Specifically excluded from the bargaining unit are the Superintendent, Assistant Superintendents, Principals, Assistant Principals, Athletic Director, non-certificated employees and all non-certificated employment teachers paid with auxiliary services funds, other substitutes, and other administrative personnel as defined in Chapter 4117 of the Ohio Revised Code. The bargaining unit shall also include any newly created non-supervisory certificated position having a community of interest in wages, hours, and terms and conditions of employment with teachers in the unit as described above. Substitute teachers who are in the bargaining unit shall only be entitled to the negotiated teacher salary, insurance benefits and sick leave and only while actively employed and assigned continuously to the specific teaching position.

ARTICLE 2 - DEFINITIONS

The following definitions apply to this Agreement unless expressly provided otherwise:

ARTICLE 3 - MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

Certificated teaching personnel shall have the right to join or not to join any teacher organization, and membership in any organization shall not be a condition of employment or continued employment in the Shawnee School District, nor shall any teacher be assessed any fee or otherwise be required to give financial support to any organization to which teacher is not a member.

ARTICLE 4 - GRIEVANCE PROCEDURE

A. DEFINITIONS CONCERNING GRIEVANCES

1. A "**grievance**" is a claim by the Association or by one or more teachers that there has been a violation, or misinterpretation, misapplication of a provision of this Agreement.
2. "**Aggrieved person**" shall mean any person(s) in the bargaining unit making the complaint or the Association. In the event more than one person files the same complaint, each shall sign the grievance. Such person or group may be represented by a representative of the Association's choosing at any formal level of this procedure.
3. "**Bargaining Unit**" shall mean as defined in the Professional Negotiations Agreement, paragraph I of this contract.
4. The time limits contained in this Section shall serve as a maximum. Failure to file a grievance or failure to process a grievance to the next step of the procedure in accordance with the time limits contained herein shall result in a waiver of the grievance. Failure of school officials to respond to a grievance in accordance with the time limits contained herein shall entitle the grievant to advance to the next step in the procedure. If a grievant or school official is unable to comply with a time limit of the procedure by reason of personal or family illness or absence from the district due to vacation, professional leave or emergency business, the appeal period shall be extended to accommodate such absence.
5. A "**work day**" is defined as a day the central office is open.

B. PURPOSE OF GRIEVANCE PROCEDURE

The purpose of this procedure is to secure, at the lowest possible administrative level, in the quickest possible time, equitable solutions to grievances of all members in the bargaining unit. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

C. INFORMAL PROCEDURE

Level One

A person with a grievance shall first discuss it with the building principal, within ten (10) work days of the date of the incident giving rise to the grievance, with the objective of resolving the matter informally. If the building principal does not have the authority to bring about a resolution of the alleged problem, the process may begin at Level Two.

D. FORMAL GRIEVANCE PROCEDURE

1. Level Two

If the aggrieved person is not satisfied with the outcome of informal procedures, within twenty (20) work days of the date of the incident giving rise to the grievance, he/she may submit to the proper immediate administrative authority, which has the authority to bring about a resolution of the alleged problem, a completed and signed grievance. A copy of the completed form shall be given to the grievant and to the Association. Within five (5) work days of receipt of the grievance form, the administration shall meet with the grievant and his/her representative (s), in an effort to resolve the grievance. Within five (5) work days of the meeting with the grievant, the administration shall respond to the grievance in writing.

2. Level Three

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, he/she may file his/her written grievance with the SEA and the Superintendent or his/her authorized representative (hereafter "Superintendent") with a copy to the principal within five (5) work days of the issuance of the Level Two decision. The Superintendent shall, within five (5) work days after receipt of the written grievance, meet with the aggrieved person, the SEA, and all parties involved, for the purpose of resolving the grievance. The Superintendent shall within five (5) work days after this hearing, render his/her decision and the reasons therefore, in writing to the SEA and the principal.

3. Level Four

If the SEA is not satisfied with the disposition of the grievance at Level Three on a grievance alleging a violation, misinterpretation or misapplication of this Agreement, the SEA shall, within five (5) work days after receipt of the Level Three decision, review the grievance and the answer and, if it desires advise in writing the Superintendent of its desire to proceed to binding arbitration by an outside arbitrator in accordance with the Rules of the American Arbitration Association. Within five (5) days

after receipt of the request for arbitration by the Superintendent, representatives of the Board and the Association shall meet to select an arbitrator. If they are unable to agree on an arbitrator, the parties shall jointly petition the Federal Mediation and Conciliation Service (FMCS) for a list of nine (9) names from which the arbitrator shall be selected by the alternate strike method. Either party shall be entitled to request a second list.

Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the rules and regulations of the American Arbitration Association. The arbitrator shall have authority to consider only a single grievance or several grievances involving a common question of interpretation or application. The only alleged contract violations which may be considered by the Arbitrator are violations specifically and expressly referenced by citation to the Article and Section of this Agreement in the written grievance. The arbitrator shall hold the necessary hearing within thirty (30) calendar days or such time as may be agreed upon. Decisions shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on the Board, the administration, the Association and the grievant(s).

The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this Collective Bargaining Contract, nor add to, detract from or modify the language therein in arriving at a determination of any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issues(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination.

The arbitrator shall in no way interfere with management prerogatives involving the Board's discretion, nor limit or interfere in any way with the powers, duties and responsibilities of the Board under its policies, applicable law, and rules and regulations having the force and effect of law.

Costs for services of the arbitrator, including per diem expenses, if any, and necessary travel and subsistence expenses, shall be borne two-thirds (2/3) by the losing party and one-third (1/3) by the winning party. Unless a Memorandum of Understanding or other settlement document provides otherwise, the party who cancels a scheduled arbitration hearing shall bear the entire fee, if any, for the cancellation. It is the mutual desire of the SEA and the Board of Education to avoid unnecessary expenditures in the arbitration process. Accordingly hearing(s) will be held alternately at the OEA office or the Shawnee Board of Education facilities.

E. SCOPE OF GRIEVANCE APPLICATION

This grievance procedure governs all members of the bargaining unit of the school district.

F. GRIEVANCE PROFESSIONAL RIGHTS PROVISION

No reprisals of any kind will be taken by either party or by any member of the administration against any party in interest, any school representative, any member of the SEA, or any participant in the grievance procedure by reason of such participation.

G. MISCELLANEOUS GRIEVANCE PROCEDURE

1. So that the grievance can be processed as rapidly as possible, time limits at each level should be considered as a maximum and every effort should be made to expedite the process. Time limits may be extended in writing by mutual consent.
2. In the event a grievance is filed or being processed on or after June 1, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.
3. If the SEA decides at any level of the grievance procedure that a grievance is without merit, or that an equitable answer has been given to the aggrieved person, it may withdraw its support. He/she may not be represented by any other organization or group at any time. The grievant may always seek further satisfaction through normal school administrative channels.
4. Every effort will be made to avoid interruption of classroom activities unless the school administration so authorizes, avoid the involvement of students in all phases of the grievance procedure.

H. EXCLUSIVITY OF THE GRIEVANCE PROCEDURE

The procedures contained in this Article 4 constitute the sole and exclusive method of considering the redressing of grievances arising during the life of this Contract and any extensions thereof. It is expressly understood and agreed that neither the Association nor any teacher shall engage in actions which are not expressly provided for in the grievance procedure such as the initiation of litigation or charges with state or federal agencies in connection with any dispute which is or could be or could have been a matter presented as a grievance within this grievance procedure. It is further understood and agreed that a decision at any level of the grievance procedure that is mutually acceptable to the Association and the Board's representative shall be final and binding upon the grievant, the Association, the Administration and the Board.

It is further understood that the parties individually and collectively agree that there will be no interruption or cessation of work in connection with a dispute arising under this Contract.

- B. If the employee already has been absent during the contract year for one of the reasons listed in (1) through (3) above, the leave will be considered a part of the 12-week period such that any other leave the employee is entitled to take under this policy will be for 12 weeks less the amount of such absent time already taken in that contract year.
- C. Under (1) above, the employee is required to use all personal leave first as a part of the 12 week period and then any remaining portion of the 12 week period will be unpaid. Under (2) or (3) above, the employee must use personal and accrued sick leave first as part of the 12 week period and then any remaining portion of the 12 week period will be unpaid.

The employee may continue other than such "health benefits" at the employee's expense. A resolve to this goal will be accomplished by building and grade level by the end of the second week of school. Class size will not exceed the number of workstations in a classroom.

- B. An employee who wishes to assert a claim of discrimination as defined in R. C. 4167.13 shall use the grievance procedure of this labor contract to assert such a claim. The grievance procedure of this contract shall be the exclusive means for an employee to assert such a claim, to the exclusion of an appeal to the State Personnel Board of Review, a lawsuit, or other means of challenge. If the alleged discrimination is in connection with a non-renewal, any claim of discrimination under R.C. Chapter 4167 shall be raised only in the challenge to the non-renewal.
- C. The parties desire to deal with safety and health complaints, and to attempt to correct any health or safety violations, internally. Accordingly, neither the Association nor an employee may file a complaint alleging a health or safety violation with the Ohio Department of Industrial Relations pursuant to R.C. 4167.10 until the following process has been completely exhausted.

1. An employee or Association representative shall first bring an alleged health or safety violation to the attention of the affected employee's immediate supervisor or building principal, within five (5) workdays of the occurrence of the alleged violation.
2. If the immediate supervisor or principal does not resolve the alleged violation to the employee's satisfaction, the employee or Association must file a formal complaint with the Superintendent within two work days after his conference with the immediate supervisor or principal. The Superintendent will prescribe a form for the written complaint. It will include space for the standard (alleged) violation. 3. Employees who are diagnosed as having communicable diseases shall be entitled to all rights and benefits to which they are entitled by state and federal law. ARTICLE 54 - NEGOTIATION PROCEDURES

A. NEGOTIATIONS DEFINITIONS

"Good faith" involves coming to the negotiating table with the intention of negotiating, not of dogmatically pursuing preconceived stands. Good faith requires that the Association and the Board be willing to react to each other's proposals. If a proposal is unacceptable to one of the parties, that party is obligated to give its

reasons. Good faith requires both parties to recognize negotiations are a shared process.

The obligation of the representatives of the Board and the Association to meet for purposes of professional negotiations does not compel either party to agree to a proposal or require the making of a concession.

B. DIRECTING REQUESTS

Requests in writing for negotiation meetings from the Association will be made directly to the Superintendent or a designee. Requests from the Board will be made in writing to the President of the Association. These requests shall be made in the form of a Notice to Negotiate and sent in accordance with Ohio Revised Code Chapter 4117. Requests for negotiation meetings shall be submitted between sixty (60) and two hundred ten (210) days prior to the expiration of the contract term.

C. NEGOTIATION MEETINGS

An agreement will be reached by representatives of the Board and the Association within five (5) days of the request as to the time and place of the meeting which shall be held within twenty (20) days after the request has been submitted, unless the parties agree to a later date. All items proposed by the parties shall be written in full (laundry lists shall be rejected) and submitted to the representative(s) of both teams at the first meeting. No additional items shall be submitted by either party following the first meeting, unless mutually agreed by the parties. Additional ground rules, if any, will be established at the first meeting.

Bargaining sessions shall not be scheduled during the regular teacher workday. Negotiation meetings shall be in executive session unless mutually agreed to by both parties. Negotiation meetings shall be held between the negotiating teams. Each team shall not exceed five representatives of their choosing including professional negotiators. Time and dates as used in this Article may be changed by mutual agreement.

D. NEGOTIATION REPRESENTATION

Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. Representatives of the Board shall meet with designated representatives of the Association to negotiate in good faith. While no final agreement shall be executed without ratification by the Association and approval of the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

E. NEGOTIATION INFORMATION

The parties agree to furnish each other upon written request and in reasonable time all factual information pertinent to the items being negotiated.

F. WHILE NEGOTIATIONS ARE IN PROGRESS

1. Recess - The Chairman of either group may recess the group for independent caucus of reasonable duration at any time.
2. Protocol - No action to coerce or censor or penalize any negotiation participant shall be made or implied by any other member as a result of participation in the negotiation process.
3. Item Agreement - As negotiation items receive tentative agreement, they shall be reduced to writing, dated and initialed by each party. Such initialing shall not be construed as final agreement and shall not be binding upon the negotiating teams until all items in dispute have been resolved.
4. Schedule of Meetings - Until all negotiation meetings are completed, each meeting shall include a decision on an agreed time and place for the next subsequent meeting.

G. NEGOTIATIONS FINAL AGREEMENT

When an agreement is reached through negotiating, the outcome shall be reduced to writing and submitted to the Association for formal approval. Following ratification by the Association, the proposal shall then be submitted to the full Board for its consideration. If approved by the affirmative vote of a majority of the full Board, the agreement shall then be signed by the parties and shall become part of the official minutes of the Board.

H. NEGOTIATIONS DISAGREEMENT

1. If agreement is not reached on matters being negotiated at any time prior to 45 days before the expiration date of this agreement (or at any later time), either party may declare impasse and request that an impartial mediator be appointed. The mediator may be selected by agreement between the parties. If agreement on the mediator is not reached within five (5) days after the call for mediation, the Federal Mediation and Conciliation Service shall be requested to appoint a mediator, and the selection shall be in accordance with the rules of the Federal Mediation and Conciliation Service.
2. The mediator shall have the right to hold meetings with the negotiating parties in seeking to affect a resolution to the disagreement(s) in accordance with the rules and regulations of the FMCS.
3. A mediator will be chosen from FMCS or from another agency by mutual consent. The mediator so obtained shall seek to affect a resolution to the disagreement(s) in accordance with the rules and regulations of the state agency involved. In the event the members of the negotiation team are unable to reach agreement within ten (10) days of the expiration of the

existing agreement, then the Association shall have the right to proceed in accordance with Section 4117.14 (D)(2) of the Ohio Revised Code.

I. NEGOTIATIONS INTERIM BARGAINING

In the event that the Association exercises its rights to reopen negotiations, all provisions of this article shall apply. In the event the parties are unable to reach agreement after mediation, then the Association may, upon ten days written notice, strike. For the purpose of interim bargaining only, the selection and mediation process shall not extend for more than thirty days beyond the declaration of impasse by either party unless mutually agreed. The cost of securing and using the services of a mediator shall be shared equally by the Board and the Association. By mutual consent of the Administration and the SEA, the co-curricular schedule may be changed without reopening formal negotiations.

J. NEGOTIATIONS RIGHTS OF INDIVIDUALS

Nothing in this document shall prohibit teaching employees from presenting views, OR proposals, to the Superintendent in accordance with established procedure. Negotiations, however, shall be conducted according to this contract.

ARTICLE 55 - REDUCTION IN FORCE

When it is necessary to reduce the certified staff because of decreased enrollment of pupils, suspension of schools, territorial changes, return to duty of a teacher after a leave of absence, or financial reasons, the following procedures shall apply:

A. REDUCTION IN FORCE - ATTRITION

Where known and where possible, the number of persons affected by a Reduction in Force (RIF), will be kept to a minimum by not employing replacements insofar as practicable for employees who retire or resign or whose limited contracts are not renewed.

B. REDUCTION OTHER THAN BY ATTRITION

To the extent that reductions are not achieved through attrition, reductions shall be achieved by non-renewing limited contracts of employment as opposed to suspensions under Ohio Revised Code Section 3319.17, in accordance with ORC Section 3319.11. A teacher, whose contract term has not expired, shall be suspended for the balance of that term and placed on the RIF list and then he shall be non-renewed, subject to the qualification of the preceding sentence. Contracts may also be suspended in part, meaning that a full-time employee can be reduced to part-time status or a part-time employee reduced in hours through the reduction-in-force process.

1. Seniority shall be determined by placing all teachers on seniority lists within their area or areas of certification. If two or more teachers on any seniority list have the same length of continuous service, seniority shall be:
 - a. the first determiner is the date of the Board meeting at which the teacher was hired; and then
 - b. the second determiner is the effective date; and then
 - c. the third determiner is total teaching experience. The length of continuous service shall not be interrupted by authorized leaves of absence.
 2. Reduction in Force Lists - Teachers selected for suspension or non-renewal under this Agreement, shall immediately be placed on a RIF List and such list shall be given to the SEA. Teachers non-renewed for reasons other than those enumerated in the opening paragraph to this Section, shall not appear on this list. No new teachers shall be employed by the Board while there are teachers on the RIF List who are certified for any opening, unless the administration can show that valid program needs or the education goals of the system make it demonstrably necessary for the Board to fill the position with a new teacher. No teacher on a continuing contract will lose recall rights by declining recall to a position providing fewer hours of work than the employee had been working.
- C. When making reductions pursuant to R.C. 3319.17, the following provisions will apply.
1. The order of reduction in each certification/licensure area shall be as follows:
 - a. First: members holding limited contracts based on:
 - i. Licensure/Certification;
 - ii. No completed formal evaluation in the District;
 - iii. When evaluations are comparable, by lowest seniority in the District.
 - b. Second: members holding limited contracts based on:
 - i. Licensure/Certification;
 - ii. Competency as determined by formal evaluation;
 - iii. When evaluations are comparable, by lowest seniority in the District.
 - c. Third: members holding continuing contracts based on:
 - i. Licensure/Certification;

- ii. Competency as determined by formal evaluation;
 - iii. When evaluations are comparable, by lowest seniority in the District.
2. Competency and comparable evaluation to be determined solely on the summative holistic evaluation rating of the teacher evaluation system. The ratings within each individual category are considered comparable only within the same category (e.g., skilled are comparable only to skilled; developing are comparable only to developing, etc.).

ARTICLE 56 - REDUCTION IN FORCE - RECALL

A teacher whose name appears on the RIF List shall be offered reemployment when a position becomes available for which he/she is certified at the time the recall is made by the Superintendent, or his designee. Teachers shall be returned to active employment in reverse order of layoff to fill vacancies for which they are certified.

- A. Written notice by registered or certified mail addressed to the teacher's last known address shall constitute the offer. If the offer is not accepted in writing by registered or certified letter, and received by the Board within seven (7) calendar days from the date the offer was received, or is returned because it is undelivered or not picked up, it will be deemed rejected and the name removed from the RIF List. The Superintendent shall give the Association president written notice that an offer of recall has been made.

It shall be the responsibility of each teacher to notify the Board of any address change and any change in certification.

- B. Time on RIF List - Status upon Return - Each teacher will remain on the RIF List for twenty-four (24) months and will be given only one opportunity to accept or to waive his or her recall rights in writing. A teacher who is recalled to a regular full time position shall be credited with sick leave accumulation and years of service for salary schedule placement he/she had prior to reduction.
- C. A teacher on the RIF List shall have the following rights:
- 1. The right to continue receipt of group insurance coverage at the employee's expense. Continuation of group insurance coverage during the twenty-four (24) months on the RIF List runs concurrently with COBRA benefits. The right to retain seniority credit during the period of layoff.
 - 2. Credit for salary placement upon recall for work in a position requiring a teaching certificate/license performed while on layoff status.
 - 3. The right to be notified by mail of all postings for bargaining unit positions provided the teacher supplies the treasurer with addressed postage paid

envelopes for this as well as electronically when the teacher provides a personal email address.

4. Recognition of additional certification, license, or entry-level requirements earned and reported while on layoff status for recall purposes, provided such information is filed with the employer prior to recall.

ARTICLE 57 - RIF - STATE AND FEDERAL LAW

Exceptions to preferences for retention or recall based on seniority may also be made when necessary to do so in order to comply with state and federal laws regarding employment.

ARTICLE 58 - ACADEMIC DISTRESS

The parties agree to incorporate the provisions of O.R.C. 3302.10 as if rewritten herein.

ARTICLE 59 - RIF - GRIEVANCE PROCEDURE

Only the procedure by which Reduction in Force is carried out shall be subject to the arbitration provision of this Agreement. Thus, for example, the reasons for RIF as determined by the Board are not subject to the arbitration provisions of this Agreement.

ARTICLE 60 - RIF - COMPLIANCE WITH LAW

Nothing contained herein shall abridge the Board's right to non-renew the limited contract of a teacher for reasons other than RIF in accordance with Ohio Revised Code Section 3319.11 or utilize the procedures provided for in Ohio Revised Code Section 3319.17.

ARTICLE 61 - TRANSITIONAL WORK PROGRAM

Employees are required to participate in the Transitional Work Program if their injury is work-related. Program specifics are outlined in the district's program, meant to transition employees back to regular assignment within 60 days, all under doctor's and therapist's care.

ARTICLE 62 - CONTRACT MAINTENANCE

A. CONTRACT AMENDMENTS

Amendments may be made at any time by mutual consent. All amendments, hereafter, shall be in writing signed by representatives of both parties and attached hereto.

B. CONTRACT CONFLICT WITH LAW

Consistent with Chapter 4117 of the Ohio Revised Code, this Agreement governs the wages, hours, terms and conditions of employment of teachers and the terms of this Agreement prevail over any state statute to the contrary. If any specific provision of this Agreement is invalidated by court ruling or subsequent change in the law, the parties shall, upon written request of the other, negotiate in good faith regarding any necessary change in this Agreement within thirty (30) days of the written request.

C. WAIVER OF NEGOTIATIONS DURING TERM OF AGREEMENT

The Board and the Association acknowledge that during negotiations resulting in this contract, each party had the right and the opportunity to make demands and proposals with respect to any matter and that this contract was arrived at by the parties after the exercise of that right and opportunity. The Board and the Association shall voluntarily waive, during the life of this contract, the right to bargain with respect to any subject or matter irrespective of whether such matters or subject is specifically referred to or covered in this contract, even though such subject or matter may not have been within the knowledge or contemplation of either or both parties at the time negotiations were being conducted or at the time the party signed this contract.

D. ENTIRE AGREEMENT CLAUSE

This contract supersedes and cancels all previous agreements, verbal or written or based on alleged past practices between the Board and Association and constitutes the entire agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.

E. CONTRACT DURATION

This contract shall be effective September 1, 2022 through August 31, 2025.

Contact _____ at _____ to make arrangements to continue to make your share of the premium payments on your health insurance to maintain health benefits while you are on leave. You have a minimum 30-day (or, indicate longer period, if applicable) grace period in which to make premium payments. If payment is not made timely, your group health insurance may be cancelled, provided we notify you in writing at least 15 days before the date that your health coverage will lapse, or, at our option, we may pay your share of the premiums during FMLA leave, and recover these payments from you upon your return to work.

You will be required to use your available paid _____ sick, _____ vacation, and/or _____ other leave during your FMLA absence. This means that you will receive your paid leave and the leave will also be considered protected FMLA leave and counted against your FMLA leave entitlement.

Due to your status within the company, you are considered a "key employee" as defined in the FMLA. As a "key employee," restoration to employment may be denied following FMLA leave on the grounds that such restoration will cause substantial and grievous economic injury to us. - Your health benefits must be maintained during any period of unpaid leave under the same conditions as if you continued to work.
- You must be reinstated to the same or an equivalent job with the same pay, benefits, and terms and conditions of employment on your return from FMLA-protected leave. (If your leave extends beyond the end of your FMLA entitlement, you do not have return rights under FMLA.)
- If you do not return to work following FMLA leave for a reason other than: 1) the continuation, recurrence, or onset of a serious health condition which would entitle you to FMLA leave; 2) the continuation, recurrence, or onset of a covered servicemember's serious injury or illness which would entitle you to FMLA leave; or 3) other circumstances beyond your control, you may be required to reimburse us for our share of health insurance premiums paid on your behalf during your FMLA leave.

APPENDIX D PRE-TAX PREMIUM PAYMENT PROGRAM

Under the Pre-Tax Premium Payment Program, you may choose to allocate your salary reduction contributions toward your share of the cost of coverage under the Employer's group health plan. The Employer will pay the remaining portion (if any) of the cost of coverage under the group health plan. Your share of the premium cost for coverage under the group health plan will be announced when you make your elections. In the event your share of this cost changes during the Plan Year, your salary reduction contributions will automatically be adjusted to reflect this change.

The group health plan is the program of group health insurance adopted by the Employer which provides medical benefit coverage for eligible employees and their families. The group health plan may include health, prescription drug, dental or vision care benefits if the Employer chooses to provide these benefits. The types and amounts of benefits under the group health plan, and the terms and conditions governing your eligibility to receive benefits under the group health plan, are set forth in the plan documents or insurance contracts governing the group health plan and are described in the group health plan's summary plan description. The Employer has the right to change insurance companies, contracts or providers, as well as to change or eliminate coverage's under the group health plan, at any time.

If you want to be covered under the Employer's group health plan, participating in the Pre-Tax Premium Payment Program enables you to use "pre-tax" dollars to pay for your share of the premium cost for the coverage's you select. This means that your share of the premium expense is deducted from your salary before federal income and social security taxes. It may also be treated as deductible from your income before state and local taxes, depending upon the laws of the state and city where you live and work. Because your share of the premium cost is deducted first, you do not pay these taxes on that portion of your gross income from the Employer. This will result in a real tax savings to you which helps offset your share of the cost of premiums for coverage under the group health plan. The Employer offers this program to you just so you can take advantage of these tax and cost savings benefits.

Once you make your election for a Plan Year, you cannot change or revoke it until the beginning of the next Plan Year unless you have had a change in family status, a significant increase in the cost of coverage under the group health plan, or a significant decrease in the coverage's available under the group health plan. You may change your election with respect to the Pre-Tax Premium Payment Program in the event of such a significant change in the cost or coverage's under the group health plan only if you certify, in writing, to the Plan Administrator that you will be receiving similar coverage under another health plan. You must make this certification within a reasonable time after the cost or coverage change becomes effective.

If you believe you are being denied rights or benefits under the group health plan, you should follow the claims procedures provided by the group health plan, rather than the claims procedures set forth in this Plan.

1. submission to such conduct is made, either explicitly or implicitly, a term or condition of a person's employment or educational development;
2. submission to, or rejection of, such conduct by an individual is used as the basis for employment or education decisions affecting such individual or
3. such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile or offensive environment.

Examples of sexual harassment-type conduct may include, but are not limited to, unwanted sexual advances; demands for sexual favors in exchange for favorable treatment or continued employment; repeated sexual jokes, flirtations, advances or propositions; verbal abuse of a sexual nature; graphic verbal commentary relating to an individual's body, sexual prowess or sexual deficiencies; coerced sexual activities; any unwanted physical contact; sexually suggestive or obscene comments or gestures; or displays in the work place of sexually suggestive or obscene objects or pictures. The Grievance Officer: The Superintendent appoints sexual harassment grievance officers in each building who are vested with the authority and responsibility of processing all sexual harassment complaints in accordance with the procedure set out.

All individuals should be aware that the privacy of the charging party and privacy of the person accused of sexual harassment is protected to the extent possible, Individuals may be disciplined for engaging in sexual harassment but there will be no retaliation against anyone involved in a sexual harassment matter.

1. As soon as possible, contact your building principal or supervisor. The principal or supervisor will arrange a private interview with you. The principal or supervisor will assist you in putting your complaint in writing, if you wish. There will be no discrimination or retaliation against any employee for his or her part in the presentation of a complaint.
2. If you make a verbal complaint to your principal or supervisor, the principal or supervisor will promptly assist you in reaching a satisfactory and reasonable resolution to your complaint. Where the principal or supervisor is the person against whom the complaint is made, the employee shall proceed under this policy directly to the superintendent. If the principal or supervisor determines there is sufficient evidence to support your complaint, then he shall contact the superintendent and recommend appropriate disciplinary action. The charging party will also be asked for a recommendation. If the principal or supervisor determines there is not sufficient evidence to support your complaint then the principal will attempt to answer any questions you may have including discussion of possible alternative remedies other than disciplinary action. If you are not satisfied with the answer of the principal or supervisor, then you may request a meeting with the superintendent. The superintendent will give you a final answer within seven (7) working days after discussing the problem with you.
4. The superintendent will keep the board informed of any complaint of sexual harassment brought to his/her attention. It is understood that because the board is the employer which must make all final decision on employment matters, reports will be made in such a manner so as to not to interfere with the board's objective decision in employment termination cases.

Professional Development Credit for Calamity Days
2022-2023 School Year**

The following agreement shall serve as a memorandum of understanding between the SEA and the Shawnee Local Schools.

This agreement will remain in effect for the period beginning the first teacher contracted work day and ending the last teacher work day. It may be modified by mutual agreement.

The parties agree that after the district reaches five (5) calamity days, the agreed upon staff professional development may be used to make up for any day beyond the five (5) calamity days granted by the negotiated agreement.

The agreed upon program (OTIS) may be used to log hours of professional development which will be self-directed. Every verification of five (5) hours documented in OTIS will be equivalent to one (1) make up day. Staff members are responsible for documenting their credentials and CEU's.

This may be submitted for any additional work days at the end of the calendar year. This program will allow staff to earn CEU credit at no cost to the staff member. The approved OTIS program is accredited by the State of Ohio. Any staff member who chooses not to make up hours will be required to make up the contractual time at the end of the calendar year.

The required hours of attendance for students will supersede this agreement.

The parties agree the terms of this MOU are not intended to create a case precedent or form the basis of a past practice between or among the parties.

This MOU shall automatically expire at the completion of the 2022-2023 school year.

This constitutes the entire agreement between the Board and the Association regarding the issues outlined herein. There are no other written or verbal agreements, understandings or arrangements between the Parties regarding the issues outlined herein.
