This form is for individuals who were subjected to individual income tax by another state or the District of Columbia while a resident of Ohio. Full-year nonresidents are not entitled to this credit and should not use this form. Include a copy when filing your Ohio IT 1040.

List any income taxed and any taxes paid to each state and/or the District of Columbia. Do not include income earned or received in states without an income tax. Only income included in your Ohio adjusted gross income is eligible for this credit. **Important:** Do not list any income in Column A if you do not have tax paid in Column B. Do not list a tax paid in Column B if you do not have income taxed in Column A.
