

APPLICATION FOR FEED REGISTRATION

A feed registration is required for each Ohio facility that is manufacturing commercial feed or any firm labeling commercial feed that is distributed into Ohio. Copies of at least one current feed label that is being distributed into Ohio must accompany this registration application. Labels are accepted in printed or PDF format. Each feed registration expires on January thirty-first of the following year.

Beginning 2026, any person who holds a valid feed registration shall report the amount of feed sold in Ohio annually. ODA will provide the feed tonnage report. The reporting period is from the first day of January to the thirty first day of December. The completed reports shall be postmarked by the first day of February.
