Advising Notes: Where it indicates "Any Ohio Transfer 36 approved," students should work closely with their advisors. (+) indicates that the courses chosen should be from two different areas within that category. ¹ Only one natural sciences lab is required. In some cases, a sequence of Biology courses may be required, and in others, taking one Biological Science and one Physical Science is preferred. Check with your receiving institution. ² One recommended course is Ohio Transfer 36 approved Oral Communication (TMOC).			

SPECIAL NOTES

Students with plans of pursuing a pre-professional track such as pre-medicine or graduate studies in the future should work closely with their academic advisor and receiving institution starting in the first year of their program in order to adequately prepare themselves for those types of tracks.
