

Logging into the Ohio Automated Service Coordination Information System (OASCIS)

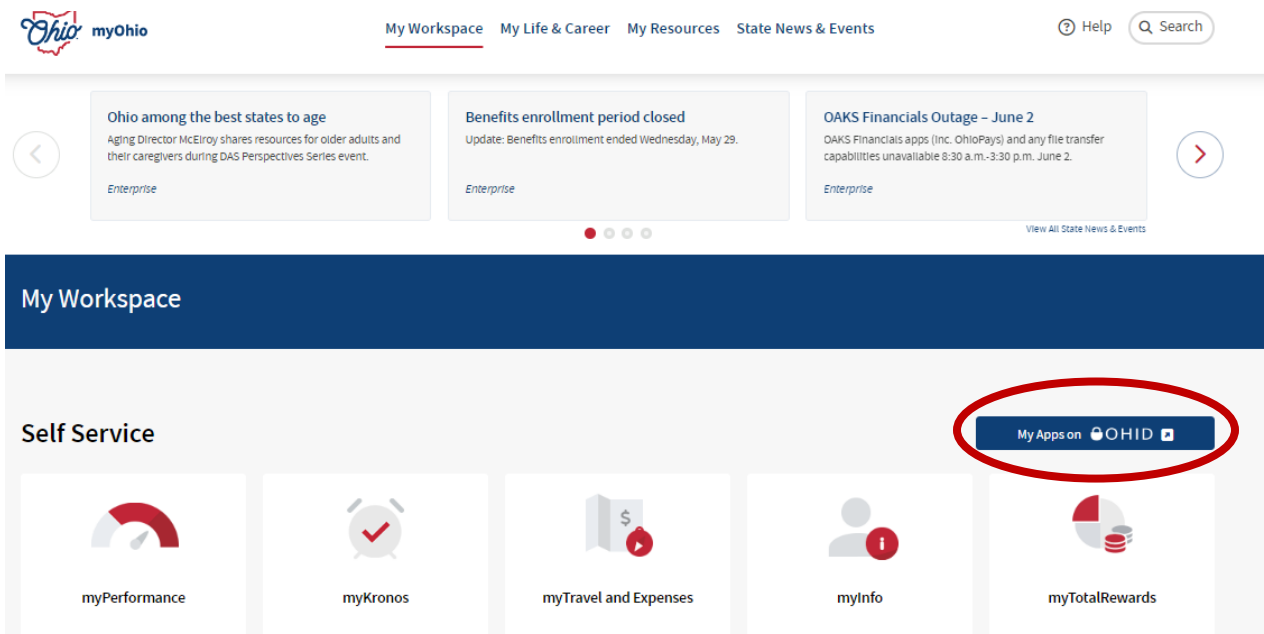

Note: To **Log In** a user must have completed a **JFS 7078 Form** and been given access.

Go to <https://ohid.ohio.gov/wps/myportal/gov/myohio/>

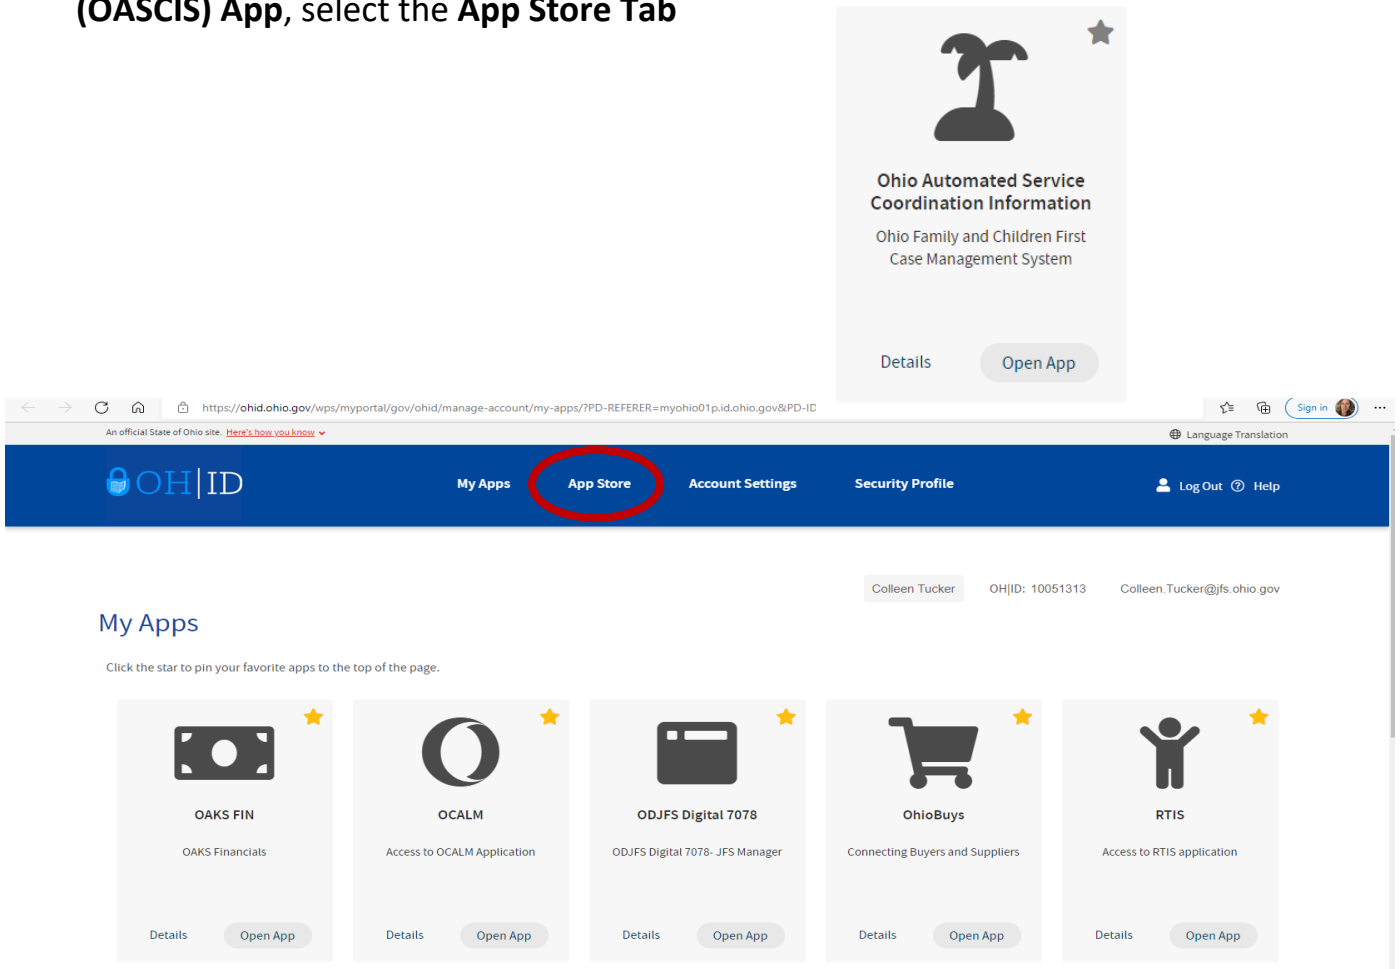

Type in your **8-digit OHID** and **Password** you were provided. Select **Log In**. If you already had an OHID that started with a 5, you will use that OHID and password to log in.

You will be taken to the MyOhio Home Page. Select **My Apps on OHID**.

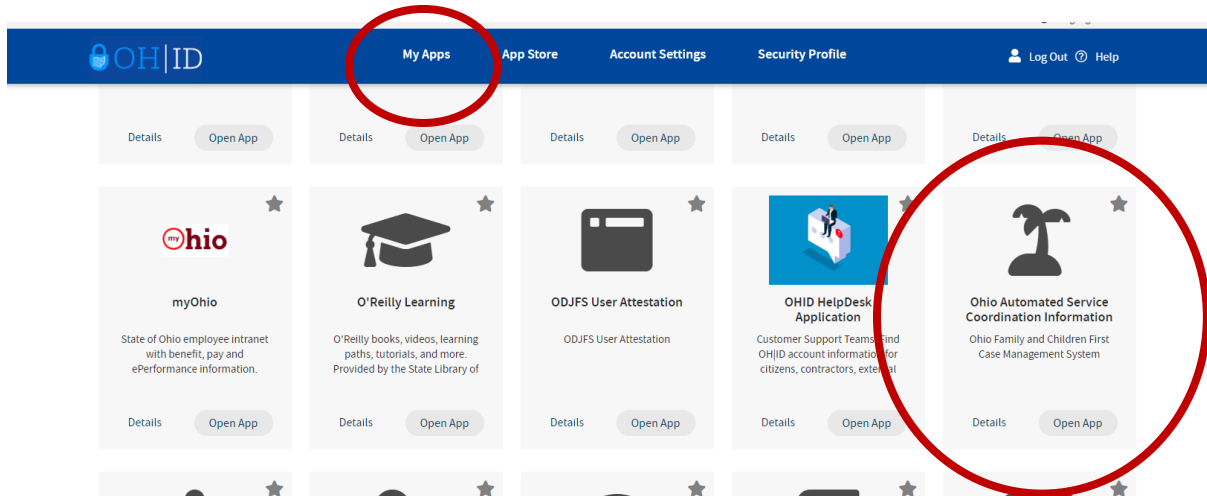

If you do not already see the **Ohio Automated Service Coordination Information (OASCIS) App**, select the **App Store Tab**

Once you have located the **OASCIS App**, select the star to bookmark the app.

OASCIS will now be located under your **My Apps** Tab for future access. Select **Open App** to continue.

If you run into any issues logging into or entering information into OASCIS, please email the OFCF team at OFCF_Access@childrenandyouth.ohio.gov
