SERVICE WITH A PURPOSE
Est. 1933

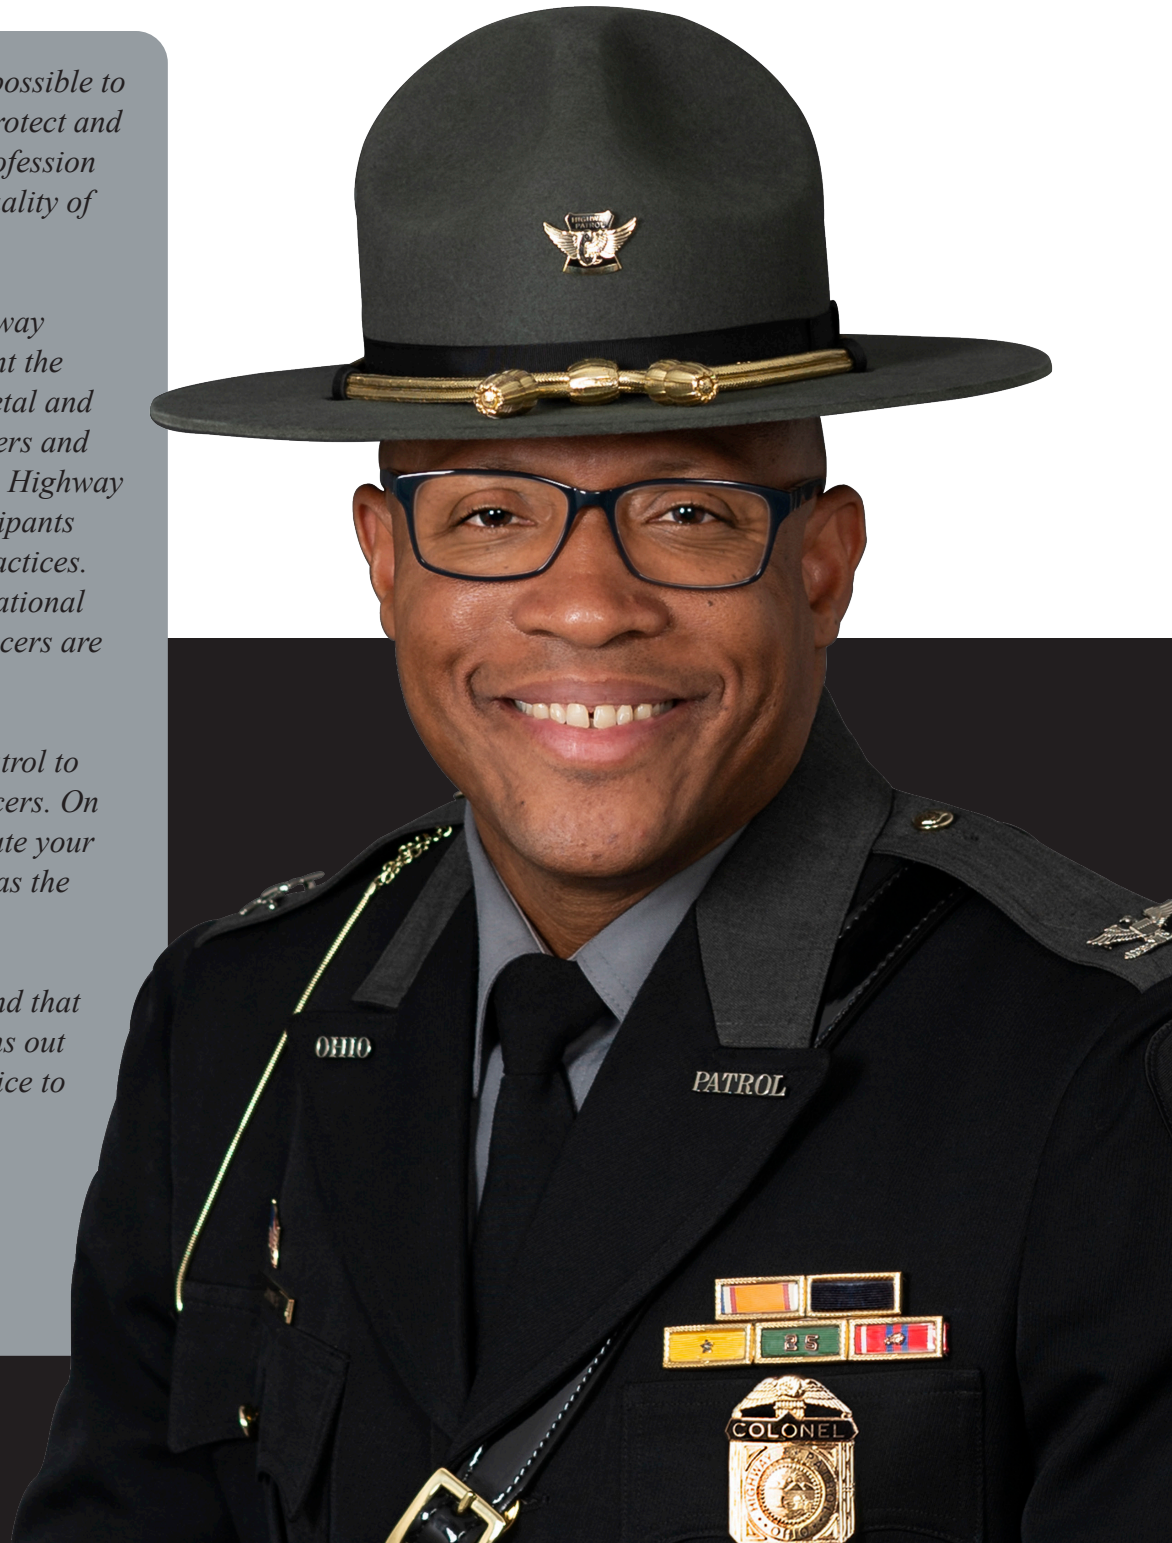

In law enforcement, we have a responsibility to do everything possible to ensure the safety and security of the citizens we are sworn to protect and serve. Aligning with the best practices and standards in our profession helps us work together toward the shared goal of enhancing quality of life and creating a safer Ohio.

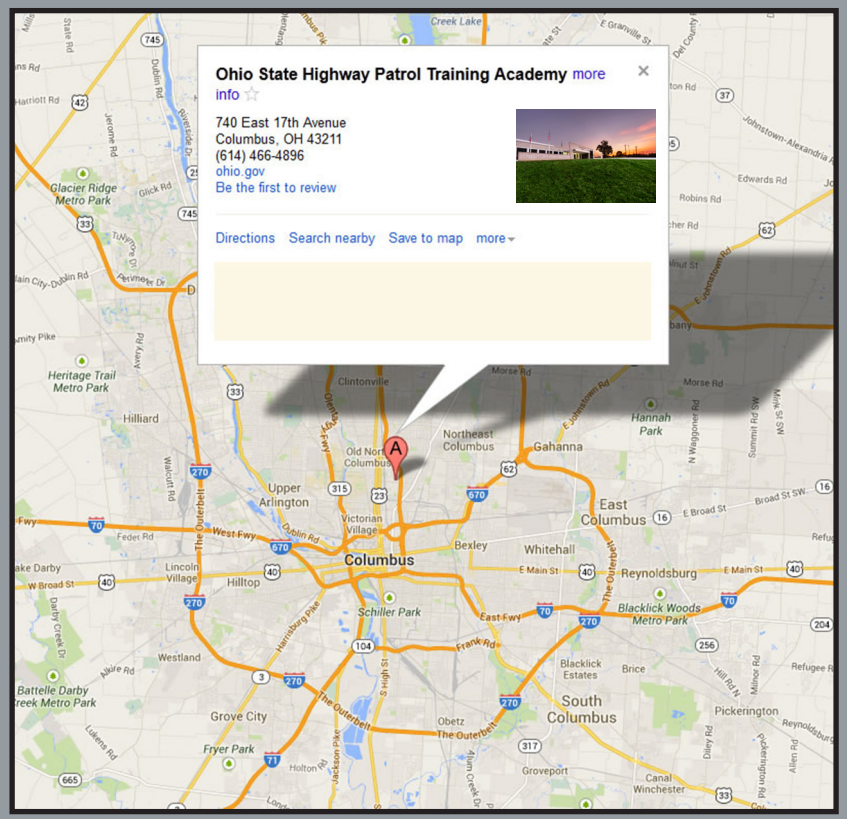

In that light, I am pleased to present the 2025 Ohio State Highway Patrol Training Calendar. The courses offered in 2025 represent the best in professional law enforcement topics, reflecting the societal and technological issues continuously facing law enforcement officers and agencies. Each course is led by instructors from the Ohio State Highway Patrol's CALEA-accredited Training Academy, ensuring participants receive instruction grounded in industry standards and best practices. For your department and the citizens of your community, the national accreditation of our Training Academy reinforces that your officers are receiving law enforcement training at an elite level.

Thank you for placing your trust in the Ohio State Highway Patrol to provide the most comprehensive training available to your officers. On behalf of our dedicated staff of training personnel, we appreciate your selection of the Ohio State Highway Patrol Training Academy as the place to advance your officers' professional development.

Collaboration is the key to success in fulfilling our missions, and that collaboration includes training. When we work together, it turns out better, and at the end of the day, we are all partners in the service to Ohioans and those who visit our great state.

OHIO STATE HIGHWAY PATROL ACADEMY

General Information

Academy Hours

8:00 a.m. – 5:00 p.m., Monday – Friday. Classes begin at 9:00 a.m. on the first day of the course unless otherwise noted in the course description.

Where will classes be held?

All classes are held at the Highway Patrol Academy, 740 East 17th Avenue, Columbus, Ohio, unless otherwise noted in the course description.

Who is eligible to enroll?

Enrollment is open to commissioned peace officers who are sponsored by their agency. We reserve the right to limit the number of students from a single department to ensure equitable representation of officers in a class.

Where will I be staying?

Officers enrolled in the Basic Peace Officer Course will reside at the Academy during training. Basic officers are restricted to the Academy during the week. **For students enrolled in any other courses, rooms are subject to availability. Please contact the Academy Scheduler for accommodations at lapallante@dps.ohio.gov.** If you prefer to stay at a hotel, there are many to choose from that are close by.

Is there a dress code?

Formal dress is not required; however, appropriate casual business attire is required. Students are not permitted to wear jeans, shorts, sandals, tee shirts or ball caps unless otherwise noted in the course description.

What should I bring for "down time?"

A variety of leisure training facilities are available to officers in training, including an indoor training tank, fitness room and gymnasium. Students should bring appropriate attire for these activities. Computer labs are available and a limited WiFi connection is available for personal laptops.

HOW DO I REGISTER FOR CLASSES?

You can make a reservation for one or more of the courses outlined in this book by using the Public Safety Training Campus which can be found under the "How to Register" section at the OSHP website https://statepatrol.ohio.gov/recruitment-and-training/oshp-training/general-information1 or in the launch link under each course description online. If you are already a user in the Training Campus, you may log on and register for the desired course. If you are not a user, please click on the "Create New User" link.

Once a user ID and password have been issued, a system user may search the course catalog for available courses and may register to attend.

Most classes are free of charge but if there is a charge, your agency will be billed for non-funded courses after completion.

In order to have a course considered complete, you must attend all days of the training and pass any required testing.

NOTE: The Basic Peace Officer Training course requires a special application. The agency sponsoring an individual should apply for entry to Basic Peace Officer Training; send email correspondence to OSHP_Academy@dps.ohio.gov.

REGIONAL TRAINING UNIT

The Regional Training Unit (RTU) is designed to be an extension of the Highway Patrol Training Academy. It is an outreach training program sponsored by the Ohio Department of Public Safety that offers the opportunity for our Ohio law enforcement partners to attend much needed training in their regional area without requiring travel to Columbus.

Training is developed on a continual basis and posted to the Public Safety Training Campus (PSTC). This is a web-based program containing the Academy and RTU course catalogs. All members of the Ohio law enforcement community are encouraged to register with the Department of Public Safety and Ohio State Highway Patrol in order to search and register for available courses. For instructions on how to enroll, go to https://statepatrol.ohio.gov/recruitment-and-training/oshp-training/general-information1.

Public Safety Training Campus Course Catalog

When searching for a course in the PSTC, users can search by Course ID, location or date. All Highway Patrol Course ID's will began with the letters "OSP". All course IDs are listed under the course title in this catalog.

Hosting Agencies

The RTU partners with various colleges, universities, vocational schools, high schools and other law enforcement agencies to obtain logistical support and facilities for training. If your agency wishes to host regional training courses, please contact the RTU at (614) 466-4896, or via e-mail at ADRTU@dps.ohio.gov.

ADVANCED ROADSIDE IMPAIRED DRIVING ENFORCEMENT TESTING (A.R.I.D.E.)

A.R.I.D.E is a two day (16 hour) course that is designed to train law enforcement officers to observe, identify and articulate the indicators of impairment caused by drugs and/or alcohol. A.R.I.D.E. training is critical for agencies seeking to reduce fatal, injury and property damage crashes through increased impaired driver arrests. The A.R.I.D.E. course serves as an S.F.S.T. (Standard Field Sobriety Testing) update.

Prerequisites to enroll in the A.R.I.D.E. course:

- Be a certified law enforcement officer through O.P.O.T.C. or a state trooper and have completed a certified S.F.S.T. course.
- Be a prosecuting attorney for a court located within the State of Ohio.

If yourself or your agency is interested in attending or hosting a class, please contact Sgt. Sam Criswell at SCCriswell@dps.ohio.gov or by phone at 614-312-7481.

BASIC PEACE OFFICER TRAINING

The Basic Peace Officer curriculum meets all the required standards for basic law enforcement training in Ohio. The students are provided with quality instruction in all subject matters prescribed by the Ohio Peace Officer Training Commission (O.P.O.T.C.). Additional advanced training is provided in several subject areas critical to the successful job performance of the modern law enforcement officer.

A special emphasis is placed on human relations training and on developing the officer's most frequently used skills. Experts in the many fields of criminal justice are brought to the academy to present qualified instruction in their critical subject areas. Every officer is given specialized instruction in emergency vehicle operations, firearms proficiency and safety, self-defense tactics, physical conditioning, standardized field sobriety testing and speed measuring devices.

All applicants must be sponsored by a law enforcement agency and be a full-time employee of the agency at the time of appointment to the program. Applications for Basic Peace Officer Classes will be made available to agencies approximately 90 days prior to the class commencing. Class size will be determined by our ability to fill the appropriate instructor to student ratios to optimize training. Classes will be filled based on the order that completed packets are received by agencies. In addition, a physical fitness assessment must be completed. Mandatory physical fitness standards have been established by the O.P.O.T.C. and these are prerequisities for admission into the Basic Peace Officer training program. Applicants must now be evaluated by the school commander and a certified physical fitness instructor for strict compliance prior to the scheduled Opening School Audit. If the applicant does not meet the minimum criteria, their continuance in the training program will not be considered and they will not be added to the current roster.

Each student must bring a service handgun and 1,500 rounds of reduced lead or lead free pistol ammunition. This ammunition should be of a weight in grains comparable to the agency's duty ammunition. In addition, each student must bring an agency shotgun if other than a Remington 870, 250 rounds of buckshot ammunition and 100 rounds of slug ammunition.

OVI DETECTION & STANDARDIZED FIELD SOBRIETY TESTING (SFST) REFRESHER

Course ID: OSP–OVISFST2025

The 1/2 day refresher course is designed to enhance the skills required to detect, apprehend and prosecute persons operating a vehicle while under the influence of alcohol and/or drugs. The course includes classroom instruction and controlled exercises structured to give the officer practical experience in the evaluation of the adverse effects of alcohol/impairment on driving ability. The classroom refresher consists of the three Phases of Detection, Concepts, & Principles of Arrest and Trial Preparation. Students receive a refresher on the SFST tests, consisting of the Horizontal Gaze Nystagmus test, Walk-and-Turn test, and One-Leg stand test, as developed and recommended by the National Highway Traffic Safety Administration (NHTSA).

Requirements: Be a certified law enforcement officer and have completed a certified SFST course OR be a prosecuting attorney located within the state of Ohio. Students are encouraged to bring note taking supplies and a laptop and/or tablet, as the training material will be accessed electronically. The NHTSA SFST manual should be accessed prior to the course via https://dam.assets.ohio.gov/image/upload/statepatrol.ohio.gov/doc/SFST_full_participant_manual.pdf.

Class start time will be 1 p.m.

ADVANCED SEARCH AND SEIZURE (PART I AND PART II)

Course ID: OSP–ADVSS

This is a multi-part course designed to provide you with the in-depth knowledge necessary to navigate the legal principles and case law surrounding the Fourth Amendment. These classes will help a road officer, detective, instructor, or administrative officer understand the legal requirements to make arrests and to conduct searches. Part I of the class will cover the major canons of statutory interpretation used by lawyers and judges to interpret laws and regulations as well as how to brief a court case. This will enable you to understand the facts, issues, rules, court analyses, and the holdings of court cases related to the Fourth Amendment. In addition, you will learn an in-depth overview of the Fourth Amendment and the legal requirements of probable cause and reasonable suspicion. Finally, you will learn about the statutory law and case law surrounding arrests with and without a warrant.

Part I is a pre-requisite to Part II. In addition, some reading material and coursework will be sent out prior to the class in order to prepare for the three days of lectures. Participation in all three days as well as a passing score on a final exam is required to receive a certificate for each part of the course. Students should bring a laptop computer and/or notetaking material to the class.

Part II continues where the first part leaves off to discuss search warrants. You will learn the legal parameters of drafting, executing, and returning search warrants. In addition, you will get an in-depth analysis of all the exceptions to the warrant requirement and how they can be applied in practical applications.

Students should bring a laptop computer and/or notetaking material to the class.
