The management rights set forth above shall not be subject to the arbitration procedure or otherwise except to the extent that they are limited by specific provisions of this Agreement. Failure to exercise a right or exercising it in a particular way shall not be deemed a waiver of any management right.

All necessary subsequent meetings shall be called at times mutually agreed upon by both teams.

5. Negotiation Procedures: The Board's designated negotiating team shall meet at mutually agreed upon places and times with the Association's negotiating team for the purpose of effecting a free exchange of facts, opinions, proposals, and counter-proposals in an effort to reach mutual understanding and agreement. The printing costs shall be divided equally. A digital version of the negotiated agreement shall be made available to the bargaining unit members.

**ARTICLE XV - PROFESSIONAL DEVELOPMENT**

The parties agree that Professional Development procedures may be adjusted by mutual agreement of the Superintendent and the Association President based upon the recommendations of the Professional Development Committee.

**ARTICLE XVI - REDUCTION IN FORCE**

A. The Board may institute a reduction in force (RIF) for decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, or by reason of suspension of schools or territorial changes affecting the district, financial reasons, staff reorganization, or curriculum changes.

The RIF will be applied to the entire position held by an individual at the time of the RIF, although the Board may thereafter recall any individual to part of the position previously held (that is, less than full-time) or to part of some other vacant position for which the individual is certificated. However, any individual recalled to a part-time position shall remain on the recall list for a full-time position.

The Labor Management Committee will be involved in initial discussion and discussions as they progress relating to any “staff reorganization” or “curriculum changes”.

**B.** The definition of "decrease in enrollment" contained in ORC 3319.17 and referenced in this article shall be defined as follows:

1. For the 2022-23 school year, the decline in enrollment will be the difference between the enrollment in 2021-22 and that during the 2016-17 school year (using the October ADM equivalent report):

2016-17 Enrollment	4525
2017-18 Enrollment	4448
2018-19 Enrollment	4398
2019-20 Enrollment	4272
2020-21 Enrollment	4270
2021-22 Enrollment	4314

4314 – 4525 = 211 decrease

2. The number of individuals exposed to RIF will be 9 for the 2022-23 year.

3. The 9 will be adjusted each of the following 2 years by dividing the current enrollment change (i.e., 2022-23 compared with 2021-22, 2021-22 compared with 2020-21, by 25 and either increasing or decreasing depending on each year's enrollment change.

**C.** The Superintendent is authorized to make the staff adjustments in the areas in which he/she deems best for the programs of the North Canton City School District using the layoff procedures contained in this Article.

**D.** The Superintendent will not use the RIF in a punitive manner.

**E.** The Superintendent shall announce when a RIF is necessary and certification on file in the central office on the date the RIF is announced, shall be the basis for suspending contracts as stated below:

1. Seniority, if used, shall be defined as length of continuous service including approved leaves of absence, if, any, which shall not break seniority nor shall they count toward seniority from the date of employment in North Canton City Schools. Should a tie

occur in determining seniority, the tie shall be broken by the date of official Board action taken with respect to employment and then by the actual days worked including professional leave days.

2. Updated seniority list shall be available upon request in each building and a copy provided to the Association President by November 15<sup>th</sup> of each year. It is the responsibility of the individual to notify the employer of any inaccuracies in the seniority list by December 15<sup>th</sup> of each year.

3. It is the individual's responsibility to see that all of his/her certificates are in his/her personnel file in the central office.

The Superintendent or his/her designee shall provide the Association President with a "reduction list" at least fourteen (14) days prior to the Board meeting at which the Board votes on the reduction. This shall also be done at least five (5) days prior to the notification of bargaining unit members who are being considered for RIF. Any information shared with the Association President shall be kept confidential and Administration shall be the party to inform those under consideration.

4. The Board shall proceed to suspend contracts in accordance with the recommendation of the superintendent who shall, within each teaching field affected, give preference to teachers on continuing contracts. The board shall not give preference to any

teacher based on seniority, except when making a decision between teachers who have comparable evaluations.

Classroom teachers shall be considered comparable in the following categories: with summative evaluation ratings of 1. Accomplished, 2. Skilled or Developing. Classroom teachers with a summative evaluation rating of 3. Ineffective shall be considered to have “comparable” evaluation results.

Seniority shall never be used for Ineffective teachers.

**F.** An individual whose job is to be eliminated shall be notified by certified mail and/or receipted methods.

**G.** The Superintendent or his/her designee shall provide the Association President with a final "seniority list" prior to the implementation of a reduction in force. This list shall be prepared in the following manner:

All individuals shall be listed by:

1. Contract status (i.e. limited or continuing)
2. Years of experience (seniority) in N. Canton City Schools
3. All areas of certification on file with the district
4. The most recent final summative evaluation score.

**H.** An individual whose name appears on the RIF list shall be offered re-employment when a position becomes available for which he or she is certified. Such individuals shall be recalled in descending order of seniority with continuing contract individuals being recalled first followed by fully certificated limited contract individuals. No new individuals shall be employed by the Board while there are continuing and limited contract individuals on the RIF list who are certificated for any opening of a teaching position. Nothing herein shall prevent the Board from reassigning existing staff to the subject areas of individuals on the recall list.

**I.** Individuals being recalled shall be notified by certified mail and shall have ten (10) calendar days from the date of receipt to respond affirmatively in writing. It shall be the individual's responsibility to make appropriate arrangements for forwarding or receipt of mail if he/she will be away from his/her address for more than five (5) calendar days.

**J.** If the individual fails to respond in writing in the affirmative upon recall, he/she shall be removed from the recall list, and the Board of Education shall have no further obligations to him/her.

**K.** The recall list shall be maintained for two (2) years from the date the employee became unemployed.

**L.** Individuals on the recall list may continue to participate in the insurance programs upon payment to the Treasurer of the monthly premiums thirty (30) days in advance of the Board's premium due date(s).

**M. Vocational:** The Cooperative Agreement will be placed in a MOU.

**N. ISGIs**

The provisions of this Article shall apply to ISGIs (paid hourly), except that a separate seniority (for 1. Accomplished, 2. Skilled and Developing teachers, 3. Ineffective) and recall list (for continuing contract teachers) shall be used listing those individuals holding ISGI positions.

The provisions of 3319.17 O.R.C. shall not apply to ISGIs (paid hourly). However, if the Board of Education reduces the number of ISGIs, individuals holding continuing contracts shall be the last ones suspended in order of seniority for 1. Accomplished, 2. Skilled and Developing teachers, 3. Ineffective.

**O. Non-Public Schools**

If the board is notified by the non-public school of its intent to reduce the number of teachers or to reduce the number of hours assigned, teacher(s) so affected will be assigned to the first vacant position in the city schools for which he/she is certified and on the same salary schedule as other members of the bargaining unit in the same position to the extent necessary to restore the prior contract status. If no such position is immediately available, and the teacher has a continuing contract and is Accomplished, the teacher shall be placed on a recall list.

If any member of the bargaining unit assigned to a city school is involuntarily transferred to a non-public school, the individual, in the event of a reduction in force, retains the same RIF rights, if any, he/she would have had if there had been no transfer.

If the teacher cannot bump a non-collaborative program teacher, the teacher may bump a collaborative program individual employed by the teacher's home district if the teacher possesses qualifications that are equal to the collaborative program individual. The

determination as to equality of qualifications shall be made by the Superintendents on the Oversight Committee after review with the entire Committee.

d. If a teacher assigned to a position proposed for elimination is not able to bump a teacher in his/her home district, the teacher shall be placed on a recall list in all his/her areas of certification in all the school districts that are participating in this Agreement. The teacher shall be placed on the recall lists in accordance with his/her seniority.

For purposes of this Agreement, seniority shall be defined as the teacher's length of continuous service from his/her initial date of hire with his/her home district. Approved leaves of absence granted a teacher shall not cause a break in continuous service for purposes of determining seniority under this Agreement. However, such leaves of absence shall not be counted toward continuous years of service for seniority purposes under this Agreement.

e. If a teacher is recalled by a participating district, other than his/her home district, he/she shall be given the same credit for years of service for salary schedule and seniority purposes as if he/she were recalled by his/her home district.

Such teacher shall be assigned to (employed by) the recalling district only until such time as his/her home district has an opening for which the teacher is eligible. When such an opening occurs, the teacher will be assigned to (re-employed by) his/her home district with no break in seniority, and with placement on the home district's salary schedule for all years of service in his/her home district, and all years of service, or fractions thereof, in the district to which he/she was originally recalled.

f. If the district recalling the teacher and the recalled teacher agree that the teacher should remain an employee of the recalling district, the teacher's home district shall be so advised and the teacher shall be considered an employee of the recalling district. Such teacher shall relinquish his/her employment rights in his/her home district. Other than for salary schedule purposes, the teacher's seniority in his/her home district shall not be carried to the recalling school district.

g. After all "bumping" has occurred under this section, the individuals that are to be reduced shall be accorded the same recall rights as identified herein.

h. The recall list under this Section shall be maintained for three (3) years and shall survive the expiration of this Agreement or any

collective bargaining agreement between an Association and an employing board of education.

6. A procedure will be developed to solicit ideas and suggestions on potential collaborative programs from teachers in each of the districts. Once programs have been selected, appropriate staff will be involved in the development of the program(s). These procedures will be reviewed with the Oversight Committee.

7. Management retains the right to select staff for the Collaborative Programs under the following guidelines:

a. Prior to posting, management will determine qualifications for the position.

b. Vacancies shall be announced, in writing, to the districts' staff and held open for at least five (5) weekdays. The five (5) day waiting period may be waived by a majority vote of the Superintendents where, due to unusual circumstances, a delay in filling a position might have a detrimental effect on the program.

c. All qualifications being equal, a currently employed certified member shall be assigned over a certified individual not currently employed by one of the districts or a non-certified employee.

d. Prior to staffing assignments, the Oversight Committee will meet and management will review proposed assignments and the rationale for such. The final decision on staff assignments and qualifications rests with management.

8. Certified individuals who are proposed for hire into a collaborative program, and who are not employees of a participating school district, shall be hired by, and become employees of, a participating district.

9. Evaluation of teachers in this program shall be done by an individual(s) employed by one of the districts who is a party to this Agreement. The evaluator must be qualified to evaluate under 3319.111 O.R.C. The evaluation procedure shall be reviewed and approved by the Oversight Committee.

10. Length of year, day and evaluation procedures may vary for teachers assigned to a Collaborative Program(s) from that contained in their home district's collective bargaining agreement. Such decisions may be reviewed by the Oversight Committee.

11. The expiration of the collective bargaining agreement of any party to this Agreement shall not affect the terms and duration of this Agreement.

12. The existence of this Agreement shall not act as a contract bar under 4117.18 (C) to any Association exercising their rights under 4117.14 (0) (2).

13. If an Association, who is a party to this Agreement, exercises its right under 4117.14(0)(2), members of that bargaining unit assigned to collaborative programs under this Agreement shall perform their assigned duties for that program(s).

14. Any alleged violation, misinterpretation, misapplication and/or dispute arising under this Agreement shall be resolved using binding expedited arbitration. The parties agree to permanent arbitrator Robert Stein. The parties will not be under the auspices of the American Arbitration Association, but shall abide by their rules. The cost of the arbitrator shall be borne equally by the parties to this Agreement.

In the event Robert Stein is unable or unwilling to serve, the parties shall agree on a replacement. If unable to agree, the services of the American Arbitration Association shall be utilized.

The decision to arbitrate an issue shall be made by a majority vote of the Association Presidents, if the moving party is the Association(s) and by a majority vote of the Superintendents if the moving party is the Board(s).

15. New parties may be added to this Agreement upon approval of a three-fourths (3/4) vote of the voting members of the Oversight Committee.

The Superintendent of the new district shall be a member of the Oversight Committee. The Association representative from the new district shall be nominated by the Association

subject to approval by majority vote of the Association representatives on the Oversight Committee.

The OEA Labor Relations Consultant for the new Association shall be a non-voting member of the Committee.

16. The duration of this Agreement shall be from July 1, 2022 through and including June 30, 2025. The terms of paragraph 5. h. shall be in effect as long as individuals remain on the recall list for the three (3) year period.
