CAMBRIDGE CITY SCHOOL DISTRICT BOARD OF EDUCATION AND
CAMBRIDGE EDUCATION ASSOCIATION, OEA/NEA LOCAL

ARTICLE 1 – RECOGNITION AND NEGOTIATIONS

A. Recognition

The Cambridge City School District Board of Education, hereinafter referred to as "the Board," recognizes the Cambridge Education Association, OEA/NEA Local, as the sole and exclusive representative of a bargaining unit consisting of teachers of the district. For purposes of these negotiations, the term "bargaining unit members" shall mean all full-time and regular part-time certificated teaching employees of the Board. "Certificate" includes a certificate or license issued pursuant to Ohio Revised Code §3319.22. Excluded from the bargaining unit are the Superintendent, Assistant Superintendent, Business Manager, Principals, Assistant Principals, Title I Coordinator/Testing Supervisor, tutors, Athletic Director, substitutes, psychologists, social workers, and any other confidential supervisory or management-level employees as defined in Section §4117.01 of the Ohio Revised Code.

- B. Recognition of the Association as the exclusive representative of members of the bargaining unit shall be for the term of this written contract without challenge as provided for in Sections §§4117.04(A) and 4117.05(B) of the Ohio Revised Code.

C. Subcontracting of Bargaining Unit Work

The parties agree that subcontracting of bargaining unit work to agencies outside of the Cambridge City School district will be covered under the following format:

1. All current bargaining unit positions in effect during the 1993-94 school year will remain as a part of the Cambridge Education Association bargaining unit in the Cambridge City Schools and will not be transferred to other county education agencies, outside consortiums, or social agencies. This does not require that the Board always provide these services. However, should the Board discontinue these services, they will do so in accordance with the provisions of the Master Agreement.
2. The Cambridge Board of Education may continue the past practice relating to special education services. When the number of students is less than the number required by law to establish a special education unit, the Board may work cooperatively with other County Boards of Education and consortium school agencies to provide the necessary special education services.
3. The following positions already in operation shall continue to be subcontracted or provided in the same manner as is currently practiced:
 - a. Drug Abuse Resistance Education program
 - b. Gang Resistance Education Abuse Training program
 - c. Drug and alcohol services
 - d. Intervention/athletic position at Cambridge High School
 - e. Gifted/Technology Coordinator
 - f. Attendance Officer
 - g. Pre-school handicapped positions
 - h. Alternative School

- i. Volunteers doing tutoring and teacher-directed work only
- j. Adult Education

D. Negotiations

1. Pursuant to Sections §§4117.14(C) and 4117.14(E) of the Ohio Revised Code, the parties have established the following mutually agreed upon negotiations and dispute resolution procedures which supersede the procedures listed in Section §4117.14(C)(2)-(6) and any other procedures to the contrary.
2. If either party wishes to terminate, modify, or negotiate a successor agreement, it must serve written notice of that intention upon the other party not less than sixty (60) days nor greater than one hundred forty (140) days prior to the expiration of this Agreement. Upon timely service of such notice, the parties shall collectively bargain in good faith in an effort to reach a successor agreement. At the first bargaining session, the Association and the Board shall submit their complete proposals for a successor agreement. Neither party may submit additional issues for collective bargaining after submitting its initial proposal.
3. If the parties have not reached agreement on all items subject to bargaining thirty (30) days before the expiration of this Agreement, they shall request the appointment of a mediator from the State Employment Relations Board or the Federal Mediation and Conciliation Service. The mediator shall schedule meetings with representatives of either or both parties in an effort to resolve the disputed issues. At the expiration of this Agreement or any agreed upon extension, the Association may exercise its rights as provided in Ohio Rev. Code §4117.14(D)(2). This mediation procedure is the parties' mutually agreed upon dispute resolution procedure and supersedes the procedures listed in Ohio Rev. Code §4117.14(C)(2)-(6).
4. When and if a successor agreement is reached by the representatives of the parties, it shall be submitted to the Association for ratification and then to the Board for approval.
5. The scope of bargaining shall be wages, hours and terms and other conditions of employment and the continuation, modification or deletion of an existing provision of this Agreement.

E. Negotiation Ground Rules

1. All negotiation meetings shall be private as provided by Section 4117 of the ORC, subject to paragraph 6, and closed to the public and media, and no news releases or statements disclosing specific proposals shall be given to the public or media.
2. Within a reasonable time, not to exceed thirty (30) calendar days, each party will provide the other, upon written request, with information in that party's or its affiliate's possession that is relevant for negotiations. Requests shall be coordinated through the respective spokespersons.
3. As negotiation items receive tentative agreement, they shall be reduced to writing and initialed by the spokesperson of each party.
4. When a tentative agreement is reached on all issues, each party's representative shall respectively urge and recommend the adoption of such tentative agreement which shall be

reduced to writing and submitted to the Association membership and to the Board of Education for approval.

5. In the event that the Board receives a public records request for negotiation materials, the Board shall immediately provide the Association president with written notice and, if applicable, a copy of the request.
6. Once the parties have reached mediation, either party may release statements with or without the consent of the other party. Such statements may include reference to proposals and counterproposals, which are currently items at mediation.

7. Failure at any step of these procedures to communicate the decision on a grievance within the specified time limits shall automatically entitle the grievant to proceed to the next level.
8. Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend, but not during the school day, unless the parties otherwise agree. All notices of hearings, dispositions of grievances, and appeals shall be made in writing and hand delivered or mailed.
9. In the event there is a grievance which involves a group of bargaining unit members in one school, it may be submitted as a group grievance.

Within five (5) days after receipt of the Level I form, the immediate supervisor shall meet with the grievant. The immediate supervisor shall write a disposition of the grievance by completing the Level I form and returning the copy to the grievant, the Association and the Superintendent within five (5) days after such meeting.

Level II

If the grievant is not satisfied with the written disposition at Level I, the grievant may, through the Association, appeal the grievance to the Superintendent within five (5) days after receipt of the Level I written disposition by submitting a Level II form to the Superintendent. Within five (5) days after the receipt of the Level II form, the Superintendent shall meet with the grievant. 2. Within ten (10) days after this written demand for arbitration, a designated representative respectively of the Board and the Association shall select an arbitrator from AAA by use of the alternate strike method, with a coin toss deciding who will strike first.
3. Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the rules and regulations of the AAA.

The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination.
6. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, as well as the related cost of the American Arbitration Association services, shall be borne equally by both parties. Such charges shall not be divided by the arbitrator between the parties in any manner or under any circumstances without prior approval of both parties. The expenses of witnesses and other representatives shall be borne by the party they represent. A stenographic record of the arbitration proceeding will be made upon request. Each party shall pay for its own copy of such record, and the parties shall share equally the cost of the arbitrator's copy.

F. Miscellaneous

1. Nothing contained in this procedure shall be construed as limiting the individual right of an employee having a complaint or problem to discuss the matter informally with members of the administration through normal channels of command.

2. In the event the Association determines, at any level of the grievance procedure, that a grievance should not be carried further, the grievant may continue the procedure but shall be liable for any expense incurred thereafter in such proceeding.

7. Consistent with Rule 3307-6-01 of the Ohio Administrative Code, the Board will pay a stipend to the Association officers according to the CEA Constitution and Bylaws. The Association shall certify the stipend amounts to the Board's Treasurer, which can in no event

exceed the maximum allowed by Rule 3307-6-01. The Association shall promptly and fully reimburse the Board for the total cost of stipends, including any applicable retirement costs within 30 days. This provision shall be effective July 1, 2017.

 - 3. A bargaining unit member shall be entitled to a copy of any material in his or her file at his or her expense.
 - 4. A reprimand is a written warning or written reprimand that is to be placed in a bargaining unit member's personnel file. A written reprimand shall be given to the bargaining unit member before a copy of it is placed in his or her personnel file. If the bargaining unit member submits a written statement to be attached to the reprimand, the appropriate administrator shall review the statement and then attach it to the copy of the reprimand in the file. No reprimand shall be issued without just cause.
 - 5. Anonymous materials shall not be placed in a bargaining unit member's file.
- D. All documents relevant to the bargaining unit member's employment with the Board may be maintained in the bargaining unit member's personnel file, including but not limited to transcripts of college work, copies of certification by the Ohio Department of Education, copies of observations and evaluation reports, copies of general conference reports, anecdotal records, records of assigned duties, supplemental duties, years of service in the district, in-service training data, prior employment verification, selective service records and military records, salary information, written reprimands, letters of merit or award, and medical records.

If and when a bargaining unit member and the Superintendent or his/her designee agree that there is adequate evidence that certain material in said bargaining unit member's official file is irrelevant, inappropriate or false, such material shall be removed from the file or corrected. In any case, if a bargaining unit member feels that the file contains information that is inaccurate, irrelevant, outdated or incomplete, such bargaining unit member shall have the right to attach a written statement to the disputed information.

The Board shall pay replacement costs of any official college transcript that is lost from personnel files. If the Superintendent or Board issues a letter of merit or award to a bargaining unit member, a copy of the letter shall be placed in the personnel file of the bargaining unit member.

Upon a member's written request, any written warnings, reprimands, or complaints shall be removed from a bargaining unit member's personnel file and removed on the third anniversary of the date on which the material was placed in the file provided that no other warning, reprimand, or complaint is placed in the bargaining unit member's personnel file in the intervening time. Written warnings and reprimands concerning sexual harassment or undue use of physical force or violence (including improper use of corporal punishment) shall be destroyed only if the Superintendent expressly consents to the destruction.

ARTICLE 5 – WORKING CONDITIONS

A. School Calendar

A calendar committee, composed of four (4) teachers appointed by the president of the Association and four (4) representatives appointed by the Superintendent, which will include Board representation, shall meet between November 1 and 11 to develop a calendar by February 1. Any calendar recommended at the conclusion of these meetings shall be presented to the Board by the Superintendent at the regular March meeting for consideration. The committee will try to take into consideration the educational continuity factor (as many five-day weeks as possible).

Teachers do not have to make up the first ten (10) teacher workdays when school is closed due to weather or other calamity. The Superintendent, in consultation with the Association President, may determine whether teacher make up days beyond those first ten (10) are used for student instruction or other purposes.

The Board shall either accept, reject or modify the committee's recommended calendar.

B. School Day, School Year, Notice of Meetings

1. The regular bargaining unit member work year shall consist of 182 workdays. Neither the length of the school day, nor bargaining unit member workday, nor the length of the school year, nor bargaining unit member work year, will be increased or diminished during the term of this contract without agreement by the parties.
2. The teachers' day at school is from twenty (20) minutes before the students' start time and at least ten (10) minutes after the students' dismissal time to permit conferences with students, parents, etc., and proportionate share of assigned duties.
3. Each teacher shall have a daily, continuous planning period of at least one class period at the middle and high schools and at least 40 minutes at the primary and intermediate school levels.

4. Bargaining unit members shall be given written notice at least two (2) workdays in advance of building faculty meetings and district curriculum meetings at which attendance is required, except in emergencies or other extraordinary circumstances. In addition to regular building faculty meetings, no more than two (2) meetings, including but not limited to, BLT, other committees, teams, and/or department meetings per month shall be scheduled. Meetings shall be no longer than one (1) hour in length.
5. Kindergarten teachers shall be paid at the in-service substitution rate per hour for additional work outside of their regular workday for the kindergarten screening, as requested by the administration and if accepted by the teacher.
6. Members shall be encouraged to attend the high school graduation. Upon such attendance, members shall have the option of working one-half (1/2) day on the last workday of the year.

C. Lunch Period

Each bargaining unit member shall be entitled to thirty (30) minutes of continuous duty-free lunch period.

D. Special Education

1. All current federal and state laws and regulations will be adhered to in the provision of service to students with disabilities.
2. The parties mutually recognize that federal and Ohio law requires that students with disabilities be evaluated and treated on an individualized basis. The parties further recognize that the impact on a teacher's workload, if any, where a special education student is included with nonspecial education students depends on a variety of factors that must be evaluated case by case. Among such factors are the severity of the student's disability and the number of disabilities; the prognosis with respect to each disability and whether it is likely to be transient or ongoing; the types of materials and equipment present to vary instructional options; the nature, number, and degree of any special services with respect to the student that may be required; the size of the class to which the student is admitted, whether and to what extent a paraprofessional is present to assist in serving the needs of the student; and the available resources of the district at the time.

Reasonable efforts will be made for the initial IEP meeting and subsequent IEP meetings for a pupil, to include all bargaining unit members who are impacted or who are expected to be impacted in the next year by services for the pupil. If a bargaining unit member who is to be impacted by an IEP is unable to attend the IEP meeting, he/she will be provided a copy of the rough IEP draft upon request.

A special education committee shall be established meeting at least twice a year to discuss and resolve outstanding special education issues. The Association President shall appoint up to four (4) members to the committee. The Superintendent shall appoint up to four (4) members to the committee.

3. No teacher will be required to perform a specific medical or other support service (such as but not limited to changing diapers) required by a special education student.

4. The district shall annually enable bargaining unit members whose duties are impacted by a special needs student(s) to participate in at least two (2) paid days of training and/or staff development programs. At the option of the bargaining unit member, these days may coincide with or be in addition to the staff development opportunities provided by the district to bargaining unit members.
5. The need for a modification to the teacher/pupil ratio set forth by State standards may be present when special needs student(s) are placed into classes with nonspecial education students. The IEP team shall consider the need for trained support personnel in the classroom.
6. Two (2) days of paid release time shall be approved for each intervention specialist for the purpose of writing IEPs.

E. Discipline

1. The principal and bargaining unit member have a shared responsibility for all discipline taking place within the schools. Discipline procedures will be consistently and uniformly applied in all buildings.
2. Information about individual students who may pose a danger in the school setting or who are psychologically fragile or who have special medical conditions will be available to staff members. The Association and the Board recognize that such information is confidential and privileged information, and it will be treated as such.
3. The Association and Board recognize that providing for the best educational opportunity for every student may require the removal of a disruptive student from the regular student population.
4. The District and Association will develop a clear plan for the protection of staff and students for students who exhibit such behavior that it interrupts the learning environment.

F. Inservice Substitution

Bargaining unit members who are asked by administrators to cover classes and who lose the use of their planning/conference time shall be paid at the rate of \$20.00 per period. This shall also apply to classroom bargaining unit members in elementary school who must lose the use of their planning time when elementary special bargaining unit members (art, music, physical education, library, computer, SELF and any similarly scheduled positions) are absent. Bargaining unit members who cover classes will be expected to teach an appropriate lesson.

When there is a shortage of substitutes, administrators shall make plans to cover subs with a rotating schedule of available staff, when possible.

G. Pupil Transportation

No bargaining unit member shall be required to transport students at any time for curricular or extracurricular activities. If a bargaining unit member drives a Board-owned vehicle to transport students, the district's liability policy will cover the individual. A bargaining unit member's continued employment under regular or supplemental contract shall not be adversely affected if the member chooses not to transport students as part of his/her chosen responsibilities. If a

bargaining unit member, as part of his/her chosen responsibilities, drives a district van for the purpose of transporting students to and from school activities, he/she is expected to follow federal regulations regarding random drug and alcohol testing for Commercial Driver's License holders. Those bargaining unit members who choose to transport students in Board-owned vehicles shall be subject to the same random federal drug testing program as present district employees who have a Commercial Driver's License.

H. Professional Dress

1. The Board of Education and the Association believe that bargaining unit members shall present a professional appearance in the performance of their contractual duties. Therefore, all bargaining unit members while on duty shall:
 - a. be physically clean, neat, and well-groomed;
 - b. dress in a manner reflecting their professional assignment.
2. The above shall be equitably enforced and no bargaining unit member will be subject to discipline except as indicated below:
 - a. First and second offense -- verbal warning
 - b. Third and subsequent offenses -- written warning.

I. Class Size

1. No more students will be initially assigned to science and industrial arts labs than the number of lab stations. The administration will attempt in good faith to maintain this limit after initial assignments.
2. The administration will attempt to assign part-time aides in elementary classrooms with more than twenty-six (26) students.

J. Mentor Program

1. There shall be a lead mentor who shall be paid \$1,500 in the form of a stipend per school year to be paid with the supplemental payment in June.
2. The mentors shall be paid at a rate of \$750 per school year per novice teacher and granted up to one day release time per mentor for the first (1st) and second (2nd) years of mentoring. A novice teacher is defined as one who has not taught during the last five years.
3. If a question arises whether a bargaining unit member qualifies for the mentor program, the lead mentor and Superintendent will determine whether the new bargaining unit member shall be mentored.

K. Local Professional Development Committee

1. Purpose

A Local Professional Development Committee (LPDC) shall be established to oversee and review individual professional development plans for course work, continuing education units, and/or other equivalent activities.

2. Composition of the Committee

There shall be three (3) Association members and two (2) members from the administration. The Executive Committee of the Association shall appoint its committee members. The Superintendent shall appoint the administration's two (2) members. Whenever an administrator's coursework plan is being discussed or voted upon, the LPDC shall, at the request of one of its administrative members, cause a majority of the committee to consist of administrative members by reducing the number of teacher members voting on the plan.

3. Length and Term of Office

All LPDC members will make an initial three (3) year commitment to the position. Length of terms will be staggered after that time varying from three (3) to five (5) years with consecutive terms being permitted. The term shall run July 1 through June 30.

4. Chairperson

The committee chairperson shall be determined by a majority vote of the committee.

5. Decision-Making

Decisions shall be made by majority vote of the committee members present. A quorum shall consist of four (4) committee members.

6. Training

Members of the LPDC shall be afforded the opportunity to attend training on the functioning, responsibilities, and legal requirements of the LPDC.

7. Meetings

The LPDC shall meet once per month during the school year, and also on an "as needed" basis, outside of instructional time whenever possible unless a quorum of the committee agrees otherwise.

8. Compensation

Each teacher member of the committee shall receive a stipend of \$1,500 to be paid with the supplemental payroll scheduled for June each year. This amount will be prorated based on meetings attended.

9. Committee Responsibility

The committee's responsibilities include approval of individual professional development plans for all certificated employees, as well as approval of all C.E.U.'s, coursework, and workshops that could be used for professional growth.

10. Appeals Process and Procedure

The appeals process and procedures for the LPDC shall be developed and written by the committee and distributed to all certificated staff members as an addendum to the staff handbook.

L. Collaboration Time

Elementary building schedules will show reasonable efforts to provide for collaborate planning time.

M. Labor Management Communication

Following each monthly CEA Executive Committee meeting, the Superintendent/designee will meet within five (5) working days with the Association President/designee to discuss items of concern. The Superintendent/designee and the Association President/designee shall follow-up such discussions as appropriate and shall communicate such follow-up to one another.

N. Background Checks

1. Name of bargaining unit member.
2. Name of the school district and Board of Education.

B. Regular Teaching Contracts

 - b. Continuing contracts, which shall remain in effect until the bargaining unit member retires, resigns, is laid off, or is terminated.
2. Bargaining unit members eligible for continuing contract status or who expect to be eligible for continuing contract by April 30 of a school year shall notify the Superintendent in writing of their eligibility or pending eligibility by November 1 of the school year in which they will become eligible. Each continuing contract for eligible staff shall be considered annually by June 1 of each year.
3. Limited contracts shall expire on June 30 of the last school year in the term of the contract. However, a limited contract shall automatically be deemed renewed for one school year unless the Board of Education on or before June 1 of the school year in which the limited contract is to expire:
 - a. Adopts a resolution in public session of its intention not to renew the employment of that bargaining unit member; and
 - b. Mails a written notice of the nonrenewal by certified mail, return receipt requested, to the bargaining unit member at the address appearing for that bargaining unit member on the treasurer's records. It is the responsibility of each bargaining unit member to keep a current address on file with the treasurer and to make any necessary changes therein.

6 th Contract	2 Years
7 th Contract and thereafter	3 Years

2. The Board may reemploy a limited contract bargaining unit member on a contract of fewer years than set forth in this provision if the Board or administration determines that the bargaining unit member's performance is not completely satisfactory, as reflected in a written evaluation or other documentation in the bargaining unit member's file which includes written reason(s) and specific goal(s). If the Board reviews the bargaining unit member's employment at the end of such a contract, the bargaining unit member shall be employed for the normal number of years indicated in this article.

D. Suspension, Termination and Unrequested leaves of Absence

The Superintendent may place a bargaining unit member on suspension, with or without pay, for up to five bargaining unit member workdays for just cause. If the Board of Education determines to consider termination proceedings in accordance with those reasons set forth in Ohio Revised Code §3319.16, with or without continued suspension, the Board must proceed in accordance with the provisions of Ohio Revised Code §3319.16. If the Board determines to place the bargaining unit member on an unrequested leave of absence, then it must proceed in accordance with Ohio Rev. Code §3319.13.

ARTICLE 7 – EVALUATION PROCEDURE

A. Introductory Statement

1. This program for the evaluation of teaching services has been designed for the purpose of maintaining and improving the quality of instruction in the Cambridge City Schools. It may be used by the bargaining unit member for frequent self-appraisal of strengths and weaknesses. It is also intended for use as a basis for bargaining unit member-principal conferences. This article applies to teachers who spend half or more of their work time instructing students but does not include substitute teachers or adult education instructors.
2. The bargaining unit member evaluation process is further designed to guarantee the fair and orderly evaluation of staff for the purpose of contract recommendations.
3. Bargaining unit members shall be evaluated pursuant to this article on at least the following sequence:
 - a. All teachers not defined below shall be evaluated yearly. This includes a minimum of two (2) formal classroom observations and at least two (2) classroom walkthroughs.
 - b. Teachers rated as "Accomplished" shall be evaluated at least once every three (3) years. Yearly, a professional growth plan, one formal holistic or formal focused or informal observation (walk thru) and possible post will be conducted.
 - c. Teachers rated as "Skilled" shall be evaluated at least once every two (2) years. Yearly, a professional growth plan, one formal holistic or formal focused or informal observation (walk thru) and possible post conference will be conducted.
 - d. The District will not conduct an evaluation of a teacher who:
 - (i) is on leave for fifty percent or more of the school year (as calculated to mean 91 days or a prorated equivalent for any teacher working a part-time schedule); or
 - (ii) submits notice of retirement and the notice has been accepted by the Board not later than December 1 of the school year in which the evaluation is otherwise scheduled to be conducted; or

- (iii) teachers rated "Accomplished" or "Skilled" and not scheduled for a full OTES evaluation cycle on the final year in a limited contract shall be renewed based on the most recent full evaluation when required single observation maintains at least a "Skilled" performance rating. The administration reserves discretion to fully evaluate a teacher if the evaluator identifies performance concerns.
- e. If a teacher is in the final year of a limited contract, the District shall evaluate the teacher with a minimum of two (2) observations and using the full OTES evaluation cycle; three if the District is considering non-renewal, unless skilled or accomplished the prior year to 3 d. iii.
- f. If a teacher is applying for a continuing contract, the District shall evaluate the teacher with a minimum of two (2) observations and using the full OTES evaluation cycle; three if the District is considering not to approve continuing status.
- g. The final summative rating shall be determined by a holistic evaluation of the informal observations, formal observations and growth plan monitoring.
- 4. When given the option, the Superintendent will submit the required minimum information through the State evaluation reporting system.
- 5. Bargaining unit members shall not be required to evaluate or report on other bargaining unit members' classroom procedures, instruction or any items which may be construed as evaluative.
- 6. Teachers completing the RESA 3rd year program for a professional license will not complete OTES 2.0. During RESA year 1 and 2 they will complete the OTES 2.0 evaluation process. This provision does allow for the building administrator to elect to evaluate using OTES 2.0 by providing notice by 10/1 of the intent to evaluate.

B. Deadline for Evaluator

- 1. A bargaining unit member shall be formally observed on at least one occasion by January 31.
- 2. A bargaining unit member shall be formally observed on at least one additional occasion by May 1.
- 3. The evaluator shall provide a copy of the summative written evaluation and hold an overall evaluation conference with the bargaining unit member by May 10.
- 4. Evaluations shall be conducted only by persons employed under administrative contract with the Board as defined in Ohio Rev. Code Chapter §4117. All evaluators shall be credentialed as per ORC 3319.111(D).
- 5. The evaluator shall reasonably modify these deadlines because of a bargaining unit member's use of the negotiated leave provisions.

C. Evaluation Committee

- 1. The Association and Board agree to convene a joint Evaluation Committee in the event

new legislation or mandates of ODE requiring changes in the Evaluation Framework and Teacher Performance/Improvement Plan.

2. The Committee shall be comprised of, three (3) Association members appointed by the Association president and, three (3) members appointed by the Superintendent or his designee. In addition, each party may appoint up to one (1) consultant to assist and/or attend committee meetings. The Committee shall be chaired jointly by a Committee member from the Association and a Committee member from the Board.
3. The MOU executed November 2021 shall be updated and considered incorporated into the contract during the 2023-2024 school year. The committee may make any additional recommendations per Section D below.

D. Committee Authority

1. The Committee's sole responsibility shall be to jointly develop recommendations for the policy and procedure for teacher evaluation in the district and to submit such recommendations to the Superintendent and Association President. This committee shall meet at least once each semester.

E. Definitions

Evaluation: a summative report which shall include written reports of a minimum of two (2) formal observations, any and all walk-throughs, and all observation scripting.

Observation: assigned credentialed evaluator present and scripting for an entire lesson, period or class presentation but no less than thirty (30) minutes.

Formal Walk-through: assigned credentialed evaluator present for no less than five (5) minutes and no more than fifteen (15) minutes while staff member is actively involved with students.

Credentialed evaluator: a person who holds an ODE credential for being an evaluator and within one of the categories as per ORC 3319.111(D).

Comparable Evaluations: Based on the average of three (3) years of summative evaluations. Until three (3) years of applicable data is available, all teachers are considered comparable, except for any teachers who receive a summative evaluation rating of "Ineffective". For purposes of retention or reduction in force, only student data from the Cambridge City Schools, in the State system during the teacher's employment, shall be used.

ARTICLE 8 – SUPPLEMENTAL CONTRACTS

A. Supplemental Duties Defined

Supplemental duties shall be defined as those required duties which are performed in addition to the employee's regular duties. Employees performing supplemental duties shall be issued written, individual, limited contracts that include:

1. duration of supplemental contract
2. title of supplemental position
3. amount of supplemental compensation

Supplemental job descriptions shall be included in the activity manual. Supplemental job descriptions will not be changed after the job has been filled for the school year, except to comply with regulations of the O.H.S.A.A. or other applicable regulatory bodies.

Upon request, the Athletic Director shall provide a copy of the prior year's budget and the current year's estimate for the specific sport.

B. Filling Supplemental Positions

1. Annually the Superintendent or designee shall circulate a memorandum to bargaining unit members asking for their interest or intention in filling supplemental positions for the following year. Supplemental positions will be posted and filled in accordance with Article 9, except when the same bargaining unit member is rehired to the supplemental position which he/she held during the prior school year. The posting will refer to the job description on file with the district and can be obtained from the Superintendent.
2. The Board will follow the requirements of R.C. 3313.53 in filling supplemental positions. The requirements of R.C. 3313.53 are that the Board can hire a non-licensed person for a student activity advisor or coach position only if the Board adopts a resolution stating that it has first offered the position to its licensed staff and that no qualified licensed employee has applied, and then that the Board has advertised the position to licensed persons not otherwise employed by the Board and that no such qualified licensed person has applied for the position. Once the position is posted the Board cannot increase the qualifications for a position. The Board cannot arbitrarily or capriciously change the qualifications for a position. Any challenge by a bargaining unit member to the Board's filling of a supplemental position must be presented as a grievance under Article 2 and cannot be the subject of a court action (other than employment discrimination).
3. The athletic director will make a written recommendation to the administration whether he/she recommends the re-employment of the individual to the same athletic supplemental position as soon as possible, but not later than forty-five (45) calendar days after the end of the particular sport's season which shall be defined as the last regularly scheduled game.
4. Recommendations for re-employment of non-athletic supplemental positions shall be made by July 31.
5. For the purpose of Section B. 1, 2, and 3, the cheerleading advisors shall be considered athletic supplemental positions.
6. The Band Director shall be notified of whether his/her supplemental will be renewed by May 31 of the current school year.
7. Bargaining unit members shall be compensated for supplemental duties for which they are employed in accordance with the negotiated salary schedule. The Board need not fill

any or all positions listed on the schedule. The Superintendent shall determine whether and when to fill the vacancy. The Board may add positions to the schedule, delete positions, or combine positions from year to year in its sole discretion, subject only to a duty to give the Association notice and an opportunity to bargain about the supplemental salary for any new or changed supplemental position under the procedures for impact bargaining in Article 14. The bracketed number after the listed position on the schedule are suggested guidelines only.

8. An application for any coaching, assistant coaching, reserve or J/V coaching or middle school or 7-8th grade coaching position, other than Head Coach, in all sports will be deemed an application for any posted coaching position in that sport except for Head Coach. The Superintendent or designee shall determine which specific coaching position within the sport, if any, will be offered to each applicant. The applicant may elect to accept or decline the position offered. All positions on a single posting shall fall under the same sport and gender.

C. Acceptance of Supplemental Positions

Supplemental contracts automatically shall expire at the end of their term without action or notice by the Board. Employees who have held supplemental contracts in the previous year shall be notified if their supplemental contract will be reissued no later than thirty (30) calendar days after the written recommendation is made by the Athletic Director under B (3) above.

D. Compensation for Supplemental Positions

Supplemental salaries shall be increased each year by the same percentage as the B.A. beginning base salary. If the Board employs only one person where more than one position is listed on the salary schedule, that person's supplemental salary shall be one and one-half (1 1/2) times the individual supplemental salary listed on the supplemental salary schedule. The supplemental contract paycheck on the regularly scheduled pay day immediately before Christmas vacation shall be dated for and distributed on the last school day prior to that vacation.

E. Miscellaneous

An employee's performance in a supplemental position shall not have an adverse impact on the employee's performance evaluation in his/her regular position. When a bargaining unit member is suspended from his regular teaching position as a result of a reduction in force, his supplemental contract(s) shall be null and void as of the effective date of the suspension from regular teaching employment.

ARTICLE 9 – VACANCY AND TRANSFER

A. Vacancies

1. While school is in regular session, the Superintendent shall post on all building faculty bulletin boards, monthly, a notice of vacancies in the district that are of concern to bargaining

unit members. A copy of these notices shall also be given to the president of the Association. Vacancies shall include any newly-created positions and any current positions to be filled.

2. This list of vacancies shall be posted the first week of each month and shall be current through the last day of the previous month. Additional lists of vacancies may be posted to supplement the regular monthly listing, as the Superintendent deems necessary. Summer vacancy notices shall be posted in the administration office as soon as the vacancy is known. A copy shall be sent to the Association president as soon as the vacancy is posted. Bargaining unit members may also call the administration office for a list of current vacancies. Notice of vacancies during the summer shall be mailed with the paychecks to the bargaining unit members on an ongoing basis and posted on the District website. The posting of a position does not require that it be filled.
3. No vacancies shall be permanently filled by a teacher outside the existing professional staff on a full-time basis until such notice of vacancy has been published for one (1) week and consideration of transfer/reassignment has been given to all requesting members of the bargaining unit. Consideration of transfer shall only be made after the bargaining unit member has filed the request for transfer form with the Superintendent or his designee. The one (1) week waiting period may be waived by the Superintendent in situations such as: (a) where no staff member is properly certified for the position; (b) where no properly certified staff member is interested in being considered for the position; and (c) unusual circumstances when a delay in filling a position would have a detrimental effect on the school system. In circumstance (c), the vacancy will still be posted, but with the notification that there is an emergency, and the one-week notice is waived. The Association president or designee shall receive notification of the waiver situation prior to the vacancy posting. Nothing in this paragraph precludes the consideration of a bargaining unit member who has previously submitted a transfer request. No outside applicants shall be hired on a temporary certificate and placed in a vacancy if certified applicants already employed by the Board are available except in unusual circumstances where reassigning or transferring the internal applicant would have a detrimental effect on the school system.

B. Bargaining Unit Member Transfer/Reassignment Requests

1. A bargaining unit member may request a transfer in writing at any time, by filing it with the Superintendent. The request shall specify the building, grade level, or subject area to which transfer is requested. The Superintendent, upon receipt of the request for transfer form, shall meet with the teacher to discuss existing vacancies.
2. A bargaining unit member may request a reassignment at any time. A principal, upon the request of a bargaining unit member currently assigned to his or her building, shall meet with the bargaining unit member to discuss the member's desire for reassignment and any vacancies in that building.
3. The bargaining unit member requesting transfer/reassignment shall be notified in writing of approval or disapproval for the requested transfer/reassignment. If disapproved, written reasons shall be provided with notice.

C. Notice of Assignment

Bargaining unit members will be given written notice of assignment promptly but not later than July 1 if their assignment (building, subject or grade level) has been determined to be changed

for the next school year. Bargaining unit members may be reassigned by the Superintendent from year to year and during the school year, so long as the Superintendent complies with any procedural requirements set forth in this article. Each returning bargaining unit member shall be provided with the adopted school calendar for the next year by June 15.

Bargaining unit members shall be informed of scheduled extended service days no later than July 1 each year. Those days shall not exceed twenty (20) each year. No more than ten (10) days shall be scheduled immediately prior to the school year and no more than ten (10) days shall be scheduled immediately after the school year.

D. Involuntary Transfers and Assignments

1. Elementary bargaining unit members (K-8) being transferred from one building to another or reassigned from one grade level to another, and secondary bargaining unit members (9-12) being transferred from one building to another, shall be informed of such transfer or reassignment and the reason(s) therefore in a personal conference with the member's immediate supervisor as soon as possible after the decision to transfer or reassign has been made. During this conference, the bargaining unit member shall be made aware of all current and reasonably anticipated openings in the district. Written notice of the transfer or reassignment, with the reason(s) therefore, shall be sent to the bargaining unit member within fifteen (15) working days of the conference.
2. A bargaining unit member being transferred from one building to another may, upon request, meet with the principal of the building to which he or she is being transferred to discuss the transfer and any vacancies in that building. The bargaining unit member shall also have the opportunity to request a transfer to other positions for which he or she may be qualified in other buildings.
3. At least ten (10) days before reassigning a bargaining unit member from a grade level (K-8) or department (9-12) because of decreased or increased enrollment in particular grades or classes, the building principal shall discuss the anticipated reassignment with the affected bargaining unit member.

E. General

Other than compliance with the procedures set forth in this article, the Superintendent retains his sole discretion to reassign or transfer bargaining unit members. Only procedural compliance with this article is subject to the grievance procedure.

ARTICLE 10 – REDUCTION IN FORCE

A. Definition of Reduction in Force

A reduction in force (RIF) shall have occurred when the Board intends to lay off a bargaining unit member.

B. Reductions

The Board of Education may implement a reduction of staff for any reason(s) authorized by Section §3319.17 of the Ohio Revised Code. Notwithstanding anything to the contrary in this Agreement, the parties shall comply with R.C. 3319.17, as amended by H.B. 153.

C. Notification of Anticipated Reduction

1. If the Board determines a reduction may occur, the employer shall notify the Association in writing, no later than June 1 prior to the beginning of the school year that the RIF is to be implemented. The notification shall include the reason(s) for the RIF, the position(s) to be reduced or eliminated, the name(s) of the employees to be affected, the date of employer action to implement the RIF and the effective date of the RIF.
2. The employer shall develop and provide the Association with a RIF list of potentially affected employees which shall be based on the seniority list as per the seniority section.

D. Seniority

1. Seniority is defined as the length of continuous service in the Cambridge City Schools including approved leaves of absence.
2. All members of the bargaining unit will be placed on a seniority list for each teaching field for which continuing contracts will be placed at the top of the list, in descending order of seniority. Bargaining unit members serving under limited contracts will be placed on the list under continuing contract bargaining unit members, also in descending order of seniority.
3. Teaching fields affected by a reduction in force must be determined with reference to fields of certification, as designated on the certificates of the bargaining unit members involved.

E. Implementation

1. In determining the position(s) to be reduced, eliminated, or not filled, the following sequence shall be used within the teaching field(s) reduced:
 - a. Position(s) vacated as a result of voluntary resignation, retirement, or death will not be filled.
 - b. Non-tenured bargaining unit members holding temporary certification will be the first ones suspended, based upon seniority.
 - c. Fully certificated limited contract bargaining unit members shall be the next ones suspended, based upon seniority.
 - d. Continuing contract bargaining unit members shall be the last persons suspended, based upon seniority.
2. If additional reductions of personnel are necessary, they shall be made by the following procedure:
 - a. The Board shall proceed to suspend contracts in accordance with the recommendation of the Superintendent of schools who shall, within each teaching field affected,

suspend those teachers on limited contracts prior to those on continuing contracts. The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.

- b. On a case-by-case basis, in lieu of suspending a contract in whole, the Board may suspend a contract in part, so that an individual is required to work a percentage of the time the employee otherwise is required to work under the contract and receives a commensurate percentage of the full compensation the employee otherwise would receive under the contract.
3. Comparable evaluations shall be as defined in Article 7, E.
4. Layoff shall occur by suspension of contract.
5. An employee shall be notified no later than June 30 prior to the school year in which the reduction in force is to be implemented. The notice shall state the reason for RIF, the effective date of contract suspension, and the date of the employer's action to implement the RIF.

F. Right to Displace Less Senior Teacher

1. A bargaining unit member who is notified that he/she is to be laid off will have the right to displace any less senior bargaining unit member whose work he/she is certificated to perform.

Written notice to exercise this right must be made to the Superintendent within five (5) work days after a bargaining unit member is notified that he/she is to be laid off. All displacements must occur by August 10.

Bumping (displacement) rights shall accrue to all teachers within their respective contract status groups (continuing contract, or limited contract), but in no event shall a non-tenured teacher exercise bumping rights over tenured teachers. The right to bump shall be limited to teacher's area of Certification/Licensure and those with comparable or lower evaluations.

2. Certification as used in Section E-1 above shall be defined as provisional, professional, or permanent grade certificates issued pursuant to Sections §3319.22 to 3319.31, inclusive, Ohio Revised Code, or in accordance with standards, rules, and regulations authorized by law, in the following types:

K-Primary ----- K, 1, 2, 3
K-Elementary ----- K, 1, 2, 3, 4, 5, 6, 7, 8
Elementary ----- 1-8 inclusive
High School ----- Subject names, grades 7-12 inclusive.

G. Procedure for Recall

1. All bargaining unit members whose contracts were suspended as a result of a layoff shall be placed on a recall list stating their seniority in each teaching field for which they are or become certified to teach. However, any teacher rated "Ineffective" in two of his/her three most recent evaluations shall not be eligible for recall.

2. Bargaining unit members on the recall list shall be offered reemployment to full-time positions for which they are certified, as they become available, in the reverse order of layoff, last laid off, first re-employed.
3. A bargaining unit member who is recalled to a position shall resume the contract status he/she held prior to the layoff and shall be credited with sick leave accumulation and years of service for salary schedule placement he/she had prior to being laid off.
4. If a bargaining unit member leaves with "X" years seniority, he/she shall return with "X" years seniority.
5. When an opening(s) occurs, the Board shall send a certified letter to all bargaining unit members certified for the position who are on the recall list to their last known address to advise them of such positions. It is the bargaining unit member's responsibility to keep the treasurer informed of his/her whereabouts. The bargaining unit members shall, within fifteen (15) days from the postmark date of the letter if the notice is postmarked by August 1, otherwise, within 10 days, indicate availability and desire for such position. The Board shall reinstate that bargaining unit member indicating availability and desire for such position who has the greatest seniority if evaluations are comparable. If the bargaining unit member fails to notify the Board within the specified period of time, or if the bargaining unit member rejects the offered full-time position, said bargaining unit member shall be considered to have rejected the position and to have forfeited his/her right to recall on the reduction in force list. The position will then be made available to the next eligible bargaining unit member on the reduction in force list.
6. No bargaining unit members new to the district shall be employed until all properly certified bargaining unit members on the reduction in force list have been offered a contract for the position in accordance with the provisions of this procedure.
7. Transfers of bargaining unit members employed but not affected by the reduction in force program shall be limited to positions not affected by said program. If a position(s) initially abolished is reinstated or if a new position(s) is established, the position(s) will be staffed first from the bargaining unit member reduction in force list. Transfers may be made to a position affected by the reduction in force program after the position(s) has been offered to all properly certificated bargaining unit members on the reduction in force list.
8. Bargaining unit members remaining laid off will be given preferential consideration as substitute bargaining unit members and part-time bargaining unit members. However, employment as a substitute or part-time bargaining unit member shall not disqualify that bargaining unit member from placement on the reduction in force list for full-time employment.
9. The recall list shall be maintained for a period of two (2) years. Thereafter, an employee on layoff shall lose his/her right to recall.
10. No current Association member or non-bargaining unit employee shall be assigned to fill a bargaining unit position while an eligible employee remains on layoff status. No posting of vacancy is required when a position is offered and accepted by a member with recall rights.

ARTICLE 11 – LEAVES OF ABSENCE

A. Personal Leave

1. A bargaining unit member shall be granted three (3) days unrestricted per year for absences. It is the intent of this regulation to cover only the most urgent and unavoidable of circumstances.
2. Requests for personal leave shall be submitted to the immediate supervisor at least three (3) workdays in advance, except in the case of emergency. In emergency cases, personal leave notice may be by telephone no later than 6:30 A.M. on the day of the leave. In these cases, the appropriate leave form will be completed by the bargaining unit member upon return to work.
3. A teacher who has unused personal days at the end of a school year may elect to have any or all of the unused days added to his/her sick leave accumulation by written notice received by the treasurer by June 30 following the end of the work year. A teacher may not make this election if he or she receives the incentive payment under Article 11, C. for the same school year.
4. A teacher may elect to carry a maximum of three (3) unused personal leave days to the following school year. A teacher's available personal leave may not exceed six (6) days at any given time. Once an employee rolls over to an amount higher than three (3) personal days, no additional personal leave will be made available until the following contract year.

B. Sick Leave

Bargaining unit members shall accrue sick leave at a rate of one and one quarter (1 1/4) days per month while under contract with the Board of Education for a maximum of fifteen (15) days per year, which may be accumulated up to 260 days.

Sick leave shall be granted to maximum accumulation for any of the following reasons: (1) personal illness; (2) personal injury; (3) pregnancy; (4) exposure to contagious disease which could be communicated to others; (5) illness or injury of a member of the immediate family; (6) death in the immediate family. Bargaining unit members shall sign the appropriate sick leave form upon returning to work. Violation of sick leave could be grounds for disciplinary action. Immediate family shall mean any of the following persons: spouse, children, father, mother, brother, sister, respective in-laws, member of the immediate household, grandparents, grandchildren.

If a doctor is consulted, the Board of Education may require the bargaining unit member to furnish a doctor's name and the dates on which he or she was consulted. The Superintendent may require a bargaining unit member to submit a doctor's certificate verifying that the bargaining unit member was ill, provided that the bargaining unit member had been absent for three (3) or more consecutive work days or more than ten (10) work days total in the school year.

The treasurer will report monthly use and accumulated sick leave on pay stubs. A bargaining unit member may be granted additional days of sick leave beyond the number accumulated upon recommendation of the Superintendent and approval by the Board.

A bargaining unit member with prior service for the State of Ohio or another political subdivision of the state or with prior but broken employment with the Board shall be credited with their previously accumulated sick leave provided: (1) the bargaining unit member provides a certificate from the chief executive or chief fiscal officer or such other governmental unit as to the bargaining unit member's accumulated sick leave; and (2) the bargaining unit member shall be credited with no more than ninety-two (92) days of such previously accumulated sick leave.

Donated Sick Leave

When in the judgment of a bargaining unit member's physician, or the physician of the child or spouse of the bargaining unit member, the employee will exhaust all of his/her accumulated sick leave for the remainder of the school year due to catastrophic illness or injury of the bargaining unit member or his or her spouse or child, which does not include pregnancy or childbirth unless there are catastrophic consequences to the mother, and additional days are still needed, then he/she may request through the Association that additional days be transferred from other bargaining unit members' accumulated sick leave. The Association shall establish an internal policy to administer such a transfer. The Association shall notify the treasurer of the Board, in writing, of the number of days to be deducted, from whom, and the person receiving the transferred days. K. Assault and Personal Injury Leave

1. "Assault" means the causing of or attempt to cause physical harm to a teacher.
2. Pursuant to and in accordance with Section §3319.143 of the Ohio Revised Code, Assault Leave shall be granted to a teacher who: (1) is unable to work and, therefore, is absent from his/her assigned duties because of physical injury resulting from an assault and battery which is clearly unprovoked, and (2) files criminal charges against his/her assailant as soon as he or she is physically able. Said leave shall not be charged against sick leave earned under Section §3319.141 of the Ohio Revised Code. Said teacher shall be granted the aforementioned Assault Leave and shall be maintained on full pay status during such absence, up to a maximum of forty (40) working days.
3. A teacher shall be granted Assault Leave according to the following rules:
 - a. The incident resulting in the absence of the teacher must have occurred during the course of employment with the Board while on the Board premises or at a Board-approved or sponsored activity/event or in the course of transporting pupils or material to or from said premises, activity or event.
 - b. Upon notice to the principal or immediate supervisor that an assault upon a teacher has been committed, a teacher having information relating to such assault shall, as soon as possible, prepare a written statement embracing all facts within the teacher's knowledge

regarding said assault, sign said statement, and present it to the principal or immediate supervisor.

- c. To qualify for Assault Leave, the teacher shall furnish a certificate from a licensed physician stating the nature of the disability and its likely duration, if requested by the Superintendent. - f. Payment for Assault Leave shall be at the assaulted teacher's rate of pay in effect at the time of the assault.
- g. Payment under this article shall constitute the teacher's entire compensation from the Board during the period of physical disability and shall be in lieu of any payments under Chapter 4123 (Worker's Compensation) of the Ohio Revised Code, except to the extent the assault disability exceeds the days allowable under paragraph (2) above.

4. Injury Leave

- a. In the event that a bargaining unit member is unable to work, as determined by the bargaining unit member's physician, due to a physical injury unintentionally inflicted by a student which results in the employee being absent as the result of that injury, such absence will not be charged to sick leave for up to thirty (30) days.
- b. The bargaining unit member's physician's statement concerning the nature of the physical injury shall be required to state both the necessity of absence from work and the expected duration of the absence. The Superintendent may require that the bargaining unit member be examined by a physician of the Superintendent's choice at the Board's cost to verify the nature of the injury and the need for absence from work. If the employee's and the Board's physicians are in disagreement as to either of those issues, those two physicians shall select a third physician who will examine the employee and whose decision shall be binding. The cost of the third physician shall be split equally between the Association and the Board.
- c. As a condition of receiving injury leave, the bargaining unit member must file with the Superintendent a written statement of the specific facts relating to the incident as soon as possible.
- d. Payment under this section shall constitute the bargaining unit member's entire compensation from the Board during the period of physical disability and shall be in lieu of any payments under Chapter 4123 (Worker's Compensation) of the Ohio Revised Code, except to the extent the disability exceeds the days allowable under Paragraph (a.) above.

- e. As a condition for receiving injury leave, the bargaining unit member shall cooperate with the Board of Education in any civil litigation that may result from the incident.
- 5. If the bargaining unit member is assaulted or injured as described above, said member may request that the R.T.I. The R.T.I. shall make a recommendation for implementation to the Superintendent or designee.

L. Professional Leave

- 1. Each full-time classroom bargaining unit member may request professional leave at regular pay to attend professional meetings or visitations. Bargaining unit members may request days without reimbursement (except the cost of the substitute), i.e., for leave paid by athletic or music accounts. Request for leave must be submitted in writing, with approximate cost and agenda, at least ten (10) calendar days in advance to the Superintendent.
- 2. The Board annually will allocate an amount per building based on the number of bargaining unit members. The principal in each building shall consult with the building staff in developing the professional leave budget for the building. This does not prevent the building budget from spending more on professional leave in that particular building.
- 3. Such leave shall be reimbursed in the following manner:
 - a. Necessary fees for registration and reasonable lunch costs if one day; also, reasonable lodging, breakfast and dinner expense if conference is more than one day. Receipts for meals not included in registration are necessary for reimbursement at the following rate: breakfast - \$5.00; lunch - \$10.00; and dinner - \$15.00 for local and in-state. Meals at national meetings shall be reimbursed at \$7.50; \$10.00; and \$20.00 respectively.
 - b. Mileage at the I.R.S. rate or coach rate (common carrier).
 - c. A written report must be presented to the Superintendent and/or building principal within ten (10) working days of attendance of the seminar/ workshop.

M. Long-Term Leave of Absence

- 1. A bargaining unit member who has completed one year of service to the Board may request an unpaid leave of absence for family or personal reasons which the Board of Education may grant or deny. The leave may not be used for a purpose inconsistent by the purpose for which it was granted. The bargaining unit member shall submit a written request to the Superintendent by March 1 for the next semester or school year, and by November 1 for the second semester. The end of the leave must coincide with the end of a semester or school year.
- 2. A bargaining unit member on leave must give the Superintendent written notice by April 1 (for the next school year) or by November 1 (for second semester) of his or her intent to return or the bargaining unit member will be deemed to have resigned.
- 3. A bargaining unit member on leave may continue to participate in group insurance by paying the insurance premiums to the treasurer on a timely basis.

4. The Board shall not grant a Leave of Absence to the same bargaining unit member more often than once in five (5) years of service to the district.

N. Short-Term Leave of Absence

1. A bargaining unit member will be granted an unpaid leave of absence of no more than three (3) consecutive days in a fiscal year. A request stating the reasons and duration of the leave must be submitted to the Superintendent no later than three (3) days prior to the beginning of the desired leave except in case of emergency.
2. The leave may not be used for a purpose inconsistent with the purpose for which it was granted.
3. While on short-term leave of absence, all benefits of employment shall be in full force.
4. Short-term leave shall only be awarded when no other appropriate leave is available to the teacher for use.

O. Family and Medical Leave

1. In accordance with the Family and Medical Leave Act of 1993 (FMLA), bargaining unit members shall be annually entitled to a maximum of twelve (12) weeks of unpaid sick leave for the following reasons:
 - a. to care for a newborn son or daughter;
 - b. for a placement of a son or daughter with the bargaining unit member for adoption or foster care;
 - c. to care for a seriously ill spouse, child, or parent; or
 - d. because of their own serious health condition;
 - e. for qualifying exigencies, as defined under federal law, arising out of the fact that the employee's spouse, son, daughter, or parent is a member of the National Guard or Reserves and is on active duty, or has been notified of an impending call or order to active duty, in support of a contingency operation; and
 - f. because the employee is a spouse, son, daughter, parent or next of kin of a covered service member with a serious illness or injury. Covered service member and serious illness or injury have the same meaning as defined in the National Defense Authorization Act of 2008, which amended the FMLA.

Use of paid sick leave for the first twenty (20) working days for an FML-qualifying event or use in a year does not adversely affect the use of Family and Medical Leave for twelve (12) weeks. Use of paid sick leave beyond such twenty (20) workdays (unless the bargaining unit member applies for use of leave by June 30, 2004), use of transferred or donated sick leave days and injury leave days is concurrent with and in lieu of FML for one of the reasons listed in (a) through (e) above. If the employee already has been absent during the prior 12 months for a reason for which Family and Medical Leave could be used for one of the reasons listed in (a) through (e) above, then to the extent that the employee has used sick

leave days transferred from or donated by other bargaining unit members or has used injury leave for the same condition, then such days shall be considered part of the 12-week period such that any other leave the employee is entitled to take under this Family and Medical Leave policy will be for 12-weeks less the amount of such absent time already taken in the form of transferred or donated sick leave days or injury leave during the prior 12 months.

Entitlement to childcare shall end upon the child reaching age (1) or twelve (12) months after the date of adoption or foster placement.

2. Bargaining unit member must give the Board at least a thirty (30) days' notice, or as much notice as is practicable in foreseeable situations.
3. Bargaining unit members will be required to use their accumulated paid leave prior to using the twelve (12) weeks of unpaid leave.
4. Medical certification may be required to substantiate leave for reason number (1.d.) stated above, with the Board having the option of requiring second and third opinions. Medical Certification shall include the following:
 - a. the date the condition began;
 - b. the probable duration of the condition;
 - c. appropriate medical tests regarding the condition and the necessity for the leave; and
 - d. a statement that the bargaining unit member is unable to perform the essential functions of his/her position during this period of leave.
5. Bargaining unit members may be entitled to use family and medical leave on an intermittent or reduced leave schedule basis upon mutual agreement between the employer and employee and provided all requirements have been satisfied.
 - a. When a bargaining unit member uses family and medical leave on an intermittent or reduced leave schedule basis, the Board may temporarily transfer the bargaining unit member to an alternate position with equivalent pay and benefits which would better accommodate the recurring periods of leave and not disrupt the services provided to the public. Upon return from leave, the bargaining unit member shall be restored to his/her former position or an equivalent position.
6. Health insurance benefits shall continue during the period of family and medical leave, not to exceed a total of twelve (12) weeks per year, with the Board paying the Board's share of health insurance premium. The employee must make arrangements for payment to continue his/her portion of the health insurance premium. The Board may recover any premiums paid if the employee fails to return to work, unless the failure to return was due to the continuance, recurrence or onset of a serious health condition, or due to other circumstances beyond the bargaining unit member's control.
7. For the purpose of this article, the following definitions apply:
 - a. "Serious Health Condition" - an illness, injury, impairment, or physical or mental condition which involves inpatient care of three (3) days or more in a hospital, hospice,

or residential care facility; or continuing treatment of at least two (2) or more visits or supervision by a health care provider.

- b. "Reduced Leave Schedule" - a leave schedule that reduces the usual number of hours per work week, or hours per workday, of a bargaining unit member.
- 8. During the employee's leave, the Superintendent or designee may require the employee to report in writing periodically on the employee's status and intent to return to work.
- 9. If an employee goes on leave due to his or her own serious health condition that made the employee unable to perform his or her job, the employee must obtain and present a certificate from the health care provider that the employee is able to resume work before returning to work.
- 10. If the employee is absent for reason (f) above, he or she is limited to a combined total of 26 weeks in a 12-month period, for any of the reasons listed in (1). For purposes of reason (f) only, the 12-month period begins on the first day the employee takes leave for this reason.

ARTICLE 12 – COMPENSATION AND PAYROLL PRACTICES

A. Pay Days

All employees shall be paid on alternate Fridays over a twelve (12) month period of time; provided, however, if the union representing classified employees agrees to twenty-four (24) pays annually, then the Treasurer shall implement a 24-pay system over the annual pay cycle in consultation with the CEA. The treasurer may alter the payday schedule in order to avoid overpayment to bargaining unit members or to avoid payment being made before services are rendered. In the event that a payday falls on a holiday, the deposit will be made on the business day preceding the holiday.

When a teacher retires the Board shall pay the teacher in one lump sum any and all accrued salary. The teacher shall remain on the benefit plans for the month after the effective date of retirement (not to exceed 30 calendar days).

All payroll will be completed using direct deposit.

B. Experience Credit

Bargaining unit members hired by the Board shall be granted "years of service" credit for placement on the salary schedule based upon their experience as follows:

- 1. One year's service credit, up to a total of no more than five years, for each twelve (12) months of active military service by the bargaining unit member since he or she first obtained a teaching certificate from the Ohio Department of Education.
- 2. One year's service credit for each school year in which the bargaining unit member was employed full-time by the Board as a regular bargaining unit member and in which the bargaining unit member actually worked for at least 120 school days. A bargaining unit

member gets one year of service credit for each school year in which he or she worked for at least 120 days for Cambridge or any other educational institution chartered by the Ohio Department of Education, as a substitute or regular teacher.

3. One year's service credit for each school year in which the bargaining unit member was employed full-time as a regular teacher by another educational institution chartered by the Ohio Department of Education and in which the bargaining unit member actually worked for at least 120 school days.
4. Bargaining unit members newly hired by the Board or re-employed by the Board after a break in employment on or after June 1, 2017, shall receive credit for their total prior service, as defined by the previous paragraph of this Article.

C. Regular Teacher Salaries

Teachers shall move vertically on the regular teacher salary schedule beyond their individual placement each year he/she was in paid status as a teacher for at least one hundred twenty (120) days during the previous year.

Bargaining unit members' salaries for regular teaching duties shall be calculated on the attached schedule, using a base salary (B.A.-zero) as follows:

Base Salary

2023-2024	\$34,547
2024-2025	\$35,584

There shall be two (2) payments of \$2000 made in a separate check between the first and second regularly scheduled pay in November and April of each year of the contract.

The Master's +15 column of the salary schedule means fifteen (15) graduate hours after receiving the Master's Degree.

Supplemental salaries shall be based on the base salary in effect at the beginning of July of each year.

Extended service per diem salaries shall be calculated on the state minimum schedule but using a base salary of \$30,000.

D. STRS Pick-up

1. Consistent with IRS and Ohio Attorney General rulings, the Board shall pick up and pay, on behalf of each member of the bargaining unit, the bargaining unit member's contribution to the State Teachers Retirement System, so long as the total compensation paid by the Board to and on behalf of each bargaining unit member is not thereby increased. The bargaining unit member's gross salary shall be reduced by the amount of the individual's required contribution to the STRS and shall be restated accordingly.
2. The amount picked up and paid by the Board shall be the current required contribution of the bargaining unit member to the STRS.
3. The amount so paid on behalf of the bargaining unit member to STRS:

- a. Shall not be treated as income of the bargaining unit member for federal and state income tax purposes.
 - b. Shall be treated as income of the bargaining unit member for municipal income tax purposes.
 - c. Shall be treated as income of the bargaining unit member for purposes of computing the Board's employer contribution to STRS.
4. No bargaining unit member shall have the option to elect a wage increase or other benefit in lieu of this pick-up or to decline this pick-up. Each bargaining unit member is responsible for taking this pick-up into account, along with other tax-sheltering plans, for purposes of complying with tax law requirements.
 5. This salary-reduction pick-up shall become effective for all salary payments to bargaining unit members on and after January 1, 1985.

E. Mileage

The Board shall pay for authorized automobile expense an amount equal to the per mile allowance being utilized by the Internal Revenue Service. The Board shall modify the mileage allowance, effective on the first day of the month following a regular Board meeting at which the Board knows of a new mileage allowance used by IRS.

F. College Tuition Reimbursement

Upon completion of graduate work in areas of program or classroom improvement or responsibilities, with a "B" grade or better or pass in a pass/fail class, the Board will reimburse the cost of each semester hour taken up to a maximum of \$130.00 per semester hour for no more than eight (8) hours in one year. The Board's total cost annually under this Section F shall not exceed \$10,000.

A member approved for reimbursement under this Article on a first-come, first-served basis must submit the required documentation by September 15, for reimbursement from the reimbursement pool from the previous school year; if the member does not do so that member's reimbursement amount shall reimburse the next member, if any, who was excluded by the \$10,000 limit from participation in that previous school year.

To be eligible for this reimbursement benefit:

1. Bargaining unit members, regardless of certification, must notify the Superintendent or his designee in writing prior to commencement of a graduate course;
2. Bargaining unit members must return to teach in the Cambridge City Schools the school year following completion of the course; and,
3. Bargaining unit members may not be reimbursed by another agency.
4. If the bargaining unit member leaves employment prior to July 10, after receiving reimbursement, the District will reduce the member's stretch pay to collect payment that has been made.

The bargaining unit member shall be paid within thirty (30) days in a lump sum following presentation of an official transcript or grade report showing satisfactory evidence of completion of the course work in accordance with the provisions of this section of the Agreement. Workshops or courses for which the bargaining unit member has released time shall not qualify for tuition reimbursement.

G. Continuing Education

1. Upon prior approval of the Superintendent, a bargaining unit member may attend, as education leave, a workshop or seminar at which continuing education units can be earned. For approved educational leave, the Board shall reimburse the bargaining unit member for the actual cost of registration, mileage, and reasonable and necessary expenses of attending the workshop or seminar in accordance with the guidelines set in Article 11, Section L.
2. To the extent that the Board determines that it is financially feasible, the Board shall attempt to provide in-service opportunities for bargaining unit members locally, at which continuing education units will be offered. Those opportunities shall be meaningful as determined by a committee which shall meet a minimum of four (4) times a year to determine the need and schedule such in-service. The committee shall be comprised of four (4) members appointed by the Superintendent and four (4) members appointed by the Association President and include representation from each grade level band.

H. Severance Pay

1. Upon retirement, bargaining unit members of the Cambridge City Schools will be paid, in a lump sum, an amount equal to one-fourth (1/4) of the bargaining unit member's unused accumulated sick leave days up to a maximum of one hundred eighty (180) unused sick leave days, or a maximum payment of forty-five (45) days, plus one day of severance pay for each ten (10) days of accumulated sick leave beyond 180 days. For purposes of calculation, the daily rate will be based upon the bargaining unit member's final base salary, exclusive of any remuneration received through a supplemental contract. The treasurer is authorized to delay such payment, up to one hundred twenty (120) days, until there is evidence that the bargaining unit member is, in fact, retiring from employment in the public schools of Ohio and not merely terminating employment in the Cambridge City Schools.
2. Severance pay will not be paid to a bargaining unit member's estate at the time of death unless the bargaining unit member had filed papers for retirement prior to death.

I. Fiscal Sustainability

A fiscal sustainability committee shall be created. The Association will appoint two (2) members and the Superintendent will appoint two (2) members. By December 31, 2017, the committee will recommend cost reductions and revenue enhancements to the District.

ARTICLE 13 – INSURANCE

- A. The Board shall provide and pay the full cost of group term life insurance coverage for each bargaining unit member in the amount of \$25,000.

- B. The Board shall provide and pay the full cost of group dental insurance coverage for bargaining unit members and their eligible dependents comparable to the coverage in effect during the 1991-1992 school year. The maximum calendar year benefit per person shall be \$2,000. The maximum lifetime benefit per person for orthodontia shall be \$1,000.00.
- C. The Cambridge City School District Board of Education shall provide medical insurance benefits. The premium payment will be shared as follows: 86% of premium to be paid by the Board of Education and 14% of the premium to be paid by the bargaining unit member.
 - 1. The medical and prescription drug plan will be the same as the plan set forth in the Health Benefit Summary Plan Description revised on February 16, 2014, except as follows:
 - a. Co-pays and co-insurance for services, products, and drugs are eliminated.
 - b. The annual deductible for all covered benefits will be \$3,500 for individual coverage and \$7,000 for family coverage, effective January 1, 2020 (subject to limitations and conditions of applicable IRS laws and regulations).
 - 2. Creation of individual employee Health Savings Accounts (HSA)
 - a. During calendar years 2024-2025, the Board shall contribute to each HSA a total of \$2,500 for employees with individual coverage and \$5,000 for employees with spouse or family coverage. If both spouses are employed by the Board and both spouses carry individual coverage, the Board shall contribute \$2,500 to the HSA of each spouse covered under the Board's plan. Total annual Board contributions shall not exceed a total of \$5,000. Employees eligible for coverage whose initial employment occurs after January 1 of a calendar year shall receive a pro rata amount of Board contribution to his/her HSA. Board HSA contributions shall be made in installments, half on the first banking day of the calendar year and half on the first banking day of the month of September.
 - b. Provided, however, that the Board contribution shall be reduced for a member of this bargaining unit, if necessary, so that the total Board contribution to the HSA's for such member and for his/her spouse in a year shall not exceed five thousand dollars (\$5,000) altogether where both the member and his/her spouse are employed by the Board and eligible to enroll in health insurance. This rule applies whether the spouse of the member is a member of the bargaining unit or not.
 - c. The above amount shall be adjusted, as the deductibles will be adjusted, so that the amounts do not violate IRS requirements.
 - d. If these HSA contributions remain the applicable status quo on December 30, 2023, such contributions shall terminate as of 11:59 p.m. on December 30, 2025.
- D. If a husband and wife are both employees of the Cambridge City Schools, one of these employees shall be placed on the family insurance plan (which shall include the spouse). The spouse shall receive a cash payment of \$1,000 per year payable within 30 days after the end of the enrollment year (9/1-8/31) for which the spouse elects cash payment and declines coverage under the insurance plan. Any participant who amends his/her election during the plan

year so as to receive insurance coverage shall not be eligible for the cash payment benefit. Such payment shall be considered a non-taxable benefit under IRS 125, if allowed by law.

- E. Bargaining unit members on approved leaves of absence may continue group insurance coverage by making timely payment of the monthly premium. Part-time bargaining unit members shall be entitled to pro-rata Board contribution to insurance benefits. The Board, in its sole discretion, may determine the methods and means of providing the insurance benefits provided in this article.
- F. Notwithstanding paragraph (C) above, the Board shall comply with the Patient Protection and Affordable Care Act provisions that are effective as of July 1, 2017. The Board plan shall only be available to full-time employees, determined through a 12-month "look-back" period, in accordance with the PPACA and Treasury regulations. The parties acknowledge that those regulations have not been fully finalized, and they agree that the Board in its sole discretion may adjust its enrollment, administrative period, look-back period and similar rules/provisions in light of changes in the Treasury regulations and experience.
- G. The Board may also offer employees an optional minimum value plan (MVP) or bronze plan. Employees who choose this low-cost plan option will not be eligible to receive Health Savings Account (HSA) contributions from the Board.
- H. 125 Plan

The parties agree to implement an IRS Section 125 account for HSA contributions, for employee insurance premium contributions, and for any other purposes that will implement provisions of this Article consistent with law.

I. Committee

The insurance committee previously established shall remain in existence. Its assignment shall involve reviewing specifications, utilization, data, and cost containment measures. The committee shall consist of the president and three (3) members from the CEA, the treasurer, the treasurer's benefit person and two (2) Board members. Additional members may be mutually agreed to by the committee. The treasurer shall schedule the first meeting, which is to be held on or before October 15 of each school year. A date for the next meeting shall be established at the end of each meeting and the committee shall meet quarterly. The Association president and treasurer can agree to cancel any meeting for lack of an agenda. Should the committee believe changes should be made to the current insurance plan, they shall make said recommendation to the respective bargaining teams by unanimous vote of the full committee.

ARTICLE 14 – RE-EMPLOYMENT OF STRS RETIREES

1. Persons drawing STRS service retirement benefits may be employed or re-employed by the Board and shall, if under regular contract, be members of the bargaining unit, and shall be entitled to all provisions of the contract, except as otherwise provided herein.
2. For initial placement purposes on the teachers' salary schedule, the employee will receive horizontal and vertical credit in accordance with the normal rules. A five (5) year limitation

for service credit shall apply. The employee shall gain one year's experience credit as per Article 12 to a maximum of ten (10) years. All current employees hired prior to August 1, 2023 shall be grandfathered and placed on the appropriate experience step beginning with the 2023-2024 school year.

3. The employee will receive a one-year limited contract of employment (if employed after the start of the school year, such contract will be for the remainder of that school year). If subsequently re-employed, the employee will be awarded successive one-year limited contracts only. A limited contract issued pursuant to this Article is deemed automatically non-renewed each school year, without need for action by the Board of Education, and without regard to the existence, timing, or content of any performance evaluation.
4. Retirement constitutes a break in continuous service. Upon employment after retirement, the employee will be credited with zero (0) years of seniority. If subsequently and continuously re-employed, the unit member shall advance in seniority.
5. Rehired retirees shall not be entitled to participate in the District's group insurance plans. However, to the extent that rehired retirees are not eligible for primary coverage under an STRS health benefits plan, they will be eligible to enroll in the District's health benefits plan on the same terms as other bargaining unit members.
6. The employee will not qualify for tuition reimbursement under Article 12, Section F, or severance pay under Article 12, Section H of the Negotiated Agreement.
7. The provisions of this Article supersede and prevail over any inconsistent terms that may appear elsewhere in this Agreement or in any part of the Ohio Revised Code.

ARTICLE 15 – GENERAL PROVISIONS AND DURATION

A. Waiver of Negotiations

The Board and the Association acknowledge that during negotiations resulting in this contract, each party had the right and the opportunity to make demands and proposals with respect to any matter and that this contract was arrived at by the parties after the exercise of that right and opportunity. The Board and the Association shall voluntarily waive, during the life of this contract, said rights and each agrees that the other shall not be obligated to negotiate with respect to any subject or matter irrespective of whether such matter or subject is specifically referred to or covered in this contract, even though such subject or matter may not have been within the knowledge or contemplation of either or both parties at the time negotiations were being conducted or at the time the party signed this contract. The exercise of the management rights set forth in Article 3 of this Agreement requires neither prior negotiation with nor agreement of the Association.

B. No Strike Clause

The Association and any and all of its members shall not cause, engage in, or sanction any strike, slowdown, or any other such concerted action for the term of this Agreement.

C. Entire Agreement Clause

This contract supersedes and cancels all previous agreements, verbal or written or based on alleged past practices between the Board and Association and constitutes the entire agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.

D. Equal Opportunity Clause

The Board is an equal opportunity employer and will continue to abide by all state and federal equal employment laws. Likewise, the Association will continue to abide by all state and federal equal employment laws. Both parties agree that the private lives of individuals are their own business so long as they do not impact on the school community.

E. Conflict with Law

Consistent with O.R.C. § 4117, the express written terms of this Agreement govern the wages, hours, and terms or other conditions of employment of bargaining unit members and prevail over any conflicting state law. If any provision of this Agreement otherwise conflicts with law, only that provision shall be inoperative, and the remaining provisions hereof shall remain in effect.

F. Impact Bargaining

If during the life of the Master Agreement bargaining is necessary due to impact of new state legislation, the parties shall meet and bargain, pursuant to the procedure of O.R.C. §4117.14(C), with the Association having the right to strike pursuant to O.R.C. §4117.14(D)(2).

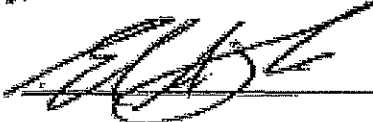

G. Academic Distress

As required by ORC Section 3302.10 (P), the parties incorporate into this contract the provisions of ORC Section 3302.10 regarding academic distress commissions.

H. Duration

This Agreement shall become effective on July 1, 2023, and shall remain in effect through June 30, 2025, so long as the certificate required by R.C. 5705.412 can be executed annually by the required school officials, and from year to year thereafter unless either party gives the other written notice in accordance with Article 1, D.2. of this Agreement.
