## ANALYZE YOUTH COLLECTIONS AND ENHANCE READERS ADVISORY WITH THE OHIO COLLECTIONS ANALYSIS INITIATIVE

Ohio library staff have exclusive access to an original, self-paced, collection analysis initiative for considering collections for children and young adult readers. The [Ohio Collections Analysis Initiative](#) can be used to analyze collections large and small, create reading lists and displays, and boost library programming or class curriculum. Other features include:

- Personalized support. You have access to a dedicated, full-time specialist for assistance at any time.
- Unlimited access to a Collection Analysis Toolkit. This toolkit complements the collection development work you already have in place.
- Unlimited access to a vetted collection of materials about children's & young adult books and authors.

## ARTICLES

[Teaching Ideas](#) - a monthly newsletter with resources for timely topics and ideas for engaging readers all year long. *\*Those registered have access to all the resources in the newsletter.*
