ARTICLE 1 – RECOGNITION

1.1 **RECOGNITION AND BARGAINING RIGHTS** - The Fairport Harbor Board of Education, hereinafter referred to as "Board", recognizes the Fairport Harbor Education Association, affiliated with OEA/NEA, hereinafter referred to as "Association", as the sole and exclusive bargaining representative of all members of the bargaining unit hereinafter referred to as "teachers" and “school support personnel,” for the purpose of arriving at contractual agreements on wages, hours, or terms and other conditions of employment, and the continuation, modification, or deletion of an existing provision of this Contract.

1.2 **BARGAINING UNIT DEFINED** - The bargaining unit consists of all certificated personnel of the Fairport Harbor Public Schools and all school support personnel including Maintenance Coordinator, Maintenance, Custodian, Educational Assistant, Nurse, and Secretarial/Clerical of the Fairport Harbor Public Schools exclusive of all full-time supervisory administrative personnel such as the Superintendent, full-time principals, casual employees, superintendent’s secretary and assistant treasurer.

1.3 **RECOGNITION CHANGES** - This recognition shall continue unless a successor is elected or recognition is withdrawn in accordance with O.R.C. 4117.

1.4 **RECOGNITION RIGHTS** - The Fairport Harbor Board of Education recognizes the Fairport Harbor Education Association rights in keeping with the provision of Board adopted policies as they relate to the organization rights of the FHEA and the rights of the individual represented by the FHEA.

ARTICLE 2 – NEGOTIATIONS PROCEDURE

2.1 **OPENING NEGOTIATIONS** - Negotiations between the Fairport Harbor Education Association and the Board of Education will begin within ten (10) days of the request of either party but no later than ninety (90) days prior to the expiration of the Contract and no sooner than one hundred and eighty (180) days. A copy of the request shall be submitted to SERB.

2.2 NEGOTIATION TEAMS - Representation at negotiation meetings shall be limited to a team of five (5) designated representatives of the Board and a team of five (5) designated representatives of the FHEA. Neither party in any negotiations shall have any control over the selection of negotiation team representatives of the other party. Each party may use the services of a consultant to assist them in the bargaining process, including attendance at bargaining sessions. With advance mutual agreement, the parties may bring another individual to a bargaining session if that individual may have specialized knowledge in a particular topic to be discussed in that session.

2.3 **MEETINGS** - At the first meeting both the Association's and the Board's representatives shall mutually exchange all proposals to be considered during negotiations, and no new items can be submitted by either side unless by mutual agreement. Subsequent meetings between the negotiations teams of the FHEA and the Board of Education will be scheduled at mutually satisfactory times.

2.4 **GUIDELINES FOR MEETINGS** - Relevant data, supporting information, proposals, and counterproposals will be presented. Each, in good faith, listens to the views of the other. Both sides agree to provide the other party with relevant data and supporting information within a reasonable time.

A. Consultants may be used if deemed advisable by either party at the requesting party's expense.

B. Interim reports of progress may be made to the FHEA by its representatives and made to the Board of Education by the Superintendent in executive session. Joint press releases and reports to both constituencies may be made by mutual agreement.

C. All counterproposals will be in writing.

2.5 **AGREEMENT** - When the bargaining teams reach tentative agreement on each issue, the tentative agreement will be reduced to writing. When tentative agreement is reached on all issues, the entire agreement will be signed by the team and submitted for ratification. The Association spokesperson and/or President shall recommend the tentative agreement as a total contract package to the membership of the FHEA or ratification. The Board spokesperson and/or President shall recommend the tentative agreement as a total contract package to the Board of Education for ratification.

A. The complete tentative agreement shall be submitted for ratification by the parties within seven (7) days of tentative agreement. If the tentative agreement, in its entirety, is not rejected by either the bargaining unit or the Board within seven (7) days from its submission--a maximum of fourteen (14) days from tentative agreement--the agreement shall be deemed ratified and submitted by the Board to SERB.

B. Acceptance of this Agreement shall be affected by resolution of the Board of Education and by the FHEA. It shall then become a part of the official minutes of the Board and shall be signed by the President of the Board of Education and the Fairport Harbor Education Association and executed.

2.6 **DISAGREEMENT** - In the event of an impasse or forty-five (45) days prior to the expiration date, whichever is sooner, either negotiating party may declare in writing an impasse and request an advisory mediator by a mutual selection or through the Federal Mediation and Conciliation Service (FMCS). Said mediator will be given full authority to assist in bringing the parties to agreement.

A. When agreement is reached through these impasse procedures, it shall be subject to the provisions of Section 2.5.

B. The impasse procedures set forth above constitute the parties mutually agreed upon dispute settlement procedures and shall operate in lieu of any and all settlement procedures set forth in Section 4117.14 of the Ohio Revised Code.

2.7 **NO STRIKE CLAUSE** - There shall be no strike, work slowdown, lockout, or any other coercive action by either representatives of the Association or by the Board or its representatives during the term of this contract or any agreed extension thereof.

2.8 **AMENDMENTS** - If changes in this collective bargaining agreement are proposed, fifteen (15) days notification shall be given by the party proposing the changes, in which case changes may be made by mutual consent. It is not the intent of either party hereto to violate any laws of the State of Ohio or of the United States.

ARTICLE 3 – DEFINITION OF TERMS

3.1 **SCHOOL BOARD AUTHORITY CLAUSES** - The Board of Education, under law, has the final responsibility of establishing policies for the district.

The Board has complete authority over the policies and administration of the school system which it exercises under the provision of Ohio law and in the fulfilling of its responsibilities under this Agreement.

3.2 **CODE OF ETHICS** - The Fairport Harbor Education Association, the administration, and the Board of Education subscribe to the Code of Ethics of their national groups.

The Fairport Harbor Education Association and the Board of Education expect all certificated personnel and school support personnel to abide by these standards.

3.3 **COLLECTIVE BARGAINING** - Collective bargaining means conferring, discussing, and resolving problems in good faith by mutual agreement of a Board of Education, or its designated administrative representatives, and recognized teacher organizations.

3.4 **GOOD FAITH** - Good Faith means the obligation of a Board of Education, or its designated administrative representatives, and the representatives of a recognized teacher organization to meet at reasonable times and have a sincere desire to reach agreement upon these matters being negotiated. The obligation of a Board or its representatives and the representatives of a recognized teacher organization to meet for the purposes of collective bargaining does not compel either part to agree to a proposal.

3.5 **COLLECTIVE BARGAINING AGREEMENT** - This document when adopted by the Board of Education and the Fairport Harbor Education Association shall constitute the collective bargaining agreement establishing the procedure for resolving problems of concern to the Board of Education and the Fairport Harbor Education Association.

3.6 **ADVISORY MEDIATION** - Advisory mediation involves the utilization of a person mutually acceptable to both parties as an agent to try to aid in reaching an agreement.

3.7 **IMPASSE** - Impasse is defined as the failure of one or both parties to make any substantive movement toward an agreeable position.

ARTICLE 4 – GRIEVANCE PROCEDURE

4.1 **DEFINITION** - A grievance is any claim by a member or members of the bargaining unit or Association that there has been a violation, misinterpretation, or misapplication of the terms of the collective bargaining Agreement.

"Days" shall mean working days except during the summer recess in which case days shall be weekdays.

4.2 **PURPOSE** - The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances of all professional personnel.

4.3 **INFORMAL PROCEDURE** - In the event of a grievance, a member of the bargaining unit should discuss said grievance with the building principal.

4.4 **FORMAL PROCEDURE - STEP I** - In order to initiate a formal grievance, the grievant must file a written grievance on the attached form to the lowest level administrator who has the authority to determine the grievance--which may be the Superintendent--within twenty (20) days of the discovery of the event causing the grievance. The administrator may schedule a hearing with the grievant's Association representative if the administrator deems it necessary within ten (10) days of receipt of the grievance. Within five (5) days of the hearing or, if there is no hearing, within ten (10) days of receipt of the grievance, the administrator shall give his/her response in writing to the grievant and the Association representative.

4.5 **FORMAL PROCEDURE - STEP II** - If the grievance is not determined at Step I, the grievant may appeal the grievance to the Superintendent unless Step 1 was filed with the Superintendent, then the grievance would be advanced to Step III in writing within ten (10) days of the Step I response. The Superintendent shall hold a hearing within five (5) days of receipt of the appeal. Within five (5) days of the hearing, the Superintendent shall give his written response to the grievant and the designated Association representative.

4.6 **FORMAL PROCEDURE - STEP III** - If the grievance is not determined at Step II, the grievant may appeal the grievance to the Board within ten (10) days of the Step II decision. The Board shall hear the grievance in executive session at its next regularly scheduled meeting. The Board shall give its written response within five (5) days of the hearing. (By mutual agreement, Step III may be waived.)

4.7 **FORMAL PROCEDURE - STEP IV** - If the grievance is not determined at Step III, the Association may appeal the grievance to arbitration by giving written notice to the Superintendent or his designee within thirty (30) days of the Board's decision and by filing a request for arbitration with the American Arbitration Association (AAA). The arbitration procedures shall be in accordance with AAA's voluntary rules and procedures. The decision of the arbitrator shall be final and binding on all parties of interest. The fees and expenses of the arbitrator shall be paid by the losing party except where the arbitrator divides the expenses differently. The arbitrator shall not have authority to subtract from, add to, or alter the terms of this contract.

4.8 **GENERAL PROVISIONS**

A. A grievance shall be reduced to writing and include:

1. The alleged violation, including the specific sections of the Agreement allegedly violated, misinterpreted, or misapplied;

2. Relief sought;

3. Date the grievance was filed.

B. Association representation may be used by any party involved in the grievance procedure at any level.

C. Time limits indicated at each step shall be considered the maximum, unless otherwise extended by mutual written agreement of the parties involved.

D. If the grievant does not present a grievance within twenty (20) days of the discovery of the act or conditions on which the grievance is based, the grievance shall be considered waived. However, this waiver by the grievant is not considered precedent to a future grievance.

E. Failure of the aggrieved to proceed within the specified time limits to the next level of the procedure shall mean the grievance has been withdrawn.

F. Failure of the administration to respond within the time limits stated shall automatically proceed to the next level.

G. A grievance may be initiated at Step II when the Superintendent determines that the subject of the grievance is not within the realm of the responsibility or control of a building principal.

H. Resolution of a grievance at any level shall only apply to the stated grievance unless the resolution is applicable to other issues.

I. Nothing contained in this procedure shall be construed as limiting the rights of the Association and/or staff members who have a complaint or problem to discuss the matter informally with members of the administration through normal channels of communication.

J. Nothing contained in this procedure shall be construed as limiting the rights of the Association and/or staff members from exercising their legal rights in resolving a complaint or problem which does not involve a "grievance."

K. No reprisal shall be made against any party involved in the use of this grievance procedure or when exercising his/her rights under provisions of this Agreement.

L. When it is specified in the procedure that an action shall be accomplished within a specified number of days, the first day of that time period shall be the day immediately following the day of the event which causes the time period to begin.

4.9 **MISCELLANEOUS**

A. A grievance may be withdrawn at any level without prejudice to other grievances, but the specific grievance, which is withdrawn, may not be reopened.

B. Forms for processing grievances shall be made available through designated officials of the Association.

C. Copies of all grievances and responses in writing shall be given to the Association President. Grievances shall be confidential to the grievant, administration, Board of Education, and grievance committee of the Association, subject to Ohio Revised Code 149.43.

D. In the event the normal time limits might extend the grievance process into a new school year or if the parties mutually agree, it shall be submitted to expedited arbitration according to the AAA rules.

E. A teacher engaged during the school day on behalf of the Association with any representative of the Board in any professional grievance, including arbitration, shall be released from regular duties during such participation without loss of salary.

ARTICLE 5 – ASSOCIATION RIGHTS AND MANAGEMENT RIGHTS

5.1 ASSOCIATION RIGHTS

A. The FHEA and representatives shall have the right to use school buildings for meetings.

2. The Ohio and Federal statutory rights of the employee and employer, and

ARTICLE 13 – REDUCTION IN FORCE (RIF) (CERTIFICATED STAFF)

13.1 REDUCTION IN FORCE PROCEDURES

A. **General:**
When the Board of Education decides that it will be necessary to reduce the number of teachers, it may make a reasonable reduction in accordance with the system outlined in Section 3319.17 of the Ohio Revised Code.

B. **Attrition:**
To the extent possible, the number of employees affected by a reduction in force will be kept to a minimum by not employing replacements insofar as practicable for employees who retire, resign or are non-renewed. However, in the best interests of the district, it may be necessary for the Board to hire replacements for certain positions left open by way of retirement, resignation or non-renewal, particularly where a current employee may not possess the desired licensure, qualifications or experience for the position.

C. **Reduction Process:**

1. Reductions not achieved through attrition will be made by the Board first determining what positions or educational areas will be reduced and then by determining which individuals will be affected. The Board shall, within each teaching field affected, give preference to teachers with continuing contracts. Seniority shall only be used as a preference when teachers have comparable evaluations. Teachers will be deemed to possess "comparable evaluations" if their final summative rating is the same with another teacher, i.e., Accomplished teachers will be deemed comparable with other Accomplished teachers only, Skilled teachers will be deemed comparable with other Skilled teachers only, Developing teachers will be deemed comparable with other Developing teachers only and Ineffective teachers will be deemed comparable with other Ineffective teachers only. Within each teaching field affected, reductions shall be made first of limited contract personnel and then of continuous contract personnel. Reductions shall occur in reverse seniority order. In each teaching area system-wide, continuous seniority shall be given preference.

2. If a teacher has more than one area of certification/licensure and would be reduced from his/her current position as part of a reduction in force, s/he will have the right to bump the least senior employee in another area for which s/he possesses the certification/licensure required by that position.

D. **Notice:**
The affected employee shall be given no less than sixty (60) calendar days of notice prior to the effective date of a reduction in force and suspension of his/her contract. At least ten (10) calendar days prior to the Board's action on a proposed reduction in force, the Superintendent shall meet with a FHEA representative to review the proposed reduction in force.

E. **Recall:**
Each teacher so laid off shall be placed on a rehiring list determined by continuous seniority and certification requirements for a period of three (3) employment years

(September 1 – August 31) plus the remainder of the employment year in which he/she was laid off. The employee shall be called in reverse order of reduction for any position that becomes available for which one is fully qualified before any permanent teacher (full-time, part-time, or substitute) is hired. A teacher on this list who refused a full-time assignment for which he/she is fully qualified shall waive all future recall rights. All layoffs shall be by suspension of contract and shall occur in May of each school year or, if necessary, later in the summer.

F. **Seniority:**

Seniority shall be determined by the length of continuous service in the system. If two or more teachers have the same length of continuous service, then seniority will be determined by:

1. The date of the Board meeting at which the teacher was hired, and then by

2. Application date.

3. Flip of a coin by Association President.

Length of continuous service will not be interrupted or affected by authorized leaves of absence or RIF.

G. **Deficit Projections Process:**

At least ten (10) calendar days prior to the Board's action on a proposed reduction in force, the Superintendent shall meet with a FHEA representative to review the proposed reduction in force.

B. Employees in the affected classification will be reduced on the basis of seniority.

C. Employees so reduced will have the right to "bump" the least senior employee in any other lower or equal paid classification if he/she is qualified to perform the full scope of the classification requirements.

D. The rate of pay shall be determined by the negotiated salary schedule.

E. When an employee "bumps" another employee the rate of pay shall be determined by placing them in the new classification at the step closest to the amount of money that they were making in the previous classification without taking a loss of pay unless the new classification's highest rate is less than what the employee is currently making.

F. To exercise his/her bumping rights, an employee shall notify the superintendent or his/her designee, in writing, within ten (10) working days after notification of the reduction by the Board.

G. Employees shall be recalled from layoff in reverse order of layoff provided the employees are qualified to perform the full scope of the classification requirements. Notices of recall shall be sent by certified or registered mail to the employee's last known address as shown on the Board's records. The recall notice shall state the time, place, and date at which the employee is to report back to work. The employee shall be given at least five (5) days, exclusive of Saturdays, Sundays, and holidays, from the delivery date or attempted delivery date of the notice to report to work. Failure to report within the required time shall result in the employee forfeiting the job.

H. An employee's name shall remain on the recall list for a period of thirty-six (36) months. If offer of recall is refused, the employee's name shall be eliminated from the recall list, however, a full time employee who is laid off has the option of returning to a part time vacancy, or a position with a lower pay scale or remaining on the recall list.

I. **Deficit Projection Process:**
In the event the financial projections reflect a deficit in the upcoming school year, the District shall meet with representatives of the Association to share its financial data by January 31 of each year.

If the financial projections remain the same in March, the Association's bargaining team will meet with the District's team to negotiate any alternatives up to and including a possible reduction in force.

H. Pregnancy/Adoption Leave – Sick leave may be used for the birth or adoption of the member’s or significant other’s own child. The member may use up to a period of eight

(8) weeks of their accumulated sick leave following delivery or adoption of a child. Sick leave extended beyond eight (8) weeks will be granted with a written certificate from the employee's physician confirming the necessity of said absence.

I. When an employee or a member of the employee's immediate family experiences a personal catastrophic illness or injury and the employee has exhausted their accumulated sick leave as a result, the Association President shall notify the need to the Superintendent who will establish the procedures members will use to donate an amount of their sick days to the affected member. This provision shall not be construed to require return while illness or disability precludes such return.

Ohio Teacher Evaluation System (OTES 2.0) Framework*

The State Board of Education values the importance of promoting educator professional growth that leads to improved instructional performance and student learning. OTES 2.0 is a professional growth model and is intended to be used to continually assist educators in enhancing teacher performance. An effective professional growth model considers a teacher's instructional strengths, while supporting identified areas for improvement according to the profile of each educator. This process is to be collaborative, ongoing and supportive of the professional growth of the teacher.

Each teacher will be evaluated according to Ohio Revised Code and the ***Ohio Teacher Evaluation Framework,*** which is aligned with the ***Ohio Standards for the Teaching Profession*** adopted under state law. Using multiple factors set forth in the Framework, the teacher's Final Holistic Rating will be based upon a combination of informal and formal observations and supporting evidence using the ***Teacher Performance Evaluation Rubric.***

Essential Components

Essential components of the full evaluation consist of a Professional Growth Plan or Improvement Plan, two required conferences, two formal observations of at least 30 minutes each and at least two classroom walkthroughs. See details below:

- One Formal Holistic Observation, followed by a conference;
- Walkthroughs – *with an emphasis on identified focus area(s) when applicable*;
- One Formal Focused Observation – *with an emphasis on identified focus area(s)*; and
- One Summative Conference.

ESTABLISHING GOALS

The ***Ohio Teacher Evaluation System 2.0*** goal-setting process is a way for teachers to enhance or improve specific aspects of teaching. Clear professional goals identify the focus and direction for improving practice and make a direct impact on student learning. Meaningful goals help teachers attain higher levels of performance and effectiveness. The Professional Growth Plan should focus on only one to two goals.

Teacher Evaluation Flow Chart

The teacher creates a video of a lesson and watches the lesson making notes. The teacher should then identify areas of strength and areas for development and note them as goals on the worksheet. The teacher collaborates with colleagues and notes suggestions. The teacher should also identify which acceptable student growth measure(s) will be used to demonstrate student growth.

1

The administrator watches the video and discusses the standards with the teacher. At this time, the teacher and administrator create goals for the school year.

2

The teacher begins to build a portfolio of artifacts showing he/she is accomplished on a regular basis throughout the year. (See Artifact Options)

3

The teacher records a new video of a lesson or schedules an observation by the administrator in the classroom. The administrator will review the lesson, look through the teacher's portfolio and complete a rubric with a focus on the goals that the teacher has identified.

4

Based on the teacher's score on the rubric and results on the categories on the Student Growth Measure, the administrator will assign the teacher a summative score. The administrator will then go over the rubric and the summative evaluation with the teacher. While there, the administrator will enter the information in eTPS and the teacher may PIN it.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 800-315-3137 or visit us at MedMutual.com/SBC. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 800-315-3137 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	**Network**: **$500**/single, **$1,000**/family Non-Network: **$1,000**/single, **$2,000**/family	Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible**.
Are there services covered before you meet your deductible?	Yes. Certain preventive care and all services with **copayments** are covered and paid by the plan before you meet your **deductible**.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost sharing** and before you meet your **deductible.** See a list of covered **preventive services** at **https://www.healthcare.gov/coverage/preventive-care-benefits/.**
Are there other deductibles for specific services?	Not applicable.	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	**Coinsurance** Limit: **Network**: **$2,000**/single, **$4,000**/family Non-Network: **$4,000**/single, **$8,000**/family **Out-of-pocket Limit**: **Network**: **$6,600**/single, **$13,200**/family	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, the overall family **out-of-pocket limit** must be met.
What is not included in the out-of-pocket limit?	Balance-billed charges, health care this **plan** doesn't cover	Even though you pay these expenses, they don't count toward the **out–of–pocket limit.**
Will you pay less if you use a network provider?	Yes, See **MedMutual.com/SBC** or call 800-315-3137 for a list of participating providers.	This **plan** uses a **provider network.** You will pay less if you use a **provider** in the plan's **network.** You will pay the most if you use an **out-of-network provider,** and you might receive a bill from a **provider** for the difference between the provider's charge and what your **plan** pays (**balance billing**). Be aware, your **network provider** might use an **out-of-network provider,** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No.	You can see the **specialist** you choose without a **referral.**

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
