ARTICLE 1
AGREEMENT

SECTION 1.1 This Agreement is made and entered into by and between the Bloom Township Trustees, Fairfield County, Ohio (hereinafter referred to as the township), and the International Association of Fire Fighters, Local 3465, (hereinafter referred to as the union).

ARTICLE 2
PURPOSE

SECTION 2.1 This Agreement is made for the purpose of promoting cooperation, and orderly, constructive and harmonious relations between the Township, its employees, and the Union to establish wages, hours, terms, and conditions of employment.

ARTICLE 3
LEGAL REFERENCES

SECTION 3.1 This Agreement has been negotiated by the Parties in accordance with, and is subject to, the specifications and requirements of Chapter 4117 of the Ohio Revised Code.

SECTION 3.2 Should any part of this Agreement be held invalid by operation of law or by final Order issued by a court of competent jurisdiction, or should compliance with or enforcement of any part of the Agreement be restrained by such court pending a final determination as to its validity, such invalidation or temporary restraint shall not invalidate or affect the remaining portions hereof or the application of such portions to persons or circumstances other than those to whom or to which it has been held invalid or has been restrained. In the event of invalidation of any portion of this Agreement by final Order issued by a court of competent jurisdiction or by operation of the law, and upon written request by either party, the Parties to this Agreement shall meet within thirty (30) days of receipt of the written request in an attempt to modify the invalidated provisions by good faith negotiations.

ARTICLE 4
SANCTITY OF AGREEMENT

SECTION 4.1 Unless otherwise specifically provided in this Agreement, no changes in this Agreement shall be negotiated during its duration unless there is a written accord by and between the Parties hereof to do so. Any negotiated changes, to be effective and incorporated in this Agreement, must be in writing and signed by the Parties.

ARTICLE 5
RECOGNITION

SECTION 5.1 The Township recognizes the Union as the sole and exclusively bargaining agent for the purposes of collectively bargaining wages, hours, and other terms

and conditions of employment and maintaining this Agreement for all bargaining unit members.

SECTION 5.2 The bargaining unit shall consist of all full-time firefighters and officers employed by Bloom Township, Fairfield County, Ohio below the rank of Chief.

SECTION 5.3 Notwithstanding the provisions of this Article, management, confidential, fiduciary, supervisory, part-time, temporary, casual, seasonal and employees who do not meet the definition of a public employee under ORC 4117 shall be excluded from the bargaining unit.

ARTICLE 6 **NON-DISCRIMINATION**

SECTION 6.1 Neither the Employer nor the Union shall unlawfully discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, physical handicap, political affiliation, physical disability or national origin.

SECTION 6.2 The Township agrees not to interfere with the rights of the employees to become members of the Union, and there shall be no disparate treatment, interference, restraint, or coercion by the Township or any other representative of the Township against any employee because of Union membership or because of any employee activity in an official capacity on behalf of the Union as authorized by this Agreement.

SECTION 6.3 The Union agrees not to interfere with the rights of the employees to not become members of the Union, and there shall be no disparate treatment, restraint, or coercion by the Union or its representatives against any employee or non-bargaining unit employee who exercises the right to abstain from membership in the Union or involvement in Union activities.

SECTION 6.4 All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE 7 **DUES DEDUCTION**

SECTION 7.1 The Employer agrees to deduct Union membership dues and fees in accordance with this Article for all employees eligible for the bargaining unit upon completion of his first thirty (30) days of employment.

SECTION 7.2 The Employer agrees that sick leave bank, sick leave hours used, holiday bank hours, holiday hours used, comp. bank hours, comp. hours used, vacation bank hours, and vacation hours used will be summarized and printed on spreadsheet and distributed with the paychecks by the duty officer.

SECTION 7.3 Pursuant to Ohio Revised Code Section 4117.09(B), the Employer agrees to deduct regular Union membership dues bi-weekly from the pay of an employee

in the bargaining unit eligible for membership upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form (see Attachment A) must be presented to the Employer by the employee. Upon receipt of the proper authorization, the employer will deduct Union dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which authorization was received by the Employer. The Township shall provide the Union with one additional payroll deduction for the purpose of the Union providing one member benefit. No other employee organization's dues shall be deducted from any Bargaining Unit member's pay for the duration of this Agreement.

SECTION 7.4 The Parties agree that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of Union dues or fees. The Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

SECTION 7.5 The Employer shall be relieved from making such individual dues "check-off" deductions upon an employee's (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) unpaid leave of absence; (5) revocation of the check-off authorization in accordance with the terms of this Agreement; or (6) resignation by the employee from the Union.

SECTION 7.6 The Parties agree that neither the employees nor the Union shall have a claim against the Employer for errors in the processing of deductions, unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error is claimed to have occurred. If it is found an error was made, it will be corrected at the next pay period that the Union dues deduction would normally be made by deducting the proper amount.

SECTION 7.7 The rate at which dues are to be deducted shall be certified and sent to the Fiscal Officer by the treasurer of the Union during March of each year. One (1) month advance notice must be given to the Fiscal Officer prior to making any changes in an individual's dues deductions. The Fiscal Officer shall forward dues deducted to the Union Treasurer once each month and notify the Union of any revocation of dues by an employee.

SECTION 7.9 The Township agrees to make payroll deductions for the employees Deferred Compensation Plan. The employee has the option to enroll in any of the plans offered by the Township.

ARTICLE 8
MANAGEMENT RIGHTS

SECTION 8.1 The Union recognizes the right and authority of the Employer to administer the business of the Township of Bloom, and the Union recognizes that the Employer has and will retain the full right and responsibility to direct the operations of the department, to promulgate rules and regulations, policies and procedures and to otherwise exercise the prerogative of management, which more particularly include, but are not limited to, the following unless otherwise modified by the express terms of this Agreement:

- J. To maintain and improve the efficiency and effectiveness of the employer's operation.

ARTICLE 9
CORRECTIVE ACTION

SECTION 9.1 No non-probationary employee shall be reduced in pay, suspended, discharged or otherwise disciplined except for just cause.

SECTION 9.2 The Employer agrees to follow the principles of progressive disciplinary action. For example: for minor offenses oral and/or written reprimand (s) or

suspension (s) or discharge. For intermediate offenses written reprimand (s) or suspension (s) will precede discharge. For offenses of a serious nature the Employer may take disciplinary action up to and including discharge for the first offense. An accumulation of offenses may warrant more severe disciplinary action than a first offense.

SECTION 9.3 The Employer agrees that all disciplinary procedures shall be carried out in private and in a business-like manner. Any employee in disagreement with the action taken by the Employer may file a grievance in accordance with the grievance procedure contained in this Agreement.

SECTION 9.4 In the event of no intervening disciplinary action against the affected bargaining unit employee, the following shall apply:
ORAL REPRIMANDS (which the Employer may record) will cease to have force and effect after six (6) months.

WRITTEN REPRIMANDS will cease to have force and effect after one (1) year.

RECORDS OF SUSPENSION will cease to have force and effect after two (2) years.

SECTION 9.5 Whenever an employee reasonably believes that a meeting or conference with an officer may result in disciplinary action, the Employee shall have the right, to request the presence of a union officer.

SECTION 9.6 COPIES OF RECORDS OF DISCIPLINARY ACTION.
A copy of any record of disciplinary action which has been placed in the member's personnel file shall be provided to the member at the time of its placement. Unfounded complaints and anonymous charges shall never be placed in the members personnel file.

SECTION 9.7 Any record that has passed its effective date per SECTION 9.4 shall be removed from the personnel file at the employees' request. The Township shall provide written confirmation to the employee of its removal.

ARTICLE 10 **WORK RULES**

SECTION 10.1 The Employer agrees to apply work rules uniformly and consistently taking into consideration the surrounding and compelling or emergency circumstances. Any employee who believes the Employer has not applied a work rule to him in such a manner may file a grievance. Work rules shall not violate this Agreement. The Township agrees that new work rules shall be reduced to writing and provided to bargaining unit members in advance of their enforcement.

SECTION 10.2 The Employer agrees to form a committee to review Fire Department rules and regulations; policies and procedures and systems manual prior to making any changes; the purpose of this committee shall be to make recommendations to the Board. The committee shall consist of not more than six (6) members who shall be equally apportioned between the Employer and the Union. It is, however, understood that the Employer has sole and exclusive authority to promulgate work rules, policies, procedures and directives to regulate the conduct of the employees and recommendations made by the committee shall be deemed advisory only and not-binding upon the Employer.

ARTICLE 11 **REVIEW OF PERSONNEL FILE**

SECTION 11.1 Every member shall be allowed the right of review of his or her personnel file, and be entitled to the rights and protections of Ohio Revised Code Section 1347.01 and sequence (dealing with confidentiality of personnel files, release of information in personnel files, and rights of review of personnel files).

SECTION 11.2 Should any member have reason to believe that there are inaccuracies in documents contained in his or her file, the member may notify the Employer in writing of the alleged inaccuracy. Material will be removed from the file pursuant to the O.R.C. when a member's claim that it is inaccurate or unfair is sustained by the Employer or through the grievance procedure. The member shall also have the right to submit a written statement detailing his or her objections to the materials in question. If such a statement is prepared, it shall be attached to the materials objected to by the member.

ARTICLE 12 **GRIEVANCE PROCEDURE**

SECTION 12.1 The term "grievance" shall mean an allegation by an aggrieved bargaining unit employee that there has been a violation of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Article of this Agreement. An employee may grieve a department regulation that violates this Agreement.

SECTION 12.2 A grievance may be brought by an employee covered by this Agreement. When a group of bargaining unit members desires to file a grievance involving each member of the group in a substantially similar manner, the Union or the Grievance Chairman may select one or more members to process the grievance as the designated representatives of the affected group members. All grievants must sign the grievance form. An employee who is unable to sign the grievance may authorize another employee to sign for him. A bargaining unit member has the right to file grievances and have them adjusted, but not without the presence of the Union Grievance Chairman at the adjustment, to see that the adjustment is consistent with the terms of this Agreement.

SECTION 12.3 All grievances must be processed at the proper step in order to be considered at subsequent steps. Any employee may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements at

each step to lapse without further appeal. Any grievance which is not processed within the time limits provided shall be considered to have been withdrawn.

SECTION 12.4 GRIEVANCE PROCEDURE. It is the mutual desire of the Employer and the Union to provide for prompt adjustment of grievances, with a minimum amount of interruption to the work schedules. Every responsible effort shall be made by the Employer and the Union to effect the resolution of the grievance at the earliest step possible. In furtherance of this objective, the following procedure shall be followed:

A. Step One A member having an individual grievance shall first attempt to resolve it informally with the Chief within fourteen (14) calendar days of the date of the incident giving rise to the grievance. The Chief shall respond to the individual within nine (9) calendar days. At this step there is no requirement that the grievance be submitted, or responded to, in writing; however, a Union representative may accompany the grievant should the latter request his attendance. Any grievance involving dated payroll shall require the 14 days to start on the issue date of the paycheck / paystub.

B. Step Two

(1) When a bargaining unit member is not satisfied with the Chief's informal response or lack of response to his grievance at Step One of the grievance procedure, the grievant may submit his grievance in writing to the Chief within ten (10) calendar days from the receipt of the informal response. This written grievance shall be submitted to the Chief on the grievance form agreed upon by the Parties after the grievant has received a response to his informal Step One grievance. The Chief shall date stamp or initial the form on the date of its receipt.

(2) Within five (5) calendar days of his receipt of the written grievance the Chief shall affix his written response to the form, date and sign his response, and submit to the grievant and his Union representative a written response to the grievance.

C. Step Three

(1) Should the grievant not be satisfied with the response to his grievance at Step Two of the procedure, he may appeal the grievance to the Township Board of Trustees. The grievant shall initiate this appeal within five (5) calendar days after receipt of the Step Two response, by delivering a copy of the grievance form containing the written responses from prior steps, and any other pertinent documents, to the office of the Township Trustees. The grievance form shall be time stamped or initialed on the date of its receipt.

(2) The grievance shall be considered by the Township Trustees or their designee at the next regular meeting of the Township Trustees in Executive session or within twenty one (21) days of receipt by the Township Trustees. Within fourteen (14) days after the meeting, the Board of Township Trustees or designee shall submit to the grievant the written response to the grievance, which response shall be signed and dated.

D. Step Four

ARBITRATION. If the grievance is not satisfactorily settled in Step 3, the Union or the Employer may make a written request that the grievance be submitted to binding arbitration. A request for arbitration must be submitted within ten (10) calendar days

following the date the grievance was answered in Step 4-3 of the grievance procedure. In the event the grievance is not referred to arbitration within the time limits prescribed, the grievance shall be considered resolved based upon the (third (3rd) Step reply.

Upon receipt of a request for arbitration the Employer or his designee and the representative of the Union shall within ten (10) working days following the request for arbitration jointly agree to an arbitrator or to request a list of seven (7) impartial arbitrators from the Federal Mediation and Conciliation Service. The Parties shall agree on a submission agreement outlining specific issues to be determined by the arbitrator prior to requesting the list.

Upon receipt of the list of seven (7) arbitrators, the Parties shall meet to select an arbitrator within ten (10) working days from the date the list was received. The Parties shall use the alternate strike method from the list of seven (7) arbitrators submitted to the Parties by the F.M.C.S. The party requesting the arbitration shall be the first (1st) to strike a name and alternate in this manner until one (1) name remains on the list. The remaining name shall be designated as the arbitrator to hear the dispute in question. Either party shall have the option to completely reject the list of names provided by the F.M.C.S. and request another list. All procedures relative to the hearing shall be in accordance with the rules and regulations of the F.M.C.S.

The arbitrator shall hold the arbitration promptly and issue his decision within a reasonable time thereafter. The arbitrator shall limit his decision strictly to the interpretation, application or enforcement of those specific articles and / or sections of this Agreement in question.

The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any provision of this Agreement, nor add to or subtract from or modify the language therein in arriving at his determination on any issue presently that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself to the precise issues submitted for arbitration and shall have no authority to determine any other issues not so submitted to him. The arbitrator shall be without authority to recommend any right or relief on an alleged grievance occurring at any time other than the contract period in which such right originated or to make any award based on rights arising under any previous Agreement, grievance, or practices. The arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement. In cases of discharge or suspension, the arbitrator shall have the authority to recommend modification of the discipline or the offense charged. In the event of a monetary award, the arbitrator shall limit any retroactive settlement to no earlier time than sixty (60) calendar days prior to the date the grievance was presented to the Employer in Step 1 of the grievance procedure.

The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first (1st) question to be placed before the arbitrator will be whether the alleged grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.

The decision of the arbitrator shall be final and binding upon the Union, the Employee and the Employer. Any cost involved in obtaining the list of arbitrators shall be equally divided between the Employer and the Union. All costs directly related to the services of the

arbitrator shall be paid by the losing party. Expenses if any, of the witnesses shall be borne by the party calling the witnesses. The fees of the Court reporter shall be paid by the party asking for one; such fees shall be split equally if both Parties desire a Court reporter's recording, or request a copy of the transcript.

SECTION 12.5 All grievances must contain the following information to be considered and must be filed using the grievance form mutually agreed upon by both Parties:

1. Aggrieved employee's name and signature.
2. Aggrieved employee's classification.
3. Date grievance was first discussed with the Chief.
4. Date grievance was filed in writing.
5. Date and time grievance occurred.
6. The location where the grievance occurred.
7. A description of the incident (s) giving rise to the grievance.
8. Specific articles and sections of the Agreement violated.
9. Desired remedy to resolve the grievance.

SECTION 12.6 A bargaining unit member and grievance representative shall be allowed to pursue a grievance during their regular tour of duty from the hours of 1600 to close of duty. The Employer shall make a reasonable attempt to schedule grievance at Step One and Two, during the grievant's shift hours. The bargaining unit representative or grievant must obtain prior approval from the Chief before conducting meetings with the grievant while the grievant is on duty. Such approval by the Chief shall not be unreasonably withheld where the grievance could not be pursued at any other time. Such activity shall not interfere with the operations of the Employer or other employees. The grievant or representative is still subject to work in an emergency in any case.

The meetings between a grievant and bargaining unit representative shall be held at a Township facility. Withholding of such approval in violation of this section shall result in an automatic, equivalent extension of the time limits within which a grievant must appeal his grievance or have it heard.

SECTION 12.7 It is in the Parties intention that all time limits in the above grievance procedure shall be met. However, to the end of encouraging thoughtful responses at each step, the Parties designated representatives may mutually agree at any step to short time extensions, but any such agreement must be in writing and signed by the Parties. In the absence of such mutual extensions, the grievant may at any step where a response is not forthcoming within the specified time limits, consider the grievance denied and move the grievance to the next step within the prescribed time limits. Any step in the grievance procedure may be waived by mutual consent.

If an office specified for receipt for a grievance or grievance appeal is closed for an entire day, which day is the last day of the time period prescribed for the filing of a grievance or grievance appeal, then the grievant will be permitted to file his grievance or grievance appeal on the next day on which such office is open.

SECTION 12.8 REPRESENTATIVES. In each step of the grievance procedure outlined in Section 12.4, certain specific representatives shall be given approval to attend the meeting therein prescribed. It is expected that in the usual grievance these will be the only representatives in attendance at such meetings. However, it is understood by the Parties, that in the interest of resolving grievances at the earliest possible step, it may be beneficial that other representatives, not specifically designated, be in attendance. Each party will ordinarily be entitled to have only one spokesperson from the representatives. Therefore, it is intended that either party may bring additional representatives to any meeting in the grievance procedure, but only upon advance mutual agreement among Parties specifically designed to attend that such additional representatives have input which may be beneficial in attempting to resolve the grievance.

SECTION 12.9 CALENDAR DAYS. For the purpose of counting time, “calendar days” as used in this Article will not include approved leaves or holidays. Also, for purpose of counting time under this procedure, when the last day a grievant or respondent is required to perform an act under the time limits set out in this Article falls on the grievant’s or respondent’s scheduled day off or vacation leave, the time limit for performing the act shall be extended to the end of the next working day for that person.

ARTICLE 13 **UNION REPRESENTATION**

SECTION 13.1 The Union President and/or his designee shall be granted ninety-six (96) hours of time off with pay per year for the purpose of conducting Union business, such as the investigation and processing of grievances, negotiations, and preparation therefore, conferences, seminars, district and local meetings and other Union activities. The Union President and/or his designee shall obtain approval, (48) hours in advance from the Chief of his intent to take time off with pay for the purpose of conducting Union business and shall present the Chief with an agenda or state the purpose of the meeting whenever possible. Release of the President and/or his designee to conduct Union business may be denied in the event of an emergency requiring the representative to perform his normal job duties. No reasonable request shall be denied.

ARTICLE 14 **LABOR RELATIONS**

SECTION 14.1 In the interest of sound labor relations, the Chief and/or his designee (s) shall, unless mutually agreed otherwise, quarterly on a mutually agreeable day and time, meet with not less than three (3) representatives of the Union to discuss those matters addressed in Section 14.2. Additional representatives may attend by mutual agreement.

SECTION 14.2 At least five (5) working days in advance of such scheduled meeting, each party will submit to the other party any proposed items for the agenda, and a list of representatives that will be attending. There shall be no publication of the Labor Relations agenda or release of information concerning the Labor Relations committee’s deliberations or recommendations without the advance approval of both the Union President and the Fire Chief, or his representative. The purpose of such meetings shall be to:

- A. discuss the administration of this Agreement;

- B. notify the Union of changes made by the Employer which effect bargaining unit members of the Union;
- C. discuss the grievances which have not been processed beyond the final step of the grievance procedure, but only when such discussions are mutually agreed to by the Parties;
- D. disseminate general information of interest to the Parties;
- E. discuss ways to increase productivity and improve efficiency;
- F. give the Union representatives a chance to share the views of their members on topics of interest to both Parties; and
- G. consider and discuss health and safety matters relating to employees.

SECTION 14.3 If special labor relations meetings have been requested, and mutually agreed upon, they shall be convened as soon as possible.

SECTION 14.4 Labor/management meetings are not intended to be negotiation sessions to alter or amend the basic Agreement. Nor is either party required to continue meeting after the third hour.

ARTICLE 15 **BALLOT BOXES**

SECTION 15.1 The Union shall be permitted, upon prior notification to the Fire Chief, to place ballot boxes at Department Headquarters for the purpose of collecting member's ballots on all Union issues subject to ballot. Such boxes shall be the property of the Union and neither the ballot boxes nor their contents be subject to the Department's review. Responsibility for boxes rests with the Union. Use of the boxes shall not interfere with the operations of the Employer.

ARTICLE 16 **BARGAINING UNIT MEETINGS**

SECTION 16.1 The Union shall be permitted upon prior notification to the Fire Chief, to hold meetings, for the Union members in the Bargaining Units or for all Bargaining Unit Employees, at Departmental Headquarters or other Township building, room or facility.

SECTION 16.2 The Township agrees to hold the requested location open for use by the Union on the date and at the time requested.

SECTION 16.3 Bargaining unit employees on duty at the time of the meeting shall be permitted to attend so long as the meeting does not interfere with the operations of the Employer, as approved by the Fire Chief.

ARTICLE 17 **USE OF INTER-DEPARTMENTAL MAILS**

SECTION 17.1 The Union shall be permitted to utilize the inter-departmental mail system for the purpose of providing information pertaining to Union business or Bargaining Unit representation, to Bargaining Unit members. The Union agrees that the use of the mail system will be reasonable and limited to providing information that is necessary for

the normal conduct of Union business or Bargaining Unit representation. All mail by the Union shall be the property of the Bargaining Unit members to whom it is addressed, and such mail shall not be subject to the Township's review. The Township shall not be responsible for such mail.

ARTICLE 18 **PERSONAL MAIL**

SECTION 18.1 Mail which is addressed to an individual bargaining unit member shall not be opened by anyone other than the individual to whom it is addressed, unless the individual member provided written or oral authorization to the contrary. The Township shall not be responsible for personal mail.

ARTICLE 19 **BULLETIN BOARDS**

SECTION 19.1 The Employer agrees to provide space for a bulletin board in agreed upon area of the fire house for use by the Union. It is agreed that where, in opinion of the Employer, bulletin boards are already available, the Employer permit the Union use of said bulletin boards.

- B. Scandalous, scurrilous or derogatory attacks upon the administration;
- C. Attacks on and/or favorable comments regarding a candidate for Township office, or in any employee organization.

ARTICLE 20 **PROBATIONARY PERIODS**

SECTION 20.1 **Probationary Period.** Upon appointment, each member will be required to successfully complete a one (1) year (i.e. 365 day) probationary period. The probationary period will begin on the first day for which a member receives compensation from the Township. Notwithstanding Ohio Revised Code Sections 505.38 and 733.35 et seq., a probationary member may be terminated at any time during this probationary period at will and without just cause and shall have no grievance rights over such removal.

SECTION 20.2 **Promotional Probationary Period.** A newly promoted member shall be required to successfully complete a six (6) month (i.e. 180 day) promotional probationary period in the member's newly appointed position. The probationary period for a newly promoted member shall begin on the effective date of the promotion. If service at any point during this time is deemed unsatisfactory, the member subject to a promotional probationary period may, at the Township's option, be returned to the member's former rank and salary with full credit for service during the promotional probationary period. If so

returned, the member shall have no recourse to the grievance procedure, nor may the member appeal such return in a court or any other tribunal.

SECTION 20.3 **Mandatory Extension of Probationary Period.** The Township, through its Board of Trustees, may, from time to time and in its sole and absolute discretion, extend a member's probationary period beyond the term set forth in Section 20.1 of this Article in those cases in which a probationary member has not obtained and/or maintained the minimum qualifications for such member's position. In the event of such mandatory extension, the affected member shall continue as a probationary member for such time or times as directed by the Board of Trustees, without interruption of Step progression. During a mandatory extended probationary period and notwithstanding Ohio Revised Code Sections 505.38 and 733.35 et seq., the affected member may be terminated at any time at will and without just cause, and the affected member shall have no recourse to the procedure concerning probationary termination, nor may the member appeal or otherwise challenge such termination in any court or other tribunal or body.

In the event of such optional extension, the affected member shall continue as a probationary member for such time or times as agreed to by the Parties, without interruption of Step progression. During an optional extended probationary period and notwithstanding Ohio Revised Code Sections 505.38 and 733.35 et seq., the affected member may be terminated at any time at will and without just cause, and the affected member shall have no recourse to the grievance procedure concerning probationary termination, nor may the member appeal or otherwise challenge such termination in any court or other tribunal or body.
