2022 OPERATIONAL REPORT

Department of Public Safety

Mike DeWine, Governor
Jon Husted, Lt. Governor

Andy Wilson, Director
Colonel Charles A. Jones, Superintendent

July 1, 2023

The women and men of the Ohio State Highway Patrol (OSHP) commit every day to protect life and property through the core services we provide. We are addressing the threats we know Ohioans are most concerned about – impaired driving, drug interdiction, distracted driving and highway crime.

Much of what we do starts with working to keep Ohio roadways safe. Our detailed data and analytics strategy to specifically address traffic crash patterns and dangerous driving behaviors directly impacts motorists in Ohio. We collect statewide crash data, enforcement, and other traffic safety metrics to develop and implement a strategic, data-driven approach to traffic safety.

I am pleased to present the OSHP's 2022 Operational Report. This comprehensive report demonstrates the various ways in which we are providing Service with a Purpose on our roadways and in our communities. This report also compares 2022 successes with the previous four years, and provides summaries for each OSHP District.

Key Highlights for 2022:

- OSHP conducted nearly 1 million contacts with motorists.
 - Of all contacts, 40 percent were enforcement and 60 percent were non-enforcement.
- OSHP removed more than 15,000 impaired motorists.
- OSHP made 8,386 drug arrests.
- OSHP issued 59,163 seat belt citations.
- 1,180 fatal crashes resulted in 1,275 deaths in Ohio.
 - Of all fatal crashes, 668 were OVI related, killing 726 people.

Our mission revolves around the types of critical safety and security areas where every day across Ohio, state troopers, Ohio Investigative Unit agents, police officers and professional staff directly and positively impact local communities. It is our hope that these statistics will be used to encourage safety and increase the quality of life in Ohio.

Sincerely,

Colonel Charles A. Jones
Superintendent
