

Wright State University Applied Business Bachelor's Degree

Effective Date: 2023-2024 (Last revised July 7, 2023)

The bachelor's degree program in this document has been identified as a program that is business-related and is designed to allow students who have graduated from an Ohio community college with an applied associate degree in business to transfer to a public Ohio university and complete the bachelor's degree in approximately 60 additional credit hours. To view all available pathways, please visit the [Ohio Guaranteed Transfer Pathways Search Tool](#).

Wright State University	
Bachelor of Science in Organizational Leadership	
The Bachelor of Science in Organizational Leadership helps students gain the skills they need to make a difference in their community. This program is multidisciplinary, focused on the people side of organizations and managing others and can provide students with a broad perspective to prepare for complex social, cultural, and professional issues sure to be encountered.	
Important Transfer Information:	
Organizational Leadership is a Bachelor of Science degree completion program that is leadership-focused, multidisciplinary, and application-oriented. This program is designed for students with a two-year degree or its equivalent who want a broad academic background to prepare them for supervisory and management careers.
