

OHIO OVERDOSE AWARENESS DAY

AUGUST 31

YOU COULD SAVE A LIFE. CARRY NALOXONE.

In 2023

297K naloxone kits were distributed.

136K Ohioans were trained to use naloxone.

20K known overdoses were reversed with naloxone.

Naloxone, commonly known as Narcan, is a medication that can reverse an overdose caused by an opioid drug. It is safe to use and has no effect on someone who does not have opioids in their system.

Ohioans can receive free naloxone and learn how to administer naloxone at Naloxone.Ohio.Gov.

For more information on naloxone and how to get your own, visit: Naloxone.Ohio.Gov

If you think you or someone you know is in immediate danger, always call 911. In crisis? Call or text **988** or chat online at 988Lifeline.org to speak with a trained specialist 24/7.
