Advising Notes:

Where it indicates "Any Ohio Transfer 36 approved," students should work closely with their advisors.

(+) indicates that the courses chosen should be from two different areas within that category.

<sup>1</sup>Please note that some institutions may require College Algebra (TMM001). Check with your receiving institution.

<sup>2</sup> It is recommended that an Arts and Humanities or Social and Behavioral Sciences course be selected that is also a diversity/global

awareness course. Second Writing (TME002) is also recommended if not already taken.

Advising Notes:

<sup>1</sup> A minimum of two semesters of world language should be taken if available. Additional world language courses may be needed as well – check with your receiving institution. If more world language courses are taken, then the number of elective hours will be lower. <sup>2</sup> "Under review" indicates that the course does not currently carry the statewide course equivalency guarantee. However, the institution is working toward this goal. Students should consult this institution's contact indicated below for guidance on enrollment in this course.

#### SPECIAL NOTES

Some bachelor-degree granting programs may be competitive and admission into the program is not guaranteed. Students should check with individual institutions for their program admission requirements.

Some bachelor-degree granting institutions require additional general education courses outside of the Ohio Transfer 36 and students may be required to take these courses in their junior or senior year. Students will still be able to follow this pathway and complete their bachelor's degree in approximately 60 additional credit hours.
