* For the duration of this Agreement, the Board may not increase the number of exempt records control clerks (currently 3) who are assigned outside of the central office.

3. Recognition of Board and Superintendent

The Association recognizes the Board as the elected representative of the people of the Black River School District and as the employer of the employees of the Black River School District in the bargaining unit.

The Superintendent is recognized as the chief executive officer of the Board. Throughout this agreement, reference to the "Board" and/or "Superintendent" will include the designee of each.

4. New Jobs

a. If the Board establishes a new job classification, which is related to the work performed by members of the Association's bargaining unit, such job classification shall be included in the Association's bargaining unit. Should there be any question concerning placement of the new position or classification in the bargaining unit, or its possible exclusion, the Association and the Board shall meet to discuss such.

b. If a substantial change is made in the job content or workload of one of the classifications covered by this Agreement, the following procedures shall apply: should the Association contend that such change is substantial enough to affect the wage rate of that classification, it shall inform the Employer in writing of such a contention within twenty (20) working days from the notification to the employee of such change. The Employer and the Association shall meet within fifteen (15) working days to discuss this contention and to negotiate same.

c. The Board retains the right to unilaterally implement its proposed wage rate for any new or altered job classification as set forth above while the bargaining process continues. Any new wage rates established by agreement between the Association and the Board shall be retroactive to the date upon which the job content or workload was first changed.

ARTICLE II
NEGOTIATIONS PROCEDURE

A. STATEMENT OF PRINCIPLES

1. It is recognized that sole authority to resolve any matter which may be a subject of negotiation is reposed in the Board. The function of the procedures established by this Article is to assure good faith negotiation.

2. "Good faith" negotiation, as provided for in this Article, includes, but not by way of limitation, reasonable position on issues; an indicated willingness to reach an agreement thereon; sound considerations of fiscal, professional or administrative judgment in setting forth, evaluating or declining to agree to proposals; a search for counterproposals; and refraining from unexplained changes in position and from raising new and additional

issues calculated to avoid the reaching of an agreement; but does not compel either party to agree to a proposal or require the making of a concession. Representatives of the Board and the Association shall participate in negotiations freely without fear of penalty, sanction, reprisal, or recrimination. No penalty or sanction, nor threat nor implication thereof, shall attach to negotiation participation or to failure to reach agreement in the course of negotiations.

3. For purposes of this Article, "days" shall mean calendar days.

B. SUBJECTS OF NEGOTIATIONS

Representatives of the Board and the Association will negotiate in good faith with respect to wages, hours or terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of the Agreement.

C. REQUEST TO OPEN

If either party desires to negotiate items which are proper subjects of negotiation, it shall notify the other party in writing, not sooner than one hundred and twenty (120) days nor later than sixty (60) days prior to the expiration date of the Agreement. Notification in writing from the Association shall be addressed to the Superintendent, and from the Board shall be addressed to the Association spokesperson. The first meeting shall be held thirty (30) days following notification, unless the parties agree otherwise.

1. Submission of Issues

At the first meeting, each party will submit only the initial proposals they wish to negotiate. The items shall be fully written proposals suitable for inclusion in the final Agreement and thereafter additional items shall not be submitted by either party unless consented thereto by the other party. Topical listing of items proposed for negotiation ("laundry lists") shall constitute failure of compliance with this requirement and may be disregarded.

2. Negotiation Procedures

- a. Designated representative(s) of the Board shall meet at mutually agreed upon places and times with representative(s) of the Association for the purpose of negotiation. Except by mutual agreement, meetings shall be held at a time other than the regular school day.
- b. Negotiation meetings shall be closed to the press and public.
- c. Unless the parties agree otherwise, the Board and the Association shall be represented at all negotiations meetings by teams designed as follows:
 - (1) The Board team will have no more than eight (8) members.
 - (2) The Association team will have no more than eight (8) members.
- d. Either party may recess for caucuses during negotiations.

- e. Where unforeseen circumstances make it impossible for the chief negotiator of either team to be in attendance, or cause him/her to be late, it shall be the duty of that team to notify the other as promptly as possible and both parties shall thereupon agree to the time for the next negotiation session.

3. Progress Reports

Periodic progress reports may be issued during negotiations to the public prior to the time period set forth in Article II (E) only if such release has the prior approval of both parties.

4. Assistance and Study Committees

- a. Upon mutual agreement of the parties, professional or lay consultants and/or other individuals with expertise or specific knowledge may be invited to address an issue or issues under consideration at negotiations. The expense of securing the attendance of such individuals shall be borne by the party requesting same. Such individuals may be questioned during negotiating sessions by either party.
- b. The parties may appoint joint committees, ad hoc or standing, to study and develop recommendations on matters under consideration. Committee findings shall be reported to both parties within the time limit specified by the parties when the parties set up the committee.

5. Information

The parties agree to furnish, upon written request and in a reasonable time, available information concerning the financial status of the District and other available information that will assist the parties in the development and evaluation of proposals. Neither party is required to furnish information made privileged by law. Access to available information in such forms as it may exist constitutes compliance with this provision. Neither party is obligated to develop data or information not in existence or to re-work, re-draft, summarize, compute, or otherwise develop data or information in other than its existing form.

D. AGREEMENT

Tentative agreement on negotiated items shall be reduced to writing and initialed by the representatives of each party, which constitutes tentative agreement and is not subject to further negotiations unless the final tentative agreement is refused by the Association or Board at the time of ratification. Final agreement reached through negotiations shall be reduced to writing and submitted to the Association and the Board for approval. Unless the parties agree otherwise, the Association shall take action on the tentative agreement within fifteen (15) days and the Board shall act upon the tentative agreement within fifteen (15) days following approval by the Association. When approved by both parties, the agreement shall be signed on behalf of the parties.

E. DISAGREEMENT

If agreement is not reached within forty-five (45) days after the first meeting in Article II (C) above is held, either party may request the assistance of a mediator. Within five (5) days of the request either party may contact the Federal Mediation and Conciliation Service to appoint a mediator. Mediation shall continue until a settlement is reached or the expiration of the Agreement, whichever is sooner, and if the parties mutually agree it may continue thereafter. The cost of mediation, if any, shall be equally shared by the Association and the Board. The recommendation of the mediator shall not be binding upon the parties.

F. EXCLUSIVITY OF PROCEDURE

The negotiations procedure set forth in this Article supersedes and takes precedence over any inconsistent time limits or procedure set forth in Section 4117.14 of the Ohio Revised Code. Mediation, as set forth in Article II (E) constitutes the parties' mutually agreed upon exclusive dispute settlement procedure and shall operate in lieu of any and all of the settlement procedures set forth in Section 4117.14 of the Ohio Revised Code. In the event mediation does not result in an agreement by the expiration date of this Agreement (or such subsequent date as the parties may mutually agree upon), Section 4117.14 (D) (2) of the Ohio Revised Code will apply.

ARTICLE III
EMPLOYEE RIGHTS

A. EMPLOYMENT AND PROBATIONARY PERIOD

1. Newly hired employees shall serve a probationary period of one hundred twenty (120) actual days worked. During that time, the employee shall have no seniority rights and may be discharged by the Board without recourse under law or the grievance procedure. At the conclusion of the probationary period, seniority shall be computed from the beginning of the probationary period. To the extent that it conflicts with Ohio Revised Code Section 3319.081, the parties agree that this provision shall supersede and replace same.

If a probationary employee is rehired for the following school year, his/her written contract shall be limited to a two-year contract. Thereafter, the employee upon rehire for another contract period(s) shall receive a limited contract as provided in Ohio Revised Code Section 3319.081, until s/he is eligible under applicable law for a continuing contract.

2. It is acknowledged by the Association and the Board that criminal records investigations reports are required for applicants and, periodically by all current employees under state law. It is expressly agreed between the Board and the Association that the Board may discharge any employee upon receipt of a criminal records check, if the criminal records check contains a report of any of the offenses outlined in the Ohio Revised Code which prohibit by law, the Board from employing the individual. If any discharge of an employee must occur, the mandates of the contract relative to disciplinary procedure shall not be required.

B. DISCIPLINARY PROCEDURES

1. A bargaining unit member shall have the right to be represented by the Association at conferences with the Administration which the member has reason to believe could lead to discipline. A member who intends to exercise this option shall inform the Administration in advance of his/her intent to be accompanied by Association representation or any other person of his/her choice and the identity of the representative(s). It is not the intent of the parties that this provision will prohibit the removal of a member from the premises in extraordinary circumstances, provided, however, that the disciplinary hearing be held in an expedient manner.
2. The Board shall not initiate any disciplinary action for any cause arising more than six (6) months preceding the date upon which the Board acquires knowledge of the relevant surrounding circumstances.
3. A bargaining unit member shall not be disciplined without considering the facts in the case or in an arbitrary or capricious manner. The following are guidelines for progressive disciplinary action which may be considered for disciplinary actions. Depending on the nature of the offense/violation, disciplinary action may be initiated at the discretion of the Superintendent or his/her designee at any of the following levels:
 - Step 1 Verbal Warning: Verbal notification to the member.
 - Step 2 Reprimand: Written reprimand to the immediate supervisor, the personnel file, the member, and the Association President.
 - Step 3 Suspension: Disciplinary removal with loss of pay may be given. All suspensions and/or loss of pay must be given by the Superintendent, with a written copy to the immediate supervisor, the personnel file, the bargaining unit member, and the Association President.
 - Step 4 Termination of employment contract shall be by the Board.
4. Disciplinary actions beyond a written reprimand must meet commonly understood standards of just cause, including but not limited to those set forth in Ohio Revised Code Section 3319.081, and OEA/NEA representation may be available at these levels upon the request of the bargaining unit member.
5. No member will experience a loss in pay until the disciplinary meeting is held.

C. ACCESS TO PERSONNEL RECORDS

1. A bargaining unit member may request a review of his/her personnel file with the Superintendent. All items in the personnel file shall be available to the member. The member may have representation when reviewing the file contents. The Board will provide members with a reasonable amount of copies, not to exceed twenty (20) pages per year, at no cost. The member may place a written notice of rebuttal with any disputed item on the file. Bargaining unit members may dispute the accuracy of any item(s) in the file and request that the Superintendent review such item(s) for possible removal from

the file in accordance with ORC Section 1347, et. seq. The Superintendent will notify the member of the decision on the request to remove data.

2. In the event any person, other than the bargaining unit member's supervisor or other administrator, seeks to review the personnel file of a member, notification to the bargaining unit member will be made in advance of such review, if possible. Where possible, such notice shall include the name of the person making the request, the date the request was made and, if scheduled, the date and time of the review. Reasonable efforts will be made to provide the bargaining unit member the opportunity to be present at the time of the review and be accompanied by a representative of his/her choice. This clause is waived whenever a duly processed search warrant is presented.
3. Items relating to work performance and/or discipline shall be signed and dated by the appropriate administrator and the bargaining unit member, and a copy provided to the bargaining unit member prior to placement in the personnel file. No materials shall be placed in a member's personnel file which comes from any anonymous source.

D. EVALUATION PROCEDURE

1. The purpose of the evaluation process is to provide a mechanism for the assessment of a bargaining unit member's work performance and help the member achieve greater effectiveness in the performance of his or her work assignment.
2. Written evaluations of bargaining unit members will be conducted by the member's immediate supervisor utilizing the evaluation form in Appendix A.
3. The evaluator shall evaluate each bargaining unit member based on observation of his/her performance and/or work product.
4. Upon completion of a performance evaluation by the bargaining unit member's supervisor, the supervisor shall discuss the evaluation with the member. The member shall sign the evaluation to indicate receipt of a copy of the completed form. The bargaining unit member's signature merely indicates that the member has received a copy of the evaluation; it does not indicate agreement with its contents. Refusal of the member to sign the evaluation form shall constitute waiver of the member's rights to a review of the performance evaluation.
 - a. Each bargaining unit member shall receive at least one (1) evaluation per year. All member evaluations will be completed and reviewed by the immediate supervisor by March 31 for all less-than-12-month employees and by April 30 for all 12-month employees.
5. For bargaining unit members dissatisfied with the results of an evaluation, the internal review procedures shall include two (2) steps:
 - a. A review by the Superintendent or designee, if requested.
 - b. If dissatisfied following this review, the member may attach a rebuttal to the evaluation.

6. No bargaining unit member shall be responsible for the evaluation of another member.
7. In the event a bargaining unit member receives an unsatisfactory rating in any area, the evaluator shall provide the member with specific, written recommendations for improvement. The evaluator shall remain available to provide assistance to the member as he/she attempts to remediate his/her deficiencies; however, the ultimate responsibility for improvement rests with the member. A member will be given at least twenty (20) workdays following the evaluation before he/she is re-evaluated. The member also may request to be re-evaluated.
8. Members shall be entitled to Association representation at internal review procedure, (D) (5) above.
9. Only the evaluation procedures shall be grievable.

E. JOB DESCRIPTION

1. A job description shall be provided to all new employees at time of employment, and to bargaining unit members who transfer and/or are promoted to a new position at time of transfer or promotion.
2. Existing job descriptions will be reviewed by the Administration to see whether they are current and applicable to existing responsibilities. Copies of any new or revised job descriptions will be provided to the Association President prior to implementation.

F. SALARY NOTICES

1. Bargaining unit members shall annually be issued a written salary notice containing the following information:
 - a. Date of initial employment
 - b. Hourly rate of pay
 - c. Classification
 - d. Scheduled hours per day or hours per week
2. In addition, if a member is serving a probationary period, he/she shall be advised in writing of the approximate date the probationary period ends.

G. PAYROLL DEDUCTIONS

In addition to deductions required by law for local, state, and federal taxes and the State Employees Retirement System, a bargaining unit member, upon compliance with the procedure specified below, may request the following voluntary payroll deductions.

1. Tax-Sheltered Annuities
 - a. Upon submission of written authorization to the Treasurer, a bargaining unit member may authorize deductions for Section 403(b) and/or Section 457(b) tax- sheltered annuity program. The authorization must be in the hands of the Treasurer at least thirty (30) days prior to the first deduction. Such authorization may be revoked in a manner consistent with the terms of the program.

- b. The Board shall forward, by the tenth (10th) of the following month to the annuity carrier, all monies withheld from the member for the purpose of income reduction.
- c. Companies wishing to have their name added to the list must have at least six (6) employees on their programs and have to furnish all appropriate documents, license, and instruments to be sold to members. Companies must be approved by the Black River Treasurer before the annuity process can take place.
- d. The annuity company must furnish the MEA (Maximum Exclusion Allowance) documents annually for each member and/or at every change. This process must be approved by the Treasurer prior to initial or changed deductions.
- e. Members (through their annuity company), who participate in tax-sheltered annuity withholding, will indemnify and hold the Board harmless for any claims arising out of such participation.

2. Section 125 Deductions

For members participating in the District Health Insurance program, flexible spending and/or dependent care accounts through the Section 125 Plan, deductions will be made through payroll.

3. Other

- a. Upon submission of written authorization to the Treasurer, a bargaining unit member may authorize deductions for the following programs: (1) Heart and Cancer; (2) Additional group term life coverage as provided in Article VII, Section C (3); (3) Annuity; (4) OEA Fund For Children and Public Education (FCPE); (5) Black River Endowment Fund; and (6) the United Way.
- b. The authorization must be in the hands of the Treasurer at least thirty (30) days prior to the first deduction. Such authorization may be revoked in a manner consistent with the terms of the insurance program.

ARTICLE IV
LEAVES

A. SICK LEAVE

- 1. Each full-time bargaining unit member shall be entitled, for each completed month of service, to sick leave credit of one and one-fourth (1 1/4) days per month with pay which totals fifteen (15) days per year. Sick leave for a bargaining unit member employed on other than a full-time basis shall be credited and deducted at the proportionate rate set forth in his/her contract of employment. Bargaining unit members shall receive notification of accumulated sick leave to date with pay notification; however, to obtain

the accurate and up to date accumulation, bargaining unit members should contact the Treasurer's office.

2. A maximum of three hundred fifty (350) days may be accumulated.
3. A bargaining unit member who transfers from an Ohio public agency or Ohio school district shall be credited with the unused balance of his/her sick leave. The member shall be responsible for ensuring that the Treasurer receives notice from the prior employer before such credit is recorded.
4. Bargaining unit members may use sick leave upon notification to the immediate supervisor for absence due to: personal illness, illness or disability due to pregnancy*, injury, exposure to contagious disease which could be communicated to others, and for absence due to illness, or injury, in the employee's immediate family. (*Pregnancy, as such, is an allowable cause for an employee of the Board to use sick leave with the length of time after delivery to be determined by the attending doctor in a statement to the Board). The immediate family includes: father, mother, brother, sister, spouse, son, daughter, grandmother, grandfather, legal guardian, foster or stepparents, stepchildren, step grandchildren, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandson, and granddaughter of the bargaining unit member or their spouse and any person living in the home of the member. Members utilizing sick leave are expected to provide sufficient prior notice to the Board to facilitate the securing of a substitute worker. Failure to provide adequate prior notice is grounds for disciplinary action.
5. Sick leave shall be deducted in hourly increments.
6. Any violation of this procedure may be considered grounds for disciplinary action.
7. Any bargaining unit member, during a contract year, with an illness, injury, or disability who is still unable to return to work after all accumulated sick leave has been exhausted, including the five (5) advanced days, shall request to be placed on an unpaid leave of absence or submit a resignation. A member shall be granted advancement only after indebtedness of the previous advancement has been repaid. Any advancement shall be deducted from future accumulations. If for any reason a member is terminated or resigns prior to the completion of a full contract year and has used more than the amount of sick leave earned, any excess over the minimum of five (5) days provided by Ohio Revised Code Section 3319.08 shall be deducted from the member's final pay. Nothing herein shall be considered to create an expectation that unpaid leave will be granted to any member who has exhausted all sick leave and advancements nor is the Board in any way limited in taking appropriate disciplinary action, up to and including termination, for any unauthorized absence without approved leave.
8. To support maintenance of appropriate staffing levels, bargaining unit members on sick leave or reasonably expected to be on sick leave for a duration of four (4) or more days must, upon request, provide the Board with medical verification and information concerning the prospects of a return to work and will consent to a release for such purpose upon request.

9. During sick leave, the bargaining unit member cannot be gainfully employed by another employer. This would be grounds for disciplinary action.
10. A bargaining unit member will accumulate sick leave for the job/hours for which they work. In other words, he/she will accrue sick leave at the mathematical equivalent of the number of hours worked at the time sick leave was earned. So that any movement up or down in hours worked would result in a modification of the number of hours accrued.

Example:

A four (4) hour bargaining unit member, who has earned thirty (30) days of sick leave (120 hours), when transferred to an eight (8) hour position will have accumulated fifteen (15) days of sick leave (for the eight (8) hour position).

An eight (8) hour bargaining unit member, who has earned thirty (30) days of sick leave (240 hours), when transferred to a four (4) hour position will have accumulated sixty (60) days of sick leave (for the four (4) hour position).

11. The bargaining unit member is required to notify his/her immediate supervisor or designee, as soon as possible after becoming aware of the need to use sick leave. Not later than the second workday after returning to work from sick leave, the bargaining unit member shall complete, sign, and submit the Board provided absence form. Falsification or deliberate failure to complete the form shall constitute grounds for the discipline of the bargaining unit member's contract.

B. SICK LEAVE BANK

A Sick Leave Bank shall be established from voluntary donations of sick leave days from BRSSA members. All dues paying members in good standing are eligible providing they have a minimum of seven (7) accumulated sick days. Members in good standing may donate a minimum of 1 day, although there will be no limit on the maximum number of days each member donates to the Sick Leave Bank in any enrollment period.

Members will donate sick leave to the Sick Leave Bank at the mathematical equivalent of the number of hours worked at the time sick leave is donated. Likewise, when members are granted "days" from the Sick Leave Bank, the days will be deducted in hourly increments based on the number of hours the employee works.

Deadline for donating days in the 2016-2017 school year will be 30 calendar days after the signing of this MOU by both parties.

Each year thereafter, the deadline for voluntary donation to the Sick Leave Bank will be October 1st of the current school year. The Sick Leave Bank Donation form must be completed prior to intent to requesting to use any days from the Sick Leave Bank.

All forms for participation (Donation to the Bank and Application to use days from the Bank) will be provided by the association and/or treasurer's office and are attached to this MOU. All forms must be signed and turned in to the Association President either when donating days or when a member is applying to utilize the Sick Leave Bank.

1. A member may use the Sick Leave Bank if he/she has met the following criteria:
 - a. A member must have completed and turned in the Sick Leave Bank Donation form (attached to this MOU), and have previously donated a minimum of 1 day in the year they intend to apply to use the Bank, or;
 - b. members in their first or second year of employment who apply to participate will be eligible even if they have not met the requirements in A (1) or B (1) above. Further, donation of days to the Sick Leave Bank will not be required until the member's third year of employment;
 - c. the member, or a member of the member's immediate family (limited to spouse, children, or parents), must have a current or past catastrophic or long-term illness, injury, event, or accident;
 - d. the need for sick leave must be verified by written communication from the employee's doctor and approved by Board Office;
 - e. the member must have exhausted all accumulated sick days and all advanced sick days to be eligible to apply to use donated days from the Bank;
 - f. bargaining unit members whose sick leave has been depleted by intermittent use will not generally qualify for this Sick Leave Bank benefit. In situations where intermittent leave was caused by the events in this section, under subparagraph c the member must show full documentation by his/her doctor to the Board Office regarding intermittent depletion of sick days as being caused by such an event/s.
2. Procedures for the Granting of Donated Sick Days:
 - a. After approval by the Sick Leave Bank Committee the sick days shall be granted in 10 day increments up to 30 days in a school year. The applicant will receive notification on the Sick Leave Bank Approval Form (attached as APPENDIX L);
 - b. There is no limit of how many times a member can use the Sick Leave Bank as long as the member stays in good standing and complies with the rules of the Sick Leave Bank;
 - c. All unused donated days will be returned to the Sick Leave Bank;
 - d. All cases will be reviewed by and approved/denied by the Sick Leave Bank Committee.
3. Sick Leave Bank Committee:
 - a. A Sick Leave Bank Committee shall be formed to administer the benefits of the Sick Leave Bank. The Sick Leave Bank Committee will be empowered to adopt rules and regulations regarding participation in and around the operation of the Sick Leave Bank; although, decisions required to administer the Sick Leave Bank will not modify the current Agreement and are not subject to the grievance procedure described in Article XI of the Agreement between the Parties.

A. REDUCTION

If the Board decides to effect a planned reduction in the number of bargaining unit members or a reduction in hours, the reduction shall be achieved in the following manner.

B. ATTRITION

The number of bargaining unit members affected by a reduction in force will be kept to a minimum by not employing replacements, insofar as is practical, for a member who retires, resigns, or dies.

C. PROCESS FOR REDUCTION AND BUMPING RIGHTS

If it becomes necessary to reduce bargaining unit members' hours or the number of bargaining unit positions in any job classification, the Board may make the reductions by laying off members or reducing hours in the reverse order of District seniority within the affected classification.

Any bargaining unit member affected by layoff or reduction may displace the least senior member (District seniority) within their job classification in order to maintain hours of work, benefits, or wages. Any bargaining unit member affected by layoff or reduction may bump downward within their job classification or department as shown in Article I (A)(1), displacing the least senior member in the District and will assume the same benefits, hours of work or wages for the job line they fill at the experience step they were at prior to bumping. No member may improve their wages, hours, or benefits through the bumping procedure other than bus drivers. No member may cross classifications if they are affected by layoff or reduction. If none of the above bumping rights applies, the member affected shall be subject to reinstatement as provided herein. Any member reduced in his/her work group by reduction in force or job abolishment does not have to serve a probationary period in the new job line.

2. Bargaining unit members on the recall list retain rights for two (2) years from the effective date of the layoff.
3. Recall rights shall be limited to the work group (department) the bargaining unit member was laid off from and to his/her original job classification.
4. Recall will be by "seniority". (Seniority shall be defined as continuous service as a contracted employee of the District. Unpaid leaves shall not break seniority, nor shall they count toward seniority.)
5. Bargaining unit members will be notified by registered mail addressed to the address listed in the Board's payroll office when a vacancy occurs for which they are eligible for reinstatement. The member must accept the position in writing, to the Superintendent, within ten (10) days of the date of the postmark. Failure to respond in writing within the

above timeline shall be considered to be a job refusal by the member.

6. A bargaining unit member on layoff shall be first called for any substituting in his/her classification for temporary openings or to be offered a job with lesser hours. Refusal or unavailability to substitute or to accept a lesser-hour job shall not be interpreted as a decline in recall and the member shall remain on the recall list. If the member accepts a lesser-hour job or one for less pay, he/she shall remain on the recall list and is still eligible to be recalled to the job classification with the same hours and pay that he/she had before the layoff. Refusal to accept a recall by a bargaining unit member for which the member is eligible and does not result in a loss of pay and/or hours, shall sever all rights and relations between the member and the Board.
7. If a bargaining unit member on the recall list applies for an open position in another classification, he/she will be granted an interview and will be given consideration for the opening. In the event that such member is determined to be the most qualified applicant, he/she will be employed. Should qualifications of applicants be determined to be equal in the estimation of the administration, the member on the recall list will be given preference for the position.

F. SENIORITY

1. "District seniority" is defined as a bargaining unit member's continuous length of service from the member's first day of service as determined by the first day worked.
2. "Classification seniority" is defined as a bargaining unit member's continuous length of service in one of the various classifications as an employee.
3. The Superintendent or designee shall provide the Association President with an updated copy of a seniority list by December 1 of each year. This list shall include all bargaining unit members, their hire date, classification, work hours, and hourly rate. A member's work as a substitute employee prior to being a regular employee shall not be considered as the member's "hire date" or counted toward seniority.

G. CONTINUOUS SERVICE

As used in this Agreement, continuous service shall be determined from the most recent date of hire into a bargaining unit position as determined by the first day worked.

If the hired date for two (2) or more members is equal, Board appointment date shall determine the most senior member.

- a. For employees hired on or before June 30, 2019, if the District seniority of two (2) or more members is still equal, the determination of the most senior member(s) shall be determined by a flip of the coin in the presence of the affected members and the Association President.
- b. For employees hired on or after July 1, 2019, if the District seniority of two (2) or more members is still equal, the determination of the most senior member(s) shall be determined by the date the original application was received by the

Board. NOTE: Any seniority determinations made under section (a) by using a flip of a coin will not be affected by this change and those seniority determinations remain unchanged.

Continuous service will not be broken by an authorized leave of absence or employment by the Board in a position outside the bargaining unit, or as a result of a planned reduction in force from which the member was recalled.

H. REDUCTION OF HOURS

The following protections shall apply to individuals who are bargaining unit members as of July 1, 2001:

1. No bargaining unit member shall have his/her hours reduced if the reduced hours are used to create a part-time position(s). Reduction of hours, if any, shall be done by reducing the least senior member in the given classification, i.e., food service assistant, etc.
2. If the reduction of hours causes the member to be disqualified from receiving current health benefits, those benefits will be maintained as if there had been no reduction unless the member rejects the additional hours, if any, offered under paragraph 3, below.
3. If additional hours are available in another classification, the Board may offer the hours to the member(s) reduced. The rate of pay shall be no less than that of the current classification. If the additional hours assigned is in a classification with a higher rate of pay, the higher rate shall be paid for the additional hours.

I. PRECEDENCE CLAUSE

No new non-certificated employees in positions covered by this Agreement will be hired by the District to fill vacant positions if there are qualified bargaining unit members on the recall list for the classification of the vacant position, unless or until all qualified bargaining unit members in that classification on the recall list have either been recalled or have rejected reinstatement in such positions consistent with (E), "Reinstatement," above.

- J. It is the express understanding and agreement of the parties hereto that the provisions of this Article may not conflict with the requirements of Revised Code Section 3319.172, but in all other respects shall supersede and take the place of Revised Code Section 3319.172.

The arbitrator shall not have the authority to add to, subtract from, modify, change, or alter any of the provisions of the Agreement, nor add to, detract from, or modify the language therein in arriving at his/her decision concerning any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine

himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching his/her decision.

G. MISCELLANEOUS

Nothing contained in this procedure shall be construed as limiting the individual right of a bargaining unit member having a complaint or problem to discuss the matter informally with the Administration through normal channels of communication. The Association shall have the right to be present representing the Association's interest at all grievance levels, if the member chooses to represent himself/herself.

H. GRIEVANCE MEDIATION

If the grievance is not resolved at Level Two, the Association and Board may mutually agree to request that the matter be submitted to grievance mediation through the Federal Mediation and Conciliation Service (FMCS). The Association will notify FMCS and schedule the mediation within five (5) days. The grievance mediation must be held within fifteen (15) days of the Level Two decision. The parties will agree to meet during the workday for a maximum of eight (8) hours. If the parties are unsuccessful in reaching a resolution after eight (8) hours of mediation, the Association may file a demand for arbitration within ten (10) days of completion of the mediation.

I. LABOR/MANAGEMENT CONCERNS

In order to keep lines of communication open and problems to a minimum, the Superintendent and Association President will meet once every two (2) weeks [two (2) times a month] during the school year.

- I. Bargaining unit members working the second shift shall receive a twenty cent (20¢) per hour differential and members working third shift shall receive a twenty-five cent (25¢) per hour differential.

- J. SERS PICK-UP

1. The Board will implement the SERS "pick-up" utilizing the salary reduction method of contributions to the State Employees Retirement System paid on behalf of the bargaining unit members, at no cost to the Board, under the following terms and conditions:
 - a. The amount to be "picked-up" on behalf of each member shall be equal to the member's required contribution to the SERS. The member's annual compensation shall be reduced at no cost to the Board by an amount equal to the amount "picked-up" by the Board for the purpose of state and federal tax only.
 - b. The "pick-up" percentage shall apply uniformly to all members as a condition of employment.
 - c. No member covered by this provision shall have the option to elect a wage increase or other benefit in lieu of the employer pick-up.
 - d. Payment for all paid leaves, sick leave, personal leave, and severance

including unemployment and worker's compensation shall be based on the member's daily gross pay prior to reduction as basis (e.g., gross pay divided by number of hours worked).

2. Each bargaining unit member will be responsible for compliance with Internal Revenue Service salary exclusion allowance regulations with respect to the "pick-up" in combination with other tax deferred compensation plans.
3. If the foregoing "pick-up" provisions are nullified by subsequent IRS rulings, Ohio Attorney General Opinions, or other governing regulations, the Board will be held harmless, and this article of the Agreement shall be declared null and void. The Board shall then return to the former method of employer/employee retirement system contributions as soon as necessary.

K. CALAMITY PAY RATE

1. When school is closed due to a "disease epidemic," hazardous weather conditions, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use, bargaining unit members shall receive their regular rate of pay for not more than five (5) days in any one (1) year. In any contract year where more than five (5) calamity days are called, members working under a two-hundred sixty (260) day contract may be required to report to work on such calamity day(s) and will receive their regular pay for such days.
2. A bargaining unit member, other than a member working under a two-hundred sixty (260) day contract, who is required by an administrator to work on a calamity day shall be granted compensatory time off at the rate of one and one-half (1-1/2) hours for each hour worked. The time shall be taken within thirty (30) workdays of the date accrued or the member shall be paid at the rate of one and one-half (1-1/2) times his/her regular hourly rate. It will be the member's responsibility to request payment for hours worked in lieu of compensatory time off.
3. Any member who has already arrived at his/her workstation before any school closing will not receive overtime pay but will be able to leave work for the remainder of the shift.
4. Any member who is required to work a delayed schedule will be required to work their regular amount of shift hours.

L. SEVERANCE PAY

The Board establishes severance payments to bargaining unit members at retirement¹ under the following provisions:

1. To be eligible for a severance payment all of the following must be met:
 - a) A bargaining unit member must apply for retirement from the School Employees Retirement System (SERS) within one (1) year from the time employment is severed with the Board.

¹ Defined as Service Retirement as specified in Sections 3307.38 and 3309.34 of the Ohio Revised Code.

- b) SERS must approve the member's application for retirement.
 - c) The member must agree to accept the SERS retirement.
 - d) The member must have a balance of accrued and unused sick leave with the District that has not been transferred to another political subdivision after his/her employment ended with the District.
2. Under no circumstances shall any severance payment be made until the Board received official written notice that the employee accepted service retirement benefits from SERS and the member has submitted a written request for the severance payment.
 3. Payment will be calculated according to the following schedule:

One fourth (1/4) of the accumulated sick leave not to exceed eighty-seven (87) days. Example: A member with eighty-four (84) days of sick leave accumulated would be paid as follows:
 4. Eighty-four (84) multiplied by one fourth (1/4) multiplied by the member's Base Rate of Pay at the time of his/her last day of employment with the District. All sick leave credit accrued by the member that was not paid as part of the severance payment is eliminated.
 5. A severance payment shall be made only once.
 6. A member will timely direct how the severance payment shall be paid using one or both of the following options for the fully amount or for identified portions of the full amount:
 - a) To the member.
 - b) To the member's 403(b) annuity, 475(b) annuity, or both.
 7. The severance payment will be made within three (3) months of the Board receiving official written notice that the employee accepted service requirement benefits from SERS and the member has submitted a written request for the severance payment.
 8. Payment of severance shall be made to the life insurance beneficiary of a retirement qualified bargaining unit member who dies while actively employed in the District.

M. OVERTIME

1. Time and one-half shall be paid after a bargaining unit member works forty (40) hours in any workweek (Sunday through Saturday). All overtime and any hours over and above a member's regularly contracted day must receive prior approval of the Superintendent. Sick days shall be included in the forty (40) hour workweek. Vacation leave, personal leave, and calamity days shall not be included in the forty (40) hour workweek.

If no bargaining unit member within the classification is interested in working posted overtime hours in excess of two hours, the additional work hours shall then be made available to interested, qualified and eligible bargaining unit members in the District. In the event no bargaining unit member signs up for the posted overtime, the District may offer the overtime to a qualified individual on the substitute list. If no substitute accepts

the offer of overtime, those overtime hours may be assigned to a bargaining unit member in the classification on a rotation basis, beginning with the member having the least amount of District seniority, in inverse seniority order. Assignments under this section shall reset to the bottom of the seniority list once every individual on the list has been assigned the same number of overtime opportunities and on the first student day of each school year.

If a bargaining unit member assigned mandatory overtime has a personal emergency or obligation, he or she may find a volunteer to cover the mandatory overtime assignment. In this situation, the bargaining unit member covering the mandatory overtime assignment will be credited with so doing on the rotation list and the member originally assigned the overtime will be the bargaining unit member assigned the next mandatory overtime that arises.

A bargaining unit member will be notified of a mandatory overtime assignment no less than seventy-two hours before the assigned overtime. If a bargaining unit member does not report to work for a mandatory overtime assignment, the bargaining unit member will be assigned the next mandatory overtime that arises. Repeated failure to work a mandatory overtime assignment may result in disciplinary action subject to progressive discipline in Article III (B)(3).

Compensatory Time

Instead of receiving overtime pay, an employee required to perform overtime may choose to be given compensatory time at the rate of one and one-half hour per overtime hour worked. Employees may accrue compensatory time as follows:

- a. Regular 40-hour employees: up to a maximum of forty (40) hours in a school year.
- b. Other employees: up to a maximum of eight (8) hours in a school year.

A compensatory time log will be maintained for said hours as set forth in Appendix J. Compensatory time must be taken during the current school year in which it was granted. The employee must receive prior approval from the Superintendent or his/her designee before using compensatory time, which shall be provided unless the absence would impact school operations. Compensatory time accrued at the end of the school year that has not been used will be paid in accordance with the Fair Labor Standards Act.

2. If an administrator, police or an extenuating circumstance calls a bargaining unit member back to work after his/her regularly scheduled workday or scheduled overtime, for a reason beyond the control or negligence of the member, the member shall be paid a minimum of two (2) hours for actual time worked at one and one-half (1 ½) times the applicable rate of pay.

N. LICENSE/CERTIFICATE RENEWAL AND BCI/FBI CHECKS

The Board will encumber an amount equal to fifty-five dollars (\$55.00) per bargaining unit member per year to be used for the payment of any required license/certificate renewal and/or

BCI/FBI background checks. Members will be reimbursed from the balance of their individual accounts upon presentation to the Treasurer's office of evidence of payment for these items.

ARTICLE XIII
DRUG FREE WORKPLACE

- A. No employee of the District while directly engaged in the performance of work shall unlawfully manufacture, distribute, dispense, possess, or use on or in the work place any alcoholic beverage, narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substances as defined in Schedules I through V of Section 202 of the Controlled Substances Act 9 21 U.S.C. 812 and as further defined by regulation at 21 C.F.R. 1300.11 through 1300.15.
- B. As a condition of employment, each employee who is directly engaged in the performance of work shall abide by the terms of this policy.
- C. "Workplace" as used in this policy is defined as the site for the performance of work done. - D. As a condition of employment, each employee shall notify his or her supervisor of his or her conviction of a criminal drug statute for a violation occurring in the workplace as defined above. Such notification shall be provided no later than five (5) days after a conviction. This Board of Education shall, within ten (10) days after receiving such notice from an employee or otherwise receiving actual notice, notify the appropriate federal agency of such conviction. Within thirty (30) days of receiving notice of the conviction of a criminal drug statute by any employee, this Board shall either: 1) take appropriate personnel action against such employee for just cause up to and including termination; or 2) require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement or other appropriate agency.
- E. The term "conviction" means a finding of guilt (including a plea of *nolo contendere*) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.
- F. The term "criminal drug statute" means a criminal statute involving the manufacture, distribution, dispensation, use, or possession of any controlled substance.
- G. This Board shall establish a drug-free awareness program to inform employees about: 1) the dangers of drug abuse in the workplace; 2) the Board's policy of maintaining a drug-free workplace; 3) any available drug counseling, rehabilitation, and employee assistance programs; and 4) the penalties that may be imposed upon employees for drug abuse violations occurring in the work place.

APPENDIX H

FAIR SHARE FEE – Historical

This language used to appear in Article V, as Article V(G) and has been removed from Article V as the language is null and void as a matter of law based on the Supreme Court decision in Janus v. AFSCME, Council 31, 585 U.S. ___ (2018) and will not be implemented, but is preserved in this Appendix should the law change in future years.

FAIR SHARE FEE

1. The Board shall deduct from the pay of bargaining unit members who elect not to become or to remain members of the Association, a Fair Share Fee for the Association's representation of such non-members during the term of this Agreement.¹ No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association's work in the realm of collective bargaining.
2. The notice of the amount of the annual Fair Share Fee, which shall not be more than one hundred (100%) percent of the unified dues of the UEP (BRSSA, NEOEA, UniServ, OEA, NEA) dues of the Association, shall be transmitted by the Association to the Board's Treasurer by October 5 of each year during the term of this Agreement for the purpose of determining the amounts to be payroll-deducted. The Association shall also transmit to the Board's Treasurer by October 5 the names of the employees who have elected not to join the Association (those who will be paying a fair share fee). The Board's Treasurer will deduct the fair share fee from the paychecks of the employees who elect not to join the Association beginning with the first paycheck in February. The annual fair share fee amount shall be deducted in substantially equal payments for the remainder of the paychecks for that school year.
3. The Board's Treasurer shall inform the Association when there is a newly-hired employee after the school year begins within five (5) calendar days of that employee being hired. If that employee elects not to join the Association, the Association shall inform the Board's Treasurer of that within thirty (30) days of that employee's date of hire and shall also inform the Board's Treasurer as to that employee's annual fair share fee. Payroll deductions, in substantially equal amounts, shall commence on the first payday after the later of sixty (60) days of employment or the first paycheck in February.
4. The Fair Share Fee shall be the responsibility of the Association to prescribe an internal procedure to determine a rebate, if any, for nonmembers which conforms to the provisions of Section 4117.09 (C) of the Ohio Revised Code.
5. No employee is required to become a member of the Association.
6. The Association recognizes its obligation to fairly and equitably represent all employees whether or not they are members of the Association.
7. The Association agrees to indemnify and hold the Board harmless from any payments, judgments, costs, or expenses incurred as a result of the implementation and

enforcement of this provision provided that (1) the Board shall give ten (10) days written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed; and (2) the Board acted in good faith compliance with the Fair Share Fee provision of this Agreement; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies such Fair Share Fee provision herein.

- a. The Association reserves the right to designate counsel to represent and defend the Board; provided however that the Board reserves the right to employ co-counsel at its own expense.
- b. The Board agrees to (1) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding; (2) permit the Association or its affiliates to intervene as a party if it so desires; and/or (3) to not oppose the Association or its affiliates' application to file briefs *amicus curiae* in the action.

¹ This provision shall not apply to any bargaining unit members who, as of September 1, 2005, were not members of the Association and it is expressly agreed that these individuals will never be required to pay a fair share fee.

APPENDIX I

CONSENSUS STATEMENT (Substitutes)

The representatives of the Black River Support Staff Association and the Black River Board of Education discussed the process for acquiring substitutes for bargaining unit members when they are on district approved leave. The parties agreed that it is not the responsibility of any bargaining unit member to contact and secure a substitute for the day they are going to be on leave. Each bargaining unit member will be notified who they are to contact when they will need a substitute so that a substitute can be secured for their position on the date/s of the leave. At the time the notification is given the bargaining unit member may suggest preferred substitutes, but it is understood that assignment of the recommended substitutes is not guaranteed. The parties agreed to this consensus statement, the terms of which are not subject to the grievance procedure.

**CONSENSUS STATEMENT
(PARAPROFESSIONAL JOB DUTIES)**

It is acknowledged that the District is obligated to review existing job descriptions under Article III (E)(2) and commits to doing so regarding the paraprofessional job description prior to the 2022-2023 school year. Before the review of the job description takes place, the Superintendent and a second administrator appointed by the Superintendent will meet with the Association President and one paraprofessional to discuss job related expectations and duties of the paraprofessionals.
