May 1, 2024

On behalf of the women and men of the Ohio State Highway Patrol (OSHP), I am pleased to present the OSHP's 2023 Operational Report.

This comprehensive report represents the end product of how Ohio State Troopers and Ohio Investigative Unit Agents addressed the threats last year that Ohioans were most concerned about – impaired driving, drug interdiction, distracted driving and highway crime.

A comprehensive operational direction called Impact 23 was introduced at the beginning of 2023 as the roadmap for delivering effective public safety services throughout the year. Impact 23 incorporated collaboration, operations and technology in ways where the Division could make a difference in Ohio communities.

Much of that started with working to keep Ohio roadways safe. Ohio State Troopers made nearly one million motorist contacts in 2023, of which more than half were non-enforcement stops.

That is not to say troopers don't emphasize enforcement. The Patrol has a detailed data and analytics strategy to specifically address traffic crash patterns and dangerous driving behaviors that directly impact motorists in Ohio. Statewide crash data, and enforcement and other traffic safety metrics, are collected and analyzed to develop and implement a strategic, data-driven approach to traffic safety.

That strategy led to incredible successes in 2023, including:

- A reduction in fatal crashes compared with 2022 and 2021. This reduction was achieved by targeting crash causing violations and removing more than 15,000 impaired drivers from the roadways.
- An 8 percent increase in drug-impaired driving enforcement and a 14 percent increase in marijuana-impaired driving enforcement over 2022; and
- A 24 percent increase in commercial vehicle enforcement.

This report reflects the progress across the entire Division, in virtually every aspect of our operations. It not only compares 2023 successes with the previous four years, but illustratively shows how our Service with a Purpose mantra led to successes in each OSHP District.

Sincerely,

Colonel Charles A. Jones
