SPECIAL NOTES

The coursework identified is guaranteed to transfer and apply to a Bachelor of Arts (BA) or a Bachelor of Science (BS) in Theatre. It is not guaranteed to count toward a Bachelor of Fine Arts (BFA) in Theatre and would be evaluated on a course-by-course basis along with any audition, portfolio, or other requirements that the receiving institution requires of its own students. Students should check with individual institutions for their program admission and degree requirements.

Some bachelor-degree granting institutions require additional general education courses outside of the Ohio Transfer 36 and students may be required to take these courses in their junior or senior year. Students will still be able to follow this pathway and complete their bachelor's degree in approximately 60 additional credit hours.

Students are required to complete a minimum of 12 credits of advanced coursework of the 60 semester credits. Degree requirements can be found at: <http://catalog.tri-c.edu/academic-information/degree-certificate-program-requirements/>
