Re: Worker Adjustment and Retraining Notification Act (WARN) Notice of Layoff

Dear JFS:

This letter is to inform you that Milestone Technologies, Inc has decided that it must permanently layoff a number of its employees at its New Albany, OH facility, located at 1 Community Circle, New Albany, OH 43054, due to the end of Milestone's contract with our client at this location. Note the mailing address for Milestone is 2201 Walnut Avenue, Suite 290, Fremont, CA 94538.

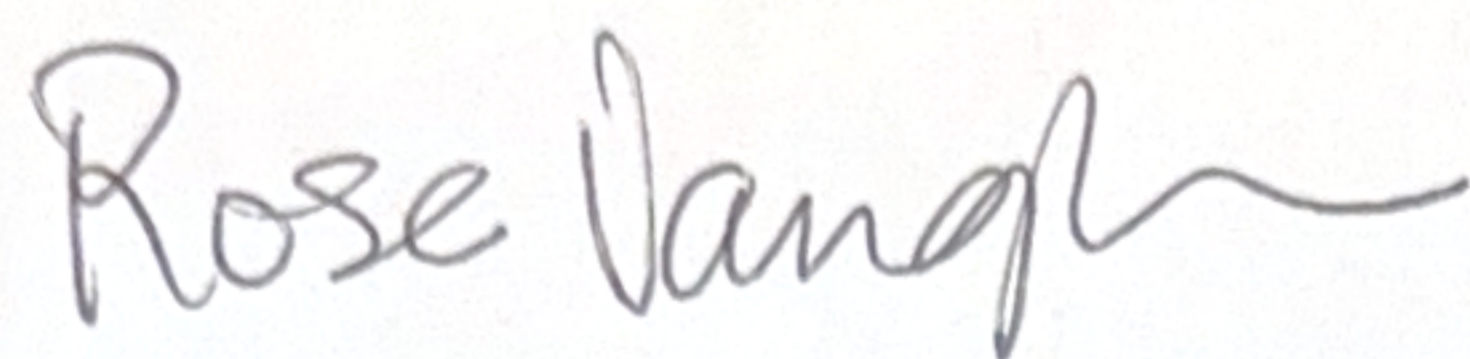

The expected first separation will occur June 28, 2026.

The total number of affected employees is approximately 105. None of the employees are represented by a union. The job titles of the positions to be affected and the number of affected employees in each job classification are as follows:

<u>Job Title</u>	<u>Number of Employees Laid Off</u>
Data Center Logistics Associate L1 - (H)	45
Data Center Logistics Associate L2 - (H)	23
Data Center Logistics Associate L3 - (H)	20
Data Center Logistics Training Coordinator - (H)	1
Manager, Regional Operations	1
Safety Risk Coordinator - (H)	1
Safety Risk Lead	1
Senior Logistics Process Engineer	1
Service Delivery Manager	1
Service Driver L1 - (H)	2
Service Quality Lead	1
Team Leader, Data Center Logistics	6
Team Manager, Data Center Logistics	1
Training Program Manager	1

For further information on this action, please contact Rose Vaughan at rvaughan@milestone.tech or (510)418-9370.

Very truly yours,

Rose Vaughan
Vice President of People Experience
Milestone. Technologies, Inc.
