision or administration is required as a condition of employment, substitute teachers, teachers' aides, and all other non-certificated/licensed employees of the Board and administrative personnel as defined in ORC 4117.

obligated to give its reasons. The unwillingness of one or the other party to change its position shall not constitute bad faith.

- 1.0305 Party:
Shall be construed to mean the Association and/or the Board.

ARTICLE II: **COLLECTIVE BARGAINING**

2.01 REQUEST FOR NEGOTIATIONS

The Association and the Board shall mutually agree upon the dates, the time and the location of the negotiations sessions before April 15th. The Association shall email a letter confirming the date, time and location of the negotiations sessions.

- 2.0202 A time, place and date for the next session shall be established before concluding the first and each successive negotiation session.
- 2.0203 Specific written proposals shall be exchanged by the parties at the first session unless otherwise mutually agreed. The party requesting negotiations shall present and explain its proposals first. The other party will then present and explain its proposals. Subsequently, no new proposals shall be considered unless mutually agreed
- 2.0204 The agenda for the subsequent session shall be determined at the end of each session.
- 2.0205 All sessions shall be scheduled after school hours unless otherwise mutually agreed.

2.03 NEGOTIATION TEAMS

- 2.0301 Each team shall consist of up to five (5) people of the party's choice. Each team shall designate a spokesperson. All negotiations shall be conducted exclusively by the said teams.
- 2.0302 Each team may call upon professional and lay consultants (in addition to their team members) to present testimony and facts concerning matters under discussion. No more than two (2) consultants may be used by each team in any negotiation session. The cost of such consultants shall be borne by the party using their services. The team using a consultant shall provide notice of that fact one (1) day prior to the session naming the person who will make the presentation and the subject of same.

Such initialing shall not be considered as a final agreement by the parties and it is expressly understood by the parties that the tentative agreement reached on any items may be revised or withdrawn by either team at any time during the negotiations process.

2.08 AGREEMENT

2.0801 When tentative agreement on all issues is reached through negotiations, the outcome will be reduced to writing, signed by the spokespersons of both negotiation teams, and submitted to the Association's membership for its consideration with a recommendation for acceptance by the Association's bargaining team, and to the Board for its consideration with a recommendation for acceptance by its team.

2.0802 The ratification vote by the Association's membership shall be communicated in writing to the Board President by the Association President. ARTICLE IV: GRIEVANCE PROCEDURE

4.01 GRIEVANCE POLICY

- 4.0101 The Board recognizes that in the interest of effective personnel management, a procedure is necessary whereby the bargaining unit members can be assured of a prompt, impartial and fair hearing on their grievance(s). Such procedure shall be available to all members and no reprisals, of any kind, shall be taken against any member initiating or participating in the procedure.
- 4.0102 The purpose of the grievance procedure is to secure at the lowest possible level solutions to grievances without fear of reprisal.
- 4.0103 Both parties agree that grievance procedures shall be kept as informal as appropriate to all levels of this procedure.

4.02 DEFINITIONS

4.0201 Grievance:

A grievance is a complaint involving the alleged violation, misinterpretation or misapplication of the negotiated Contract entered into between the Board and the Association.

4.0202 Grievant:

- A. A grievant is any bargaining unit member(s) having a grievance.
- B. If a grievance affects more than one (1) bargaining unit member but less than the entire bargaining unit, a group grievance may be filed with members affected by the grievance signing same.
- C. If a grievance affects the entire bargaining unit, the Association may file a grievance in writing at Step Three.

4.0203 Day:

- A. Day as used herein shall mean member workday during the period of time beginning with the first day of work until May 1 of each work year.
- B. From May 1 until the start of the next work year, day shall mean postal delivery day.
- C. However, extensions of time limits shall be granted if a witness(es) and/or the grievant(s) is(are) not available for a hearing within the required time at that step.

4.03 STEP ONE

- 4.0301 Any member(s) having a grievance shall first discuss such grievance with his/her building principal, or his/her designee, within twenty (20) days of the occurrence of the act or condition which is the basis of said grievance. The member shall advise

the principal, or his/her designee, at this meeting that this is Step One of the grievance procedure.

- 4.0302 The building principal or his/her designee shall reply within three (3) days of this meeting to the grievant(s) with reference to the grievance.

4.04 STEP TWO

- 4.0401 If the building principal or his/her designee's reply does not resolve the grievance to the satisfaction of the grievant(s), the grievant(s) shall have the right to lodge a written grievance with his/her building principal or his/her designee within ten (10) days of the receipt of the reply of that building principal or his/her designee at Step One. Failure to file a written grievance within ten (10) days of the receipt of the building principal or his/her designee's reply at Step One shall constitute a waiver of the grievance.

- 4.0402 The written grievance shall be on a standard form on the hard drive supplied by the Board and shall be available in a folder marked "High School", "Middle School", or "Elementary School."

A. The form shall contain a concise statement of the facts upon which the grievance is based and a reference to the specific Board policy, building policy and/or provisions of the Contract allegedly violated, misinterpreted or misapplied.

B. A copy of such grievance shall be filed with the Superintendent.

- 4.0403 The member shall have the right to request a hearing before the building principal or his/her designee.

A. If such a hearing is requested, the member shall be advised in writing of the time, place and date of the hearing, which shall occur at a time mutually agreeable within ten (10) days of the request for such hearing.

B. The hearing between the member and the building principal or his/her designee shall involve those two (2) parties only, unless either of the parties request and notifies the other party in writing at least three (3) days in advance of the scheduled hearing that they wish to be represented by another employee of the District and/or representative, in which case, both parties may be represented by an employee of the District and/or a representative.

- 4.0404 The building principal or his/her designee shall take action on the grievance within ten (10) days after his/her receipt of said grievance or, if a hearing is requested, within ten (10) days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing on the standard form and copies sent only to the grievant and the Superintendent.

4.05 STEP THREE

- 4.0501 If the action taken by the building principal does not resolve the grievance to the satisfaction of the grievant, such grievant may appeal in writing to the Superintendent. Failure to file such an appeal within ten (10) days from receipt of the form containing the principal's action on said grievance shall be deemed a waiver of the right to appeal and the grievance shall be void.

- A. Upon request, a hearing shall be conducted by the Superintendent, or his/her designee, within ten (10) days after the receipt of the request.
- B. The grievant shall be advised in writing of the time, place and date of such hearing which shall be at a time mutually agreeable, and shall have the right to be represented at such hearing by counsel or by a representative of the Association.

4.0502 The Superintendent or his/her designee shall take action on the appeal of the grievance within ten (10) days after receipt of the appeal, or, if a hearing is requested, within ten (10) days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing on the standard form at the time the action is taken and copies sent only to the grievant and the building principal or his/her designee.

4.06 STEP FOUR

4.0601 If the grievant is not satisfied with the decision at Step Three, the grievant only, with the consent of the Association, may appeal the decision to binding arbitration within ten (10) days of receipt of the Superintendent's decision. The decision of the arbitrator shall be binding on all parties.

4.0602 The notice of appeal at Step Four shall be filed with the Board Treasurer.

4.0603 The parties shall request a list of arbitrators from the American Arbitration Association.

- A. The arbitrator will be selected in accordance with the rules and regulations of the American Arbitration Association, except as herein modified.
- B. If no arbitrator is mutually acceptable from the list supplied by the American Arbitration Association, an additional list or lists will be requested.

4.0604 The arbitrator shall conduct a hearing and receive such evidence and testimony as he/she deems proper. Such hearing shall be held at the earliest time mutually convenient to the grievant, the Board and the arbitrator.

4.07 ARBITRATOR - WRITTEN DECISION

4.0701 Within thirty (30) days of the hearing of the grievance, the arbitrator shall issue his/her written decision. The decision shall be transmitted simultaneously to the grievant and the Board.

4.0702 The arbitrator shall not have the power to add to, subtract from or modify this Contract.

4.08 EXPENSES

The Board and the Association shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceedings. Each, however, shall be responsible for the fees and expenses of its representative.

4.09 MISCELLANEOUS

4.0901 A grievance may be withdrawn at any step without prejudice or record.

- 4.0902 No reprisal(s) of any kind shall be taken by or against any party(ies) in interest, any participant(s) in the grievance procedure, or any member(s) by reason of such participation.
- 4.0903 Should a hearing scheduled at Step Three or Step Four require the grievant(s), Association Representative, and/or witnesses to be released from his/her/their regular assignments, he/she/they shall be released without loss of pay.
- 4.0904 All documents, communications and records dealing with the processing of each grievance shall be filed in a confidential file separately from the personnel files of the participants.
- 4.0905 Any time limits set forth in the grievance procedure may be extended by mutual agreement of the parties concerned. Such an extension shall be expressed in writing.

The five (5) day guideline may be extended by mutual agreement of the teacher and the evaluator or if extenuating circumstances arise from extended absence on the part of either party.

5.0205 Administrative Assistance

Should deficiencies be observed, the evaluator shall provide the professional staff member with written recommendations for improving the deficiencies noted. Evaluators may recommend that teachers critique video tapes, do self-evaluations, develop and pursue job targets, try alternative instructional techniques, prepare more detailed lesson plans, etc. In addition, it shall be the staff member's responsibility to independently develop and utilize any other strategies necessary to improve his/her deficiencies.

5.0206 Formal Evaluation Report

- A. A conference between the evaluator and professional staff member shall be held at which time the evaluation report will be reviewed. This report shall be placed in the staff member's personnel file after he/she has had the opportunity

to review such material. The professional staff member will acknowledge that he/she has had the opportunity to review said material by affixing his/her signature to a copy of the evaluation report to be filed. It is understood that the teacher's signature in no way indicates agreement in whole or in part with the contents of the observation(s) or evaluation. If a teacher fails to sign the evaluation after being given the opportunity to do so, this fact will be noted on the form and the form will be placed in the file without the signature.

- B. The professional staff member shall have the right to submit a written response to any material included in an evaluation. This written response will be submitted to the immediate supervisor for review and a copy shall be provided for attachment to the evaluation in the personnel file housed at Central Office.

The provisions of 5.02 of this contract shall not govern the evaluation of a teacher up for contract renewal consideration except that the time lines set forth in 5.0203 (F)(1) shall be applicable and supersede and replace the time lines contained in 3319.111, Ohio Revised Code .

5.03 TERMINATION - FROM OHIO REVISED CODE 3319.16 AND 3319.161

5.0301 The contract of a teacher may not be terminated except for gross inefficiency or immorality; for willful and persistent violations of reasonable regulations of the board of education; or for other good and just cause. Before terminating any contract, the employing board shall furnish the teacher a written notice signed by its treasurer of its intention to consider the termination of his contract with full specification of the grounds for such consideration. The board shall not proceed with formal action to terminate the contract until after the tenth day after receipt of the notice by the teacher. Within ten days after receipt of the notice from the treasurer of the board, the teacher may file with the treasurer a written demand for a hearing before the board or before a referee, and the board shall set a time for the hearing which shall be within thirty days from the date of receipt of the written demand, and the treasurer shall give the teacher at least twenty days' notice in writing of the time and place of the hearing. If a referee is demanded by either the teacher or board, the treasurer shall also give twenty days' notice to the superintendent of public instruction. No hearing shall be held during the summer vacation without the teacher's consent. The hearing shall be private unless the teacher requests a public hearing. The hearing shall be conducted by a referee appointed pursuant to section 3319.161 of the Revised Code, if demanded; otherwise, it shall be conducted by a majority of the members of the board and shall be confined to the grounds given for the termination. The board shall provide for a complete stenographic record of the proceedings, a copy of the record to be furnished to the teacher. The board may suspend a teacher pending final action to terminate his contract if, in its judgment, the character of the charges warrants such action.

5.0302 Both parties may be present at such hearings, be represented by counsel, require witnesses to be under oath, cross-examine witnesses, take record of the proceedings, and require the presence of witnesses in their behalf upon subpoena to be issued by the treasurer of the board. In case of the failure of any person to comply with a subpoena, a common pleas judge of the county in which the person resides, upon application of any interested party, shall compel attendance of the

person by attachment proceedings as for contempt. Any member of the board or the referee may administer oaths to witnesses. After a hearing by a referee, the referee shall file his report within ten days after the termination of the hearing. After consideration of the referee's report, the Board by a majority vote may accept or reject the referee's recommendation on the termination of the teacher's contract. After a hearing by the board, the board by majority vote may enter its determination upon its minutes. Any order of termination of a contract shall state the grounds for termination. If the decision, after hearing, is against termination of the contract, the charges and the record of the hearing shall be physically expunged from the minutes, and if the teacher has suffered any loss of salary by reason of being suspended, he shall be paid his full salary for the period of such suspension.

- 5.0303 Any teacher affected by an order of termination of contract may appeal to the court of common pleas of the county in which the school is located within thirty days after receipt of notice of the entry of such order. The appeal shall be an original action in the court and shall be commenced by the filing of a petition against the board, in which petition the facts shall be alleged upon which the teacher relies for a reversal or modification of such order of termination of contract. Upon service or waiver of summons in said appeal, the board shall immediately transmit to the clerk of said court for filing a transcript of the original papers filed with the board, a certified copy of the minutes of the board into which the termination finding was entered, and a certified transcript of all evidence adduced at the hearing or hearings before the board or a certified transcript of all evidence adduced at the hearing or hearings before the referee, whereupon the cause shall be issue without further pleading and shall be advanced and heard without delay. The court shall examine the transcript and record of the hearing and shall hold such additional hearings as it deems advisable, at which it may consider other evidence in addition to the transcript and record.
- 5.0304 Upon final hearing, the court shall grant or deny the relief prayed for in the petition as may be proper in accordance with the evidence adduced in the hearing. Such an action is a special proceeding within the purview of section 2505.02 of the Revised Code and either the teacher or the board may appeal therefrom.
- 5.0305 In any court action the board may utilize the services of the prosecuting attorney or city solicitor or director of law as authorized by section 3313.35 of the Revised Code, or may employ other legal counsel.
- 5.0306 For the purpose of providing referees for the hearings required by section 3319.16 of the Revised Code, the superintendent of public instruction shall compile a list of resident electors from names that he shall solicit annually from the state bar association.
- 5.0307 Upon receipt of notice that a referee has been demanded by a teacher or by a board of education, the superintendent of public instruction shall immediately designate three persons from such list, from whom the referee to hear the matter shall be chosen, and he shall immediately notify the designees, the teacher, and the board of the school district involved. If within five days of receipt of the notice, the teacher and board are unable to select a mutually agreeable designee to serve as referee, the superintendent of public instruction shall appoint one of the three designees to serve as referee. The appointment of the referee shall be entered in the minutes of the Board. The referee appointed shall be paid his usual and customary fee for attending the hearing which shall be paid from the school district general fund upon vouchers approved by the superintendent of public instruction and presented to the treasurer of the district. No referee shall be a member of, an employee of, or teacher

employed by the board of education nor related to any such person by consanguinity or marriage. No person shall be appointed to hear more than two contract termination cases in any school year.

5.04 NONRENEWAL OF LIMITED CONTRACTS

The limited contract of a teacher shall be non-renewed as provided in 3319.11, Ohio Revised Code, except upon appeal, the issue shall be whether or not the Board complied with Section 3319.111, Ohio Revised Code, and the time lines contained in 5.0203 (F)(1) of the contract rather than the time lines contained in 3319.111, Ohio Revised Code.

5.05 REDUCTION IN FORCE

5.0501 Procedures

- A. If it becomes necessary to reduce the total number of teaching positions from one school year to another as the result of declining pupil enrollment or for financial reasons, reduction by attrition will be used to the extent possible. Financial reasons shall not include a financial shortfall created as the result of the Board voluntarily reducing the voted millage and then refusing to place an operating levy on the ballot.
- B. Reduction in force shall be defined as the reduction of, the elimination of, or the failure to fill a position in the bargaining unit.
 - 1. If it becomes necessary to reduce the number of staff positions of members of the bargaining unit for the reasons set forth in R.C. §3319.17 of the Ohio Revised Code, upon recommendation of the Superintendent, the Board shall first suspend the contracts of members within each teaching field affected, giving preference to those on continuing contract. In implementing the reduction, the Board shall identify the staff person(s) currently assigned to a position or assignment to be reduced.
 - 2. Seniority shall not be the basis for making a decision regarding a reduction in force except between teachers who have comparable evaluation. A teacher's evaluation rating for the purposes of reduction in force shall be based on a rolling three-year average and shall not include student growth measures. The order of reductions shall be:
 - 1st: Limited contract teachers with ineffective rating
 - 2nd: Limited contract teachers with developing rating
 - 3rd: Limited contract teachers with skilled and accomplished rating
 - 4th: Continuing contract teachers with ineffective rating
 - 5th: Continuing contract teachers with developing rating

- A. Seniority as used in this Contract shall mean the number of continuous years of District service commencing with the most recent date of employment by the Board.
 - (1) Seniority shall be determined further by next considering the date of each member's first day of work in the District.

(2) If the date of initial employment by the Board and the first day of work of two (2) or more members coincide, the times and dates on which those members accepted District employment shall be controlling as to seniority.

(3) Paid leaves of absence shall not be considered a break in seniority.

B. Members whose contracts are suspended due to a staff reduction shall not be considered to have a break in seniority if said members are returned to active contract status within the first forty-five (45) workdays of the member work year during which the first year of contract suspension is effective.

5.0504 Suspension Rights

Each member who has been notified that his/her teaching contract has been suspended shall be granted the following rights:

A. The right to review seniority and certification records. This right shall be available to members whose contracts have been suspended pursuant to a reduction in force.

B. The right to immediate reinstatement to his/her former teaching contract status if a position opens for which the member is certificated.

C. The right to resign after July 10. The Board shall accept without reservation the resignation of each member with a suspended teaching contract who requests said resignation after July 10.

5.0505 Recall

A. Any member whose contract is suspended because of declining enrollment or for financial reasons will be placed on a priority list for re-employment for two (2) years.

(1) If a vacancy occurs in such a member's area of certification, qualified members on the priority list will be considered for the vacancy before consideration of outside applicants.

(2) If a member refuses an offered vacancy for which he/she is certificated, his/her name shall be removed from the priority list and the Board's obligation hereunder terminated.

The Board has fulfilled its responsibility herein by sending a written notice of vacancy to a member on the list by certified mail at the last address left by the member. Unclaimed, refused, or non-deliverable notices, as well as failure to respond within ten (10) days of the posting of the notice, shall constitute refusal of vacancy.

5.0506 5.05 of the contract shall supersede and replace 3319.17 of the Ohio Revised Code.

5.0601 During each member work year the Superintendent or his/her designee shall post electronic notices of all District vacancies for the next school year. Positions filled during the member work year shall be declared vacant for the following school year.

Each posting shall include the qualifications necessary for the vacancy, information on how to apply, and the deadline for applications. If a member(s) wishes to be notified of vacancies or supplemental duties, he/she shall so notify the Superintendent or his/her designee who then shall notify that member of such vacancies.

Each member who submits a voluntary transfer request form for a specific vacancy shall be considered for a posted vacancy occurring prior to July 10 before it is filled but the administration may interview other candidates for the position during the posting time. The term vacancy shall be limited to positions to be filled for the next school year occurring as a result of newly created positions, transfers, resignations, retirements, leaves, deaths, and contract suspensions.

5.0604 Voluntary Transfers

A. Each bargaining unit member who wishes to transfer shall be considered for that transfer only after completing and date-signing the necessary form (Appendix "C"). Each member applying for a transfer shall receive a written acknowledgment of a receipt of his/her request from the Superintendent or his/her designee.

B. No member requesting a transfer shall be limited to a maximum number of requests, but the offer of any vacant position by the Superintendent or his/her designee for which that member has applied, and acceptance of that position by the member, shall automatically eliminate that member from further consideration for voluntary transfer for the current school year unless there is a mutual agreement between the member and the Superintendent or his/her designee to consider a further voluntary transfer.

(1) All requests for transfer shall be kept by the Superintendent or his/her designee until the beginning of the following school year.

(2) A member may revoke his/her request for transfer at any time prior to his/her acceptance of that transfer.

Any necessary changes in assignment occurring less than twenty-one (21) days prior to the start of school shall be discussed with the individual members involved in the same manner as involuntary transfers if requested by the member being reassigned.

5.0609 Part-Time Assignments

- A. If a regular full-time member elects to perform duties which are less than seven (7) periods (high school) or seven (7) hours (elementary), his/her status for seniority purposes shall not be disturbed and each year of service, although less than full-time, shall count as an additional year for seniority purposes as long as the member works a minimum of one hundred twenty (120) days within that year.

- B. Members accepting a reduction in hours may reclaim a full-time teaching assignment for the next school year in accordance with seniority by notifying the Superintendent no later than March 1 of the preceding school year of his/her desire to do so.

WHEREAS, the Board and the Association are parties to a current Collective Bargaining Agreement in effect from August 1, 2022 through July 31, 2025; and

WHEREAS, the Board of Education is responsible for a standards-based teacher evaluation policy which conforms to the framework for evaluation of teachers as approved by the State Board of Education and aligns with the "Standards for the Teaching Profession" as set forth in State law; and

WHEREAS, the Board and the Association wish to enter into a Memorandum of Understanding regarding the use of the Ohio Teacher Evaluation System ("OTES") during the 2019-2022 school years; and

NOW, THEREFORE, BE IT AGREED upon by the Board and the Association as follows:

1. For the 2022-2025 school years, the Board and the Association agree to implement the OTES in place of the current Collective Bargaining Agreement Evaluation System (Article 5.04) for all members who meet the definition of "teacher" in ORC 3319.111.
2. Given the dynamic nature of the mandated teacher evaluation process, the Board authorizes the Superintendent to establish and maintain an ongoing Evaluation Policy Consultation committee, with continuing participation by the Association and for the express purpose of recommending necessary changes to the Board for the appropriate revision of this policy. This committee shall be comprised of an equal number of Administrators, appointed by the Superintendent, and members, appointed by the Association President.
3.
