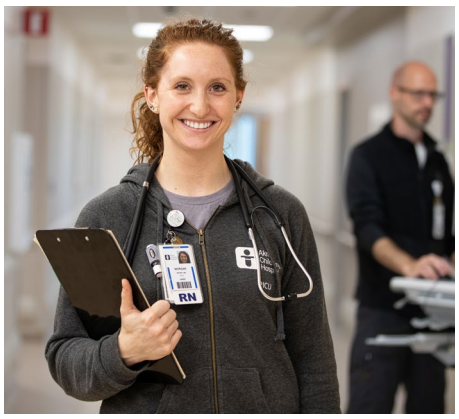
IN-DEMAND JOBS WEEK

Reach Your Full Potential



MAY 4-8, 2026

In-Demand Jobs Week is the statewide celebration of the jobs, industries, and skills that are in demand in Ohio.

Community leaders statewide are encouraged to partner in planning engaging events and activities that will inspire excitement and awareness among students and job seekers.

WHAT KIND OF EVENTS CAN I HOST?

There are several different events that schools, businesses, and community organizations can host during In-Demand Jobs Week. Here are just a few examples:

Career Fairs & Hiring Events:
Host a recruiting event with local businesses in the area at a school or community space.

Open House / Facility Tours:
Invite community members, schools, and prospective employees to come to your business so they can see the types of careers you offer and the space they could work in.

Roundtable Discussions:
Host local business and education leaders to talk about industry needs and how you can work together to better your community.

Networking Event:
Work with a local business (like a restaurant or coffee shop) to host a networking event to foster connections with other businesses and community leaders.

Host a Resume 'How-To' Class:
Invite students and community members to a resume building class and show them what employers are looking for in a resume.

Career 'Signing Days':
Do you have students who are 'committing' to a career right after graduation? Help celebrate them by hosting a career signing day at your school.

How can I spread the word about my event?

Outside of sending emails, invitations, or posting about your event on social media, you can share your event on the official In-Demand Jobs Week Interactive map (TopJobs.Ohio.gov/week). This interactive map will list all events being hosted for In-Demand Jobs Week 2026. To add your event to the map, submit your event name, date/time, and description to In-DemandJobs@jfs.ohio.gov.

Need help planning your event or have questions? Send us an email at: In-DemandJobs@jfs.ohio.gov.
