

If a student is interested in a Business Economics (Bachelor of Business Administration/Bachelor of Science in Business/etc.) degree, then the student should follow the Statewide Guaranteed Business Transfer Pathway. This Associate of Arts or Associate of Science pathway in Economics is intended for students who would like to pursue a Bachelor of Arts, or at some institutions a Bachelor of Science in Economics.

The following table outlines how transfer credits will be applied to the Bachelor of Arts in Economics degree at Cleveland State University for students who completed an Associate of Arts or Associate of Science degree via the Ohio Guaranteed Economics Transfer Pathway. The OGTP designation guarantees the transfer and applicability of credits, but does not guarantee admission to a program. Some bachelor-degree granting programs may be competitive, and students should check with individual institutions for their program admission requirements.

REMAINING COURSEWORK TO COMPLETE BACHELOR'S DEGREE TOTAL:³			55-60
Advising Notes: ¹ Assumes the student has completed the first two semesters of the foreign language sequence prior to entering CSU. Students who completed 3 years of a single foreign language in high school have met the College of Liberal Arts and Social Sciences' foreign language requirement. Otherwise, students must complete two intermediate courses of the same foreign language taken in high school or two consecutive introductory courses of a language other than the one taken in high school. ² The College of Liberal Arts and Social Sciences requires that students successfully complete a minimum of 42 credit hours at the 300- and/or 400-level. If the foreign language requirement is met prior to entering CSU, then additional elective hours may be needed. ³ CSU requires a total of 120 credits hours for the B.A. in Economics. The total number of hours to complete the bachelor's degree represents a range of hours that may be needed depending on the individual course selections made during the associate degree program.
