Section 2. The Employer and the Union recognize the rights of employees to join, assist, or participate in the Union and lawful concerted activities, and the right of employees to refrain from joining, assisting, or participating in the Union and lawful concerted activities. Any such meeting will not exceed fifteen (15) minutes and the Chairperson/designee will not suffer any loss of pay for informational meetings conducted during his regular duty hours.

Section 2. It is understood that in consideration of the decision in *Janus v. Additional leave may be granted at the discretion of the Chief of Police, with such leave being chargeable to sick leave, in accordance with the provisions of that article.

Section 2. Military Leave.

- A. Any employee who is an active member of the Ohio organized militia or a member of another reserve component of the armed forces of the United States, including the Ohio National Guard, is entitled to a leave of absence with pay for performance of service in the uniformed services as defined in Section 5923.05 of the Ohio Revised Code (ORC). - C. Starting Rate on Return From Military Service. Any employee who has been honorably discharged from the Armed Forces, and is subsequently reinstated to a position previously held by him/her, shall be entitled to receive compensation at the rate corresponding to the same grade and step when he/she originally entered the service, in addition to any increases which would have accrued to the position had the employee been in active service with the Employer.

If such examination indicates that the employee is unable to perform the essential functions of the position, the employee will be placed on sick leave and/or medical leave.
- C. The validity of medical evidence supplied by an employee may be subject to review by a physician designated by the City. The cost of any examination or review required by the Employer shall be borne by the Employer. If a conflict exists, the employee may seek a third opinion, with the cost borne by the employee.

- D. If the illness or disability continues beyond six (6) months, the employee may be granted up to an additional six (6) months of unpaid medical leave, at the discretion of the Employer, and provided the employee timely supplies medical documentation justifying the need for the leave, inclusive of a probable date of return to work.
- E. An act of an employee who has been granted a medical leave, which is determined by the Employer to be inconsistent with the reason for the leave, may subject the employee to an Employer-required medical examination, a cancellation of the leave, and disciplinary action.

ARTICLE 13
HEALTH COVERAGE/LIFE INSURANCE

Section 1. For the term of this agreement, the Employer agrees to provide bargaining unit employees the same medical insurance (health plan) as provided to other City employees under a group insurance plan. The City shall offer a base plan, and beginning in 2025, may offer additional alternative plans, including HSA and HRA options. Such group insurance may be provided through a self-insured plan or an outside provider. Cost containment measures may be adopted by the Employer in consideration of projected costs, market availability of coverages, and utilization. The City shall meet and confer with the Unions (all recognized bargaining units) regarding health care providers and levels of coverage, but the City shall make the final determination if a consensus is not reached.

Section 2. The City agrees to pay eighty percent (80%) of the premium/contribution costs for health coverage for each eligible full-time employee enrolled in any of the health coverage plans offered by the City.

The election of single or family coverage rests with the eligible bargaining unit employee. Each eligible bargaining unit employee electing single or family coverage shall pay 20% of the monthly premium/contribution costs.

Section 3. Any full-time bargaining unit employee may waive health plan coverage and be paid one hundred twenty dollars (\$120.00) per month in lieu of such coverage. The waiver must be requested, in writing, to the Finance Director thirty (30) days prior to the beginning of any billing cycle. Applicable waiver amounts are payable by the City to the applicable employee(s) in June and December of each year. Employees may elect to enroll in the health plan by submitting prior written notification to the Finance Director. Health coverage will commence with the applicable date following the next open enrollment period. At the time of actual enrollment, the employee shall forfeit the waiver. Notwithstanding the provisions above, if a change of status occurs (see Appendix B), an employee may elect to enroll in the health plan by submitting prior written notification to the Finance Director, and coverage shall commence in accordance with the terms of the plan.

Section 4. The City, at its sole cost and expense, shall provide each full-time employee with group life insurance coverage in the face amount of thirty thousand dollars (\$30,000).

Section 5. Where an employee is on personal sick leave, his medical insurance premiums will be paid as provided above and medical insurance continued for the duration of his receiving payments for accumulated sick leave and vacation time. Where an employee continues to be disabled, due to a line of duty illness or injury, after using sick leave and vacation time, medical insurance costs as provided above will be paid by the City for up to three (3) additional months of disability. Upon exhaustion of those benefits, medical insurance may be continued as provided by statute at the option of the employee by his paying the full premium cost directly to the City of Avon.

Section 6. Employees may make a change in their election for health plan coverage as permitted by the Health Plan.

Section 7. The Employer is amenable to the establishment of a Health Care Review Committee (HCRC) consisting of one (1) voting representative and one (1) alternate from each of the recognized Unions (i.e., OPBA, IAFF, AFSCME, FOP/OLC, and TEAMSTERS) and four (4) voting representatives and four (4) alternates from the Administration. The parties recognize that all of the recognized unions must agree to participate and abide by the terms set forth herein in order for the HCRC to be effective.

The HCRC shall meet to review health care utilization and options, and to make recommendations for cost containment provisions/coverage modification to the Mayor. Any recommendation(s) submitted by a three-fourths (3/4) vote of the HCRC and approved by the Mayor will be implemented.

ARTICLE 14 **PROFESSIONAL LIABILITY INSURANCE**

Section 1. The City shall indemnify each full-time employee for professional liability while operating within the scope of employment. This indemnification shall protect the member from liability which may arise in the performance of his law enforcement duties unless one of the following applies:

- B. His acts or omissions were with malicious purpose, in bad faith, or in wanton or reckless manner.

The parties agree that this indemnification shall apply only while the employee is on active full-time working status.

The parties agree that the City shall defend charges noted in exceptions (A) and (B) above. There will be no indemnification for any judgment where such charges are determined to be true and insurance coverage of the City does not provide indemnification.

ARTICLE 15
MANAGEMENT RIGHTS

Section 1. Not by way of limitation of the following paragraph, but to only indicate the type of matters or rights which belong to and are inherent to the Employer, the Employer retains the right to:

During the probationary period, the employee may be removed or reduced without restriction at the discretion of the Employer. Probationary reductions and/or removals are not subject to the grievance procedure.

ARTICLE 18

However, the Employer's monetary reimbursement obligation for repair or replacement of the following articles shall not exceed the maximums set forth below:

ARTICLE 19 **WORK WEEK/SCHEDULED HOURS**

Section 1. For the purpose of this agreement, a work day shall normally consist of eight (8) scheduled consecutive hours in a twenty-four (24) hour period commencing with the start of a shift. A normal work week for full-time employees shall normally consist of forty (40) scheduled hours within a calendar week. The "work week" schedule shall include two (2) consecutive days off except to accommodate training needs/adjustments. This article is intended to define the normal range of work hours for regular full-time employees. Schedule requirements may on occasion result in shift assignment wherein a member has eight (8) off hours separating two (2) scheduled shifts. Such shift assignments shall be considered as separate work days and paid at straight time rates, where such shift assignment is part of a standard shift schedule, or results from changing to a new schedule.

Section 2. Compensation for regularly scheduled eight (8) hour days shall be at a straight rate of pay.

Section 3. An employee who is called in to work at a time which does not abut his scheduled work hours shall receive a minimum of four (4) hours work, or four (4) hours pay, at the applicable rate of pay. This provision shall not apply to any schedule change(s) or scheduled overtime. An employee who attends a Departmental staff meeting, either when called in by the Chief of Police or when notice of the meeting is posted less than seventy-two (72) hours in advance, shall receive a minimum of two (2) hours work or two (2) hours pay at the applicable rate of pay. Unworked minimum call-out hours shall not apply for purposes of overtime computation; however, an employee shall be compensated at the highest of either the actual hours worked or the minimum call-out hours.

Section 4. Any actual hours of work in excess of forty (40) hours in a work week shall constitute overtime. Compensable time (holidays, vacation days, compensatory days, and actual duty hours) shall be considered as time worked for the purposes of computing overtime. Overtime shall be compensated at one of the following rates as applicable:

- A. Time and one-half (1 1/2) for all hours of work in excess of eight (8) in one (1) work day, or forty (40) hours of work in a work week.
- B. Double time for all hours of work in excess of twelve (12) consecutive hours in a work day.

- C. Double time for hours worked during scheduled vacation when an employee is called out and required to report to work by the Employer. In such case, the employee will receive the double time for a minimum of four (4) hours or the actual number of hours, whichever is greater. Days off abutting a full work week of requested time off, i.e., vacation, compensatory time, or holiday time, shall be considered "vacation" for purposes of this provision.

Section 5. At their option, employees may elect to take overtime compensation in the form of pay or compensatory time off. Conversion of overtime to compensatory time is available for whole hour increments only. Employees may not accrue nor use more than one hundred and twenty (120) hours of compensatory time at any one time or use more than one hundred and twenty (120) hours in any calendar year. If an employee does not indicate an election for compensatory time, or has an accumulation of the maximum number of compensatory hours, the employee shall be paid for the overtime. Requests for overtime compensation or compensatory time shall be made within the same work period the overtime was earned. Compensatory time off shall be scheduled in advance at the request of the employee subject to the approval of the Chief and operational needs. A time off request using compensatory time shall be approved or denied within the eight (8) calendar day period following receipt of the written request. If the immediate supervisor is absent for the first week of the request period, the request should also be submitted to the Captain/designee.

An employee may convert compensatory time to "cash" in an amount not to exceed forty (40) hours in any calendar year. Conversion must be requested in writing to the Chief/designee and the Department of Finance at least two (2) weeks in advance. Compensatory time conversion to cash may occur only in June and/or December of the calendar year.

Section 6. Premium or overtime compensation shall not be paid more than once for the same hours worked.

Section 7. Tentative work schedules will be posted twenty-eight (28) calendar days in advance recognizing the right of the Employer to adjust the schedule, following posting, as necessary.

The Employer may also adjust the schedule as determined necessary once the time period for submitting vacation requests has elapsed.

Section 8. Employees may request to trade shifts with another employee in the same classification with such requests normally being for a single work day and the same amount of hours. Requests will be approved or denied within the seven (7) calendar day period following the date of submission of the request. The trading of shifts shall occur within the same pay period and shall not result in overtime.

ARTICLE 20 **HOLIDAYS**

Section 1. The following ten (10) days are hereby declared designated holidays for the employees:

- | | |
|---------------------------------|---------------------|
| 1) New Year's Day | 6) Labor Day |
| 2) Martin Luther King Day | 7) Columbus Day |
| 3) Police Memorial Day (May 15) | 8) Thanksgiving Day |
| 4) Memorial Day | 9) Easter |
| 5) Independence | 10) Christmas Day |

In addition to the designated holidays set forth above, each bargaining unit employee shall be eligible for three (3) floating holidays per year (one of which is in consideration of the employee's birthday).

Section 2. The floating holidays will be credited to each employee in January of the applicable calendar year. The date of said holiday will be at the discretion of the employee, with the consent of the appropriate supervisor. A newly hired employee will have floating holiday time prorated based upon full months remaining in the applicable calendar year, and such time shall be reconciled if the employee leaves the service of the City prior to the end of the calendar year.

Section 3. In consideration of the designated holidays in Section 1 above, bargaining unit employees who have completed one (1) year of service or more will be afforded eighty (80) hours of holiday time in January of each calendar year. Employees with less than one (1) year of service as of January 1 of the applicable calendar year shall receive holiday time on a pro-rated basis.

All holiday time shall be scheduled and taken with the approval of the appropriate supervisor and the Chief. Time off requests using holiday time shall follow the language outlined in Article 26 Section 2B. Holiday time not used, up to a maximum of eighty (80) hours per year, shall be paid in the first pay of December of the applicable calendar year, except that an employee may submit a holiday(s) for pay (not to exceed a cumulative total of eighty hours per year) during the pay period in which a holiday falls, provided notice is given to the City within the applicable pay period.

Section 4. If an employee is required to work on any of the designated holidays listed in Section 1 above (to exclude the floating holidays), he shall be entitled to premium pay for all hours of such time worked at one and one-half (1 1/2) times his regular base rate of pay. If an employee volunteers to work excess/overtime hours beyond his regular work schedule, is scheduled in, called in, or mandated in to work excess/overtime hours beyond his regular work schedule, or is called into work early or held over on New Year's Day, Easter Sunday, Independence Day, Thanksgiving Day, or Christmas Day, he will be compensated double time and one-half (2 1/2) for actual hours worked.

The selection of holiday pay or holiday compensatory time shall be at the discretion of the employee in accordance with the limitations set forth in Section 3 above, and such notice shall be given to the City within the pay period such holiday is worked.

Holiday pay does not count as "compensable time for purposes of overtime computation as addressed in Article 19, Section 4, of this agreement; holiday compensatory time does count as "compensable time." There shall be no pyramiding of overtime/premium pay.

Floating holidays days shall be used in the year earned, or lost, and may not be carried over into the next year.

Should an employee leave the service of the Employer prior to December 31 of the applicable calendar year, holiday time shall be reconciled, and the employee shall be charged for any holiday time taken in excess of the holidays that have actually occurred prior to separation.

ARTICLE 21 **SICK LEAVE**

Section 1. Computation. Each full-time employee shall be credited with sick leave with pay in the amount of one and one-fourth (1 1/4) work days (ten [10] hours) for each completed month of service. Each full calendar month of service shall be deemed a completed month of service.

Section 2. Unused Sick Leave. Unused sick leave shall be cumulative.

Section 3. Allowance Of Sick Leave. An employee eligible for sick leave with pay may use sick leave only for absence due to illness, injury, exposure to contagious disease which could be communicated to other employees, and illness or death in the employee's immediate family. An employee on sick leave shall inform his immediate supervisor of the fact and the reason therefore as soon as possible, and failure to do so within at least one (1) hour prior to the start of the shift, unless emergency conditions exist, may be cause for the denial of sick leave with pay for the period of absence. Any employee fraudulently obtaining (or attempting to obtain) sick leave shall be disciplined. Excessive or patterned use of sick leave shall also be just cause for discipline.

Section 4. Fractional Days. Absence for a fraction or part of a day that is chargeable to sick leave in accordance with these provisions shall be charged proportionately in an amount not smaller than one-half (1/2) hour.

Section 5. Required Reports. The use of paid sick leave, in excess of three (3) days, for the reason of any illness or injury, may require a written statement by a reputable physician certifying that the employee's condition prevents him from performing the duties of his position. If illness or injury continues more than seven (7) calendar days, weekly written reports from the physician must be presented. In lieu of the physician's written reports, a written statement by the Chief of Police will be accepted.

Section 6. Sick Leave Credit. An employee who is laid off from his position and is reappointed or subsequently recalled shall have available to him any unused sick time that existed at the time of the layoff. Any employee who transfers to the Police Department from another department of the City of Avon shall be credited with the unused balance of his accumulated sick time.

Section 7. Sick Leave Conversion. An employee may convert sick leave, in excess of ninety (90) days, into vacation leave at the rate of one (1) vacation day for each sick day, up to a maximum of five (5) vacation days per year. Requests to convert sick leave must be submitted within the month of January of each year.

Section 8. Payment Upon Retirement. All sick leave days which have accrued at the retirement date of the full-time employee shall be paid at a ratio of one (1) day for each two (2) days earned up to a maximum of nine hundred sixty (960) hours of pay. The rate will be that of the full-time employee at time of retirement. There is unlimited accumulation of sick leave.

To be eligible under this section, the employee must have worked full-time with the City of Avon for ten (10) years or more and shall have attained an age and service requirement under the employee's pension system and shall have been approved for service retirement, or be granted a disability pension by the Public Employee Retirement System as the result of a service connected disability.

ARTICLE 22
PAYMENT TO THE ESTATE UPON DEATH

Section 1. When a full-time employee has earned regular pay, holiday pay, vacation pay, or sick pay, or compensatory time, and dies before receiving payment for same, his estate shall receive the pay which has accrued.

ARTICLE 23
ACCIDENT INSURANCE

Section 1. The City will pay the monthly premium for accidental death, dismemberment, loss of sight, and permanent disability insurance to the Ohio Municipal League Group Accident Plan. Additional amounts of insurance may be purchased at no cost to the City, with the yearly premium payable in advance. This benefit shall apply to all full-time employees.

ARTICLE 24
DISCIPLINE

Section 1. The tenure of every employee subject to the terms of this agreement shall be only during good behavior and efficient service. The Employer may take disciplinary action against any employee in the bargaining unit only for just cause. Forms of disciplinary action are:

A. Instruction and cautioning (documented oral warning).

In lieu of Instruction and cautioning, a member may receive a counseling statement directed to correct a work deficiency or to improve work performance. Counseling statements will be retained for no more than one (1) year from the date of issuance by either the Chief or a supervisor, outside of the member's personnel file. Counseling statements shall cease to have any further force and effect for future disciplinary action no later than one (1) year from the date of issuance or when the Police Department has official knowledge of the incident which gave rise to the counseling/discipline, whichever is later, provided that no further repeated or related offenses have occurred resulting in disciplinary action; however, such counseling statements may be used within one (1) year of issuance

for performance evaluation purposes. Counseling statements are subject to removal from the Chief's or other supervisor's files one (1) year after issuance; however it shall be the individual member's responsibility to review the files and identify the documents subject to removal.

- B. Written reprimand.
- C. Suspension without pay. (At the option of the Employer, or at the request of the employee, and with the concurrence of the Employer, accrued vacation or holiday time may be forfeited equal to the length of the suspension, or a portion thereof. Record of suspension will be maintained.)
- D. Reduction in pay and position (demotion).
- E. Discharge.

Section 2. Whenever the Employer determines that an employee may be suspended, demoted, or discharged for just cause, a predisciplinary hearing will be scheduled to give the employee an opportunity to offer an explanation of the alleged misconduct. A notice of the predisciplinary conference shall be provided to the employee and shall contain a general description of the alleged misconduct. The employee shall have the right to have a Union representative present at the conference if he so desires. When possible, the date and time of the predisciplinary conference may be extended to accommodate a desired Union representative. If immediate attention is required, an alternate representative will attend. In any event, predisciplinary hearings shall be completed within thirty (30) calendar days from presentation to the employee of the notice of alleged misconduct. A written report will be prepared by the hearing officer concluding whether or not the alleged misconduct occurred. The Employer will decide what discipline, if any, is appropriate. A copy of the hearing officer's report will be provided to the employee, and the Union representative if applicable, within fourteen (14) calendar days following the close of the hearing. Any resulting disciplinary action will be issued within forty-five (45) calendar days of the receipt of the hearing officer's findings.

Section 3. Disciplinary action involving a reduction in pay or position may be appealed through the grievance procedure set forth herein. Disciplinary actions resulting in a reduction in pay and/or position must be filed at the Mayor's level of the grievance procedure within ten (10) calendar days of the receipt of the notice of discipline to the employee. Receipt will be deemed to have occurred three (3) calendar days from the date of mailing, or at the time of hand delivery.

Section 4. Any employee under indictment or arrested for a crime of moral turpitude who is not disciplined or discharged by the Employer shall be placed on a leave of absence with pay until resolution of the court proceedings. An employee may use accrued vacation or holiday time during the leave. An employee found guilty by the trial court shall be summarily discharged. An employee found not guilty of the charges may be returned to work or placed on administrative leave and shall have any vacation or holiday time used restored to his credit, and may be subject to disciplinary action if such action was held in abeyance. The Employer shall continue to pay the

Employer's share of the health premium/contribution during the leave of absence; however, if the employee is summarily discharged, the amount of such premium/contribution shall be reimbursed to the City by the employee.

Predisciplinary hearings will be conducted by a representative of the Employer (hearing officer). The employee may choose to:

- A. appear at the hearing to present oral or written statements in defense;
- B. or appear at the hearing and have two (2) chosen representative(s) present oral or written statements in defense of the employee;
- C. or elect in writing to waive the opportunity to have a predisciplinary hearing.

Failure to elect and pursue one of these three (3) options will be deemed a waiver of the employee's rights to a predisciplinary hearing.

At the predisciplinary hearing, the hearing officer will ask the employee or his representative to respond to the allegations of misconduct as outlined to the employee. At the hearing, the employee or his representative may present any testimony, witnesses, or documents which explain whether or not the alleged misconduct occurred. The hearing officer may request the employee to respond directly to any inquiry. The employee shall provide a list of witnesses and the name of his representative, if any, to the Employer as far in advance as possible, but no later than eight (8) hours prior to the predisciplinary hearing. It is the employee's responsibility to notify his Union representative and witnesses that he desires their attendance at the hearing.

Section 5. Any suspension imposed shall not be deducted from the employee's seniority date.

Section 6. Any investigations, interviews, and disciplinary procedure shall be conducted in a professional manner. Discipline and/or corrective action shall be conducted in a private manner and not in the presence of the employee's co-workers or the public.

Section 7. The employee shall, at his request, have the right to have a Union representative present at any investigation or interview where the employee reasonably believes disciplinary action may result. If the Union representative is not available immediately, the Employer and the Union representative shall attempt to agree to a time reasonable for both parties, or an alternate Union representative will be assigned by the Union.

Section 8. File Review. The employee may request his personnel file upon a written request; such request must be submitted five (5) days prior to the date of review.

Should an employee, upon review of his personnel file, observe materials of a negative or derogatory nature, the employee may provide a written and signed comment or rebuttal, and such response shall be attached to the material in question. The comments or rebuttals shall remain in the file with the adverse material.

Section 9. Media. When a department member is charged with or is under investigation for alleged violations of departmental rules and regulations, reasonable efforts consistent with applicable law shall be made to withhold publication of the officer's name and the extent of the disciplinary action taken or contemplated until such time as final inter-departmental ruling has been made and served upon the officer. If any of the aforementioned are leaked to the media, it will not negate the Employer's right to proceed with the matter at hand.

Release of photographs or personal information about any officer in relation to departmental matters shall not be provided to any news or related service without consent of the subject officer.

Members of the bargaining unit shall be notified of third party requests to review their files.

Section 10. Cease To Have Force And Effect. Written reprimands and warnings shall cease to have force and effect one (1) year from the date of the discipline provided no other disciplinary action of a like nature has occurred during that period.

Suspensions or demotions shall cease to have force and effect five (5) years after the date of the discipline provided no other disciplinary action of like nature has occurred during the period.

Section 11. Disciplinary action which exceeds the time limits and parameters set forth in Section 10 above shall cease to have force and effect and will not be considered for purposes of progressive discipline.

Pre-hire investigative reports shall be maintained in a separate file. The parties recognize the obligation of the Employer to comply with the provisions of Ohio's Public Records Law.

ARTICLE 25 **GRIEVANCE PROCEDURE**

Section 1. The grievance procedure is a formal mechanism intended to assure that employee grievances arising from misunderstandings that may develop in the administration of this agreement are promptly heard, answered, and appropriate action taken to correct a particular situation.

Section 2. The term grievance shall mean an allegation by a bargaining unit employee or the Union that there has been a breach, misinterpretation, or misapplication of the express terms of this agreement. Unsafe or unhealthy working conditions not acted upon in accordance with the provisions of Article 5 may be processed at Step 3 within fifteen (15) days of the written report to the Chief.

Section 3. A grievance, under this procedure, may be brought by any employee or the Union. Where a group of employees desires to file a grievance involving a situation affecting each member in the same manner, one member selected by such group or the Union may process the grievance.

Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Union, provided that the adjustment is not inconsistent with the terms of this Agreement. If any grievance is adjusted without formal determination, pursuant to this procedure, such adjustment shall be final and binding upon the parties. Any agreement reached under this section will be reviewed in future considerations, on a case-by-case basis.

Section 4. A grievance is barred unless it is presented at Step 2 within thirty (30) calendar days of the actual event giving rise to the grievance.

Section 5. All grievances must be processed at the proper step in the progression in order to be considered at the subsequent step.

Any employee may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements to lapse without further appeal.

Any grievance not answered by management within the stipulated time limits shall be considered to have been answered in the negative and may be appealed to the next step of the grievance procedure.

Section 6. The Labor Council agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits, or other forms of liability that may arise out of any determination that the Labor Council failed to fairly represent an employee during the exercise of his rights as provided by the Grievance and Arbitration Procedure contained herein.

Section 7. A grievance shall be submitted in writing and shall contain the following information:

- A. aggrieved employee's name;
- B. aggrieved employee's classification;
- C. name of the employee's immediate supervisor;
- D. date and time of the incident giving rise to the grievance;
- E. date and time the grievance was first discussed;
- F. a statement as to the specific articles and sections of the agreement violated;
- G. a brief statement of the facts involved in the grievance; and
- H. the remedy requested to resolve the grievance.

Section 8. The time limitations provided for in this article may be extended by mutual written agreement between the Employer and Labor Council. Working days, as used in this article, shall not include Saturdays, Sundays, or holidays.

Section 9. The following procedure shall be utilized for handling an employee's grievance:

A. Step 1 – Informal

Prior to filing any written grievance, the grievant must attempt to resolve it informally with the Captain or Chief in the absence of the Captain.

B. Step 2 – Formal

Any grievance that is not resolved in the informal level must be presented, in writing, to the Chief of Police within ten (10) calendar days of the occurrence of the alleged grievance. The Chief of Police may hold a meeting to discuss such grievance and shall provide an answer to the grievant within one (1) week after its receipt.

C. Step 3 – Director of Public Safety

If the grievant is not satisfied with the resolution at Step 2, he may appeal to the Director of Public Safety or designate, in writing, within one (1) week after receipt of the Step 2 answer. The Director of Public Safety or designate shall hold a meeting with the grievant within one (1) week after receipt of the grievance and shall answer the grievance in writing within one (1) week of such meeting.

D. Step 4 – Mayor

If the aggrieved party is not satisfied with the written decision at the conclusion of Step 3, a written appeal of the decision may be filed with the Mayor within five (5) days from the date of the rendering of the decision in Step 3. Copies of the written decisions rendering of the decisions shall be submitted with the appeal. The Mayor or his designee shall convene a hearing within ten (10) days of the receipt of the appeal. The hearing will be held with the aggrieved party, his representative, and any other party necessary to provide the required information for the rendering of a proper decision. The Mayor or his designee shall issue a written decision to the employee, with a copy to the employee's representative, within fifteen (15) days from the date of the hearing. If the aggrieved party is not satisfied with the decision at Step 4, he may proceed to mediation and/or arbitration pursuant to the procedures set forth in Step 5 and Step 6 below.

E. Step 5 – Mediation

If the grievance is not resolved, the Union or the Employer may submit the Grievance to mediation. The grievance will move with agreement of both the Union and Employer. The request to submit a grievance to mediation must be received by the non-requesting side within ten (10) days of Step 4 decision. The grievance will be held in abeyance until such time mediation is completed. The mediation will be deemed completed when an agreement is accepted or either party notifies the other in writing of their intention to no longer participate in the mediation process.

If the Grievant does accept the settlement in Mediation, the grievance will be considered resolved and dismissed with prejudice. If the Grievance is not satisfied, they shall then have the option to proceed to Step 6.

F. Step 6 – Arbitration

If the grievant is not satisfied with the resolution at Step 4, he may request that the Labor Council file a request for arbitration. The Labor Council must file such request within thirty (30) working days of the Step 4 decision with the Mayor or designate. A request to the Federal Mediation and Conciliation Service (FMCS) for a list of nine (9) arbitrators from Ohio must be submitted simultaneously with the request submitted to the Mayor.

Within fourteen (14) calendar days of receipt of the list of arbitrators, each party shall rank the list by striking any name to which it objects and ranking the remaining names by number to indicate the order of preference (number one [1] being the first choice) and shall return the ranked list to the FMCS.

Prior to ranking, either party shall have the option to reject the list of names provided by the FMCS and request another list. Each party may strike up to two (2) lists.

The Federal Mediation and Conciliation Service shall assign an arbitrator based upon the ranking of the parties (arbitrator with the lowest combined ranking) and shall notify the parties of the arbitrator assigned to the grievance. The arbitrator shall arrange with the parties the date, time, and place of the meeting.

The cost of the arbitration shall be split equally between the parties.

The decision of the arbitrator shall be final and binding on the parties.

The arbitrator shall limit his decisions strictly to the interpretation or enforcement of the specific articles and sections of this agreement, and he shall be without power or authority to make any decision:

1. contrary to or inconsistent with or modifying or varying in any way the terms of this agreement or of any applicable laws;
2. limiting or interfering in any way with the powers, duties, or responsibilities of the Employer under applicable law; limiting or interfering in any way with the powers, duties, or responsibilities of the Avon City Council under its rule making powers not inconsistent with this agreement;
3. contrary to, inconsistent with, changing, altering, limiting, or modifying any practice, policy, rules or regulations presently or in the future established by the Employer so long as such practice, policy, rules and regulations do not conflict with this agreement;

4. implying any restrictions or condition upon the Employer from this agreement, it being understood that, except to such restrictions or conditions upon the Employer as are specifically set forth herein, or are fairly inferable from the express language of any article and section hereof, the matter in question within the exercise of rights set forth in the article of this agreement entitled "Management Rights;"
5. providing agreement for the parties in those cases where, by their contract, they may have agreed that future negotiations should occur to cover the matter in dispute;
6. granting any right or relief of any alleged grievance occurring at any time other than the contract period in which such right originated.

The question of arbitrability of a grievance may be raised by either party before arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.

ARTICLE 26 **VACATION**

Section 1. Amount Of Vacation Pay. The amount of vacation pay in the case of bargaining unit employees shall be computed and compensated based upon a forty (40) hour work week.

Section 2. Vacation Scheduling.

- A. During the period of December 1 through December 31 (preference period), employees shall submit to the Employer vacation leave preference requests for the following calendar year (i.e., January 1 through December 31 of the following year). The first round of picks for the preference period will be for up to eighty (80) hours of time at the employee's discretion. Employees will have seventy-two (72) hours to pick each round. Vacation preference requests shall be awarded based upon seniority and operational and scheduling requirements as determined by the Employer.

Vacation leave may be utilized in increments of eight (8) hours per scheduled work day, subject to operational and staffing needs; except that two (2) weeks of vacation must be used in full week blocks, the remainder may be used in single day increments. Requests for less than four (4) hour increments may be granted at the discretion of the Chief of Police. Vacation preference requests for a full week (seven [7] consecutive calendar days) will be given preference over single day requests or requests of less than one (1) week.

- B. Non-preference leave requests not listed in Article 26 Section A may be submitted at any time by the employee but will not reviewed by the Employer until thirty (30) days prior to the requested leave. The request will then be approved or denied within eight (8) calendar days following the request or thirty (30) days prior to the leave request, whichever date is later. Non-preference leave requests shall be granted on a first come first served basis. However, in the event of more than one request being submitted on the same day, for the same dates, the employee with the most seniority shall prevail for the dates requested, except that requests for a full week, (seven [7] consecutive calendar days), of leave, or more, will be given preference, irrespective of seniority.

Section 3. Compensation.

- A. The employee shall accumulate one (1) day (computed at eight [8] hours) for each full calendar month worked during each of the first five (5) consecutive years of service to a maximum of eighty (80) hours each calendar year. Vacation, holidays, sick days, compensatory time, or any time a member is in an active pay status shall be considered as time worked for the vacation computation.
- B. After five (5) years of continuous service, one hundred twenty (120) hours will be given, plus thereafter one (1) additional day (computed at eight [8] hours) for each additional full year of service to a maximum of one hundred sixty (160) hours; after twenty (20) years of continuous service, two hundred (200) hours will be given.
- C. Vacations earned shall be taken within one (1) year from the calculation date, except that each employee shall be able to bank eighty (80) hours of vacation time which must be used during the following calendar year.
- D. The vacation calculation date shall be December 31 of each year. All vacations credited in the current year will be calculated on the basis of the months or years of continuous full-time service completed on December 31 of the preceding year. Vacation time will be credited in January and must be used by December 31 of the calendar year in which it is credited, or banked in accordance with the provisions of subsection C above, or it shall be lost.

Employees hired on or after January 1, 2012, are eligible for prior service credit for full-time service with another municipality within the state of Ohio. Employees hired prior to January 1, 2012, will retain any prior service credit previously granted. It is the responsibility of the employee to obtain and submit documentation of service time from previous employers. Employees shall receive prior service credit commencing within the calendar year the necessary documentation is submitted.

- E. In the event of termination of employment of an employee, for reasons other than just cause, and provided that the employee was employed by the City on December 31 of the preceding year, vacation credit shall be calculated in accordance with this section for the

year in which the employment is terminated, based upon the actual time in the employment of the City during termination year, and the employee shall be paid as of the termination date in lieu thereof.

- F. If for any reason an employee should desire to work rather than take a vacation, there shall be no double pay allowed.
- G. If a member of the bargaining unit is injured on duty and unable to utilize the vacation time available in that year, the vacation time shall be carried over to the next year or the member shall be compensated for all remaining hours at the proper hourly rate and at the discretion of the Chief. The Chief reserves the right to schedule vacation in such situations to avoid payment or carryover.

ARTICLE 27
LABOR COUNCIL REPRESENTATION AND TIME

Section 1. Any employee has the right to have the Labor Council representative or his designee present at any step of the grievance procedure and at any meeting which may result in disciplinary action being taken against the employee. The Labor Council Representative or designee shall have five (5) hours per quarter excused representation time with accumulation of unused time to a limit of twenty (20) hours per contract year. Said excused time shall be without loss of pay. Any time spent in excess of twenty (20) hours per contract year shall not be compensated by the Employer.

Section 2. An additional time bank of twenty-four (24) total hours (all units) shall be available to bargaining unit members to attend meetings, training, or other Union-related business held by the FOP or FOP/OLCI. This additional time shall be used with the prior approval of the elected bargaining unit representatives and a minimum of seven (7) days prior notification to the Chief of Police.

ARTICLE 28
NO STRIKE/NO LOCKOUT

Section 1. No employee shall engage in any concerted work stoppage, slow-down, strike, or other job action designed to impair or impede the functions of the Employer.

Section 2. Any representative of the Labor Council or negotiating committee, upon notice from the Employer of such job action, shall take whatever affirmative actions that are within their ability to end such job action, and will not in any manner encourage, ratify, condone, suggest, or participate in any such job action.

Section 3. The Employer shall not lockout any employee.

ARTICLE 29
ABSENCE WITHOUT LEAVE AND REINSTATEMENT

Section 1. An employee who is absent from duty shall report the reason therefore to his supervisor at least one (1) hour prior to the time of absence, unless emergency conditions exist. All unauthorized and unreported absences shall be considered absent without leave and a deduction of pay shall be made for the period of absence. Such absence may be made the grounds for disciplinary action.

Section 2. Provisions shall be made for emergencies where the requirement of an immediate report is impossible to be complied with.

ARTICLE 30
ON-DUTY INJURY LEAVE

Section 1. In the event of an occupational injury, exceeding seven (7) working days, and incurred as a direct result of performing an assigned duty or sworn function within the scope of the employee's job duties and authority, said employee shall be entitled to (on-duty) injury leave in an amount not to exceed one hundred twenty (120) consecutive work days when the injury is timely reported, recommended by the employee's department head, and verified by a competent physician as a disabling injury. The City reserves the right, at its cost, to require the employee to see a physician of its choice before injury leave may be granted.

Section 2. To receive on-duty injury leave with pay, the employee must:

- A. immediately notify the department head/supervisor when an incident or accident occurs.
- B. complete an Incident/Accident Report to be forwarded to the Department Head and Assistant Finance Director within twenty-four (24) hours of the incident or accident and seek appropriate medical attention. When an employee is hospitalized or otherwise unable to complete the report, the supervisor/department head shall initiate the form.
- C. complete a request for Injury Leave form.
- D. where applicable as requested by the Assistant Finance Director/designee, execute a release (reimbursement agreement), which obligates the employee to reimburse the City the amount of the Workers' Compensation benefits received for lost wages during the same time period the employee collected injury leave. - E. Attend a medical examination/evaluation whenever scheduled with a physician/medical provider selected and paid for by the City with at least forty-eight (48) hours advance notice.

Section 3. Injury leave shall not be cumulative, i.e., an employee may only receive injury leave only once for each work-related accident/injury. When an employee requests injury leave for a disputable illness/accident and is denied, the employee may be subsequently credited with such leave upon a favorable decision by the Bureau of Workers' Compensation (BWC), provided that the City may appeal or otherwise contest a decision, in which case, injury leave will be credited only when the City either exhausts its remedies or accepts the judgment rendered by the BWC.

Section 4. An employee may be offered transitional work or modified duty by the City, consistent with the restrictions/limitations of the employee's physician or a physician selected by the City, when determined appropriate by the City, and when the following requirements are met:

- A. The assignment must be medically suitable. The employee must be capable of performing the work without violating any medical restriction or limitation.
- B. The assignment must fulfill a necessary job function or functions. The City shall not be required to "create work" and the availability of work at one time shall not mean that the work will always be available for transitional work within a department or within the City.
- C. The assignment must be anticipated to be temporary.
- D. The employee must have the capability (knowledge, skills, and abilities) necessary to properly perform the work.

The availability of transitional work and/or modified duty assignments is solely determined by the City in consideration of operational and staffing needs as well as the capability of the affected employee, is not guaranteed, and is subject to the approval of the Mayor/designee.

Section 5. An employee forfeits all rights to any on-duty injury leave (wage continuation payments) or transitional work for which the employee would otherwise have been entitled, if the employee:

- B. terminates employment for any reason;
- C. fails to act in a manner which is conducive to being off work convalescing from a job-related injury;
- D. refuses to perform light, modified, or transitional duty (within medical restrictions) when offered by the City;
- E. refuses to return to regular duty after being released by the treating physician or a physician selected by the City.

Section 6. An employee may return to full duty upon authorization by the employee’s attending physician or by a physician of the City’s choice. “Authorization” refers to and must include the physician’s review of the employee’s position description and a certification that the employee is fit to perform the essential duties described therein. In the event of a conflict between the attending physician and the physician selected by the City, the matter of fitness for duty shall be referred to a mutually agreed upon physician (or if mutual agreement is not reached, by a physician selected by the City’s MCO) whose opinion shall be binding on the parties. The cost of the third physician shall be born equally between the parties.

Section 7. In the event an employee, who is entitled to injury leave, uses the maximum allowable injury leave per injury, and is still unable to return to active duty, an assessment of the status of the injury will be made by the City. If the City determines that within three (3) months from the date of expiration of the original one hundred twenty (120) work day period the employee should be able to return to work and perform the essential functions of the position, the ODIL may be extended without precedent.

Section 1. The Employer shall be the sole judge of the necessity for overtime. The overtime shall be assigned based upon the operational needs of the Employer.

Section 2. In cases of scheduled overtime only, the overtime opportunity shall be offered first to the employee with the least number of overtime hours worked. If the list is exhausted and no member accepts the overtime, the Chief or his designee may mandate the member with the least number of overtime hours to work overtime.

A declination to work the overtime opportunity or a lack of response shall cause the applicable number of hours to be charged as hours “worked.”

In cases of unscheduled overtime, the member who is on duty will remain on duty for at least four (4) additional hours beyond his scheduled quitting time, and the member scheduled to work the shift following the unfilled shift will be required to report to work at least four (4) hours prior to his scheduled starting time.
