Section 17.2 No Lockout. The Township shall not lock out any or all of its employees covered during the term of this Agreement.

ARTICLE 18
CORRECTIVE ACTION

Section 18.1 Administrative Leave. When the Township determines that immediate action is required, the Employer is not prohibited by the terms of this Agreement from placing a member on administrative leave with pay pending investigation and/or pre-disciplinary meeting.

Section 18.2 Pre-Disciplinary Meeting. In the event a member is to be given disciplinary action for behavior or conduct that may warrant a reduction in pay or position, suspension, demotion or removal, a pre-disciplinary meeting between the member and the Fire Chief or his designee will be arranged. The pre-disciplinary meeting will be scheduled not earlier than forty-eight (48) hours after the time the member is notified of the meeting in writing and an outline of the charges against him. The member may have one Union representative present for the pre-disciplinary meeting if he so requests. The member is responsible for notifying the Union representative. Failure to adhere to the above guidelines will deem the pre-disciplinary meeting to be postponed until these guidelines are met.

At the pre-disciplinary meeting, the member may elect to do any of the following: (1) appear at the meeting and present an oral or written statement on his own behalf; (2) appear at the meeting and have his representative present an oral or written statement; (3) in the event the member is physically unable to appear at the meeting, have his representative appear and present an oral or written statement on his behalf; or, (4) elect to waive the opportunity to have a pre-disciplinary meeting. 2024-2026 Agreement Between Berlin Township and IAFF, Local No. 5225

Section 18.3 Discipline for Cause. Non-probationary bargaining unit members shall not be subject to disciplinary action resulting in a reprimand, suspension, reduction in pay and/or rank, or removal except for just cause. Disciplinary action will be carried out in the private and “professional” manner. Discipline will take into account the nature of the violation, the employee’s record of performance and conduct, past disciplinary actions, and other appropriate considerations.

Section 18.4 Progressive Action. Except for instances of non-serious misconduct, forms of disciplinary action will normally be progressive and may include, among others:

- A. Documented Verbal Reprimand;
- B. Written Reprimand;
- C. Suspensions With or Without Pay;
- D. Demotion; and/or
- E. Termination.

For minor, non-serious infractions, the principles of progressive disciplinary action will ordinarily be followed. The commission of multiple minor offenses, whether similar or dissimilar in nature, will progressively result in more severe disciplinary action up to termination. The progressive disciplinary action outlined herein is not designed to cover, and cannot be followed in, every situation. Certain offenses are serious enough to warrant more severe discipline or termination on their first instance. To this end, the Township reserves the right and discretion to deviate from this progression for offenses which are deemed serious enough to warrant such action. For allegations of a serious nature which may result in a suspension without pay, a reduction in pay and/or rank, or removal, the Township may place a member on administrative leave with pay pending a determination on final disciplinary action, if any.

Section 18.5 Grievance. After the pre-disciplinary meeting, the member will be notified of the disciplinary action and the effective date of such disciplinary action. The member may file a written grievance of the discipline that results in a loss of pay in accordance with the grievance procedures set forth in this Agreement. Terminations and other decisions rendered by the Board may be appealed directly to the Trustee Liaison step of the grievance procedure.

Section 18.6 Exclusivity. The grievance procedure established by this Agreement shall be the sole means of appeal of any disciplinary action of a Bargaining Unit member.

Section 18.7 Consideration of Past Discipline. When implementing progressive discipline, the Employer will not consider past discipline that has been disaffirmed by arbitration, the State Employment Relations Board or a Court. Additionally, except for discipline for conduct constituting harassment, discrimination, retaliation, workplace violence, dishonesty, insubordination or other serious misconduct, the Employer will not consider past discipline for

2024-2026 Agreement Between Berlin Township and IAFF, Local No. 5225

purpose of progressive discipline as follows: verbal reprimands more than one (1) year after their issuance, written reprimands more than two (2) years after their issuance, and suspensions more than four (4) years after their issuance. Nothing herein is to be construed as limiting the Township's rights and obligations to maintain employment records consistent with the Ohio Public Records Act.

ARTICLE 19
DRUG AND ALCOHOL TESTING

Section 19.1 Drug & Alcohol Free Workplace. The Township and Union recognize that any use of illegal drugs, or the misuse of other drugs and alcohol by members, would pose a threat to the safety of department personnel and the public, could increase the incidence of on-the-job injuries, interfere with Department operations and negatively impact public confidence in the Department. All employees must report to work unimpaired by alcohol or illegal drugs. Employees may not use, possess, sell, transfer distribute or be under the influence of alcohol or drugs on-duty or on Township property or at work sites, or violate the law regarding these substances. Employee off-duty use of alcohol or legal drugs may not interfere with their work or violate Township policy.

Section 19.2 Grounds for Testing. The Township may subject members to drug or alcohol testing upon reasonable suspicion of impairment, post-accident, or randomly, consistent with Township policy.

Section 19.3 Members Seeking Assistance. Members afflicted with a substance abuse problem are to be encouraged to seek qualified assistance and will not be disciplined solely for seeking assistance for a substance abuse problem.

Section 19.4 Discipline. An employee who is disciplined for violating this Article or the Township's Drug & Alcohol Free Workplace Policy may grieve that discipline under Article 10, Grievance Procedure, of this Agreement.

Section 19.5 Ohio BWC Rebates. If any portion of this Article interferes with the Township securing or maintaining a Drug Free Safety Program rebate, or another rebate, discount or grant through the Ohio Bureau of Workers' Compensation, the Township may reopen this Article for negotiation. If the parties reach impasse, the issue will be presented to an arbitrator selected under Article 10, Grievance Procedure, for final offer settlement procedure. The Arbitrator has the authority to provide a final and binding order as to replacement language for this Article.

ARTICLE 20
TOBACCO FREE WORKPLACE

Section 20.1 Tobacco-Free. It is the policy of the Township to provide a safe, healthy, smoke-free and tobacco-free work environment for all employees and citizens visiting Township facilities. Tobacco and nicotine usage tends to have an adverse impact on employee health and wellbeing, to increase health insurance and other costs. Employees shall not use nicotine or

2024-2026 Agreement Between Berlin Township and IAFF, Local No. 5225

tobacco products at any time, on or off-duty, during the duration of their employment with the Township.

Section 20.2 Tobacco and Nicotine Cessation. Current employees are strongly encouraged to participate in smoking, tobacco, and nicotine use cessation programs sponsored by the Township or other approved programs.

Section 20.3 Testing. Upon reasonable suspicion that a bargaining unit member hired on or after July 1, 2020 is engaging in tobacco and nicotine use, said employee may be subject to reasonable suspicion tobacco and nicotine use testing. Employees may be subjected to reasonable suspicion testing when there is a belief based on objective facts that the employee is engaged in tobacco and nicotine use. Examples of conduct or information that may constitute reasonable suspicion include, but are not limited to: tobacco odor on breath or clothing or lingering after an employee's use of a Township vehicle; the employee's admission of tobacco use; or information obtained from a person with personal knowledge. The Township will make a written record of the circumstances leading to a reasonable suspicion test.

Employees will be returned to their work site at the conclusion of the reasonable suspicion test for tobacco or nicotine use.

Refusals to comply with a request for tobacco testing, submission of false information regarding a test, or attempts to falsify test results through tampering, contamination, adulteration, or substitution, or in any other way attempts to interfere with the test shall be considered a refusal to submit to testing and will be treated the same as a positive test result. Refusal to submit to testing can include an inability to provide a specimen or sample without a valid medical explanation, as well as a verbal declaration, obstructive behavior, or physical absence resulting in the inability to conduct the test.

Section 20.4 Positive Results. Employees who admit to or who test positive for the presence of tobacco or nicotine use will be evaluated by an SAP. An SAP is a licensed or certified physician, psychologist, social worker, employee assistance professional, or addiction counselor. The SAP will evaluate the employee to determine what assistance, if any, the employee needs to resolve their problems associated with tobacco and nicotine use.

After a positive tobacco and nicotine test, employees will be required to undergo treatment for tobacco or nicotine cessation. If an employee is not discharged, they must properly follow the tobacco or nicotine cessation program prescribed by the SAP and may be subject to unannounced follow-up tests for a period of up to five (5) years as determined by the SAP.

After five (5) years from the date of an employee's positive reasonable suspicion test for tobacco and nicotine use, if the employee has not had a second positive tobacco and nicotine use test, the first confirmed positive reasonable suspicion test for tobacco and nicotine use shall be removed from the employee's file upon the request of the employee and shall not be considered in subsequent determination of discipline.

2024-2026 Agreement Between Berlin Township and IAFF, Local No. 5225

Any employee who refuses tobacco or nicotine cessation treatment when required, or fails to comply with the regimen prescribed by the SAP for treatment, aftercare, or return to duty tests, shall be subject to disciplinary action, up to and including discharge. An employee who refuses to comply or to submit to a test may be disciplined pursuant to Article 18 of this Agreement.

ARTICLE 21
FITNESS FOR DUTY

Section 21.1 Fitness for Duty. When the Township has a reasonable basis to question whether an employee is fit for duty the Township may require an employee submit to medical and/or psychological examinations for purposes of determining the employee's physical or mental capability to perform the essential functions of the employee's position. The Fire Chief or Assistant Chief or designee shall select one or more licensed practitioners to conduct the examinations. The Township and the employee shall receive the results of any examination.

The Township shall pay the cost of the examination(s) in accordance with this Article unless the employee fails to appear for the examination(s) without justification, refuses to submit to the examination(s), or refuses to release the results of the examination(s). An employee will be responsible for the costs associated with an unexcused failure to appear at scheduled examination(s) and subject to discipline for insubordination up to and including removal.

If the employee disagrees with the Township's determination, the employee may be examined by a physician of the employee's choice at the employee's expense. GRIEVANCE PROCEDURE

Section 25.1 Grievance Policy. The parties recognize that in the interest of effective personnel management, a procedure is necessary whereby employees can be assured of a prompt, impartial and fair processing of their grievances. The Union and Township understand and agree that the filing of frivolous grievances can be disruptive of good labor-management relations and the Union affirms that it will discourage the filing of frivolous grievances. The Union and the Township agree that they will attempt to discuss the validity of the grievance to determine whether a grievance is frivolous. Any grievance not answered by management within the stipulated time limits shall be considered answered in the negative and may be advanced to the next step in the grievance procedure.

Section 25.2 Grievance Defined. A grievance is a claim based upon the interpretation, application, meaning, or violation of any express provisions of the Agreement, or claim as the result of disciplinary action. For purpose of this Article, a disciplinary action is any reduction in pay and/or position, removal or suspension. Grievances regarding disciplinary action may be initiated at Step 2, except that terminations and other decisions rendered by the Board may be appealed directly to Step 3. A Grievance may be initiated by the Union or an aggrieved bargaining unit member. It is not intended that the Grievance Procedure be used to affect changes or modify this Agreement.

Section 25.3 Contents of Grievance. Grievances must be completed and filed on the forms attached to this Agreement as Appendix A and must contain at least the following information. A Grievance that is not signed by the grievant(s), or that is otherwise lacking in the following information, may be denied on that basis.

- B. Date grievance was first discussed;
- C. Name of supervisor with whom grievance was first discussed;
- D. Date grievance was filed in writing;

Section 25.4 Grievance Procedure Steps. Terminations of employment and other decisions rendered by the Chairperson Board of Trustees may be appealed directly to Step 3 of the grievance procedure within fourteen (14) calendar days of the action giving rise the grievance.

- A. **Step 1 – Assistant Fire Chief.** The grievance shall first be submitted to the Assistant Fire Chief, or directly to the Fire Chief if the position of Assistant Chief is vacant, in writing within fourteen (14) calendar days after the event giving rise to the grievance occurred or was first known to the grievant. The Assistant Fire Chief shall give his answer in writing to the grievance within fourteen (14) calendar days from the date of its submission.
- B. **Step 2 – Fire Chief.** If the answer in Step 1 is not satisfactory to the grievant and/or the Union, or if the position of Assistant Chief is vacant, the grievance may then be submitted in writing hand-delivered to the Fire Chief within fourteen (14) calendar days after the date the Step 1 response was issued or was required to be issued. The Fire Chief shall schedule a meeting with the grievant and Union within fourteen (14) calendar days to discuss the grievance and will give his answer to the grievant and/or union in writing within fourteen (14) calendar days from the date of the meeting.
- C. **Step 3 – Trustee Liaison.** If the answer in Step 2 is not satisfactory to the grievant and/or the Union, the grievance may then be submitted in writing hand-delivered to the Trustee Liaison within fourteen (14) calendar days after the date the Step 2 response was issued or was required to be issued. The Trustee shall schedule a meeting with the grievant and Union within fourteen (14) calendar days to discuss the grievance and will give his answer to the grievant and/or union in writing within fourteen (14) calendar days after the meeting.
- D. **Step 4 – Chairperson of the Board of Township Trustees.** If the answer in Step 3 is not satisfactory to the grievant and/or the Union, the grievance may then be submitted in writing hand-delivered to the Chairperson of the Board of Trustees, or the Department's Trustee Liaison, within fourteen (14) calendar days after the date the Step 2 response was issued or was required to be issued. Upon receipt of the grievance, the Chairperson shall, within fourteen (14) calendar days, meet with the employee and/or designated representative of the Union in an attempt to resolve the grievance. If the Chairperson is also the Department Liaison, the matter will proceed to the Vice Chairperson. Within fourteen (14) calendar days of such meeting the Chairperson shall either deliver his answer denying the grievance if he agrees with Step 3 Response, or will submit the issue to the Board of Trustees, who shall schedule a meeting within fourteen (14) calendar days thereafter and respond. The Step 4 response will be delivered to the grievant and/or Union in writing.

2024-2026 Agreement Between Berlin Township and IAFF, Local No. 5225

- E. **Step 5 – Arbitration.** If the Union is not satisfied with the Step 2 response, within twenty-one (21) calendar days after that response, the Union may submit a notice to the Township of intent to proceed with the grievance to arbitration. The Arbitrator shall be selected in the following manner: The parties shall submit a written request to the Federal Mediation and Conciliation Service to submit a panel list of seven (7) arbitrators from Ohio. The parties shall alternately strike the names of the Arbitrators until only one (1) name remains. Either party may reject the list once for each grievance, and request from FMCS another list of seven (7) names, until a mutually agreed-upon arbitrator is selected. The parties may, at any time, mutually agree to an alternate arbitration service or method of selection of an Arbitrator.

The Arbitrator will conduct a hearing, following which he or she will make a written award that shall be final and binding on both parties. The Arbitrator shall not have the authority or power to add to, subtract from, disregard, alter, or modify any of the terms or provisions of this Agreement. The Arbitrator shall expressly confine himself or herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue not so submitted. The Arbitrator shall not change wage rates already in effect pursuant to this Agreement. The Arbitrator shall hear only one (1) grievance at a time unless both parties agree to consolidate two (2) or more grievances. The issue of arbitrability may be submitted to the Arbitrator before the merits of the grievance are heard.

The costs of the services of the Arbitrator, the fee of the Arbitrator and the Arbitrator's housing and lodging, if any, shall be paid by the losing party. The expense of any non-employee witnesses shall be borne, if at all, by the party calling that witness. The requesting party shall be responsible for paying court reporter fees; however, such fees shall be split equally if both parties desire a reporter or request a copy of the transcript.

Section 25.5 Class Grievances. A class grievance is a grievance concerning two or more bargaining unit members. A class grievance must be signed by all members participating in the grievance. Class grievances may be initiated by the members or the Union at Step 3 of the Grievance procedure, subject to the time limits of Step One.

Section 25.6 Indemnification. The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits, or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the Bargaining Unit during the exercise of his rights as provided by the grievance and arbitration procedure contained in this Agreement.

Section 25.7 Extensions. Extension of the timelines herein may be allowed with written request and approved by both parties.

For purposes of Section 7k of the Fair Labor Standards Act, the work period for platoon member will be fourteen (14) consecutive workdays of 106 hours worked during that work period.

The Township may assign members hired after January 1, 2020 to work a rover position, not placed on a platoon schedule, not to exceed 2 years from the date of assignment. During this assignment, members may be assigned to a work schedule as determined by the Township to cover gaps in scheduling and leaves of absence across all platoons. The roving member will be assigned at least 96 hours per each 14-day work period.

Section 26.3 Overtime. Overtime pay for members shall be calculated in accordance with the Fair Labor Standards Act. Platoon members will be entitled to overtime pay at one and one-half their regular rate for all hours worked in excess 106 hours in the 14-day work period. During 14-day work periods in which a member is regularly scheduled to work 96 hours, members are entitled to overtime pay at one and one-half their regular rate for all hours worked in excess of 96 hours. There will be no pyramiding of overtime.

For purposes of calculating eligibility for overtime pay, a member's actual hours worked as well as time on vacation or compensatory time, will be counted.

Section 26.5 Unauthorized Overtime. No employee may work overtime without prior express approval from their supervisor or Department Head. Unauthorized overtime will result in disciplinary action up to and including termination of employment.

An employee who has accumulated compensatory time to his credit may elect to be paid for some or all of the hours in his comp time bank at the last pay period in November, paid at straight time at the hourly rate in effect at the time of payment, one hour of pay for each one hour deducted from the comp time bank, or may elect to carry-over the unused comp time to the next year. In no event shall the total number of comp time hours in an employee's bank exceed four hundred eighty (480) hours. Comp time may be taken by forty (40) hour members in four (4) hour increments. Comp time may be taken in the following increments for 53-hour members, and must be requested 72 hours in advance, except as approved by the Fire Chief:
