### Personal Appearance(s)

#### Rudyard C. Whipps, D.D.S.

Ms. Yehnert provided a summary of the matter of Rudyard C. Whipps, D.D.S., for the Board stating that this was Dr. Whipps' sixth (6<sup>th</sup>) personal appearance before them. Dr. Whipps entered an Impairment Consent Agreement with the Board on February 1, 2023, and his license to practice dentistry was reinstated from an indefinite suspension period on March 8, 2023. Since that time, Dr. Whipps has been granted incremental work privilege increases and on July 26, 2023, Dr. Whipps's request to work forty (40) hours per week was granted, with the limit of eight (8) hours per day. On December 7, 2023, the Board lifted the eight (8) hour per day restriction and approved Dr. Whipps' request to apply for a DEA registration.

Ms. Yehnert stated that Dr. Whipps has fully complied with his Consent Agreement's probationary terms, conditions, and limitations. Dr. Whipps is before the Board members at their request to update them on his recovery and answer any questions they may have for him.

Upon being questioned by the Board, Dr. Whipps thanked the Board members for taking the time to meet with him. He stated that things have been going well professionally, with his recovery, and with his family. He stated that he still has the same support as in the past with his family, staff, and his sponsor who lives down the street from him and feels that he has a good work-life balance and keeps his recovery at the forefront of his life. He says that he has constant accountability through the Ohio Professionals Health Program (OPHP). Dr. Whipps informed the members that he received his DEA License almost a year ago and was re-credentialed.

When questioned by the Board as to whether appearances before the Board helped Dr. Whipps to “stay the course.” Dr. Whipps responded that he believed repeated appearances helped with his sobriety and that constant accountability is instrumental.

President Bean then thanked Dr. Whipps for sharing and stated that the Board would be considering whether to invite him back for another appearance. She stated they would notify him about any subsequent appearance before the Board.

President Bean noted that the next item on the agenda was the Personal Appearance of Jamie Cramer, EFDA. However, she stated that Ms. Cramer was having difficulty finding parking and that the Board would move on to the next item on the agenda, the Evidentiary Hearing in the Matter of Susan A. Branch, EFDA.

#### [Evidentiary Hearing in the Matter of Susan A. Branch, EFDA](#)

President Bean stated that the Board would now consider an evidentiary review in the matter of Susan A. Branch, E.F.D.A. in accordance with Chapters 119. and 4715. of the Ohio Revised Code. She stated it was 1:17 p.m. on April 30, 2025, and asked that the record reflect that Ms. Branch had not requested a hearing pursuant to the Notice of Automatic Suspension and Opportunity for Hearing dated December 4, 2024. President Bean indicated that the proceeding would not consist of a full adversarial and evidentiary proceeding, but a reliable evidentiary review. She stated that while the Respondent may attend the hearing due to its public nature, they cannot testify; call witnesses or present witnesses; and the Respondent has no right to make any argument in the proceeding. The purpose of the proceeding was to give the Board information about this matter in lieu of the administrative hearing that would have occurred if Ms. Branch had properly requested a hearing. She stated that the Board's minutes would serve as the record of the proceeding.

President Bean identified herself as President of the Board for the record and then asked the rest of the Board members to identify themselves for the record:

President Bean noted that the Board's Chief Legal Counsel Miguel Santiago, Esq. and Assistant Attorney General Katherine Bockbrader, Esq. were in attendance. She then asked if Ms. Bockbrader had an opening statement.

Ms. Bockbrader stated that the evidence will show that Ms. Branch is registered as an EFDA and holds certificates as a radiographer and as a coronal polisher. She entered into a consent agreement with the Board in November 2023 as part of that consent she agreed to abstain from alcohol and drugs and to submit to drug and alcohol screens. Despite that agreement, she tested positive in August 2024 for amphetamine and methamphetamine. Ms. Bockbrader then described the evidence provided for Board member review prior to the meeting as follows:

1. Notarized Affidavit of Barbara Yehnert

3. State's Exhibit 2 – Delivery of Notice

5. State's Exhibit 4 – Positive Drug Screen
6. State's Exhibit 5 – OPHP Deficiency Letter

Ms. Bockbrader then asked that the Affidavit of Barbara Yehnert and State's Exhibits 1-5 be admitted into evidence.

President Bean admitted the Affidavit of Barbara Yehnert and State's Exhibits 1-5 into evidence. She then asked for the record if each member of the Board had an opportunity to review the Affidavit of Ms. Yehnert and the State's Exhibits in the matter of Susan A. Ms. Cramer, who holds a registration as an EFDA and a certificate as a radiographer entered into an Impairment Consent Agreement on April 2, 2024, with the Board which was ratified on May 1, 2024. As a term of her Consent Agreement with the Board, Ms. Cramer is required to appear before them upon successful completion of her probationary terms. Ms. Cramer has fully complied with her consent

agreement's probationary terms, conditions, and limitations and is prepared to answer any questions the Board may have at this time.

Upon being questioned by the Board, Ms. Cramer explained that she had made some bad choices a few years ago and is now in a better place in her life, career, and with her family. She further explained that she is not currently working full-time as she was recently married and has a new infant at home along with her husband's two (2) older children. Ms. Cramer stated that she substitutes occasionally but feels that there is too much anxiety to consider working full-time currently. She stated that her former co-workers and her new family help to keep her active and in her recovery.

President Bean thanked her for providing the updated information regarding her recovery and wished her well.

### Report and Recommendation(s)

Darrell R. Jensen, D.M.D.

President Bean announced that the Board would now consider the Attorney Hearing Examiner's Report and Recommendation in the matter of Darrell R. Jensen, D.M.D. that was filed by Attorney Hearing Examiner Chester T. Lyman, Jr. on April 3, 2025.

President Bean informed the Board that neither Dr. Jensen nor his attorney, Ms. Jennifer L. Myers, made a request to present oral arguments. Therefore, the Board will only consider the evidence presented during the administrative hearing in this matter. She stated that the Board's minutes would serve as the official record of the proceedings.

President Bean asked if each member of the Board had an opportunity to review the Report and Recommendation, exhibits, transcripts, and Respondent's objections in the matter of Darrell R. Jensen, D.M.D. that were made available prior to the meeting. She stated that she was President of the Board for the record then asked each member of the Board to identify themselves and confirm that they had the opportunity to review all the information prior to the meeting today.

Ms. Bockbrader mentioned that in addition to the Report and Recommendation, exhibits, transcripts, and Respondent's objections, there was additional information provided to the Board members prior to the meeting. She asked that President Bean, and the rest of the Board members confirm that they had received and reviewed the additional information as well.

President Bean stated that the Board would now recess at 1:32 p.m. for quasi-judicial deliberations and that only Board members, Interim Executive Director Santiago, and Deputy Director Schaal were invited to remain in the room to assist with deliberation. Members of the public, SIP members who reviewed the investigation of these cases, any Board members who have a conflict of interest in these matters, and other staff will not be in attendance to this discussion. The Board will announce its decision when they return to the public session. The Board will notify Ms. Branch and Dr. Jensen in writing of their decisions after the Board meeting.

### Open Session

The Board resumed the open session at approximately 2:54 p.m.

President Bean said that the record should reflect that Dr. Brisley-Sedon and Dr. Bean were Secretaries in these matters and did not participate in deliberations or discussion in these matters. She stated that Dr. Kelley had been the Board Secretary later in these matters and so he had not participated in the deliberations regarding Ms. Branch. Therefore, all three (3) Board members would abstain from the final vote.

### Decision In the Matter of Susan A. Branch, EFDA

**25-04-05 Motion by Dr. Williams, second by Dr. Wauligman, in the matter of Susan A. After reinstatement, Ms. Branch is to comply with probationary terms and conditions for a period of five years. She is to abstain from drugs and alcohol, comply with drug testing, and not test positive for any non-prescribed drugs. #### Decision In the Matter of Darrell R. Jensen, D.M.D.

**25-04-06 Motion by Dr. Williams, second by Dr. Wauligman, in the matter of Darrell R. Jensen, D.M.D. that the Board modify the findings of facts, accept the conclusions of law in the report, and modify the recommendation of the hearing examiner. The Board finds that Dr. Jensen fell below the standard of care in the following respects: lack of adequate review of health history; attempting to repair a mandibular fracture beyond the scope of his abilities; and lack of proper recordkeeping and reporting. The rationale for the modification is the following: The Board in its expertise has determined that suspension is not necessary to protect the public. Dr. Jensen's license shall be subject to probationary terms and conditions for a period of (1) year. Dr. Jensen shall complete the following continuing education within six (6) months: five (5) hours of ethics; ten (10) hours of oral surgery; ten (10) hours of medically compromised patients; and five (5) hours of record keeping. Dr. Jensen also shall submit, by the fifth (5th) day of each month, a list of patient initials on whom he has performed oral surgery procedures of which the Secretary of the Board and Vice-Secretary may select up to ten (10) cases for whom Dr. Jensen provided the above referenced treatments. Dr. Jensen shall not be released from probation until he submits twenty (20) cases for which he has performed oral surgery procedures that have been reviewed and approved as meeting the standard of care.**

### Old Business – Status Update

Dr. Krob stated that under “Old Business” the Committee had reviewed a status update on the policies that they have reviewed over the past several months. The Committee decided to continue their discussions on B-501 Policy Regarding Dental Hygienists Performing Periodontal Maintenance When the Supervising Dentist is not Physically Present. The Committee was successful in developing a definition for “definitive scaling and root planing” and will recommend updating that section of the policy and then the policy will be updated to the new format as well.

### New Business

### Old Business - Use of Lasers by Dental Hygienists

Dr. Carr thanked the Board staff for their work on lasers for dental hygienists and drafting rules. Discussion on the draft rules regarding course requirements concluded with the members deciding that if a detailed course curriculum was included within the draft rules, then the Board would not be required to review and approve individual courses. Further discussion resulted in the decision that courses on the use of lasers by dental hygienists should be eight (8) hours total with five and a half (5 ½) hours didactic and two and a half (2 ½) hours of hands-on experience/training. The members determined that the course curriculum should include the thirteen (13) subject areas similar to those covered in the law and rules for West Virginia dental hygienists and each course participant must pass an examination provided by the sponsor of the course with a minimum score of 75%, as well as passing a clinical competency.

### Discussion items

Dr. Carr stated that the education and training requirements for the application of silver diamine fluoride and interim therapeutic restorations had been revisited. However, the Committee had already made the determination that one (1) hour of education for each course should be minimally required. She stated that the draft language in that regard had already been submitted to the Law and Rules Review Committee for any further discussion and/or possible changes to the educational requirements.

Dr. Carr indicated that the Committee had discussed adding specific duties for dental auxiliary personnel under teledentistry similar to practicing without the dentist present. She stated that the Committee had asked Interim Director Santiago to draft language for the rules in order that they be more aligned.

### Topics for the next meeting.

Dr. Carr indicated that the Committee hopes to finalize the educational requirements for dental hygiene use of lasers at the next meeting. She stated this concluded all the Committee discussions, and the meeting was adjourned at 11:50 a.m.

President Bean thanked Dr. Carr for the Education Committee report and called for a motion to approve the Committee report.

The Board did not receive any opponent testimony and thanked Eric Richmond of the ODA for being the only person in attendance to the rules hearing. She explained that the Joint Committee on Agency Rule Review (JCARR) will be holding their hearing on the rules on May 12, 2025, and we anticipate no opposition there as well. Once the rules hearing for JCARR is completed and assuming no opposition, the Board can final file all seven (7) rules once JCARR jurisdiction ends on May 16. The Rules may become effective ten (10) days thereafter.

President Bean then asked Deputy Director Schaal to provide the Board members with a brief update on any legislative activity.

### Legislative Update

Deputy Director Schaal thanked President Bean and stated that there were only a few legislative items to mention. First, the Budget Bill, H.B. 96, is now in the Senate and on May 1<sup>st</sup> Interim Executive Director Santiago and Fiscal Coordinator, Shannon Stimer, would be going over to the Statehouse to provide the Board's budget testimony before the Senate Health Committee. President Bean informed the Board members that Mr. Vessels had officially listed on his website that his term with the Ohio State Dental Board was coming to a close. #### [Dental Hygiene Member – Dr. Jamillee R. Krob](#)

Lastly, President Bean informed her fellow Board members that it had been made quite clear that this was Dr. Jamillee Krob's final meeting with them. She stated that she had requested Dr. Krob to serve the additional sixty (60) days past the term ending date allowed by law should her position not be filled. In looking at the calendar, President Bean noted that our next Board meeting will be held on June 11<sup>th</sup> and Dr. Krob's last day of the extended sixty (60) days is June 6<sup>th</sup>. Therefore, this Board meeting constituted Dr. Krob's final Board meeting. for dedicated and outstanding service to the citizens of Ohio  
and to the dental profession across  
the Great State of Ohio  
from 2017 to 2025.

Ms. Tuerck has worked for the Medical Board as an enforcement officer where she was eventually promoted to a supervisory role. Most recently, she has been working for the Sheriff's Office in Brown County. Her experience in law enforcement and as an enforcement officer will be invaluable to the Board.

Interim Executive Director Santiago stated that there was also bad news on the staffing side in that the Attorney 4 position which was offered to an individual who he felt would have been fantastic in the position had declined the offer for the position. Consequently, the Board re-posted the position.

### Auditor of State

On a final note, Interim Executive Director Santiago informed the Board members that the Auditor of State has also commenced their bi-yearly audit of the agency.
