Please consult with your academic advisor. ¹ One course must be a biological science course. Only one natural sciences lab is required. In some cases, taking one Biological Science and one Physical Science is preferred. Check with your receiving institution. ² One recommended course is Ohio Transfer 36 approved Oral Communication (TMOC). | | | |

SPECIAL NOTES

Students with plans of pursuing a pre-professional track such as pre-medicine or graduate studies in the future should work closely with their academic advisor and receiving institution starting in the first year of their program in order to adequately prepare themselves for those types of tracks.
