ARTICLE 7

COMPLAINTS ABOUT UNIT MEMBERS

- A. **PRINCIPLES:**
 1. It is acknowledged that complaints about unit members are inevitable, and in fact, innovation and ingenuity on the part of the unit members may cause complaints as well as poor teaching practices.
 2. Complaints are best handled at the level of administration closest to the unit member(s) involved.
 3. Both the right of the student/parent/community member to complain and the right of the unit member(s) to due process in the complaint process needs to be guaranteed.
 4. The best outcome of a complaint process is one which not only resolves current issues but leads to better understanding on all sides for future interactions.
 5. That the complaint process needs to be nondiscriminatory, and that while discipline may be an outcome of the process, resolution is the main goal.

6. That the satisfactory resolution of a complaint is one in which both administrator(s) and unit member(s) find an acceptable outcome.

B. PROCESS:

It shall be the policy of the Southwest Licking School District that should a complaint be received about a unit member(s), the following process will be adhered to (except for possible criminal act(s) by a unit member(s), in which case the proper authorities will be notified).

1. Complaints must be from named source. The Southwest Licking Local School District will not act on an anonymous complaint.
2. Complaints must be directed to the immediate administrator in direct supervision of the unit member(s) involved (e.g., high school Building Administrator for a high school unit member, kindergarten Building Administrator for a kindergarten unit member, athletic director for a coach, etc.).
3. Upon notification of the immediate administrator, the unit member(s) involved must also be notified of the complaint. The complaint should be resolved at this time in a satisfactory manner if possible.
4. If the complaint is not resolved within three working days of notification, the administrator will meet with the unit member(s) (with Association representation) to review the complaint and develop satisfactory resolution strategies.
5. Should further action be required, the bargaining unit recognizes the management rights of the Southwest Licking Local School District as per the Ohio Revised Code and the negotiated agreement. Should questions arise as to administrative actions, the current grievance procedures will be available as per the negotiated agreement.

ARTICLE 8
PERSONNEL FILES

- A. The Board of Education shall maintain the official personnel file for each unit member in the District administrative offices.
 1. No other permanent file shall be maintained.
 2. Electronic personnel files maintained by an administrator regarding a unit member's performance or conduct are not part of the official personnel file and if not in the personnel file by the end of a school year, shall be removed.
- B. Materials placed in a unit member's personnel file shall be only those permitted by law. Material shall be accurate, timely, and complete.
- C. All items placed in the file shall be dated and signed or identified as to source. This provision shall not apply to routine administrative items such as contracts, salary notices, transcripts, or certificate copies.
- D. Each unit member has the right to examine the unit member's file during regular office hours provided such examination does not interfere with the unit member's assigned duties.

- E. The file, nor any of its contents, shall not be removed by the unit member from the office where it is held.
- F. A copy of any evaluation documentation, formal complaints, or criticisms which will be placed in this personnel file shall be given to the unit member prior to or at the time of such placement.
- G. Unit members have the right to attach written comments to any item in the file.
- H. The Administration reserves the right to attach written comments to any unit member-initiated items that are introduced into the files.
- I. No information shall be placed in a unit member's personnel file which comes from an anonymous source nor shall such information be made a matter of record.
- J. Any unit member who disputes the accuracy, relevancy, completeness, or timeliness of the material contained in the unit member's personnel file may request a personnel file administrative investigation concerning the validity of the claim. Any information that is found by the Administration to be inaccurate or irrelevant shall be removed from the unit member's file.
- K. The personnel files of a unit member shall remain confidential to the fullest extent permitted by law. A unit member shall be notified as soon as possible when there is a request to review the unit member's personnel file and/or financial information by a member of the public, what, if anything, was provided to the requesting person, and the name and address of the person requesting the file review, if known.
- L. The unit member whose file has been requested to be inspected, or designee, shall have an opportunity to observe the inspection, but this shall not hold up or delay the inspection. A unit member shall be entitled to a copy of any specific material in the unit member's file upon written request.
- M. At the request of a unit member, disciplinary documents will be removed from the personnel file after three (3) years, provided that there has been no same or similar infraction.

In the issuance of limited contracts, the Board of Education will follow the sequence below:

B. CONTINUING CONTRACT

The procedure below will govern the awarding of continuing contracts by the Board of Education:

1. A unit member, knowing the unit member will become eligible for a continuing contract before the end of a proposed limited contract, may request in writing by April 1st, a limited contract of shorter duration than specified above. A unit member making this request must have served in the District for at least four (4) years.
2. Upon meeting the requirements for a continuing contract as prescribed in the Ohio Revised Code and upon conclusion of the unit member's current limited contract, a unit member shall be eligible for a continuing contract.
3. A member will receive a continuing contract only after the Ohio Department of Education's/Ohio Department of Education and Workforce's requirements are met and the member applies in writing for a continuing contract. The unit member will complete all necessary documentation and submit it to the Building Administrator by September 10th. The Board shall notify unit members through district publications of the requirement for a written application for a continuing contract.

ARTICLE 11

NON-RENEWAL OF LIMITED CONTRACTS

After a unit member has been employed in the Southwest Licking School District for four (4) years, non-renewal of a unit member's limited contract will be for reasons substantiated in the unit member's evaluations or for good and just cause. Except for unit members with four (4) or fewer years of employment in the District, this Article shall supersede ORC 3319.11 and 3319.111.

ARTICLE 12

ARTICLE 13

SENIORITY

A. SENIORITY DEFINED

Seniority shall mean the length of continuous employment in a bargaining unit position as follows:

1. Seniority shall begin to accrue from the first day worked in a bargaining unit position.
2. Seniority shall accrue for all time a unit member is on active pay status or is receiving worker's compensation benefits.
3. Time spent on inactive pay status (unpaid leave or layoff) shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
4. Full-time unit members shall accrue one (1) year of seniority for each year worked as determined by the minimal full-time standard as defined by this contract.
5. Part-time unit members shall accrue seniority pro-rated against the minimal full-time standard as defined by this contract.
6. No unit member shall accrue more than one (1) year of seniority in any work year.

B. EQUAL SENIORITY

1. A tie in seniority shall occur when two (2) or more unit members have the same amount of seniority credit as determined by the seniority list.
2. Ties in seniority shall be broken by the following method to determine the most senior unit members:
 - a. The unit member with the first day worked; then
 - b. The unit member with the earliest date of employment (date of hire); then

- c. By lottery, with the most senior unit member being the one whose name is drawn first, etc. This procedure shall be implemented in the presence of a designated Association Representative.

C. SUPERSENIORITY

Unit members employed under continuing contract shall have greater seniority than unit members employed under limited contract within the same group in accordance with Article 14 – Reduction In Force, Section (C)(3).

D. LOSS OF SENIORITY

Seniority shall be lost when a unit member retires or resigns; is discharged for cause; or otherwise leaves the employment of the Employer.

E. SENIORITY LIST

A seniority list (the “list”) shall be prepared and emailed to the Association President and all unit members on or before November 1st of each school year. The Board of Education or its designee will include in the seniority list the area of certification, the first day worked, the date of Board of Education resolution to hire and contract status (continuing or limited) of each unit member.

In the event of a layoff, prior to the Board of Education’s layoff action, the Board of Education or its designee will email the Association President and all unit members a seniority list containing the information set forth in paragraph E. above, plus:

1. The names of unit members on the seniority list shall appear in seniority rank order within areas of certification, with the name of the most senior unit member appearing at the top of the listing and the name of the least senior unit member appearing at the bottom of the listing.
2. The names of unit members who are certified in more than one (1) area shall be included on the list for all areas of certification.
3. The names of part-time unit members shall appear on the seniority list but shall be listed separately from the names of full-time unit members.

F. CORRECTION OF INACCURACIES

Each unit member shall have a period of thirty (30) calendar days after the date of the email containing the annual seniority list in which to advise the Treasurer in writing of any inaccuracies and the basis of the claim that an inaccuracy exists. The Board of Education or its designee(s) shall investigate all reported inaccuracies and make such adjustments as may be in order and email the updated list within seven (7) school days to all unit members. A corrected copy shall be emailed to the Association President at that time.

In the case of the seniority list provided in anticipation of a layoff, each unit member shall have a reasonable time, but no less than five (5) working days, after the date of the email containing the layoff seniority list to advise the Treasurer in writing of any inaccuracies and the basis of the claim that any inaccuracy exists. The Board of Education or its designee(s) shall investigate all reported inaccuracies and may make such adjustments as may be in order and email the updated list within seven (7) school days to all unit members. A corrected copy shall be emailed to the Association President at that time.

No protest shall be considered after the time limits to make corrections to the list as set forth in this Article and the list shall be considered as final until the next posting.

ARTICLE 14

REDUCTION IN FORCE

- A. When the Board determines that it will be necessary to reduce the number of unit members because of decreased enrollment, territorial changes affecting the district, return to duty of regular unit members after leave of absence, or financial reasons, a reasonable Reduction In Force (RIF) may be made. A RIF may only occur at the end of a school year except in the case of financial reasons which may occur at any time.
- B. The Superintendent shall notify the Association of the reasons for any anticipated staff reductions. The Association President will be provided with the following prior to the Board acting on the Superintendent's RIF recommendation:
 - 1. The provisions of Article 13 – Seniority, Section (E), including providing information to the Association President/designee shall be followed. The seniority list provided for in Article 13 – Seniority, Section (E) shall include contract status of all unit members, teaching field, total years of service in the bargaining unit and all areas of certification.
 - 2. For purposes of reduction in staff, any and all certificated/licensed unit members who are certified/licensed in more than one area of certification/licensure shall be placed on each and every seniority list for which they have proper certification/licensure.
 - 3. The Association President will also be provided final holistic evaluation rating for unit members.
 - 4. A list of positions to be reduced.
 - 5. The reasons for such reductions.
- C. The Superintendent shall recommend which positions shall be affected and which unit members shall be laid off. The Superintendent will use the following criteria in recommending which unit members are to be laid off:
 - 1. The Board may make any reductions in force first through attrition.
 - 2. Any reduction in force shall proceed using the following procedures and criteria:
 - a. Unit members shall be placed in one (1) of three (3) groups for the purpose of a reduction in force, as described below. These groups shall be called "Group One." "Group Two." and "Group Three." Unit members within each Group shall be deemed "comparable." except that unit members under continuing contracts shall be given preference over all unit members under limited contracts within the same Group.

- i. Group One shall be comprised of all unit members who were rated "Ineffective" on their evaluation using the calculation set forth below;
 - ii. Group Two shall be comprised of all unit members who were rated "Developing" on their evaluation using the calculation set forth below; and
 - iii. Group Three shall be comprised of all unit members who were rated "Skilled" or "Accomplished" on their evaluation using the calculation set forth below.
 - b. Any reduction in force shall begin with unit members in Group One, followed by Group Two, and finally, Group Three.
 - c. The unit members' final holistic rating shall determine which group the unit member is in. Unit members shall be placed in the aforementioned groups based upon an average of the three (3) most recent holistic ratings calculated as follows:
 - Ratings of Accomplished shall equal four (4) points;
 - Ratings of Skilled shall equal three (3) points;
 - Ratings of Developing shall equal two (2) points;
 - Ratings of Ineffective shall equal one (1) point.
 - d. The sum of the unit members' most recent three (3) years shall be added together, divided by three (3), and rounded to the nearest whole number to find the "average" rating. The unit member shall then be placed in the appropriate Group based on the unit member's average rating. For example, a unit member rated Developing, Skilled, and Skilled in the most recent three (3) years would be placed in Group Three ($2 + 3 + 3 = 8 / 3 = 2.666$ which is rounded to 3 = Skilled).
 - e. Experienced unit members new to the District shall have their ratings from their prior district used in the calculation. First (1st) and second (2nd) year unit members shall be placed in Group One. Third (3rd) year unit members shall have their two (2) years' scores averaged for placement in the appropriate Group.
 - f. Unit members who are rated "Accomplished" and who are evaluated once every three (3) years shall be deemed to be "Accomplished" (i.e. shall receive 4 points) for the years in which they are not evaluated.
 - g. Unit members who are rated "Skilled" and who are evaluated once every other year shall be deemed to be "Skilled" (i.e. shall receive 3 points) for the years in which they are evaluated.
3. The order of the reductions within each Group shall be:
 - a. Unit members under limited contracts beginning with the least senior; and then,
 - b. Unit members under continuing contracts beginning with the least senior.
 4. No preference shall be given to any unit member based on seniority, except when deciding between members who have comparable evaluations.

- D. A unit member whose contract will be suspended will have the right to displace any less senior unit member whose work the unit member is certified/licensed to perform so long as the displacing unit member possesses a comparable or better evaluation than the unit member being displaced. Within ten (10) calendar days of the Board's action to implement a RIF, a bumping meeting, if necessary, shall be held for all affected unit members.
- E. The following procedures will be used in the recall process:
1. Unit members who were employed under a continuing or limited contract when laid off shall have recall rights for a period of twenty-four (24) months from the effective date of the layoff unless:
 - a. recall rights are waived in writing by the unit member;
 - b. a resignation is offered by the unit member; or
 - c. the unit member fails to accept the position to which the unit member has been recalled.
 2. Such unit members will be recalled in reverse order of layoff if/when there is a vacancy for which the unit member is certificated/licensed to perform the work in question.
 3. Notice of recall will be by electronic mail and/or certified mail to the last address given to the Board by the unit member. The unit member has ten (10) days after receipt of the notice of recall to indicate acceptance or not. No acknowledgment of the notice within fifteen (15) days of the date it was sent or mailed will be the same as refusal.
 4. No unit member whose contract has been suspended pursuant to this Article shall lose the right to recall by reason having declined recall to a position that is less than full-time or, if the unit member was not employed full-time just prior to suspension of the member's contract, to a position requiring lesser percentage of full-time employment than the position the unit member last held while employed in the district.
 5. Upon acceptance of the notice to resume active employment status, the unit member shall be entitled to the same contractual status which was held prior to the RIF.

ARTICLE 15

TEACHERS ON SPECIAL ASSIGNMENT

- A. The position of teacher on special assignment has been established for the purpose of addressing specific needs of the District. For the purposes of this contract, all provisions are deemed to apply to the position with the following exceptions:

4. Leave provisions of this agreement shall apply to part-time unit members on the basis of full-day credit for presence for STRS reporting and full-day charge for any absence.
5. With the exception of current unit members who are job-sharing, these additional conditions apply:

- ii. Otherwise, the same insurance programs are available for all unit members as are available to full-time unit members. The board's premium contribution will be proportional to the amount of time such unit members works compared with the amount of time a full-time unit member works (e.g., for a half-time unit member, the board will pay 50% (fifty percent) of the premium that it pays for full-time unit members). The board shall not pay more than the amount it pays for full-time unit members. The unit members shall pay the balance of the premium through payroll deductions.

- c. Unit members employed less than full-time on a regular contract shall be paid a salary equal to that unit member's salary from the salary schedule multiplied by the fraction of a regular school day that that person works.
- d. If a unit member, who was a unit member prior to taking a job-sharing position, requests to return to a full-time provision, that request will be granted if a position is available for which they are properly licensed.

e. Insurance:

Unit members in a job-sharing position or who work part-time are eligible to participate in the District's insurance program on a pro-rated basis based on the proportion their work hours represent of a full-time unit member.

ARTICLE 17

- A. All children of unit members may attend school in the Southwest Licking Local School District ("The District") without payment of tuition with the following exceptions:
1. All general education students attending preschool.
 2. Identified special education students will be accepted for existing programs based upon available space not to exceed state special education standards.
 3. Primary kindergarten, unless space is available.
- B. Annually the Board will review the impact of this Article in conjunction with enrollment. ARTICLE 18
SCHOOL DISTRICT DRUG POLICY

- A. The Board of Education and Association both recognize that drug and alcohol dependency is a medically treatable condition. It is not the purpose of this Article to address conduct outside of the school day and school activities or the proper use of legal beverages or medication.
- B. It is agreed that the determination of the existence of alcohol or drug dependency is a delicate issue and should withstand critical and independent evaluation. Further, while the Association and the Board of Education recognize the right to insist on an alcohol and drug free environment, the importance of maintaining and not infringing upon an individual's constitutional rights is also recognized.
- C. The following concepts will formulate the drug policy:
1. Drug and alcohol dependency is a medically treatable condition.
 2. There are legally and medically accepted uses of alcohol and certain drugs.
 3. The constitutional and other legal rights and obligations of unit members and the
 4. Board of Education must be observed.
 5. The Board of Education and the Association recognize that a drug free environment will depend on both parties encouraging alcohol or drug dependent unit members to undergo an appropriate rehabilitation program.
 6. A drug free environment will involve a planned testing program that will include the following parameters:

- a. Testing will not be done randomly. Instead, testing will be done only if the Board of Education or Administration determines that there is probable cause to believe that a person is drug or alcohol dependent and that such dependency is affecting the person's performance of the unit member's job responsibilities or that a person is under the influence of alcohol or illegal drugs during the school day or a school activity.
 - b. The unit member has the right to all information upon which the probable cause determination is based.
 - c. The testing program will be set forth as part of the contract.
 - d. Drug testing will be done by a qualified, independent lab. The results of the testing shall be confidential and not be provided to anyone except the Building Administrator, Board/Superintendent and the unit member and the unit member's representatives. The testing information may be used in connection with disciplinary action taken under this Article.
 - e. The initial drug testing protocol will conform to accepted drug testing standards. In the event the first test produces positive results, a second drug test conforming to accepted drug testing standards for second tests will be performed. If appropriate, the second test will be performed at a different lab. It may be appropriate to perform a screening test and then a confirmatory test.
 - f. Testing for alcohol dependency or to determine whether a person is under the influence of alcohol during the school day or a school activity shall conform to accepted alcohol testing standards.
 - g. The costs of testing requested by the Board of Education will be the responsibility of the Board of Education.
 - h. The unit member shall be provided with a copy of all test results obtained under this Article.
7. The Board of Education shall pay for fifty percent (50%) of actual unit member's costs for any out-of-pocket expenses incurred as a result of a lesser, or lack of, insurance coverage when said unit member is receiving treatment as per this Article. Such reimbursement is to be for unit members only (i.e. not their family members) and subject to the limitations below:
 - a. In-Patient Treatment Costs
 - i. For drug and alcohol treatment only.
 - ii. The Board of Education will be responsible for fifty percent (50%) of the actual treatment for out-of-pocket costs of in-patient confinement for a maximum of thirty (30) days. The cost to the Board of Education may not exceed ten thousand dollars (\$10,000.00) per calendar year.
 - iii. The Board of Education will not be responsible for the cost of more than three (3) in-patient programs for an employee over the unit member's employment life time.

 - b. Out-Patient Treatment Costs
 - i. For drug and alcohol treatment only.

- ii. The Board of Education will be responsible for fifty percent (50%) of the actual treatment for out-of-pocket costs of out-patient treatment. The cost may not exceed two thousand five hundred (\$2,500.00) per calendar year.
8. The progressive discipline procedure outlined below is exclusively for this Article and is not in any way to be utilized for any other disciplinary action for the unit member:
- a. The building administrator may hold an informal meeting to discuss the possibility that a problem may exist.
 - b. Whenever a building administrator has reason to believe, based upon job performance, actions, physical condition, etc. that a unit member is in any way affected by alcohol or drugs, an immediate meeting shall be held with the building administrator and the unit member. An Association representative is to be present at this meeting. This representative shall be selected by agreement of the building administrator and Association President.
 - c. The building administrator and Association representative will go to the home, when expecting drug or alcohol involvement, for the purpose of verifying their belief that there may be a problem and to determine if testing is necessary. This decision on testing is the sole responsibility of the building administrator and Association representative who make the visit.
 - d. If testing is requested, the unit member must comply with the request. An Association representative may accompany the unit member, at the unit member's request, or if deemed necessary by site visitors.
 - e. If a unit member refuses to be tested, the building administrator may recommend to the Superintendent that the unit member may be reassigned work site and/or duties, and/or be suspended with pay for up to three (3) days, and/or be suspended without pay for up to three (3) days. The Association President shall be notified prior to the suspension.
 - f. The unit member must get an assessment during the three (3) day suspension period. If no assessment is made, the suspension will be extended until such time that assessment has been made or proof that an assessment is forthcoming is presented to the building administrator and Association representative.
 - g. When an assessment comes back negative, there will be a full reimbursement of pay for all suspension days.
 - h. If assessment indicates that a problem exists, the unit member must enroll in a treatment program as recommended by the unit member's doctor and approved by the Superintendent of the District. The Superintendent may make a request to the unit member's doctor and unit member that a more involved program be considered. The Superintendent may not request a program of less involvement than that recommended by the unit member's doctor.
 - i. Unit member failure to participate in testing, treatment or to adhere to a prescribed rehabilitation or aftercare program is grounds for disciplinary action up to, and including, termination of employment.
 - j. No unit member will have the unit member's job security or professional opportunities jeopardized on the basis of the unit member's diagnosis and treatment of alcohol or chemical abuse providing they adhere to the Assistance Program.

- k. A unit member who “self-refers” shall not be penalized, but will be required to seek counsel through the unit member Assistance Program.
9. All records addressing a unit member’s substance abuse condition/treatment shall be considered medical records and shall be maintained in accordance with applicable law as confidential records. This material may not be entered into the unit member’s personnel file which is open to public viewing.

C. STAGGERED SCHOOL DAY

1. The Board of Education and Association recognize the increasing student populations at the middle school and high school may necessitate staggered scheduling wherein, at the high school for example, the student day could change from eight (8) to nine (9) periods. Such a staggered schedule would cause some unit members to work periods one through eight (1 through 8) while the remaining unit members work periods two through nine (2 through 9).
2. If the Board of Education determines that staggered scheduling will not resolve the crowded student population problem, the parties agree to reopen negotiations only for the purpose of determining a different flexible schedule. Unused sick leave shall be cumulative.
- B. Previously accumulated sick leave from a public agency in the State of Ohio, and from any other state, may be transferred and accepted by the Southwest Licking Local School District. The transfer of sick leave shall be the responsibility of the unit member. At no time shall the transferred accumulation amount exceed that which could have been earned by a unit member of the Southwest Licking Local School District.

Such a record, completed and signed by a unit member shall be certification by the unit member that the facts and statements contained in the report are true and correct. If the administration conducts a reasonable investigation and has reasonable cause to believe that a unit member is abusing sick leave, the administration (Superintendent) may request a physician's statement regarding the illness. The administration may utilize the provisions of the Ohio Revised Code to deal with sick leave abuse.

For purposes of this Article, “unrestricted” shall mean sick or bereavement leave in connection with a person not listed in Sections (D) or (E) above. ARTICLE 28

SICK LEAVE BANK

There will be a Sick Leave Bank (SLB) for unit members to be established and administered as follows:

A. **PURPOSE**

In the event a unit member has a catastrophic illness or injury and has exhausted all of the unit member’s sick leave accumulation and has been advanced five (5) sick days, the unit member may request sick leave days that have been voluntarily donated to the SLB. For purposes of this Article “catastrophic” shall mean a long-term illness or injury involving, or resulting in substantial, potentially ruinous, consequences. SLB days will be approved to participate in a drug or alcohol dependency rehabilitation program but not to otherwise extend sick leave for reasons related to drug or alcohol dependency. SLB usage is limited to catastrophic illness or injury of the unit member, spouse, children, parents, adult children, grandparents, siblings, corresponding step and in-law relations, and same sex domestic partners if recognized by Ohio state law.

B. **ELIGIBILITY**

In order to be eligible to receive sick leave days from the SLB, a unit member must be enrolled in the school year the unit member submits an application.

C. ENROLLMENT

1. All donations to the SLB shall be voluntary. Unit members wishing to participate in the SLB are required to fill out a one-time enrollment form. Once a unit member elects to join the SLB, they shall be considered a permanent participant unless a written notice of withdrawal is provided to the Sick Leave Bank Committee (SLBC) of the unit member's intent to withdraw. Enrollment in the SLB shall be continuous from year to year unless a unit member withdraws. Withdrawals are accepted only during an enrollment period in August, and only upon written notice by the unit member to the SLBC of the unit member's intent to withdraw. If a unit member withdraws from the SLB, the unit member is not eligible to use the SLB that school year and until they re-enroll during the August window of enrollment.
2. Unit members not in the SLB who wish to participate must complete the enrollment form during the month of August, and donate one (1) full sick day. A unit member cannot join the bank midyear unless the unit member begins active service after the first fifteen (15) days of the unit member work year or is a first (1st) year employee in the District with no sick leave accumulation transferred to the District. In such a case, unit members shall be allowed to join the SLB by completing the form within the first thirty (30) days of their employment. Enrollment forms must be submitted to a member of the SLBC.
3. Days contributed to the SLB are non-returnable.
4. Contributions to the SLB shall not count against a unit member's record of attendance.

D. USAGE

1. An application for an allotment from the SLB will be accepted only from eligible unit members who have enrolled and contributed to the SLB that school year.
2. The unit member needs to submit an application to a member of the SLBC.
3. Allotments will be limited to use for illness or injury as defined in Section (A), Purpose. A doctor's statement may be required in order for the request to be considered or approved.
4. If additional time is needed, the unit member must submit another application.
5. Each injury or illness will be treated as a separate application, as determined by the SLBC.
6. Days allotted from the SLB will be paid at one hundred percent (100%) of the unit member's daily rate of pay. Allotments from the SLB will be made only for absences under a unit member's normal teaching contract. Allotments will not be made for absences in programs such as summer school, extended services, or any other part-time, supplemental contract or second (2nd) position held by a unit member with a full-time contract.
7. Unused SLB days will accumulate from year to year.
8. If the total days remaining in the SLB reach thirty (30) or less, a donation of one-half (½) day of sick leave will be taken from every enrolled unit member. Unit members will be notified by email before the one-half (½) day is taken.

The maximum number of days to be issued from the SLB in any one school year will be equal to one-half ($\frac{1}{2}$) the number of unit members as counted on September 1st of the school year.

9. The SLB shall not be used as a means for increasing retirement compensation.
10. In no case shall the SLB prevent or prolong a unit member from applying for and going on disability retirement. The SLBC may require a unit member to apply for STRS disability as a condition of approval or for continuance of approval.

E. SICK LEAVE BANK COMMITTEE

1. The SLBC shall be a five (5) member Committee comprised of three (3) Association Executive Committee members as standing committee members with two (2) floating members selected by the standing committee members. All decisions of the SLBC are final and not subject to appeal.
2. The SLBC shall review and approve or deny all applications to the SLB. The SLBC shall also determine the necessity for additional contributions to the SLB and shall notify SLB members of the intent to deduct sick leave contributions, pursuant to Section (D)(8).
3. The SLBC shall be responsible for reporting data concerning the SLB to the district Treasurer.
4. The SLBC shall review the operation of the SLB, and shall make recommendations, if necessary, for modifications of the plan to the negotiating teams of the Association and the Board in February of the year the contract is set to expire.

Unit members have the option of using a maximum of fifteen (15) of those days prior to birth. In order to be granted sick leave due to pregnancy beyond the twelve (12) weeks period stated in this paragraph, a physician's statement will be required.

2. The days of accumulated sick leave on which severance pay is based can be a combination of that accumulated in Southwest Licking and that which is properly transferred from another governmental agency, department, or political subdivision.
