- **MULTI-STATE MEETING.** On *May 28th,* the Commission hosted a virtual workshop with the New Jersey Civil Rights Commission and the Pennsylvania Human Rights Commission. This workshop allowed for the three commissions to share the work that the commissions are doing, respectively. There was an open dialogue as to the successes and challenges each commission experienced and how the commission handled them. An extraordinary amount of information was discussed during this four-hour workshop. The Ohio Civil Rights Commission is always looking to improve its processes to better serve our constituents. This workshop offered a wealth of information to that end.

- **PROGRAMMING ACTIVITY.** On or about *July 23rd*, the Commission will be hosting up to 15 members of the Black Girl Rising organization for a program designed especially for them. They will engage in a day-long activity discovering and experiencing firsthand the work we do at the Commission.

REGIONAL OPERATIONS/ACTIVITIES/ACCOMPLISHMENTS

- **TOLEDO.** The staff have been doing a great job staying on top of cases. The region had a "Notification Letter Party" the last couple months for a couple days after the Commission Meetings to assist the investigators with getting caught up. Staff were permitted to clear their calendars (unless they were on intake) and focus on notification letters. The administrative staff audited files for notification letters and position statements to assist with the efforts. This effort resulted in many cases going into mediation.

- **CLEVELAND.** The new investigators are now moving to a larger case inventory. They continue to ask questions, submit cases and are happy to be a part of the office. Cleveland, unlike the other regions, received three additional positions – 2 Investigator Positions and 1 Administrative Professional. Cleveland has interviewed for the last investigator position and has selected the candidate to make an offer of employment.

- **COLUMBUS**. Columbus Region investigators assisted with the completion of the annual HUD contract by completing approximately 21 housing investigation submissions in preparation for the June meeting. Overall, the region has prepared and submitted approximately 205 charges for closure at the June 4 Commission Meeting.

Columbus Region Investigator Meagan Johnson-Myers lost her brother, Sergeant First Class Brandon Kyle Hickey while in active duty for the US Army on or about May 19, 2026. The funeral will occur on June 4, 2026. The Columbus region and other members of the Commission have sent flowers to acknowledge Meagan and her family's sacrifice. (https://www.cardaras.com/obituaries/sergeant-first-class-brandon-hickey)

- **AKRON.** Management wishes to thank the Toledo Region for the offer and acceptance of the transfer of 50 cases from the Akron inventory.

- **DAYTON/CINCINNATI.** Staff is looking forward to having both the Regional Director position and the Investigator 1 position filled and being fully staff. The investigators have really stepped up and have done a great job filling the gaps and being patient during all of the transitions.

  The housing investigators did a great job prioritizing getting in housing cases for the end of the contract year. This is in light of their withstanding increased caseloads due to some reassignments from the Cleveland region.
