Ohio Department of Job and Family Services'
Dislocated Worker Unit (Rapid Response
Unit)

Dear Breeyn Handberg:

Under the provisions of the Worker Adjustment and Retraining Notification (WARN) Act, this letter is notification of the intention of Golden SVCS, LLC to engage in a site/plant closing at the NASA Glenn Research Center facilities located at 2100 Brookpark Rd., Cleveland, OH 44135.

The government notified the company that the site operations were awarded to another Security contractor. Therefore, the Company is having to cease its operations at the Ohio sites. This will result in the loss of employment of approximately 45 employees. This cessation of employment with Golden SVCS, LLC will be permanent. The date when the closing is expected to occur, and when employment with Golden SVCS, LLC is expected to end, is on or about February 28, 2023. Bumping rights will not exist. Employees are expected to gain employment with the successor Security Contractor.

Below is a list of the job titles and number employees in each job title who are expected to experience a loss of employment from Golden SVCS, LLC. The affected employees are represented by following union, the Ohio Patrolmen Benevolent Association (OPBA).

The name and address of union contacts.

- Ohio Patrolmen Benevolent Association (OPBA), 10147 Royalton Road #J, North Royalton, OH 44133. Tom Austin, Executive Director & Brian Holb, General Counsel.

NASA SO DISPATCHER	6
