Advising Notes:

Where it indicates "Any Ohio Transfer 36 approved," students should work closely with their advisors.

⁽⁺⁾ indicates that the courses chosen should be from two different areas within that category.

¹ A prerequisite such as College Algebra (TMM001) may be needed for a student to reach Calculus I (TMM005) or Business Calculus (TMM013). Students intending to pursue a Bachelor of Science in Economics should take Calculus 1 (TMM005).

² Principles of Microeconomics (OSS004) also counts toward pre-major/beginning major requirements.

³ Only one natural sciences lab is required. In some cases, taking one Biological Science and one Physical Science is preferred. Check with your receiving institution.
