Section 1.2 Purpose The purposes of this Agreement are:

- A. To comply with the requirements of Chapter 4117 of the Ohio Revised Code and to set forth the full and complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining unit as defined herein.
- B. To achieve and maintain a satisfactory and stabilized employer/employee relationship, to promote improved work performance, and to ensure the effectiveness of service by providing an opportunity for employees to meet with the Employer through their representatives to exchange views and opinions on policies and procedures as provided for in this Agreement;
- C. To attract and retain qualified employees by providing those benefits compatible with the financial resources of the County and the Employer;
- D. To provide for the peaceful and equitable adjustment of differences which may arise;
- E. To set forth the entire agreement between the parties governing wages, hours and other terms and conditions of employment; and
- F. To ensure the right of every employee to fair and impartial treatment.

Section 1.3 Legal References Unless otherwise indicated, the terms used in this Agreement shall be interpreted in accordance with the provisions of Chapter 4117 of the Revised Code. Where this Agreement makes no specification about a matter, the Employer, employees and the Union are subject to all applicable federal, state or local laws pertaining to the wages, hours, terms and conditions of employment for public employees. However, said laws are not incorporated into this Agreement.

Should any part of this Agreement be held invalid by operation of law or by any tribunal of competent jurisdiction, or should compliance with or enforcement of any part of this Agreement be restrained by any such tribunal pending a final determination as to its validity or affect, the remaining portions thereof or the application of such portions to persons or circumstances other than those to whom or to which it has been held invalid or has been restrained shall remain in force. In the event of invalidation of any portion of this Agreement and upon written request by either party, the parties to this Agreement shall meet within a reasonable time (not to exceed thirty (30) days) in an attempt to modify the invalidated provisions through negotiations.

Section 1.4 Sanctity of Agreement Unless otherwise specifically provided in this Agreement, no changes in this Agreement shall be made unless there is written accord by and between the parties hereto to do so. Any negotiated changes, to be effective and incorporated in this Agreement, must be in writing and signed by the parties.

Section 1.5 Emergency Waiver In cases of emergency declared by the President of The United States, the Governor of the State of Ohio, the Allen County Sheriff, the federal or state legislature, where such as acts of God affect the safety and health of the citizens of Allen County, the following conditions of this Agreement shall automatically be suspended:

- A. Time limits for management's or the union's replies on grievances;
- B. All work rules and/or agreements and practices relating to the assignment of all employees.

Upon the termination of the emergency, should valid grievances exist, they shall be processed, and shall proceed from the point in the grievance procedure to which they (the grievance[s]) had properly progressed.

Section 1.6 Entire Agreement The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any matter or subject referred to, or covered in this Agreement. With respect to any matter or subject not referred to or covered by this Agreement, the provisions of applicable law shall prevail.

Section 1.7 Civil Service Exclusion Except as expressly otherwise provided in this Agreement or specifically excepted from the scope of collective bargaining by the provisions of Revised Code Chapter 4117, civil service laws contained in Revised Code Chapter 124 Sections 124.01 through 124.56 shall not apply to employees in the bargaining unit. It is expressly understood that the Ohio Department of Administrative Services and the State Personnel Board of Review shall have no authority or jurisdiction as it relates to employees in the bargaining unit.

ARTICLE 2 UNION RECOGNITION

Section 2.1 Recognition The Employer recognizes the Union as sole and exclusive representative for the purpose of negotiating wages, hours, terms and conditions of employment for those employees of the Employer in the bargaining unit(s). Section 2.3 New Positions In the event of a change of duties of a position within the bargaining unit, or in the event that a new position is created within the department, the Employer shall determine whether the new or changed position will be included in or excluded from the bargaining unit and shall so advise the Union in writing within five (5) calendar days. If the Union disputes the Employer's determination of bargaining unit status, the parties will meet to attempt to resolve their disagreement within seven (7) calendar days from the Union's notification to the Employer. If the parties agree on the determination, it shall be implemented as agreed by the Employer and the Union. If the parties do not agree, the position(s) shall be subject to challenge by the Union to the State Employment Relations Board (SERB), pursuant to Chapter 4117 of the Ohio Revised Code and the SERB Rules and Regulations.

Section 2.4 Representation The Union recognizes that an inherent responsibility exists as sole and exclusive agent to represent all bargaining unit personnel, regardless of an employees' status as a member or non-member of the Union.

ARTICLE 8 GRIEVANCE PROCEDURE

Section 8.1 Grievance Defined, Jurisdiction The term “grievance” shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation, or improper application of this Agreement. Is not intended that the grievance procedure be used to effect changes in the articles of this Agreement or those matters which are controlled by the provisions of applicable laws. A probationary bargaining unit employee may appeal a non-disciplinary non-removal grievance to Steps 1-3 of the grievance procedure. No non-disciplinary grievances by probationary period employees will be appealed to arbitration without the express consent of the Union.

A grievance may be brought by an employee covered by this Agreement. Where a group of employees desire to file a grievance involving an incident affecting several employees in the same or similar manner, the Union or one employee selected by the group may process the grievance. Such a grievance shall be designated as a “Class Action” grievance. The names of each known employee, on behalf of which the grievance is filed, shall be provided at the first hearing.

Grievances involving lost pay discipline (reduction, suspension without pay, or discharge) shall be initiated at Step 3 of the grievance procedure. Grievances involving discipline that does not involve loss of pay (reprimands, etc.) May be appealed to Step 3 but shall not be subject to arbitration. Probationary removals or reductions may not be grieved or arbitrated.

Section 8.2 **Withdrawal of Grievances, Extensions** All grievances must be presented at the proper step and time in progression, in order to be considered at the next step. The aggrieved may withdraw a grievance at any point by submitting, in writing, a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal. Any grievance not answered by the Employer's representatives within the stipulated time limits may be advanced by the employee to the next step in the grievance procedure.

Time limits set forth herein may only be extended by mutual written agreement.

Section 8.3 **Written Grievances** All written grievances must contain the following information to be considered:

- A. Aggrieved employee's name and signature;
- B. Date grievance was first discussed;
- C. Date grievance was filed in writing;
- D. Name of supervisor with whom grievance was discussed;
- E. Date and time grievance occurred;
- F. Where grievance occurred;
- G. Description of incident giving rise to the grievance;
- H. Articles and Sections of the Agreement violated; and
- I. Desired remedy to resolve grievance.

Section 8.4 **Grievance Steps, Time Limits** A grievance must be submitted to the grievance procedure within ten (10) calendar days after an employee knows or should have known the facts giving rise to the grievance, otherwise it will be considered not to have existed. In no case will a grievance be considered which is submitted later than thirty (30) calendar days following the date of the facts.

The following are the implementation steps and procedures for handling grievances:

Step 1. Immediate Supervisor Within the time limit stated above, the employee shall submit the employee's written grievance to the employee's immediate supervisor. It shall be the responsibility of the supervisor to investigate the matter and to provide a written response to the employee within five (5) calendar days following the day on which the grievance was submitted to the supervisor.

Step 2. Division Commander If the grievance is not settled at Step 1, the employee shall submit the grievance to the Division Commander or the Division Commander's designee within five (5) calendar days of receipt of the Step 1 response. The Division Commander or the Division Commander's designee shall investigate the matter and provide a written response to the employee within five (5) calendar days following the date on which the grievance was submitted to the Division Commander.

Step 3. Sheriff If the grievance is not resolved at Step 2, the employee shall submit the grievance to the Sheriff or the Sheriff's designee within five (5) calendar days of receipt of the Step 2 response. The Sheriff or the Sheriff's designee shall meet the employee, and a designated representative of the Union if the employee desires, within seven (7) calendar days of submission of the grievance at Step 3 to discuss the grievance. The Sheriff or the Sheriff's designee shall provide a written answer to the employee within five (5) calendar days of the meeting.

Step 4. Arbitration A grievance unresolved at Step 3 may be submitted to arbitration upon notification by the Union in accordance with Section 8.5 of this Article.

Section 8.5 Procedures In Arbitration The Union, based upon the facts presented, has the right to decide whether to arbitrate a grievance. Within twenty-one (21) calendar days from the date of the final answer at Step 3, the Union shall notify the Employer of its intent to seek arbitration over the unresolved issue. The Union may withdraw its request to arbitrate at any time prior to the actual hearing. Any cancellation fee due to the arbitration shall be paid by the party (or parties) canceling the arbitration. Any grievance not submitted within the twenty-one (21) calendar day period described above shall be deemed settled on the basis of the last answer given by the Employer's representative(s).

- A. The representative of the parties shall attempt to agree on an arbitrator. Should the representatives fail to agree on an arbitrator, the arbitrator shall be selected in the following manner: The Federal Mediation and Conciliation Service shall be jointly requested to submit a panel list of seven (7) arbitrators from the FMCS. The parties shall alternately strike the names of the arbitrators until only one name remains. Either party may once reject the list and request from FMCS another list of seven (7) arbitrators until a mutually agreeable arbitrator is selected. The parties may at any time mutually agree to an alternate arbitration service or method of selection of an arbitrator. The arbitrator shall limit the arbitrator's decisions strictly to the interpretation, application, or enforcement of specific articles in this Agreement. The Arbitrator may not modify or amend the terms of this Agreement.
- B. The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.
- C. Arbitration proceedings shall be conducted under the voluntary labor arbitration rules of the Federal Mediation and Conciliation Service, except as modified by the provisions of this Agreement. The Arbitrator shall conduct a fair and impartial hearing concerning the grievance, hearing, and recorded testimony from both parties. The Arbitrator shall hear only one grievance at a time unless both parties agree to consolidate two (2) or more grievances. After a dispute on which the Arbitrator is empowered to rule hereunder has been referred to the Arbitrator, such dispute may be withdrawn by either party.
- D. The decision of the arbitrator in all matters shall be final and binding. The arbitrator shall be requested to issue the arbitrator's decision within thirty (30) days after the conclusion of testimony and argument.

E. The costs of the services of the arbitrator, the costs of any proofs produced at the direction of the arbitrator, the fee of the arbitrator, if any, or the hearing room, shall be borne equally by the Employer and the Union. The expenses of any non-employee witness shall be borne, if any, by the party calling them. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter, or request a copy of any transcripts. Any bargaining unit member whose attendance is required for such hearing shall not lose pay or benefits to the extent such hearing hours are during normally scheduled working hours on the day of the hearing.

Section 8.6 Self-Representation When an employee covered by this Agreement chooses to represent him or herself in the presentation of a grievance, no adjustment of the grievance will be inconsistent with the terms of this Agreement. Prior to the adjustment of any such grievance, the appropriate Union steward will be notified of the Union steward's right to be present at the adjustment.

Section 8.7 Time For Grievance Representatives A grievant and the grievant's grievance representative shall be allowed time off from regular duties for attendance at meetings scheduled under the grievance procedure, with prior approval of the respective supervisor, without loss of pay or benefits. Grievance representatives may be allowed time off their regular shift, as approved by the Sheriff or the Sheriff's designee, to conduct an investigation of a grievance where it might be deemed necessary. Requests for time off to investigate must be made prior to initiating investigation.

Section 8.8 Representatives in Meetings In the interest of resolving grievances at the earliest possible step of the grievance procedure, it may be beneficial that other representatives not specifically designated be in attendance. Therefore, it is intended that either party may bring in additional representatives to any meeting in the grievance procedure providing said person(s) have input that may be beneficial in attempting to bring resolution to the grievance.

Section 8.9 Access to Documents/Material All documents and other materials on which the Employer relies as the basis for action taken that gave rise to the grievance shall, upon written request, be furnished to the Union. The Union will reciprocate in kind with any materials or documents upon which it relies as the basis for its position on the grievance.

Section 8.10 Grievance Form The Union shall use a grievance form which shall provide the information outlined in Section 8.3. The Union shall have the responsibility for the duplication, distribution, and their own accounting of the grievance forms.

ARTICLE 9 PERSONNEL FILES

Section 9.1 Inspection of Files, Copies Each employee may inspect the employee's personnel file maintained by the Employer at any reasonable time, and shall, upon request, receive a copy of any documents contained therein. The Employer may levy a charge for such copying, which shall bear a reasonable relationship to the actual cost of copying. An employee shall be entitled to have a representative of the employee's choice accompany the employee during such

review. The employee shall receive a copy of the performance evaluation in its final form after the employee signs it.

Section 9.2 Right To Respond If an unfavorable statement or notation is in the file, the employee shall be given the right to place a statement of rebuttal or explanation in the employee's file. If the Sheriff concurs with the employee's contentions, the Sheriff shall place a correcting document in the file. If the Sheriff disagrees with the employee's contention, the Sheriff shall attach the employee's memorandum to the document in the file and note thereon the Sheriff's disagreement with the memorandum's contents. An employee's signature on a document shall mean the employee has seen the document and not that the employee agrees with its content unless it is so stated on the document. No anonymous material of any type shall be included in the employee's personnel file.

Section 9.3 Removal of Discipline Records Records of oral warnings and written warnings shall cease to have force and effect one (1) year from the date of issuance, provided no intervening discipline has occurred. Any record of discipline of any kind shall cease to have force and effect two (2) years from the date of issuance, and shall not be used in future discipline provided no intervening discipline has occurred. In any case in which a disciplinary action of record is rescinded, the employee's personnel file shall clearly reflect such action. Upon request of the member, outdated records shall be removed from the member's personnel file and stored in a separate area to await disposition by the proper method as provided for in the Ohio Revised Code. In the event an employee denies that a standard of conduct expected has been established any prior discipline demonstrating the violation by the employee may be used to establish that the employee had been put on notice.

ARTICLE 10 WORK RULES - GENERAL ORDERS

Section 10.1 Uniformity The Employer agrees that all work rules and general orders shall be applied uniformly within the group or groups of employees to whom such work rules/general orders are directed. Each employee shall be provided, required to read and sign an acknowledgement of receipt of all work rules and general orders of the Employer.

Section 10.2 Modification to Work Rules Any additions or amendments to the work rules or general orders shall be reduced to writing, posted on department bulletin boards (including the Union bulletin board), and signed by all employees to acknowledge awareness of the addition or amendment within ten (10) calendar days of the posting. An employee on leave of absence, sick leave or vacation shall be required to sign the acknowledgment within three (3) working days upon return to work. This Section does not limit the right of the Employer to implement a work rule prior to the conclusion of the acknowledgment period.

Section 10.3 Health and Safety The Employer agrees to maintain in safe condition all facilities, vehicles, and equipment furnished by the county to carry out the duties of each bargaining unit position, but reserves the right to determine what those facilities, vehicles, and equipment shall be. The employees agree to work cooperatively in maintaining safety in the Allen County Sheriff's Department. Employees are responsible for reporting any unsafe conditions or

practices, or avoiding negligence, and for properly using and caring for facilities, vehicles, supplies, and equipment provided by the Employer.

Section 10.4 Restroom Facilities The Employer shall provide employees restroom facilities separate from those used by inmates during the time that the employees are assigned to duty in or around the jail or communications area.

ARTICLE 11 DISCIPLINE

Section 11.1 Internal Review

- A. At any time an inquiry concerning an employee occurs when the Employer believes that disciplinary action of record (reprimand of record, suspension, reduction, or removal) may result, the employee will be notified when the employee is first questioned, that such result is possible.
- B. Before an employee may be charged with insubordination or like offense for refusing to answer questions or participate in an investigation, the employee shall be advised that such conduct, if continued, may be the basis for such a charge. If an employee desires, the employee shall be given a reasonable opportunity to consult with a union representative before being required to answer questions. During all questioning the employee may, upon request, be accompanied by an available union representative.
- C. Any interrogation, questioning, or interviewing of an employee will be conducted at hours reasonably related to the employee's shift, preferably during, or immediately prior to or after the employee's working hours, unless the situation dictates otherwise. Interrogation sessions shall be for reasonable periods of time, and time shall be allowed during such questioning for rest periods and attendance to other physical necessities.
- D. When an anonymous complaint is made against an employee, the Sheriff or designee may investigate, and if there is no corroborative evidence, the complaint shall be classified as unfounded and no action will be taken.
- E. Any employee who has been under investigation shall be informed, in writing, of the outcome of the case at the conclusion of the investigation. All investigations, except those concerning criminal investigations, shall be completed within reasonable time after probable cause has been established that a formal investigation shall commence. The bargaining unit employee will be notified upon completion of investigation.
- F. The Employer may request to use a polygraph machine or any other mechanical or electrical means to investigate the truth of statements made by members. No member shall be required to submit to such tests and no disciplinary action shall be taken against members who refuse to permit any such tests.

Section 11.2 Discipline The tenure of every bargaining unit employee of the Allen County Sheriff's Department shall be during good behavior and efficient service. The Employer may take disciplinary action against any employee in the bargaining unit only for just cause. Except in instances wherein the employee is charged with serious misconduct, discipline will be applied in a progressive and uniform manner. Progressive discipline shall take into account the nature of the violation, the employee's record of discipline and the employee's record of performance and conduct. Disciplinary penalties shall be appropriate to the severity of the offense, and as such the

forms of discipline listed below do not necessarily represent a systematic order to be followed in all instances. Forms of progressive disciplinary action, but not necessarily the order of discipline, are as follows:

- A. Counseling forms
- B. Written reprimand
- C. Suspension without pay
- D. Reduction in pay and position
- E. Discharge from employment
- F. Other mutually agreed discipline

Anytime the Employer or any of the Employer's representatives has reason to discipline any employee, it shall be done in a manner that will not embarrass the employee before the other employees or the public.

No public disclosure except as may be required by law may be initiated by the Sheriff of any disciplinary action taken or proposed against any employee unless and until criminal charges have also been filed, and if no criminal charges are filed then until the employee is formally disciplined.

Section 11.3 Predisciplinary Conference - Procedure Whenever the Employer or its designee determines that an employee may be disciplined for cause (including only suspensions, reductions or termination), the Employer or its designee will notify the employee that the employee is entitled to a pre-disciplinary conference in accordance with federal law. The employee may waive the conference, if the employee so desires, in writing.

Pre-disciplinary conferences will be conducted by a supervisor who will be selected by the Employer. The supervisor shall be outside the employee's direct chain of command.

Not less than twenty-four (24) hours prior to the scheduled starting time of the conference, the Employer will provide to the employee a written outline of the charges which may be the basis for disciplinary action. A twenty-four (24) hour (or as otherwise mutually agreed) extension may be granted at the Union's request.

At the pre-disciplinary conference, the supervisor will ask the employee or the employee's representative to respond to the allegations of misconduct which were outlined to the employee. Failure to respond truthfully may result in further disciplinary action.

At the pre-disciplinary conference, the employee may present any testimony, witnesses, or documents which explain whether or not the alleged conduct occurred. The employee shall provide a list of witnesses to the supervisor as far in advance as possible, but no later than one (1) hour prior to the pre-disciplinary conference. It is the employee's responsibility to notify witnesses that their attendance is desired.

The employee or the employee's representative will be permitted to confront and cross examine witnesses. A written report will be prepared by the supervisor concluding as to whether or not the alleged conduct occurred. The Employer will decide what discipline, if any, is appropriate.

A copy of the supervisor's report will be provided to the employee within five (5) days following its preparation.

Copies of any written disciplinary actions shall be given to the employee at the time of the action.

In lieu of suspension without pay of ten (10) days or less, an employee may request to forfeit accrued leave (except sick leave) on an hour for hour basis. At the Sheriff's discretion should the parties agree to a forfeiture of such leave, it shall constitute corrective action of record. Such forfeiture shall be noted in the employee's personnel file and shall constitute the final resolution of the Employer's charges.

ARTICLE 12 SENIORITY

Section 12.1 Seniority Seniority is the right of an employee to exercise options established by the terms and conditions of this Agreement that specifically reference seniority.

Section 12.2 Computation of Seniority "Classification seniority" shall be computed on the basis of the employee's length of service within a classification. "Total seniority" shall be computed on the basis of uninterrupted length of continuous service with the Employer. Employees with the same hire date shall use the last four (4) digits of their social security number as a tie breaker, the highest number being first, etc. Any break in service of employment lasting more than thirty (30) days shall constitute a break in continuous full-time service. Once continuous service is broken, the employee loses all previously accumulated seniority. An approved leave of absence does not constitute a break in continuous service, provided the employee follows the proper procedure for such leave and returns to active service immediately following the expiration of the approved leave.

Section 12.3 Posting Seniority lists by total seniority and by classification seniority shall be posted in the Sheriff's Office in mutually agreed locations. The seniority lists shall be updated semi-annually with copies provided to the Union. However, seniority lists will be provided more frequently upon request.

Section 12.4 Lists, Challenges Seniority lists shall illustrate the name of the employee and the employee's last date of hire with the Allen County Sheriff's Office. Any employee shall have the right to challenge any information on the seniority list within ten (10) days after the list is posted. When an employee is transferred to another classification, the employee will keep their current I.D. number and classification seniority shall be on the basis of the employee's length of service in that classification. I.D. numbers are for administrative purposes only and shall not affect the seniority of any employee.

ARTICLE 13 LAYOFF AND RECALL

Section 13.1 Reasons For Layoff The Employer may lay off employees in the bargaining unit for reasons of lack of work, lack of funds, or job abolishment. The Employer shall have the burden of establishing the need for a layoff. It is understood and agreed that no provisions of civil service law or rules shall apply to layoffs and that this is the exclusive procedure for layoff of employees covered by this Agreement.

Section 13.2 Notification The Employer shall notify and meet with the Union no less than fourteen (14) calendar days prior to any impending abolishment or layoff of personnel to discuss alternatives and/or establish the displacement order. The layoff list and displacement order shall be posted on Department bulletin boards ten (10) calendar days prior to the effective date of the abolishment or layoff.

Section 13.3 Layoff When it becomes necessary to reduce the number of employees in the employ of the Employer, such reduction shall be initially by classification in accordance with each employee's classification seniority within the Sheriff's Office.

The order of layoff shall be as follows:

1. Temporary, part-time, seasonal or intermittent;
2. Employees serving an initial probationary period;
3. Full-time employees who have completed their probationary periods.

Employees may not displace others in reverse of this order regardless of classification.

Section 13.4 Displacement An employee who is laid off from a classification may displace another employee in an equally well paid or lower classification provided the employee has more total seniority with the Sheriff's Office.

Section 13.5 Recall Recalls after layoff shall be in inverse order of layoff by classification from which the employee was laid off. Laid off employees shall maintain recall rights for a period of two (2) years. Any employee who refuses a recall to a position shall be removed from the recall list.

Section 13.6 Recall Notice Notice of recall shall be sent to the employee by certified mail with a copy to the Union. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, and return receipt requested, to the last mailing address provided by the employee. It is the responsibility of the employee to provide the Employer with a written notice of any change of address and/or telephone number during the employee's period of layoff.

Section 13.7 Reporting An employee recalled from a layoff shall have fourteen (14) calendar days following the receipt or attempted delivery of the recall notice in which to report for duty, unless a later date for returning to work is otherwise specified in the notice. The time limits provided in this section may be extended by the Employer if circumstances beyond the control of the employee prevented timely response by the employee to the recall notice.

ARTICLE 14 PROBATIONARY PERIODS

Section 14.1 Length of Probationary Period All employees shall serve a probationary period of one year. Probationary time shall be all paid time status except for sick leave or unpaid leaves in excess of forty (40) hours. New hire removals and employees returned to former classifications during their probationary period shall not be subject to the grievance procedure.

Section 14.2 Promotions Full-time employees who are promoted to a position in the Sheriff's Office which carries a higher pay range than that previously held shall serve a promotional probationary period. A promoted employee whose performance is unsatisfactory shall be returned to a position in their former classification/rank.

Section 14.3 Rates of Pay An employee promoted by the Employer shall receive, beginning the first full pay period following the date of promotion, the appropriate rate of pay assigned to the position. Any promoted employee reduced to a former classification/rank shall receive the rate they would have received if they would not have been promoted.

ARTICLE 15 FILLING OF POSITIONS

Section 15.1 Definitions The term "promotion," for the purpose of this Agreement, shall mean the act of placing an individual in a position within the bargaining unit which carries a higher pay range than that previously held. This section shall not apply to entry level positions.

Section 15.2 Postings/Eligibility When the Employer determines to fill a vacant position within the bargaining unit, such vacancy shall be posted on the Office bulletin boards for a period of not less than seven (7) calendar days. The posting shall include the title of the position, the duties and responsibilities, and the minimum qualification required including appointment status. Only employees sworn and appointed under O.R.C. 311.04 may bid on sworn positions.

It is understood and agreed that the Sheriff has the authority to define or establish the qualifications for the positions and classifications in the Sheriff's Office.

Job postings shall identify the standards and qualifications for the classification. Postings shall indicate the criteria for the position and available study materials. The criteria for selection shall include, but not be limited to, knowledge required for the position, demonstrated ability to supervise and team build, demonstrated ability to achieve goals, and other relevant selection criteria for the classification.

Selection factors may include prior law enforcement experience with the Allen County Sheriff's Office or other law enforcement agency. Prior experience in law enforcement with the Allen County Sheriff's Office may be a factor, but not the sole factor, for selection.

The Employer shall select the best-qualified candidate from the qualified applicants. The candidate selected may be a non-employee of the Sheriff's Office. In the event two or more candidates are equally qualified, the candidate who is an employee of the Sheriff's Office shall be selected.

Section 15.3 Applicants Employees interested in applying for the posted position shall submit an application to the Employer within the posting period. The Employer shall not be obligated to consider any applications submitted after the posting period or received from applicants who do not meet the minimum qualifications for the job. Employees may submit a bid on behalf of other employees in their absence.

All timely filed applications shall be reviewed by the Employer considering the following criteria: seniority, qualifications, education, experience, work record, previous job experience, disciplinary record. The position shall be awarded to the individual who best meets the criteria outlined above. If two (2) or more employee applicants have equal qualifications, the position shall be awarded to the applicant with the greatest seniority. The Employer or its designee shall interview all qualified applicants.

Employees shall be responsible for submitting information and documentation of training, experience, and education supporting their application for a vacancy. Such documentation and information may be submitted to the employee's personnel file as the information is gathered. Employees shall be responsible for identifying the experience, training, education, and other relevant information they wish to have considered.

Section 15.4 Methods The Employer shall determine the method for testing or review of applicants for vacant positions. The Employer shall determine the methods for examinations which shall be used to select candidates for promotional positions subject to this Article.

Section 15.5 Temporary Appointments Nothing in this Article shall be construed to limit or prevent the Employer from temporarily filling a vacant position pending the Employer's determination to fill the vacancy on a permanent basis. Such temporary appointments shall not exceed one hundred eighty (180) days.

Section 15.6 Promotions To Sergeant or Corporal The classification of Sergeant and Corporal are non-bargaining unit classifications. However, vacancies in the Sergeant and Corporal classifications shall be posted pursuant to Section 15.2, and filled by bargaining unit personnel. Non-selection to a Sergeant or Corporal position shall not be subject to the grievance procedure.

Section 15.7 Advance Step Placement When filling a position the Employer may, at the Employer's discretion, place the employee in an advance step at the date of hire, but not above Step D, provided the employee has an equivalent amount of experience as a law enforcement officer from another jurisdiction.

ARTICLE 16 LABOR/MANAGEMENT MEETINGS

Section 16.1 Meetings In the interest of sound labor/management relations, unless mutually agreed otherwise, once each quarter on a mutually agreeable day and time, the Employer or the Employer's designee shall meet with not more than seven (7) representatives of the Union to discuss pending problems and to promote a more harmonious labor/management relationship. Union representatives attending labor/management meetings shall not, if the meetings are held during their normal duty hours, suffer any loss of pay for the time spent in such meetings.

Section 16.2 Notification The party requesting the meeting shall furnish an agenda at least five (5) working days in advance of the scheduled meetings with a list of the matters to be taken up in the meeting. The names of those Union representatives who will be attending shall be submitted in advance. The purpose of such meeting shall be to:

- A. Discuss the administration of this Agreement;
- B. Notify the Union of changes made by the Employer which affect bargaining unit members of the Union;
- C. Discuss grievances which have been processed beyond the final step of the grievance procedure when such discussions affect bargaining unit members of the Union;
- D. Disseminate general information of interest to the parties;
- E. Discuss ways to increase productivity and improve efficiency;
- F. Consider and discuss health and safety matters relating to employees;
- G. Provide an opportunity to the Union to share the views of its membership and/or make suggestions on subjects of interest to its membership.

Section 16.3 Additional Meetings It is further agreed that if special labor/management meetings have been requested, and mutually agreed upon, they shall be convened as soon as feasible.

ARTICLE 17 HOURS OF WORK AND OVERTIME

Section 17.1 Work Period The standard work period for all Deputies and Corrections Officers covered under this agreement shall be one hundred sixty (160) hours in a twenty-eight (28) consecutive calendar day period. The Sheriff may make changes to the regularly established work schedule only after first providing twenty-eight (28) calendar days' advance notice to the Union. Upon receipt of notice of a change to the regularly established work schedule, the Union may request in writing to meet and discuss with the Sheriff the change to the regular schedule.

The standard work period for all Dispatchers covered under this agreement shall be forty (40) hours during a seven (7) consecutive calendar day period. The Sheriff may make changes to the established work schedule for employees covered by this Agreement only after first providing twenty-eight (28) calendar days' advance notice to the Union. Upon receipt of notice of a change to the regularly established work schedule, the Union may request in writing to meet and discuss with the Sheriff the change to the regular schedule.

Section 17.2 Overtime, Compensatory Time All hours worked in excess of an employee's scheduled work day or activity period shall be compensated at one and one-half (1 ½) times their normal rate of pay or, at the employee's option, subject to the limitations below, be credited with compensatory time at the time and one half (1 ½) rate. A compensatory time balance may not exceed eighty (80) hours. Employees will be paid for any overtime which would cause the compensatory bank to exceed eighty (80) hours, budget permitting. The Employer reserves the right to schedule employees off, on compensatory time at a time and date mutually agreeable to the employee and the Employer, provided that the Employer scheduled compensatory time does not reduce an employee's balance below thirty-two (32) hours, unless a lesser balance is mutually agreed to. Compensatory time may be taken, with approval, in one (1) hour increments. Employee requests for compensatory time shall be approved or denied within twenty-four (24) hours of being submitted to their supervisor. However, employee compensatory time off requests approved may

be canceled and rescheduled by the Employer due to circumstances not known at the time the employee's request was approved.

All compensated time, except sick leave, shall be counted as active pay status for the purpose of calculating overtime.

Employee selection of paid overtime is subject to the following limitations:

- A. When the overtime budget of the Sheriff's Office is low or expended the Employer may require that overtime be compensated in compensatory time.
- B. Special team assignments are exempt from choice unless the Sheriff permits paid overtime for special team assignments or tasks.
- C. The Employer may reduce, to the allowed balance of thirty two (32) hours of compensatory time, by "cashing" out the compensatory time at the employee's current rate.
- D. Employees who refuse or fail to schedule compensatory time hours and who are approaching the ceiling may have those hours scheduled in order to avoid exceeding the limits, but the Employer shall not schedule the employee so that the employee's balance would go below 32 hours. Before employees are scheduled for compensatory time off, they will be given seven (7) day notice and have an opportunity to choose dates for compensatory time based on adequate staffing needs.

Section 17.3 Exchange of Shifts Where an employee requests to work a day off in exchange for a day to be scheduled off, the employee's pay status shall not be affected. When employees exchange shifts with the approval of the Employer (or designees), the pay status of neither employee is affected, except that an employee who works an exchange and is required to work overtime shall receive the overtime.

Section 17.4 Call-In When an employee is called in to work at a time disconnected to the employee's scheduled shift, or called in for court appearances on off-duty time disconnected to a scheduled shift, or previously scheduled/approved vacation day or previously scheduled/approved compensatory time off, the employee shall be compensated at the rate of two (2) hours at time and one-half (1 ½), to be credited as three (3) hours compensatory time, or the actual time at time and one-half (1 ½), whichever is greater. Any employee called to rectify the employee's own error shall be credited with actual time worked and not with the minimum premium herein stated.

Section 17.5 Pay Out An employee who quits or retires will be paid for all compensatory time to the employee's credit at the employee's rate of pay at the time of leaving. The spouse, beneficiary, or executor of the estate, whichever is applicable, shall receive any payment due in the event of the death of an employee.

Section 17.6 Stand-By Any employee who, while on stand-by status, is required to remain on the Employer's premises, or at the employee's home or other specific location to await a call when needed, is considered as being unable to use the time effectively for the employee's own purposes, and shall be considered to be working during the entire time the employee is on stand-by.

Section 17.7 Pyramiding Prohibited Compensation shall not be paid more than once for the same hours under any provisions of this Agreement. Unauthorized leave, periods of suspension, absence without leave and other unpaid leaves shall be deducted from the hours worked during the

bi-weekly pay period in which such absences occur, and are not to be considered in paying overtime.

Section 17.8 Method of Filling Overtime

1. Absences with less than 24 hours' notice will be filled by holding-over employees from the previous shift and calling-in employees working the shift immediately after.
2. Absences with more than 24 hours' notice will be filled by the Shift Supervisor. The Shift Supervisor will first call the employees in the appropriate classification who work that shift on their days off and offer the overtime to the employees by seniority. If all employees decline the overtime opportunity, employees will be held-over from the previous shift and employees working the shift immediately after will be called-in.

Section 17.9 Daylight Saving and Standard Time Changes Employees working over the Sunday in the Spring when Daylight Savings Time begins shall be compensated for seven (7) hours of work and will be permitted to use one hour of vacation, comp time, personal time or flex time for that pay period. Employees working over the Sunday in the Fall when Daylight Savings Time ends and Standard Time resumes will be compensated for nine (9) hours of work with one of the hours being overtime or comp time earned.

**ARTICLE 18
SHIFT PREFERENCE**

Section 18.1 Non-probationary, full-time employees shall have the opportunity to select a regular shift preference on the basis of classification seniority each October 1 for the following calendar year. Shift preference shall not be unreasonably denied.

Section 18.2 Shift preference selection shall be limited to the normal designated shifts and shall not apply to special assignments. The Employer reserves the right to assign/reassign employees serving in specialized assignments to a designated shift.

Section 18.3 In the case of employees who initiate a change in work schedule causing a conflict in scheduled time off, then the employees who initiated the change will be required to adjust their scheduled time off to meet the schedule within their new shift. In the case of employees who are forced to change shifts, then the least senior employees must adjust their time off.

**ARTICLE 19
WAGES**

Section 19.1 Wage Rates The wage rates are attached hereto as Appendix A.

The following is the step progression for employees:

Step A is starting rate of pay.

Step B is earned after twelve (12) months of continuous service

The step increases shall be 3%, 3%, 3% greater than the previous step.

Section 19.2 Officer-in-Charge Any employee appointed by the Employer as Officer-In-Charge (OIC) to act in the place of a supervisor for two (2) or more hours of a shift shall receive an additional four dollars (\$4.00) per shift so assigned or six dollars (\$6.00) for an entire shift. Employees may refuse an OIC assignment.

Section 19.3 Canine Corps Patrol Officers who are members of the Canine Corps shall receive three (3) hours of compensatory time per week for at home care and maintenance of their assigned working dogs. Alternatively, the Employer may modify the schedule of canine officers so that the health care and maintenance time would be part of the officer's normal, straight time schedule by reducing the weekly work schedule by three (3) hours with pay.

Section 19.4 Longevity In addition to the hourly rate of pay, employees shall receive longevity supplements. The hourly longevity supplement shall be determined by multiplying their base pay by .0025 then multiply this figure by years of service. The longevity supplement shall be paid starting at the fifth (5th) year and shall increase by .0025 up to year 30.

The following formula is used to determine longevity rates:

$$\text{Base pay} \times .0025 \times \text{years of service}$$

The longevity supplements shall be effective as of January 1, 2008. Longevity pay will go into effect on the first day of the second pay period of each year. These amounts are the total to be received and are not cumulative.

ARTICLE 20 INSURANCES

Section 20.1 Health Insurance The Board of County Commissioners shall make available to bargaining unit employees general insurance and hospitalization plans, including supplemental benefits, on the same basis as provided to all non-bargaining unit employees in the Sheriff's Office, including those covered by other bargaining agreements, and other employees paid under the County General Fund and who are eligible for the County Insurance Plan.

Section 20.2 Selection of Coverage Employees electing supplemental benefits (e.g., prescription drug, etc.) may only elect the category which corresponds to their health care category (i.e., single, two party or family). The term family shall include spouses.

Section 20.3 Premium Sharing Employees electing coverage shall continue to pay the same premium contribution as of the expiration of the prior collective bargaining agreement (October 31, 2007) which is the same as other County general fund non-bargaining unit employees, and the

Employer shall pay the balance. However, in the event other County general fund non-bargaining unit employees are required to pay greater insurance premium contributions, bargaining unit employees shall pay the increased premium contributions not to exceed twenty percent (20%) of the established premium for the category selected. For purposes of administering this Section, the in-category premium is the COBRA rate established by the third party administrator or actuary. Employees are responsible for paying their portion of the co-payment on premium through payroll deduction. Employees electing not to accept coverage must sign a waiver.

Section 20.4 Life Insurance The Employer agrees to provide, at its expense, term life insurance in the amount of \$30,000 for each employee.

Section 20.5 Indemnification The Employer agrees to indemnify and defend any employee from action arising out of the lawful performance of the employee's official and/or assigned duties.

Section 20.6 Modification To Coverage The determination of carriers and/or method of providing insurance rests with the Board of County Commissioners. Any change in carriers, coverage, or methods of providing insurance which would affect the bargaining unit in any way shall be discussed with the Union prior to implementation. The Employer may periodically change the plan coverage, including deductibles, co-payments, etc., but will do so after discussion with the Union. Reasonable adjustment of deductibles, co-pays, etc., shall not be considered as a reduction of benefits.

Section 20.7 Administrative Issues Employees who do not have sufficient compensation in any given pay period to cover their premium contribution shall be discontinued from coverage unless the employee makes a direct payment to the Employer of their share of the health insurance premium.

Employees on an approved unpaid leave of absence may continue their insurance coverage for up to three (3) months by making direct payments to the Employer for the entire insurance premiums (subject to the FMLA of 1993). Such payments must be made by the 15th of the month prior to the month for which coverage is desired.

Any re-enrollment or reinstatement of an employee to the insurance plan shall be subject to the re-enrollment provisions.

Section 20.8 Insurance Committee The Union may appoint one (1) member from each of the bargaining units to the insurance committee for the insurance plan that provides coverage for the members of the bargaining unit when and if the Board of County Commissioners reinstates an Insurance Committee.

Section 20.9 Insurance Opt-out Any employee who is covered under the County's health insurance on 12/31/07 or has been covered under the County's health insurance for the past two (2) years uninterrupted, and who has insurance available to them through their spouse or other family member, may elect to "opt-out" of the County sponsored health insurance effective 7/1/2017 for the duration of the contract term through 12/31/2019. In lieu of the employee taking the county sponsored health insurance, the Employer shall pay \$500.00 on the first pay in July for the calendar year 2017 and then \$1,000 per year to the employee, in two (2) installments; \$500.00 the first pay period in January and \$500.00 the first pay period of July for calendar years 2017 and

2018. This section is subject to change based on Federal law and any provisions of the PPACA which may conflict or are required by Law.

If the employee must sign up for the County's health insurance for some unforeseen reason, any prepaid stipend for that calendar year will be pro-rated by the Allen County Commissioner's Office and repaid to the Employer by the employee through payroll deduction.

Any new employees or employees new to the County's health insurance policy must carry the County's health insurance policy for a period of two (2) years uninterrupted before being considered for this "opt-out" benefit.

ARTICLE 21 VACATION

Section 21.2 Schedule The Employer shall post a vacation calendar in each unit (e.g., Patrol, Corrections Detective, Dispatch, etc.) on November 1 of each calendar year. Prior to November 30 of each calendar year, employees shall request/sign-up for the dates they prefer to use their accumulated vacation for the upcoming year. During the month of November, employees may schedule not less than forty (40) hours and not more than eighty (80) hours of vacation leave. Vacation requests must be submitted on the appropriate unit calendar. Blocks of forty (40) hours vacation requests granted pursuant to this Section shall not be subject to cancellation without mutual agreement of the Employer and the employee, subject to the following limitations and exceptions:

- A. Vacation requests in forty (40) hour blocks shall be given first preference. In the event vacation requests of employees overlap, the employee with the most classification seniority shall have their request approved, subject to the operational needs of the agency. An employee may request no more than two (2) weeks' vacation for the calendar year prior to the November 30 closing date. After November 30, an employee may request to schedule the employee's remaining accrued vacation.

- B. Vacation requests for any dates designated on the calendar by the Employer as “Not Available for Vacation” shall not be honored.
- C. Vacation requests made after November 30 for less than one (1) full workweek, or less than forty (40) hours, shall be awarded based upon the order in which the requests are made, (excluding weeks which include holidays) are honored solely on the basis of order of application.
- D. Vacations are scheduled and approved in accordance with the workload requirements of the Employer. Vacation requests will be approved or denied within seventy-two (72) hours of the request.

Section 21.3 General Generally, vacation leave shall be taken by an employee between the year in which it was accrued and the next anniversary date of employment. Employees may carry over accumulated vacation leave for up to three (3) years beyond the date of accrual. Days specified as holidays in Article 21 of this Agreement shall not be charged to an employee’s vacation leave.

Upon submission of the request with evidence, any vacation charged to the employee for the duration of the illness shall be restored to the employee’s credit.

Section 21.6 Cancellation Reimbursement Once the regularly scheduled vacation has been approved by the Employer (or the Employer’s designee), cancellation of vacation days off by the same shall be based only on unforeseen emergency needs. In the event an approved vacation is canceled by the Employer, the employee shall be reimbursed by the Employer for the employee’s loss of unrecoverable monetary deposits for reservations or travel tickets. The employee shall be required to present documentation supporting such a claim.

However, non-continuous operations employees may reschedule up to five (5) holidays at the discretion of the Sheriff.

ARTICLE 23 SICK LEAVE

Section 23.1 Accrual For each completed eighty (80) hour pay period in active pay status, an employee earns 4.6 hours of sick leave. Employees absent on sick leave shall be paid at their regular rate.

Section 23.2 Uses Sick leave may be granted to an employee upon approval of the employer for the following reasons:
