ARTICLE 1. RECOGNITION

- A.** The Waterloo Local School District Board of Education (hereinafter referred to as the “Board”) recognizes the Waterloo Education Association (hereinafter collectively referred to as the “WEA” or “Association”), an affiliate of the Ohio Education Association, the National Education Association, and the North Eastern Ohio Education Association, as the exclusive representative of all bargaining unit members as defined in Section B., below.

The purpose of such recognition shall be to bargain collectively as defined in Ohio Revised Code 4117 unless the parties agree otherwise as set forth in this Collective Bargaining Contract.

All references to “teacher” or “tutor” in this Contract shall mean a member of the bargaining unit.

- B.** The bargaining unit shall include all professional employees as defined in Ohio Revised Code 4117.01(I), except casual employees, substitute teachers who are employed on a day-to-day basis, and all Supervisors and Management Level employees as defined in ORC 4117.01(F) and (K), respectively.

“Casual Employee” shall be defined as a person who is employed at uncertain times or irregular intervals.

“Supervisor and Management Level Employees” shall be defined as the Superintendent, Directors, Principals, Assistant Principals, Certified/licensed District Supervisors, Administrative Coordinators, or any other certified/licensed employee who has authority to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward or discipline other certified/licensed employees; to responsibly direct them; to adjust their grievances; or to effectively recommend such action if the exercise of that authority is not of a merely routine or clerical nature, but requires the use of independent judgment, provided; however, certified/licensed employees who are Department Chairpersons or consulting teachers shall not be deemed Supervisors, but shall be members of the Association’s bargaining unit.

No teacher, as defined in Ohio Revised Code Section 3319.09, shall be designated as a Supervisor or a Management Level employee, unless he/she is employed under a contract governed by Ohio Revised Code Section 3319.01, 3319.011, 3319.02, or 3319.03.

- C.** Recognition of the Association as the exclusive representative of members of the above-defined bargaining unit shall be for the term of this written Contract, without challenge, as provided for in Ohio Revised Code 4117; and will continue thereafter until a challenging employee organization is legally successful in gaining exclusive representation rights as provided for and in strict compliance with provisions set forth in Ohio Revised Code 4117.

ARTICLE 2. NEGOTIATIONS PROCEDURE

A. ORGANIZATIONAL STRUCTURE

1. The negotiating teams shall consist of no more than five (5) persons each.
2. Any team member or observer, including the spokesperson, may be changed at any time so long as team size does not exceed five (5) persons.

B. NEGOTIATIONS SCHEDULE

1. Negotiations for a Successor Contract shall open between February 1 and April 1 of the last year of this Contract.
2. Either party shall open negotiations by notifying, in writing, the other party and the State Employment Relations Board (SERB) that it is calling for the opening of negotiations. The official representative of each party shall establish a date, time, and place for the first session.
3. At the first session, each party shall submit complete written proposals. No new item shall be submitted by either party after the opening session, except by mutual consent.
4. As negotiated items receive tentative agreement by the parties, each item shall be reduced to writing and initialed by a representative of each party.

C. AGREEMENT

1. When tentative agreement is reached on all items being negotiated, a final written copy shall be submitted to the Association for ratification and then to the Board at its next regular or special Board meeting for adoption.
2. There shall be two (2) signed copies of any final Contract. One (1) copy shall be retained by the Board, and one (1) by the Association. The Association shall compile and print the Contract. Each teacher shall be provided with a printed copy of the Contract. The Association and the Board shall each be provided with fifty (50) extra copies of the printed Contract. The Board and the Association shall split the cost for the printing of the Contract.

D. DISAGREEMENT

1. If agreement is not reached within forty-five (45) days of the expiration of the existing contract, either party may request the assistance of the Federal Mediation and Conciliation Service (FMCS) for the purpose of supplying a mediator. The parties shall meet at the request of the mediator. The mediator shall have no authority to bind either party to an agreement.

The foregoing mediation procedure is exclusive. It shall constitute the parties' "mutually agreed upon alternative dispute resolution procedure" under Ohio Revised Code Chapter 4117.

- A.** The Waterloo Education Association offers its full support to the Student Teacher Program; and will attempt, upon request, to aid in the implementation or in finding solutions to any unanticipated problems connected with this program.
- B.** Policies established by the cooperating university, unless they are in conflict with this Master Agreement, shall be followed in the implementation of the Student Teacher Program.

Such a recommendation shall in no way be used in adverse evaluation of the teacher.
- F.** The Student Teacher shall not be used as a substitute teacher.
- G.** Since the services rendered by the Supervising Teacher are above and beyond the duties and responsibilities of a regular teacher, the Supervising Teacher shall be paid by the district the amount received from the college/university for those services rendered. The District will treat the payment to the Supervising Teacher as a stipend where all deductions according to law are withheld and dispersed accordingly.

ARTICLE 6. CLASS SIZE/WORKLOAD

- A.** We believe that the academic staff should be large enough to meet the demands imposed by the enrollment, the curriculum and the specific needs of the pupils and the community; and adequate to provide each staff member the opportunity for intellectual and professional growth.
- B.** The Board shall continue to strive to maintain a minimum class size suitable to subject area, with special consideration for children, teachers, class space, educational aides, and funding available.
- C.** The ratio of teacher to pupils on a District-wide basis shall be at least one (1) full-time equivalent classroom teacher per twenty-five (25) pupils in average daily membership. Said ratio shall be calculated in accordance with the state minimum standards for kindergarten through twelfth grade.

The ratio of teachers to pupils in Kindergarten through Fourth Grade on a District-wide basis shall be at least one (1) full-time equivalent classroom teacher per twenty-five (25) pupils in average daily membership. Said ratio shall be calculated in accordance with the state minimum standards for kindergarten through twelfth grade.

- D.** A minimum of five (5) full-time equivalent Educational Service Personnel (ESP) shall be employed on a District-wide basis for each one thousand (1,000) pupils in average daily membership.

- 1. Elementary building teachers will not be responsible for supervising lunch time recess (inside or outside).

- F.** All special education teachers, psychologists, and speech/language pathologists shall receive two (2) day of release time per year to work on IEPs.

- G.** The Board has discretion, if it so chooses, to utilize aides, in lieu of bargaining unit members, to supervise cafeterias and study halls.

ARTICLE 7. TRANSFER OR REASSIGNMENT

A. Authority to initiate and to accomplish the reassignment or transfer of certificated/licensed personnel is specifically vested in the Superintendent, to whom all certificated/licensed personnel and responsible Administrators may address written requests for transfer or reassignment. Requests must be accompanied by supportive data and reasons. Efforts shall be made to protect the personal preferences and wishes of the individual. The Principal or other personnel in supervisory or advisory capacities will be consulted, and the interests of the school will be considered; however, public interest must supersede the privileges of the District employees, and the requirements of the District must supersede those of a specific school.

B. ASSIGNMENT

1. A teacher desiring a different assignment shall submit to the Superintendent with a copy to the Principal a letter of interest during the month of April or before.
2. By May 1, the Board will announce, through school email, anticipated vacancies for the upcoming school year at least five (5) days before the vacancy closes. During this time additional letters of interest may be submitted in accordance with Section 1, above. Thereafter, during the month of May, the request of a teacher licensed in the area of need shall be granted and the teacher will be assigned the position. Should two teachers request the same position, seniority will be considered by the Superintendent in determining who will get the assignment. Should no qualified teacher request transfer to the position, filling the position may be accomplished by means of involuntary transfer, or deferred to the posting procedure set forth in Section C., below, as determined by the Superintendent.
3. Vacancies that occur subsequently will be filled in accordance with Section C., below. A teacher previously assigned involuntarily to a vacancy is free to bid on subsequent vacancies as posted.

C. VACANCY AND POSTING

1. A “vacancy” shall be defined as a teaching position which is either newly created or which is unfilled for the following school year because of death, retirement, transfer, resignation, termination, or non-renewal; and which the Board intends to fill.
2. Administrative or management level positions will be posted as a matter of information, although they do not fall within the terms of this Agreement.
3. All vacancies that are covered by this Agreement shall be announced through school email at least five (5) days before the vacancy closes. For summer postings, the Superintendent shall email the vacancy notification to bargaining unit members

and notify bargaining unit members via the District's "all call" system of the specified vacancy at least (5) days before the vacancy closes.

When a vacancy exists, the Board will attempt to select the most qualified teacher based on experience, specific qualifications, certification/licensure, and seniority. If the qualifications of two or more internal applicants are relatively equal, the qualified full-time teacher with the greatest seniority should normally be awarded the position as determined by the Superintendent. A teacher must meet certification/licensure standards set by the State Department of Education in order to be deemed minimally qualified.

D. INVOLUNTARY TRANSFER

1. In the event the needs of the District require a teacher to be involuntarily transferred, the qualified teacher with the least system-wide seniority should normally be required to make the transfer as determined by the Superintendent.
2. Notice of an involuntary transfer shall be given to teachers as soon as practicable, and, except in cases of emergency, not later than June 1.
3. Once a teacher has been involuntarily transferred, the teacher shall not be involuntarily transferred again for at least three (3) school years.

ARTICLE 8. REDUCTION IN STAFF

A. CAUSE(S)

1. When by reason of decreased enrollment of pupils, financial reasons, return to duty of regular teachers after leaves of absence, changing course offerings and selections, or suspension of schools or territorial changes affecting the District, the Board decides that it will be necessary to reduce the number of teachers, it may, within policies governing the Waterloo School District, make a reasonable, substantiated reduction.

B. ATTRITION

1. The number of persons affected by a Reduction In Staff will be kept to a minimum by not employing replacements for employees who die, retire or resign or whose limited contracts are not renewed on the basis of performance. The employment of replacements for some positions may be necessary in the event that employees in the system do not possess the necessary certification.

C. SUSPENSION OF CONTRACTS

1. Reductions under this procedure, when unavoidable, will be effectuated at the beginning of the following school year; and shall be accomplished through the suspension of a teacher's contract. Notice will be given on or before April 20.

D. NOTIFICATION

1. At least thirty (30) days prior to the notice in C.1., above, the Board shall give written notice to the Association, through its President, of its intent to effect a Reduction in Staff. Such notice shall contain the reason for the Reduction in Staff and the positions affected in each building.

E. ORDER OF REDUCTION

1. To achieve such a reduction, the Board may proceed to suspend contracts in accordance with the recommendation of the Superintendent. In making these recommendations, the Superintendent must reduce first bargaining unit members on limited contracts and then bargaining unit members on continuing contracts within areas of certification/license.
 - a. Limited contract teachers shall be reduced first utilizing the following order:
 - Certification/Licensure within the affected teaching field.
 - Comparable evaluations as defined in this Agreement.
 - When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field being the first to be suspended.
 - b. Should the necessary reduction of teaching positions exceed the number of limited contract teachers in the affected teaching field, continuing contract teachers shall be reduced utilizing the following order:
 - Certification/Licensure within the affected teaching field.
 - Comparable evaluations as defined in this Agreement.
 - When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior continuing contract teacher in the affected teaching field being the first to be suspended.
2. During the term of this Contract, there will be three (3) tiers of comparable classification ratings for classroom teachers. Classroom teachers with a Final Summative Rating of Teacher Effectiveness of Accomplished or Skilled shall be considered to have "comparable" evaluation results. Classroom teachers with a Final Summative Rating of Teacher Effectiveness of Developing shall be considered to have

“comparable” evaluations. Classroom teachers with a Final Summative Rating of Teacher Effectiveness of Ineffective shall be considered to have “comparable” evaluation results. The following are the tiers listed in order from highest to lowest:

- i. Accomplished / Skilled
- ii. Developing
- iii. Ineffective

F. PROCEDURE

1. On or before November 1 of each school year, the Superintendent shall provide each teacher with a seniority list of all teachers in the system in their areas of certification/licensure. Teachers shall be placed on all lists for which they are certified/licensed. The Association will provide clerical assistance in developing the list. A teacher may appeal his/her seniority listing by filing a grievance within thirty (30) working days of the publication of the seniority list.
2. On or before November 1 of each school year, the Superintendent shall provide each tutor with a seniority list of all tutors in the system. The Association will provide clerical assistance in developing the list. A tutor may appeal his/her seniority listing by filing a grievance within thirty (30) working days of the publication of the seniority list.
3. Seniority shall be determined by the length of service in the District. If two (2) or more teachers have the same length of service, then seniority will be determined by:
 - a. Date of the Board meeting at which the teacher was hired; and then by
 - b. Date on which the teacher submitted a completed job application. Length of continuous service will not be interrupted or affected by authorized leaves of absence.
 - c. In the event all of the above are equal, the Superintendent will determine the order.
4. Teachers selected for Reduction in Staff shall immediately be placed on a Reduction In Staff list. Teachers released for performance reasons shall not appear on this list.
5. The Board shall notify every affected teacher and the President of the WEA of those teachers being released and the recall order. As each person is reemployed, the Board shall notify the Association.
6. A teacher whose contract was suspended because of staff reduction shall, if he/she desires, be placed on the substitute list.

7. A teacher slated for Reduction in Staff with comparable or higher Final Summative Rating of Teacher Effectiveness and higher seniority ranking may “bump” a teacher with comparable or lower Final Summative Rating of Teacher Effectiveness and with less seniority ranking, if certification/licensure is proper and correct.

G. RECALL

1. Any teacher unemployed as a result of staff reduction shall be recalled in reverse order of being released, provided the teacher is certified/licensed.
2. A suspended limited contract teacher shall remain on the recall list for twenty-five (25) months from the end of the compensation year (normally, August 31). During that time, if there are suspended teachers of the District who are unemployed as a result of Reduction in Staff and who possess the proper certification/licensure to fill a vacancy which may arise, no new teacher(s) shall be hired for such vacancy(ies).
3. The Board shall give written notice of recall by registered or certified letter to the teacher at the last known address. It shall be the responsibility of each teacher to notify the Board Treasurer of any change of address.
4. Within ten (10) work days of the returned certificate of receipt of offer to return to employment, the teacher shall accept the position by replying in writing or by phone, or it shall be determined that he/she has declined the position. No new staff member shall be hired until all staff on leave who are certified/licensed have been offered an opportunity in writing to return to active employment in accordance with this Article. It is the teacher’s responsibility to keep his/her address current with the Treasurer’s Office.
5. Teachers returning to employment after a Reduction in Staff shall resume their previous contract status, seniority, salary and fringe benefits held at the time their contracts were suspended.

ARTICLE 9. EMPLOYMENT OUTSIDE OF SCHOOL HOURS

No teacher will accept additional remunerated employment during the school day. The nature of outside work must be such as not to interfere with the demands of District duties during the workday, as determined through the classroom observation and evaluation process (Article 12).

ARTICLE 10. PERSONNEL FILE

- A.** The only personnel file, with an inventory sheet, for each certificated/licensed employee, shall be maintained in the Superintendent's Office. Each employee shall be responsible for providing the following information to be included in each personnel file:
1. Completed Application Form.
 2. Copy of current Teaching Certificates/Licenses.
 3. Complete current Official Transcript.
 4. Only new employees will have in their personnel file proof of Tuberculosis X-Ray card or Negative Skin Test results, for only the first year of employment.
 5. Official record of previous years of teaching or administrative experience.
 6. Official copy of discharge from military service, where applicable.
- B.** Except for the items in A. (above), teachers shall be given a copy of any new material that is placed in their personnel file that is not teacher initiated. All teachers have the right, upon twenty-four (24) hour notice, to view the materials in their personnel file with the Superintendent or his/her designee present, exclusive of confidential letters of recommendation or reference. If an unfavorable statement or notation is in the file, the staff member shall be given an opportunity to place a statement of rebuttal or explanation in his/her file.
- C.** All documents included in a teacher's file shall be dated and identifiable as to source.
- D.** A teacher may request and shall receive one (1) copy of any item in his/her personnel file, exclusive of confidential letters of recommendation or reference.
- E.** Any document in the personnel file that cannot be documented to the satisfaction of the Board as to source, accuracy, relevance, completeness, or timeliness shall be deleted from the file by the Superintendent acting for the Board, and no reference shall be made.
- However, no document shall be removed from a teacher's file without the teacher first being notified in writing.
- F.** The personnel file is to be reviewed in the Administration Office.
- G.** The following items will be kept by the Board Treasurer and will be placed in the personnel file of an employee upon the employee's cessation of employment with the Board.
1. Latest withholding for Federal/State Income Tax.
 2. Latest Insurance Status.
 3. Latest record of Accumulated Sick Leave.

- H. A teacher will be notified when his/her files are to be examined by anyone other than the Board, the Administration, or their secretaries or agents in the normal conduct of their work, or officers of government-regulating agencies who have access by virtue of their position.
- I. A teacher may at any time request that obsolete, inaccurate, irrelevant, incomplete, untimely, and/or inappropriate materials be removed from the file. Such request will be reviewed by the Superintendent, and the Superintendent will determine whether to remove the materials.

4. Sabbatical Leave for professional improvement will not be granted to any employee more often than one (1) full year of every five (5) consecutive years of service; nor will leave be granted a second time to the same employee when other members of the staff, in sufficient number to fill the quota for the period, have filed a request for and are awaiting such leave. The number of teachers on Sabbatical Leave in any one (1) year will be limited to one (1) for each level -- Primary, Middle, and High School.
5. The amount of partial pay which an employee will receive while on leave, under the provisions of this Section, will equal one-half (1/2) of his/her contract salary for the year and one-half (1/2) benefits effective in September, and will be paid every two (2) weeks.
6. Upon his/her return from Sabbatical Leave, a member's salary and fringe benefits will be the same as he/she would have received had the period of his/her leave been spent in the Waterloo Local School System; and he/she will be returned to the same position if available, or one comparable to it at the same level.
7. All members will, as a condition of approval for Sabbatical Leave for professional growth, sign a written agreement to return to service in the Waterloo Local Schools for a period of at least one (1) year immediately following the satisfactory completion of the program for professional improvement within the specified period, or to refund to the Board all of the partial pay received during the period of leave. The refund requirement will not apply in case of the death of the member while on leave; in cases of illness or injury, the obligation will be deferred until the member can resume his/her employment.
 - a. Refund of pay received on leave may also be required if the Sabbatical Leave Committee judges that the member fails to complete the program of

professional improvement, unless such failure was beyond the control of the member.

- b. If the member terminates service before the end of the one (1) year minimum, a salary refund to the Board will be due proportional to the amount of service not actually rendered.
8. Any recommendation made by the Committee on Sabbatical Leave (see 2.b. above) would be given to the Superintendent, who would in turn make the recommendation to the Board.

B. MATERNITY LEAVE AND PARENTAL/ADOPTION LEAVE

1. Immediately following the birth or adoption of the child, all bargaining unit members may take either Maternity or Parental/Adoption leave.
2. A bargaining unit member may use up to six (6) weeks of paid sick leave for a traditional delivery or eight (8) weeks of paid sick leave for a Caesarean/VBAC delivery before transitioning to unpaid Maternity Leave.
3. Any staff member may use Paid Sick Leave or advancements thereof, for absence due to disability caused by or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom (hereafter collectively referred to as “pregnancy”). Maternity Leave may be used in lieu of Sick Leave after the period of disability, as verified in writing by the physician. A staff member who is pregnant or adopting a child may request and shall be entitled to, a leave of absence, without pay, for maternity or child care reasons, to begin any time during pregnancy; or, in the case of adoption, the receipt of custody; or up to one (1) year for child care after the child is born or adopted. Such leave shall be up to the remainder of the current semester and two (2) additional semesters, or three (3) semesters if leave commences during the first semester. Up to ten (10) work days of paid sick leave shall be granted at the request of a member after adoption of a child prior to unpaid leave being utilized.
4. Application for Leave: Application for Maternity Leave or Parental/Adoption Leave shall be filed on the Leave of Absence Form; and shall contain a statement on the expected date of birth; or, in the case of adoption, the date of obtaining custody; the date on which the leave of absence is to commence, and the term of the leave. In the case of miscarriage or abortion, the professional staff member shall be entitled to reinstatement at the beginning of the next grading period.
5. The staff member shall present a letter signed by her physician to the Superintendent, verifying the period of time of the disability due to the pregnancy if different from the physician’s statement given in Paragraph B.1., above. Thirty (30) calendar days prior to her return to active teaching assignment, the Superintendent shall inform the teacher on maternity leave that she must submit a

letter to the Superintendent's Office. The staff member shall submit, in writing to the Superintendent, notification of her intent to return to teaching at least fifteen (15) calendar days prior to her return. The staff member shall be entitled to reinstatement at the expiration of the leave to the general level training assignment held immediately prior to the leave, unless shifts in pupil enrollment dictate, or the job is combined or eliminated.

6. Paternity Leave, up to ten (10) work days of paid sick leave, shall be granted at the request of a teacher who has fathered or adopted a child in accordance with the above provisions.

C. MILITARY LEAVE

1. Military leave shall be granted pursuant to O.R.C. §3319.14 and/or 5923.05. Copies of active orders shall be provided to the Superintendent.
2. Military Leave shall not be deducted from accumulated Sick Leave.

D. OTHER UNPAID LEAVES

1. Upon recommendation of the Superintendent, the Board may authorize leaves of absence for teachers when it deems such leaves to be reasonable and for good cause.
2. Leaves of absence shall be limited to a period not to exceed two (2) years, and shall be granted only after a written request and full study of each situation.
3. If the leave of absence is granted, all rights of tenure, retirement, accrued leave with pay, salary increments, and other benefits held by the teacher at the time the leave commenced shall be presented and available to the applicant upon return from his/her leave of absence.
4. The Superintendent may recommend to the Board the granting of a leave of absence, without pay, providing the Principal of the school approves, and further provided that the employee has completed three (3) or more years in the District. Conditions for considering a leave of absence are:
 - a. Personal Illness, excepting cases of Disability Retirement; OR
 - b. Official designation as a candidate for an advanced degree; OR
 - c. Completion of a minimum of twenty-seven (27) quarter hours at the end of the year's leave of absence.
 - d. Other reasonable good and just cause.

E. NO-PAY-EARN DAYS

1. Once paid leave is exhausted, or a teacher chooses to take day(s) of absence without pay, the teacher must complete the Leave of Absence Form requesting said day(s) on a No-Pay-Earn basis; and may take said day(s) with the Superintendent's approval.

F. INSURANCE BENEFIT RIGHTS

1. Any staff member on an approved Unpaid/Partial-Paid Leave shall be entitled to request in writing to the Board Treasurer, and receive the right, to be covered by any or all insurances selected by the staff member, provided the staff member pays to the Board Treasurer, in advance each month, the full amount of the monthly group plan premium rate for such selected coverage(s). Any overpayment of premium shall be refunded to the staff member upon termination of leave.

G. FAMILY MEDICAL LEAVE

1. Upon written application, eligible bargaining unit employees are entitled to a total of twelve (12) weeks of unpaid leave during any fiscal year in accordance with the federal Family and Medical Leave Act (FMLA) for any of the following five (5) reasons: the birth of a child and to care for the newborn child; placement with the employee of a child for adoption or for foster care; serious health condition of the employee's spouse, child, or parent; for a serious health condition of the employee that makes him/her unable to perform the functions of his/her job; or because of any qualifying, exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member of the U.S. Armed Forces and is on covered active duty or has been notified of an impending call or order to active duty in the Armed Forces in support of a contingency operation. An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member is entitled to a combined total of twenty-six (26) work weeks of unpaid FMLA leave during a single twelve (12) month period to care for the service member who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness. During this twelve (12) month period, the eligible employee is entitled to a combined total of twenty-six (26) work weeks of unpaid leave for any of the reasons set forth above. The employee may be required to use any available paid leave concurrently with his/her Family Medical Leave.
2. The Board will continue the group health plan including hospitalization and major medical, dental, prescription card, and life insurance coverage during the family leave. The employee will be responsible for the employee's share of the premium, if any.
3. The Board will reinstate the employee to the same position upon return from the Family Medical Leave when the leave originates and terminates within the same school year.

If the leave extends beyond the school year, the employee shall be returned to the same or similar position as held before taking leave. In the event that the same or similar position is not available, the employee shall be assigned to any position for which the employee is certified/licensed.

4. Other benefits accrued prior to the leave will be maintained.
5. Intermittent Leave and Reduced Leave.
 - a. Intermittent Leave is taken in separate blocks of time due to a single illness or injury and may include leave of periods as short as those used by the District for sick and personal leave, up to several weeks. Examples include leave taken on an occasional basis for medical appointments or leave taken several days at a time spread over a period of six months, such as for chemotherapy.
 - b. Reduced Leave is a leave that reduces an employee's usual number of working hours per work week or hours per work day. Reduced leave is a change in the work schedule for a period of time. The Board reserves the right to transfer the employee to a different schedule that better accommodates the leave and work duties during the period of Reduced Leave.
 - c. Only the amount of the leave actually taken may be counted toward the twelve (12) weeks of FMLA Leave to which an eligible employee is entitled.
 - (1) The employee must make reasonable efforts to schedule treatments to minimize disruptions.
 - (2) The employee must provide reasonable advance notice.
 - d. Unless agreeable to the Board, intermittent leaves and reduced schedules are not available for the birth of a child and to care for the newborn child or placement with the employee of a child for adoption or foster care.
6. If both spouses are employed by the Board, the combined entitlement is limited to twelve (12) weeks when the leave is for the birth of a child, care of a newborn child, placement with the employee of a child for adoption or foster care, or the care of the employee's parent with a serious health condition, and twenty-six (26) weeks if the leave is taken for the purpose of caring for a covered service member. The combined entitlement is not limited to twelve (12) weeks when the leave is for the serious health condition of a spouse or child, or the serious health condition of the employee.

7. Leaves for the birth of a child, care of a newborn child, placement with the employee of a child for adoption and/or foster care must be concluded within one year of the date of birth or date of placement or adoption, and must be requested thirty (30) days or as soon as possible in advance of the requested start of the leave.
8. As used in this Article, parent(s), son(s), daughter(s), includes biological, step, adopted or foster, and serious health condition includes both mental and physical conditions.
The Board may request medical verification and certification of the need to be off; including second and in some cases a third medical opinion. The second and third opinion would be at Board expense.
9. The Board may request periodic assurances regarding the employee's intent to return to work while the employee is on leave and/or certification that the employee can resume duties upon return to work.
10. The Board may recover the cost of insurance premiums if the employee does not return to work, unless continued serious health condition, the death of the employee or other circumstances beyond the employee's control prevent the employee from returning.
11. Each party shall retain all other rights accorded to them by the Family Medical Leave Act.

No rule or procedure as referred to in this Article shall prohibit a teacher from legal representation, Association representation, or other remedy of law.

B. INFORMAL PROCEDURE

1. Communication between the community and the school ideally should be such that most complaints may be resolved through personal conferences at the school level. Various avenues of contact between the teacher, pupil, parent, Principal and other appropriate staff personnel, including Central Office, should be pursued before using the Formal Procedure outlined below.

C. FORMAL PROCEDURE

1. If such conferences do not lead to understanding and resolution of the problems involved, a complainant may pursue further action by submitting a complaint against the employee, which must be in writing to the Principal or Immediate Supervisor; and such a complaint must be filed by the complainant, or the matter shall be considered closed. The Principal or Immediate Supervisor shall give a copy of the request to the teacher and the Association president.
2. If requested by the complainant or the employee, a meeting involving the employee, Association representation, the Principal or Immediate Supervisor, and the complainant will be arranged at a mutually convenient time to discuss the complaint.

4. If it is still not resolved, it may be appealed to the Board of Education, in a closed meeting, by written request to the President of the Board.

b. Teachers who are asked to substitute during their work day shall have the option of accepting or rejecting such a request, except in cases of emergency. Rejection of a request to substitute during a work day shall not be held against that teacher.

c. The rate of any teacher (or group of teachers, if the class is split) who accepts a request by the Administration to cover or split a class of an absent teacher shall be Thirty Dollars (\$30.00) for each class period covered. Sending a class to Study Hall or the Library will only be used as a last resort and the teacher will be paid for each class.

d. Payment shall be made at a regularly scheduled pay period, within thirty (30) days. Each building principal shall complete the proper payment form with a copy to the teacher.

e. Teachers who have been assigned a Student Teacher shall not be asked to leave the Student Teacher with a class of students for the purpose of substituting.

3. The Building Principal will teach the class.

B. In cases where a regular teacher is going to be absent for longer than three (3) consecutive days, the same substitute will be retained to teach that class if at all possible. The rationale

for this is that we recognize the need to provide continuity, consistency, and good programming for the students in the class.

ARTICLE 22. SALARY

- A.** Payment of salaries shall be made over a twelve (12) month period. The total salary shall be paid in twenty-six (26) equal payments, commencing September of each school year and ending in August of each school year. Notification of any Board-instituted changes in payroll deductions will be made, and an explanation of such changes will be made with the paycheck.
- B.** All employees will be required to complete the forms requested by the Board Treasurer prior to receiving the initial check, at the beginning of each school year.
- C.** During the summer, paychecks will be sent to one (1) address of the employee's choosing at Board expense.
- D.** Teachers may receive remaining paychecks from their yearly salary by making a written request to the Board Treasurer by April 15. The amount of money due the employee will be paid in a lump sum on the next regular paycheck following the last work day of the individual. This privilege shall be extended to up to ten percent (10%) of the staff annually.
- E.** Deductions from salary for days docked will be prorated over the remaining pay periods in a school year, if the deductions would exceed forty percent (40%) of a paycheck.
- F. ADDITIONAL TRAINING**
 - 1. Staff may move horizontally twice during the school year (at the beginning of the school year or at the beginning of the second semester), provided:
 - a. Academic work is completed satisfactorily.
 - b. Academic work provides sufficient hours to qualify for the next column on the salary schedule.
 - c. Satisfactory evidence of application for the official transcript has been received at the Board Office no more than fourteen (14) calendar days after the beginning of the first or the second semester.
 - d. Above criteria are based on the receipt of the official transcript within sixty (60) days of completion of the course. The intent is not to penalize the teacher because of delays by the university.
 - e. It is understood that second semester raises will only apply to the remaining days of the school year, and may not be retroactive.
- G.** Each paycheck stub will indicate year-to-date totals of cumulative earnings and deductions if, and when, the Board of Education purchases its own computer capable of providing this data.

ARTICLE 30. VIKING DIGITAL ACADEMY

- A. The Viking Digital Academy has been created as an extension of the public education options offered by the Waterloo Local School District. The courses offered through the Viking Digital Academy are aligned with the State of Ohio Academic Content Standards and Waterloo Local School District course offerings. Students enrolled in the Viking Digital Academy are considered Waterloo Local School District students, and as such, all district policies and rules, as found in building student handbooks, apply.
- B. All teachers who participate in the Viking Digital Academy must first complete the training provided by ACE staff.
- C. Students will be assigned a teacher for each course. All efforts will be made to assign a Waterloo Local School District teacher for each course. In the event that a Waterloo Local School District teacher is not available, or is not permitted through ACE to teach a certain course, the student will be assigned a teacher through the ACE Digital Academy.
- D. Only Waterloo teachers who have expressed an interest in teaching in the Viking Digital Academy and who have the proper certification/licensure and HQT status will be assigned students. In the event that multiple Waterloo teachers are available for a subject area, students will be assigned to a teacher based upon seniority, with no teacher receiving two (2) students until all teachers in the subject area have received one (1) student. At the elementary and middle school level, where teachers are able to teach multiple subjects within a grade level, students will be assigned a teacher based upon seniority, with no teacher receiving a student in more than one subject area until all eligible teachers have been afforded the opportunity to receive a student in a subject area. The notification for an opportunity to be assigned a student will be sent to the teacher in an e-mail, the teacher will have five calendar (5) days to respond via e-mail of his/her acceptance/denial of the student.
- E. Waterloo teachers will be paid the teacher fee that otherwise would be sent to ACE Digital Academy. The teacher fee is as follows: \$200 for a full-year class; \$100 for a semester class. When a special education student is enrolled in the Viking Digital Academy and

Waterloo teachers are assigned to the student, a special education teacher will be assigned to the student in addition to the teachers of the course. The special education teachers will be responsible for monitoring compliance with the students IEP. The special education teacher will be paid \$200 per student.

- F. If a student withdraws within the first thirty (30) days of his/her participation in the Viking Digital Academy, payment to the teacher will be prorated on the number of days the student was enrolled. After thirty (30) days, full payment will be made to the teacher upon completion of the student's course or his/her withdrawal, in accordance with the provisions outlined in the Master Agreement detailing the payment of stipends.
- G. Teachers are responsible for entering student grades for interim reports and report cards, just as they would for traditional Waterloo students. The Waterloo Local School District calendar will be followed.
- H. Teachers are encouraged to log in at least once every school day to check if any work needs their attention. If they notice that one of their students is not completing his/her work and/or not logging in daily as required they need to contact him/her. If after they have attempted to contact the student on two (2) separate occasions that student is still not responding, they need to let the student's guidance counsel know right away.

ARTICLE 31. DURATION AND INTENT OF AGREEMENT

- A. There shall be no negotiations between the parties except as provided by this Master Agreement.
- B. If any provision of the Total Agreement or any application of the Total Agreement shall be found contrary to the law, the parties shall meet within ten (10) working days of a request by either party to determine the extent, if any, to which changes must be made. All other provisions of the Master Contract shall remain in force and effect.
- C. Both parties and their constituents agree to comply with the provisions of this Master Contract. This Master Contract supersedes and prevails over all other law, rules, policies and regulations unless contrary to state or federal law.

The Professional Growth Plan should be individualized to the needs of the teacher. The school or district should provide for professional development opportunities and support the teacher by providing resources (e.g., time, financial). The Professional Growth Plan must be clear and comprehensive. It is aligned to the most recent evaluation results and proposes a sequence of appropriate activities leading to progress toward the goals.

Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is to be scored holistically. This means evaluators will assess which level provides the best *overall* description of the teacher. The rating process is to occur on completion of each 30-minute observation and post-conference. To determine the rating for each 30-minute observation, the evaluator is to consider evidence gathered during the pre-conference, observation, post-conference and classroom walkthroughs, if applicable. Note that when completing the performance rubric, evaluators are not expected to gather evidence on all *indicators* for each observation cycle. Likewise, teachers may, but are not required to, bring additional pieces of evidence to address all *indicators*. The professionalism section of the rubric may use evidence collected during the pre-conferences and post-conferences as well as information from the Professional Growth and/or Improvement Plan, if applicable.
