ARTICLE I – RECOGNITION

Recognition/Instructional Staff - The Perry Local Board of Education, hereinafter the "Board", hereby recognizes the Perry Classroom Teachers' Association/OEA/NEA, hereinafter the "ASSOCIATION", as the sole and exclusive representative for all certificated, non-supervisory personnel, both full and part-time including Individual/Small Group Instructors (tutors), Title/Project funded instructors; employed under contract, or on leave; except substitutes, those hired on a per diem basis and the Athletic Director and those employees excluded under ORC 417.01 (c) 1-14 (<http://codes.ohio.gov/orc/417.01>).

All work currently performed by bargaining unit members, as well as future work of a similar nature, shall be deemed bargaining unit work.

ARTICLE II – SCOPE OF BARGAINING

The scope of negotiations shall be all matters pertaining to wages, hours, or terms and conditions of employment, and the continuation, modification, or deletion of existing provisions of the Negotiated Agreement.

ARTICLE III – NEGOTIATIONS PROCEDURE

A. Initiating Negotiations

If either of the parties desires to negotiate, it shall notify the other party in writing and begin negotiations on a mutually agreed upon date, said date shall not be later than March 1 in the year of contract expiration. Upon receipt of a written request for the opening of negotiations, the Board or the Association shall issue a Notice to Negotiate to the State Employment Relations Board (SERB) and the other party in accordance with ORC 4117.14 (<http://codes.ohio.gov/orc/4117.14>).

B. Ground Rules

The following ground rules shall be in effect unless modifications are agreed upon by both parties:

1. At any negotiation session, either party may be represented by no more than five representatives and up to one consultant.
2. Before each negotiation session adjourns, the time and place for the next session shall be mutually agreed upon by the chief negotiators. Meetings shall be in executive session.
3. Prior to and during negotiations, the parties agree to furnish, upon written request and in a reasonable time, available information as will assist the parties in the development and evaluations of proposals.
4. Either team may call a caucus at any time.
5. As negotiation items receive tentative agreement, they shall be reduced to writing and initialed by a representative of each party. No item so initialed shall be considered final until agreement has been reached on the entire package.

C. Dispute Resolution

1. If, after 45 calendar days from the first negotiation session, agreement has not been reached on all items under negotiation, either party may call for the services of the Federal Mediation and Conciliation Service (FMCS) to assist in negotiations and dispute resolution. If either party calls for FMCS involvement, the other party shall join in a joint request.
2. In the event that all attempts to reach agreement through mediation have failed and the parties are unable to reach agreement within 15 days prior to the expiration of the existing Agreement or any extension thereof, then the Association shall have the right to proceed in accordance with ORC 4117 (<http://codes.ohio.gov/orc/4117>) to give notice of its right to strike and to exercise that right.

D. Agreement

When final agreement is reached through negotiations, the outcome shall be reduced to writing and submitted to the Association for ratification. Following ratification by the Association, the Agreement shall be submitted to the Board for adoption. Upon adoption by the Board, the Agreement shall be signed by both parties. Both teams shall recommend and urge approval.

E. Printing of Agreement

The parties agree that the contract shall be printed within 90 days of the conclusion of negotiations or within 30 days if negotiations continue beyond the start date of the successor agreement.

ARTICLE IV – ANNUITY PROGRAM

- A. The Board will match a minimum \$600 contribution by the teacher on a dollar-for-dollar basis up to \$1200. If the teacher separates from Board employment prior to contributing at least \$600, the District will withhold the equivalent of the match it has already contributed from the teacher's last paycheck.
- B. The deadline to sign up for the annuity program for a school year in order to receive Board matching amount:
 1. An individual already employed or hired on or prior to August 1: August 15.
 2. An individual hired after August 1: September 30.
- C. Requests for changes in the amount of contribution or the company contributed to must be done by:
 1. August 15 for a change to commence in September contributions
 2. December 15 for a change to commence in January contributions
 3. March 15 for a change to commence in April contributions

- D. The Board may limit the number of financial companies participating in the program to the extent permitted by law.
- E. The Board's contribution shall be included as earnings for retirement purposes for all bargaining unit members.
- F. Eligibility for the annuity program shall be limited to full-time certified employees (persons working at least 30 hours per week). Part-time certified employees hired prior to March 1, 2007 shall maintain their eligibility. Those part-time employees are eligible for a match prorated based on their hours worked. (For example, an employee who works half time is eligible for a 50 percent match on contributions of at least \$600.)

ARTICLE V – CALENDAR & WORK DAY

- A. The school calendar shall be 184 days and shall include six (6) teacher workdays (two (2) at the beginning of the school year and one at the end of each quarter), three (3) parent-teacher conference days, and up to two (2) days for professional development. The teacher-directed workdays at the end of each quarter shall not include any required building or district meeting. One additional day will be required as a new teacher workday. Teachers may choose to work one additional day in the two (2) weeks prior to the start of the school year in lieu of the final teacher workday at the end of the student year.
- B. Whenever school is delayed or closed, all staff will be notified via the district's emergency phone calling system. Additionally, the notification will be posted on the district website and local radio and TV stations will be notified.
 - 1. Personnel whose jobs depend upon the presence of children will be paid for all time lost when schools in which they are employed are closed because of an epidemic, public calamity, or inclement weather.
 - 2. When school is in session, no staff member shall be paid when absent from work because of inclement weather or poor traveling conditions, unless the staff member is on approved leave.
- C. The typical certified position is full-time except for hourly employees.
 - 1. There can be no more than one part-time position within a license/certificate area.
 - 2. No staff member can be required to move from a full-time to a part-time position.
 - 3. The number of days/hours worked in a part-time position can be reduced or increased at the discretion of the superintendent.
 - 4. When a full-time position becomes available, a part-time employee (excluding those employees who have contracts that are annually non-renewed) has the right to interview for a transfer to a full-time position.
- D. Teachers in grades one through twelve shall be required to attend open house one evening per year. Kindergarten teachers shall be required to attend Kindergarten Orientation for parents one

evening per year. Both of these events shall last no more than 1.5 hours on a weekday evening and must be held no earlier than 3 weekdays before the first student day.

- E. The normal workday for full-time teachers shall be 7.5 hours a day including lunch. The workday may be altered due to teachers' meetings, parent-teacher conference days, and an annual open house.

A teacher shall have a minimum of 40 minutes for a duty free lunch. The time may be reduced occasionally due to special circumstances such as assemblies and standardized testing days. This time may be also altered by mutual agreement between the teacher and building administrator as long as the teacher's planning time is increased accordingly.

- F. Every attempt shall be made to ensure that the normal workweek for full-time teachers shall include a minimum of 40 minutes per day or 200 minutes per week of planning time. Administrators should make every attempt to schedule uninterrupted daily planning time. When this is not possible because of scheduling difficulties, the principal shall meet with the teacher to discuss the rationale of the decision.

All full-time elementary teachers (defined, based on current building configurations, as teachers for kindergarten through grade 4) shall also have 30 minutes per day of uninterrupted planning time in the morning or in the afternoon in addition to the planning time mentioned above. This planning time may include up to 30 minutes per week of required collaboration with grade level teachers and/or intervention specialists.

- G. Principals for the intermediate school, middle school, and high school should avoid assigning teachers more than three preparations. When this is not possible because of scheduling difficulties, the principal shall meet with the teacher to discuss the rationale of the decision.

- H. The building principal shall consider the level of difficulty of a teacher's assignment (first-year teachers, new/multiple preparations, dual credit/AP classes, and so on) when assigning duties.

- I. Every effort will be made to secure substitute teachers for music, art, physical education, and library staff when they are absent.

- J. The first staff day shall be Convocation day and will be from 8:00-3:30, and all meetings will be finished by 9:00 a.m. The second staff workday will be from 8:00-3:30, and all meetings shall be finished by 11:00 a.m.

- K. Any ideas concerning the school calendar should be submitted in writing prior to November 15th.

- L. All teachers may schedule with their principal one specified workday for 7.5 hours or two work days totaling 7.5 hours during the ten (10) work days prior to the first staff day. This will be in place of a workday at the end of the second semester. Any special arrangements shall be approved by the building administrator.

- M. Required building meetings which extend beyond the normal work day or during common elementary planning time shall not be held more than 7 times per year except in the case of an emergency. These meetings could be at the building or district level, depending on need. Required meetings shall not extend longer than 1 hour. Administrators are encouraged to use written forms of communications in lieu of staff meetings where information can be effectively communicated without the need for staff input and interaction.

- N. Any significant change to the teacher workday must be approved by a committee equally represented by members of the administration and the Association. The Superintendent shall appoint the committee members representing the Board and the PCTA President shall appoint the committee members representing the Association. Any decisions of the committee shall not supersede other items specified within this agreement.

ARTICLE VI – CONFERENCE SCHEDULING

Rules of common courtesy should be observed when scheduling a conference for another person. Principals, counselors and secretaries should try to make tentative appointments, which are subject to teacher approval.

Exceptions to this rule are:

1. Parent-teacher conference day scheduling which is made so that parents will not have repeat trips to the school.
2. Disciplinary or emergency situations where the teacher's presence is needed.

ARTICLE VII – DAMAGE TO EMPLOYEE’S PERSONAL PROPERTY

1. The Employer shall repair or replace damaged or destroyed personal property of an employee which is caused by a student when the damage or destruction occurs during the employee’s scope of employment and when the act of the student is intentional and/or caused by the student’s disability. Such repair or replacement shall be limited to a maximum reimbursement of five hundred dollars (\$500.00) per year per employee and shall exclude any portion paid by insurance. Personal property which is damaged may be repaired rather than replaced if it is cost effective to do so. If the property is replaced, the damaged property is to be given to the Employer. This section shall not apply to accidentally damaged property. Repair or replacement will be limited to the following personal property items: eyeglasses, torn clothing, hearing aids, watches, personal cell phones, or vehicle damage.
2. In order to receive any reimbursement for damaged or destroyed personal property, the employee must submit a receipt proving cost of the repair or comparable replacement. The Employer shall then reimburse the employee within a reasonable period of time not to exceed one month from submittal of receipt.
3. The employee shall give written notification to the employee’s immediate supervisor as soon as reasonably possible after the incident occurs but no later than the end of the following workday. Any property that is damaged must be included in the accident report filed with the district.

ARTICLE VIII – DISCIPLINE

A member of the bargaining unit may be suspended from his or her duties without pay (but continuing other benefits) for a maximum of 3 days per school year, upon a determination by the superintendent that the conduct of the employee is detrimental to the goals and objectives of the District. No suspension shall

be imposed until the employee has had an opportunity to appear before the Superintendent to explain his or her actions.

The employee shall be provided written reasons for the suspension(s). The superintendent, upon request of the PCTA President, shall review the reasons for the suspension with the President.

Nothing herein shall preclude the Board from acting to non-renew or terminate any employment contract as permitted by the applicable laws and by the Agreement.

An employee shall be entitled to Association representation at any conference in which the employee will be advised of an impending disciplinary action.

ARTICLE IX – DRESS CODE

All teachers are expected to dress professionally and/or appropriately for their teaching assignment. Any exceptions to the following dress code may be made at the discretion of the principal.

A. Female Dress Code:

1. Dress, dress slacks or skirt with dress blouse/sweater/blazer or coordinated outfits
2. Dress shoes or boots, dress sandals
3. No blue jeans
4. Generally, no extremes or outlandish styles in clothing, or hair.

B. Male Dress Code:

1. Dress slacks and dress shirt/sweater; coats and ties are optional
2. Socks must be worn
3. Facial hair is to be kept neatly trimmed and cared for.
4. No blue jeans
5. Generally, no extremes or outlandish styles in clothing, or hair.

ARTICLE X – DRUG FREE WORKPLACE

A. The Board may suspend (with pay) an employee accused of a drug-related offense pending the outcome of any investigation and/or trial.

B. The conviction, guilty plea, or plea of no contest of an employee for possession, use, unlawfully manufacturing, distributing and/or dispensing any controlled substance as defined by federal and state law while engaged in work or in the workplace shall be sufficient grounds for termination of employment.

ARTICLE XI – E-LEARNING

A. Teachers who agree to teach Digital/On-Line courses that are in addition to regular, full-time teaching assignments shall be compensated as follows (percentages are computed on the beginning bachelor’s base pay):

Per Course Per Semester Base Pay	1.50%
Per Enrolled Student Per Semester*	0.15%
* In addition to the base pay	

- B. Required in-service shall be paid at the base hourly rate (the date shall be established by the digital academy director and can not be part of a required teacher work day).
- C. The teacher will only be compensated for semesters in which at least one student was enrolled and coursework was submitted and graded. However, if at least one student completes a full year course during one semester, the teacher shall be paid for the full course.
- D. The teacher shall be compensated at the end of each semester.
- E. Contracts for e-learning courses will be issued after the school year commences in order to determine the need for instructors.
- F. Student enrollment will be determined by averaging the number of students enrolled at the end of the first and second grading periods of each semester (this number will be rounded up if the average is not a whole number).
- G. Upon mutual agreement between the administration and teacher, an eLearning class can replace a regular class in the normal workday. If this occurs, no extra pay shall be given.
- H. All attempts will be made to fill Perry eLearning positions with Perry teachers.

ARTICLE XII – EXTRA PAY

All calculation of extra pay shall be computed on the beginning bachelor’s base pay (if applicable). The number of stipends listed at each position represents a minimum amount.

B. Longevity Increase

There will be longevity pay added to each stipend for every 6 years served in athletic positions, vocal music positions, instrumental positions, and speech positions: 0.5% for stipends less than 5%, 1% for stipends at least 5% but less than 15%, and 1.5% for stipends that are at least 15%. For instance, if someone has served 17 years in the football program at various paid positions, then there would be 2% added to that person's stipend for the following year (in that respective sport). For those receiving multiple stipends within one of the specific categories of vocal music positions, instrumental positions, and speech positions, longevity only applies to the largest stipend (largest percentage) within that category. Experience does not accumulate between different sports; such as football and basketball. However, boys' and girls' sports including baseball and softball would be credited. For instance, if a coach spent 12 years in boys' tennis and then switched to girls' tennis, those years of experience would count toward longevity pay.

- C. Any teacher required by administration to work above and beyond contracted hours, with prior approval of the superintendent or designee, shall be compensated for actual time worked using the base hourly rate. Any school psychologist required by administration to work above and beyond contracted duties, with prior approval of the Superintendent or designee, shall be compensated at his or her hourly rate.
- D. Summer school instruction, including approved preparation and grading time, shall be paid at the base hourly rate.
- E. Any staff member required to work longer than the regular school year of 184 days shall be compensated for additional days worked at the daily rate. The daily rate is the sum of the salary schedule wage, professional growth stipend(s), longevity pay, and the department head stipend (if applicable).
- F. All parent-teacher meeting attendance outside the contracted work day shall be strictly voluntary. However, meetings required by law that necessitate teachers attending or returning to school shall be compensated at the base hourly rate. Time worked outside the contracted school day shall be compensated at the base hourly rate if the meeting lasts at least thirty (30) minutes outside the contracted day. Teachers will be paid for those first thirty (30) minutes and any time after in fifteen (15) minute increments.
- G. The administration shall attempt to plan so that as many non-teaching duties, i.e., money collection, etc., as possible will be handled by the school office in each building.
- H. The Sophomore, Junior, and Senior Class Advisor will be given no other duties beyond the regular classroom assignments.
- I. The mileage reimbursement rate shall be equivalent to 80% of the current Internal Revenue Service rate.

ARTICLE XIII – GRIEVANCE PROCEDURE

A. Definitions

1. Aggrieved Person

An aggrieved person is any member of this bargaining unit initiating a grievance.

2. Grievance

A grievance is any claim by an aggrieved person that there has been a violation, misinterpretation or misapplication of the provisions of the Negotiated Agreement.

3. Representation

The aggrieved person may be represented at all steps of the grievance procedure by the Association.

4. Days: The term "days" when used in the Article, means calendar days, not including holidays.

B. General

It is the purpose of this procedure to achieve, at the lowest possible administrative level, equitable solutions to problems that arise. Both parties agree that the grievance proceedings shall be kept confidential at all levels of the procedure.

1. A grievance may be withdrawn at any level without prejudice.

2. Copies of all written decisions of grievances shall be sent to all parties involved: the Association President, the aggrieved, and the appropriate administrators.

3. No records, documents, or communications concerning a grievance shall be placed in the personnel file of any of the participants in this grievance procedure except those records normally found in the personnel file if they were used in the course of the grievance. However, any records affected by the decision of the action shall be handled in accordance with such decision. A separate file will be maintained for grievance records dealing with members of the bargaining unit.

4. The aggrieved, the Association, the Board and administrative personnel shall openly share information not otherwise protected by law, in possession of any of the above which contributes to the processing of a grievance. Both the Association and the grievant shall receive written notification prior to all meetings and official action concerning the grievance.

5. Conferences required by this procedure will be scheduled at such times as will cause the least disruption to the operation of the schools. In the event the administration determines a meeting must be held during school hours, those persons whose presence is necessary will be released without loss of pay.

6. A grievance applicable to more than one teacher or more than one building concurrently may be submitted in writing by the Association directly to the Superintendent and the processing of such a grievance may begin at Level Two.
7. Failure to accept or reject a decision or move it to the next level within 10 days in the prescribed manner shall indicate that the grievance has been withdrawn.
8. The Association has the exclusive right to file grievances and to be present for the adjustment of any and all grievances.
9. The Association shall have the exclusive right to determine whether to proceed to the arbitration step of the procedure.
10. No reprisals or recriminations due to participation in a grievance shall be taken against any employee.

C. Informal Procedure

Within 30 days of the time an alleged violation, misinterpretation or misapplication occurs, the grievant shall first discuss the problem with the person's immediate supervisor. The objective of both parties should be to resolve the matter as soon as possible in an informal manner. If the grievance is not settled in this manner within 5 days, the aggrieved person may follow the formal grievance procedures.

D. Formal Procedures

1. Level One

- a. In the event the aggrieved person is not satisfied with the results of the informal procedures, the aggrieved person shall file a formal grievance in triplicate: one for the grievant, one for the Principal, and one for the Association President.
- b. A conference will be scheduled by the Principal within 5 days after receipt of the formal grievance.
- c. Within 5 days after the conference, the Principal shall render a decision in writing to the grievant, chairperson of the Grievance Committee and/or the president of the Association.

2. Level Two

- a. If the aggrieved person is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered at Level One within 5 days, the aggrieved person may file a formal grievance in writing with the chairperson of the Grievance Committee. At this time, the chairperson of the Grievance Committee shall, within 2 days, refer said grievance in writing to the Superintendent.
- b. The Superintendent and/or a designee will represent the School Administration at this level of the grievance procedure. Within 5 days after the receipt of the written grievance by the Superintendent, the Superintendent and/or designee will meet with

the aggrieved person and the chairperson of the Grievance Committee or a designee in an effort to resolve said grievance.

- c. Within 5 days after the conference, the Superintendent or designee shall render a decision in writing to the grievant and the president of the Association.

3. Level Three

- a. ARTICLE XXX – RIF POLICY

A reduction in force (RIF) shall have occurred when the Employer reduces or eliminates a bargaining unit position. When it is necessary to reduce staff because of decreased enrollment of pupils, suspension of schools or territorial changes affecting the district or for financial reasons, the following procedure shall apply:

A. Attrition

The number of persons affected by a reduction in force (RIF) will be kept to a minimum by not employing replacements for teachers who retire, resign or whose limited contract is not renewed. Certification/license must be considered in filling positions created through attrition.

B. Reduction Other than Attrition:

1. The Board shall suspend contracts in accordance with the recommendation of the superintendent who shall use certification/license, contractual status and competency as determined by formal evaluation, and Perry years of experience, respectively, as a basis for the recommendation.

2. Certification/License: Teachers will only be considered for teaching fields that appear on their teaching certificate/license on file in the board office. Additional training fields added to the teaching certificate/license after May 30 of the year the reduction is made will not affect the structure of the RIF list.
3. Contractual Status and Competency as Determined by Formal Evaluation
In making such reduction, the Board shall proceed to suspend contracts in accordance with the recommendations of the Superintendent based on the following:
 - a. Limited contract teachers shall be reduced first utilizing the following order:
 - 1) Licensure/Certification
 - 2) Competency as determined by formal evaluation
 - 3) When evaluations are comparable, seniority in the District shall prevail.
 - 4) For the purpose of determining “comparable final evaluative rating”, anyone with an evaluation of Accomplished, Skilled, or Developing will be considered comparable. Ineffective teachers shall not be defined as “comparable” when utilizing the Reduction in Force procedure.
 - b. Next continuing contract teachers shall be reduced by the utilizing the following order:
 - 1) Licensure/Certification
 - 2) Competency as determined by formal evaluation
 - 3) When evaluations are comparable, seniority in the District shall prevail.
 - 4) For the purpose of determining “comparable final evaluative rating”, anyone with an evaluation of Accomplished, Skilled, or Developing will be considered comparable. Ineffective teachers shall not be defined as “comparable” when utilizing the Reduction in Force procedure.
 - c. Using the criteria in this provision, the District will establish the order in which members’ contracts are suspended and will recall members in reverse order.
4. Seniority: Seniority shall be defined as the length of continuous service under a regular contract in the Perry Local Schools. A year of part-time service shall be credited with a full year of Perry experience for the purpose of seniority. Leaves of absence will not cancel seniority but time spent on leave will not count toward seniority. Ties shall be resolved by which employee has the earliest hiring date with respect to official Board action. If a tie still exists, the Superintendent will decide which employee(s) is (are) retained.
5. In the event of a reduction in force, Title Funded teachers cannot replace classroom teachers nor can classroom teachers replace them. Separate seniority lists will be used for Title Funded teachers.

Beginning with the 2022-2023 school year, ISG teachers will move into intervention specialist positions. At that time, all individuals employed as ISGs as of June 30, 2022, will be placed at the bottom of the intervention specialist seniority list, with the most senior ISG being placed immediately after the least senior intervention specialist, and the remaining ISGs placed in decreasing seniority order below the first. (Placement of the former ISGs on the seniority list shall not impact placement on the salary schedule.) Once former ISGs have been moved to the intervention specialist seniority list, they shall begin earning additional seniority per Section B(4), above.

6. By October 15th of each school year, the Board will furnish to the PCTA President an updated seniority list. Each employee shall have a period of thirty (30) days after posting of the seniority list in which to advise the Employer or its agents in writing of any inaccuracies which affect his/her seniority. The Employer or its agents shall investigate all reported inaccuracies to make such adjustments as may be in order and post the updated list in a timely fashion.
- C. RIF List: Once the teachers have been selected for suspension, a list will be made available showing the order of recall within each area of certification/license. The Board shall recall members in reverse order of layoff.
- D. Notification: Prior to a RIF, the Board shall give written notice, not less than forty-five (45) days prior to the date the RIF is to be implemented, to the Association of its intent to effect a RIF. Such notice shall contain the reason for the RIF, the date of Employer action to implement the RIF, the effective date of the RIF, and the teacher or teachers who may be initially affected in the District. Within ten (10) days of receipt of the notification, representatives of the Employer and the Association shall meet to review the proposed RIF. If the Association disagrees with the reason(s) for the implementation of the proposed RIF, the Association may demand that the matter be submitted to expedited arbitration, in accordance with the Expedited Rules of the American Arbitration Association.
- E. Recall:
1. If a vacancy becomes available, the board shall recall the teacher by giving written notice to the 3 highest teachers on the RIF list. This notice shall be sent to the teacher by registered or certified letter addressed to the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change of address. Written notice of acceptance of re-employment must be post-marked within 15 calendar days from the date of delivery. After August 15 the notice of acceptance must be postmarked within 5 days of receipt of notice. The position will be given to the teacher highest on the list who replies affirmatively to the notice. The above paragraph shall accompany the recall letter.
 2. If a teacher fails to respond affirmatively to a recall notice, his/her name shall be removed from the recall list.
 3. All teachers on the recall list shall be required to notify the board by April 1 if they wish to remain on the recall list for the following school year.
 4. The recall list shall be maintained for 2 school years.
 5. A teacher who is recalled will retain the same seniority, accumulation of sick leave, and salary schedule placement he/she had at the time of layoff.

- 6. Until all suspended teachers are recalled, there cannot be hiring from outside in a position that a suspended teacher is qualified to teach.
 - 7. As each teacher is reinstated, the Board shall notify the Association President in writing.
 - 8. No current, non-bargaining unit employee shall be assigned to fill a bargaining unit position while an eligible employee remains on layoff status.
- F. Compliance with Law: Nothing within this policy shall abridge the board's right to non-renew limited contracts for reasons other than Reduction in Force in accordance with 3319.11 (<http://codes.ohio.gov/orc/3319.11>) of the Revised Code or to utilize the procedures provided by 3319.17 (<http://codes.ohio.gov/orc/3319.17>).

The teacher or counselor shall have the right to make a written response to the evaluation which shall be attached to the evaluation report and placed in the teacher's or counselor's personnel file. This right must be exercised within thirty (30) days of receipt of the summative evaluation. A copy signed by both parties shall be retained by the teacher or counselor. The administrator may seek input from other administrator(s) (in whose building(s) said traveling bargaining unit member is assigned during the school year) in making the evaluation. Any said input shall be provided to the bargaining unit member as part of the evaluation process.
20. When utilizing vendor assessments to construct HQSD, all related materials shall be purchased, and all affected staff shall be trained on utilization and other considerations by September 15.

 2. When utilizing vendor assessments to construct HQSD, all related teaching, student, and other educational materials shall be purchased, and all affected staff shall be trained on utilization of the assessment program
 3. The OTES Committee shall provide a recommendation to the Superintendent and Association President on the use of a proposed vendor assessment prior to submission to the Board of Education. The committee may ask for the vendor to make a presentation to the committee.
23. In the event that a teacher and evaluator are unable to agree on the evaluator's expectations for the Improvement plan, the teacher may request a mutually agreed teacher/administrator team of the district to facilitate further discussion between the teacher and the evaluator toward development of the Improvement plan.
24. The Superintendent shall annually file a report to the Department of Education including only the following information: the number of teachers and counselors for whom an evaluation was conducted as well as the number of teachers and counselors assigned each rating (Accomplished, Skilled, Developing or Ineffective) aggregated by teacher preparation programs and the years in which the teachers and counselors graduated. In the event of any legislative or ODE changes only those articles that are affected shall be amended.

ARTICLE XXXVIII – VACANCIES AND TRANSFERS

- A. The Board and Association agree that it is the sole responsibility of the administration to place the best possible staff member in each position throughout the district. Therefore, each building administrator has the right to determine the subject(s), course(s), and grade level(s) that each staff member in his/her building is assigned.
- B. All retirements, resignations, and non-renewals shall be communicated through the Board agenda. If an opening exists after all staff members in a building are assigned, then that position must be communicated to all bargaining members by sending a general e-mail to all users. All administrative openings, excluding superintendent or assistant superintendent positions, supplemental openings, and newly created positions must also be communicated in similar manner. Leave of absence positions and openings that occur from August 1 to the end of the fifth (5th) student contact day do not need to be posted.

The PIF will serve as the letter of intent. Members may be granted an interview with the superintendent or his/her designee before the position is filled.

Administrative positions shall be posted for at least five (5) days. After June 30, the Board shall have the right to post an administrative position for a minimum of two (2) days. Administrative positions that occur from August 1 to the end of the fifth (5th) student contact day do not need to be posted. After the fifth student contact day, and prior to June 30, any positions still unfilled or that newly open, shall be posted for five (5) days.

Further, the Board shall have the right to post a position for less than five (5) days but no less than three (3) days when closing the posting is necessary to secure staffing prior to the July 10 deadline for individuals to give notice of intent to leave their current districts.

- D. A teacher may withdraw a request for transfer anytime prior to the actual notice of transfer.

- E. The administration will advise candidates of the outcome as soon as possible following selection of a candidate for a given position. If so requested, a post conference may be arranged by the applicant to discuss with the superintendent or his/her designee reasons for the applicant's rejection.
- F. A transfer between buildings, any change of assignment at the elementary level, or a significant reassignment within the same building that is initiated by the administration will be made only after written notice by personal delivery or email during the school year, and email and regular mail during the summer of the intended change provided to the teacher and the Association president. The written notice shall include notice that the teacher has the right to request a meeting with the Superintendent or his/her designee prior to the effective date of the transfer to discuss the change.

If any provision of this document or any application of the document to any certified person or persons shall be found contrary to law in a manner not permitted by ORC 4117 (<http://codes.ohio.gov/orc/4117>), then this provision or application shall be deemed invalid except to the extent permitted by law, but all other provisions hereof shall continue in full force. The parties shall meet within 10 days of a request by either party to determine the extent, if any, to which changes must be made.
